Chapter 4791

David stood up and saw two people walking towards him. These were two women, both wearing white dresses. They looked very beautiful. The most important thing was that they looked almost exactly the same, except that there were two butterfly accessories of different colors on their hairpins, one blue and one red!

Twins...

David could tell at a glance that they were twins!

The woman with blue accessories stepped forward and smiled slightly, saying, "Daoyou, is this your first time here in Wuwang Land?"

"How do you know?"

David asked!

"From your excitement just now, I know that this is your first time here. When we sisters came here for the first time, we were the same as you."

"This place is really beautiful, but it's a pity that there is no spiritual energy and no cultivation resources. If you stay here for a long time, your cultivation will stagnate!"

said the woman with blue accessories!

"What's the purpose of cultivation? If I can live a plain life in a place like this with my beloved woman, it's actually pretty good." David said with emotion!

"Of course, cultivation is for becoming an immortal..." said the woman with red accessories!

"What about after becoming an immortal?" David continued to ask!

"Of course, continue to cultivate and become an immortal, a golden immortal, a celestial immortal, an immortal king, an immortal emperor..."

The woman with red accessories said with longing in her eyes!

"Even if you become the master, the master of heaven and earth, what can you do?"

“Looking at thousands of stars every day, living alone, living for ten thousand years, one hundred million years, or even eternal life?”

David asked!

“This...” The woman with red accessories was stunned!

She seemed to have never thought about this problem. In her cognition, that is, to practice all the time, and to practice towards a higher realm!

As for why to practice, what will happen after practicing to the master of heaven and earth, she has never considered it!

David suddenly asked this question today, which made the woman with red accessories confused!

“Daoyou, people have different goals, so their thoughts are different. Maybe in your eyes, it’s good to live a plain life with the one you love!”

“But some people think that it is perfect to practice until immortality. The goals are different, but there is no right or wrong. Let’s not discuss these.”

“Daoyou, since you have come to the land of Wuwang, you must be here to climb the ladder to heaven, right?”

The woman with blue accessories interrupted David’s topic and said!

If this goes on, my sister’s brain is about to explode!

“Yes, I want to see the ladder to heaven...” David nodded!

“There are not many cultivators like you who are at the third level of the Mahayana realm and dare to enter the Wuwang Land, let alone climb the ladder to heaven.”

“You are the most courageous cultivator I have seen in all these years. You dare to climb the ladder to heaven at the third level of the Mahayana realm!”

“Your courage is really admirable...”

The woman with blue accessories praised David and kept giving him a thumbs up!

David listened to the praise from the woman with blue accessories and began to become alert!

If you are too attentive without any reason, you are either a traitor or a thief...

“Do you need something from me?”

David asked vigilantly!

“No, no!” The woman with blue accessories shook her head: “I just admire your courage, but in this land of nothingness, courage alone is not enough to climb the ladder.”

“Climbing the ladder is not the most dangerous thing here. The most dangerous thing is the monks who enter the land of nothingness. They will see that your realm is so low and will take your life at any time.”

“You must conceal your breath and make others unable to detect your true strength. In this way, those people will not dare to attack you easily, and you can walk freely in this land of nothingness!”

“Hide your breath, this...”

Chapter 4792

Just as David was about to ask, the woman with blue accessories interrupted David and said, “I know you definitely don’t know how to hide your breath, but it doesn’t matter. I have a hidden rune here. You just need to wear this rune on your body to hide your breath, and others won’t be able to detect your strength.”

The woman with blue accessories took out a rune, shook it towards David and said!

Seeing this, David laughed immediately. He now understood why the woman had just praised him. It turned out that she wanted to sell him a hidden rune!

“You gave me this hidden rune for free?” David asked deliberately!

“That won’t work. This hidden rune was drawn by a high-level spell master himself, and I spent a lot of resources to get it.” “

But if you want it, I can give you some, but I can’t give it to you for free!”

“If others want it, no matter how much resources they spend, I won’t give it to you. I see that you are handsome and have a good eye for you, so I’m giving you some.”

The woman with blue accessories said!

“Sister, we don’t have many runes left. How can you give them to others? We spent a lot of money to invite a rune master to draw them.”

“If you give them away, what will we use them for?” The

woman with red accessories hurried to stop her!

“Sister, I think this Taoist friend’s strength level is too low, and I can’t bear to see him being harmed by others, so let’s give him some!”

said the woman with blue accessories!

“You can’t let him...” The woman with red accessories tried her best to stop her!

David looked at the two people’s hard performance and laughed unconsciously!

How could there be such a deception in the world of heaven and man?

“Since this thing is so important to you, then I don’t want it. I can’t make things difficult for you sisters!”

David decided to tease the twin sisters, and turned around and was about to leave after he finished speaking!

At this moment, the twin sisters were dumbfounded!

Originally, they wanted to put on a show in front of David so that they could sell the invisibility talisman at a high price!

But now David turned around and left!

“Hey, hey, hey...” The woman with blue accessories caught up with David: “Daoyou, don’t leave. My sister is ignorant. How about I give you this invisibility talisman at a lower price?”

“What’s the price?” David asked!

“How about 10,000 fairy stones for one?” said the woman with blue accessories!

“Ten thousand immortal spirit stones?” David was stunned: “Just your broken rune, is it worth ten thousand immortal spirit stones? Why don’t you go and rob it...”

“Daoyou, if you think it’s too expensive, we can negotiate!”

The woman with blue accessories smiled!

“No, no...” David said and was about to turn around and leave!

But before he turned around, the woman with red accessories pointed the sword directly at David!

“Since you asked, you must have it, otherwise don’t blame me for being rude!”

The red accessories woman burst out with the breath of the ninth rank of the Mahayana realm!

“Are you forcing buying and selling?” David smiled!

“Yes, we sisters are not unreasonable people. You use the immortal spirit stone to buy our concealment talisman. This is a transaction.”

“If I met someone else, I would have killed you with a sword and snatched your things from you!”

The blue accessories woman also spoke!

“This is the first time I heard that forced buying and selling is so noble. I have immortal spirit stones, but I won’t buy your concealment talismans!”

David smiled faintly!

“Boy, aren’t you afraid of death?” The woman with blue accessories frowned!

“I’m afraid of death, but you two can’t kill me!”

David said!

“Humph, you are just a third-grade cultivator in the Mahayana realm, and you dare to say such big words. Not to mention the two of us, I can send you to heaven with one sword!” The woman with red accessories snorted coldly!

“Really? I don’t believe it, how about trying it?”

David waved at the woman with red accessories provocatively!

“Looking for death...”

The woman with red accessories said, and was about to slash at David with a sword!

“Stop, you two get out of here, this man is mine...”

With a roar, a young man in a brocade robe, a jade pendant tied around his waist, and a folding fan in his hand came over!

Behind the young man, there were two cultivators with cold expressions!

Chapter 4793

“Tang Xiaoyi?”

Seeing this young man, the two women’s faces changed slightly!

“Hongyao, Lanyao, are you two sisters blind? You don’t want the big bounty, but you sell your broken spell.”

Tang Xiaoyi shook his folding fan and said with disdain!

“Mr. Tang, what do you mean?”

Hongyao asked!

“Don’t you know this person?” Tang Xiaoyi asked! Hongyao

and Lanyao shook their heads. They didn’t know David, but they saw that David’s realm was low and his face was unfamiliar, so they came to sell the hidden talisman!

“No wonder!” Tang Xiaoyi smiled slightly: “This man is called David, and he is the one that the Huo family is chasing with 200,000 fairy spirit stones.”

“200,000 fairy spirit stones?”

The two sisters Hongyao and Lanyao looked at each other, their eyes full of surprise!

“Mr. Tang, you are not kidding, are you? How can a third-grade cultivator of the Mahayana realm be worth two hundred thousand immortal spirit stones?”

Lan Yao asked in confusion!

“Who the hell has time to joke with you? Anyway, this is what the Huo family said. I don’t care what realm he is in.”

“You two feel like getting out of here. If you make me unhappy, my men haven’t touched a woman for a long time!”

Tang Xiaoyi said to the two sisters!

“Mr. Tang, don’t be angry, let’s go...”

Hong Yao hurriedly pulled her sister and smiled apologetically!

But just as the two sisters turned around to leave, dozens of light balls were suddenly thrown out from their hands!

These light balls burst into dazzling light, and a series of explosions occurred instantly!

Tang Xiaoyi was caught off guard by this sudden attack and quickly retreated!

“Go, are you still waiting to die here?”

Hong Yao pulled David up and fled quickly!

At the same time, Lan Yao put a hidden talisman on David’s body to hide David’s breath, so as not to be caught up by Tang Xiaoyi and others following the breath!

“Damn it, chase him...”

Tang Xiaoyi was furious and chased after him quickly with his men!

Hong Yao and Lan Yao took David and ran for half an hour until the concealment talisman on their bodies lost its effect, and then they stopped panting!

The two hurriedly took out a few pills to replenish their physical strength, and David looked at them with some surprise!

“Why did you two save me?”

David asked puzzled!

“No reason...” Hong Yao took two breaths and said!

“We sisters are kind-hearted, how do you want to thank us two?”

Lan Yao asked!

“Kind?” David smiled: “Kind-hearted and still bullying the weak?”

Lan Yao glared at David: “Buying and selling by force is good, you see that there are still people who want to kill you directly to get the reward.”

“Don’t you sisters save me just to get the reward yourself?”

David smiled!

“Since you have seen it, we sisters will not beat around the bush. I never thought that you, a third-grade cultivator in the Mahayana realm, would be worth 200,000 immortal spirit stones.”

“I don’t know if the Huo family’s brains are rusted, or if they have too many immortal spirit stones and have nowhere to use them!”

“But don’t worry, I will act quickly and won’t let you suffer.”

Hong Yao looked at David and actually comforted him!

David looked at the twin sisters in front of him and couldn’t help laughing!

These two women have IQs, but not much...

“What are you laughing at? Aren’t you afraid of death?”

Lan Yao asked!

“I’m laughing at your IQ problems.” David said!

“What? You dare to laugh at us.”

Lan Yao pointed the long sword in her hand at David!

“Use your brains to think about it. Is the Huo family too many immortal spirit stones, or is their brains rusted? They actually used 200,000 immortal spirit stones to kill me, a third-grade cultivator in the Mahayana realm.”

“Wouldn’t they send an elder to kill me casually? What kind of killing order is needed, and they have to take out 200,000 immortal spirit stones.”

David said!

Chapter 4794

Hong Yao’s eyes turned, and she thought for a moment, “That’s right, why doesn’t the Huo family do it themselves?”

“Because the Huo family knows that it’s not that easy for them to kill me, because I have someone behind me, and they dare not offend, so they offer a reward and let others do it.”

David explained!

“Do you have someone behind you? Is the person behind you stronger than the Huo family?” Lan Yao asked! Chen

Ping raised his mouth: “A small Huo family, waved to destroy it...”

“Boasting, why don’t I believe that there is someone behind you, tell me who is the backer behind you?”

Lan Yao didn’t believe that a third-grade cultivator in the Mahayana realm could have any powerful backer!

“My backer is myself!”

David pointed at himself and said!

“You dare to play tricks on us sisters, I...”

Lan Yao thought that David had played tricks on them, so she was going to kill David!

Dare to make a move, but feel a terrifying breath coming!

“Let’s see how you can run!”

Tang Xiaoyi came in a rage, and then punched David and the two sisters!

The peak of the ninth level of the Mahayana realm made this punch full of the breath of destroying the world!

Seeing this, Hong Yao and Lan Yao were shocked, but it was too late to escape at this time!

The two faces were full of despair. They knew that they were doomed today!

Puff!

Suddenly, Tang Xiaoyi’s body was stunned, and then he fell quickly from mid-air!

Tang Xiaoyi’s eyes widened, staring blankly at his chest!

At some point, a sword was inserted into Tang Xiaoyi’s chest!

The Dragon Slaying Sword...

The two sisters were stunned, because they didn't see clearly how the sword came out!

Seeing this, the two followers behind Tang Xiaoyi instantly burst out with a terrifying breath and blocked Tang Xiaoyi on both sides!

Both of them were at the first level of the Immortal Realm. When they saw Tang Xiaoyi being pierced by a sharp sword, their brows all frowned!

With their strength, they didn't even find out how the sword penetrated their young master's body!

"Fellow Daoist Chen, we are from the Tang Sect. This is our Tang Sect's young master. I hope you can let our young master go!"

One of the monks said to David with a fist!

Being able to penetrate Tang Xiaoyi's body with a sword in an instant under their noses, David's strength could never be the revealed third level of the Mahayana Realm!

What's more, Tang Xiaoyi is at the peak of the ninth level of the Mahayana Realm. How could he be pierced through by a third level monk of the Mahayana Realm!

Now the only explanation is that David has hidden his true strength!

"Tang Sect?" David shook his head: "I haven't heard of it!"

Swish!

The Dragon Slaying Sword returned to David's hand, but Tang Xiaoyi's body was instantly cut in half, and his body and soul were destroyed!

At the same time, the storage bag on Tang Xiaoyi also flew into David's hands!

"He is really a rich young master, with so many good things!" David took a look at the storage bag, and then said to the two Tang Sect monks: "You are welcome to avenge your young master..."

The two Tang Sect monks looked at each other, but no one dared to move!

The more David did this, the more unsure these two people felt!

The two could only stare at David, clenching their hands, exuding a terrible aura, but they never made a move! The sword just now made the two people feel scared!

They are both masters of the Immortal Realm, but they didn't see how David made the move!

Originally thought that Tang Xiaoyi's skills, even if he was not David's opponent, could not be killed in seconds!

As long as the situation is not right, they will help!

Who knows, Tang Xiaoyi was killed in seconds by David!

At this moment, they also understand why the Huo family offered a reward of 200,000 fairy stones to kill David!

This kind of strength is worth more than 200,000 taels!

After staring at David for a moment, the two Tang Sect monks slowly dissipated their aura, turned around, each picked up half of Tang Xiaoyi's body, and quickly disappeared into the sky!

Chapter 4795

It was not until the two Tang Sect monks left that the two sisters Hongyao and Lanyao breathed a sigh of relief and instantly collapsed on the ground!

The aura of the two immortal realm monks just now made it difficult for the two sisters to bear!

At this moment, the two of them were almost exhausted!

David turned around and looked at the two sisters, his eyes as calm as water!

The calmer David was, the more frightened the two sisters were!

"Mr. Chen, I... We were wrong, please forgive us, we are willing to hand over all the resources on us!"Lan

Yao no longer looked like before. At this moment, her face turned pale, her body trembled, and she looked pitiful!

"If Mr. Chen doesn't like our resources, we sisters can also offer our bodies for Mr. Chen's entertainment."

“We are twin sisters, and we can give Mr. Chen a different experience!”

Hong Yao blinked her big eyes and kept giving David electric shocks!

“Not interested...”

David said, turned around and left!

What sister or not sister, David is not interested at all now!

Anyway, he is not short of women...

David turned around and left, which really surprised the two sisters. The two sisters looked at each other, then got up and chased after David!

“Mr. Chen, wait a minute...”

Hong Yao shouted!

“What? You two sisters must let me sleep?”

David frowned slightly!

Hong Yao blushed and shook her head: “Our sisters’ looks are definitely not in Mr. Chen’s eyes.”

“We just want to remind Mr. Chen that the person you just killed is not a simple person. You should not know who he is?”

“Didn’t I just say, what Tang Sect, what Young Master?” David said!

“Then Mr. Chen must not know what Tang Sect is.” Hong Yao said!

“No matter what he is, if he wants to kill me, he can only die. It’s the same if the king of heaven comes. This is my rule!”

David said nonchalantly!

When the two sisters Hongyao and Lanyao heard this, they were sweating profusely. They thought that they just wanted to trick David, not really wanting to kill him!

Otherwise, the two sisters would probably be dead now!

“Mr. Chen, that man is called Tang Xiaoyi, the son of the Tang Clan. Although the strength of the Tang Clan is not the top, it should not be underestimated. They also have a place in the Taoist sect and have the right to speak.”

Hongyao introduced the Tang Clan to David!

“How strong is the Tang Clan compared to the Huo family?” David asked!

“The Tang Clan is naturally not as good as the Huo family, but it can’t be too bad.”

Hongyao said!

“I’m not even afraid of the Huo family, so the Tang Clan is nothing...” David smiled!

Hong Yao was stunned and slightly embarrassed: “Mr. Chen, although the Tang Sect is not as good as the Huo Family, if the three sects are added together, the Huo Family is no match.”

“Three sects in a row?” David was stunned and didn’t understand what this was!

“Mr. Chen, the three sects in a row are the strength of three sects. Because of the marriage, the three sects are now united.”

“So we have always called them three sects in a row. Among them is the Tang Sect, and there is also a Qian Sect. The people of Qian Sect know some deduction and calculation techniques, and there is also a Ling Sect, who likes to raise spiritual beasts the most.”

Lan Yao interrupted to explain to David!

“How does the three sects add up to Sun Moon City?”

David asked!

“I don’t know about this. After all, Sun Moon City is more mysterious, and I heard that its strength is also one of the best in the world of heaven and man. I dare not say whether the three sects in a row can surpass Sun Moon City!”

Lan Yao hurriedly shook his head and said!

“The emperors of Sun Moon City are all my younger brothers. Do you think I am afraid of the three sects in a row?”

David smiled coldly, then turned around and continued to move forward!

The two sisters looked at David, and for a moment they didn’t know whether David’s words were bragging or really awesome!
