Chapter 4796

David didn't care what the two sisters thought, but walked straight forward!

He took out Tang Xiaoyi's storage bag and looked through it carefully!

As a young master of the Tang Clan, there must be a lot of good things in the storage bag!

David threw some of the pills in the storage bag into his mouth! There

is not a trace of spiritual energy and resources in this Wuwang land, and it can only be supplemented by the resources it brings!

"Hey, what is this?"

At this time, David took out a glowing sphere from the storage bag!

This glowing sphere is transparent, and it contains a mysterious power!

Through the sphere, you can also see a small animal curled up inside, and the skin, flesh and blood vessels on its body are clearly visible!

"Is it a spirit beast egg?"

David thought of the little swallowing beast, which was also a sphere at the time!

"Mr. Chen, be careful, that's the soul-devouring beast of Lingmen."

Hong Yao's shout came from behind David!

Before David could react, he saw the glowing sphere in his hand suddenly burst, and then the soul-devouring beast flew out instantly and sank into the center of David's eyebrows!

David stayed there motionless, and Hong Yao and Lan Yao had already caught up with him!

"It's bad, Mr. Chen has been invaded by the soul-devouring beast, I'm afraid that Mr. Chen's consciousness will be devoured!"

Seeing this, Hong Yao said anxiously!

“Sister, there is no way to break the soul-devouring beast entering the body. After a while, David will become dementia if he doesn’t die.”

“We just took the opportunity to chop off his head, and then take it to the Huo family to exchange for fairy stones!”

Lan Yao said excitedly!

“Shut up!” Hong Yao frowned. “Mr. Chen just spared our lives. How could we do such a thing?”

“Sister, he will die sooner or later. Even if we don’t do it, someone else will.”

“Instead of letting others get it, it’s better for us to get the 200,000 fairy stones. That’s 200,000!”

Lan Yao said, and the sword in her hand was about to chop towards David’s head!

Ding!

With a crisp sound, Lan Yao’s sword was blocked by Hong Yao!

“Sister, if you do it, don’t blame me for being rude!” Hong Yao said with a cold face!

“Sister, you are so stupid!”

Lan Yao had no choice but to put away the sword!

Hong Yao looked at David and found that David was motionless, as if he had lost the ability to control his body!

In fact, David is fine now. What kind of soul-devouring beast, entering his sea of consciousness, has long been caught and roasted by the Red Cloud Demon Lord!

Even if the Red Cloud Demon Lord is not in David’s sea of consciousness, this so-called soul-devouring beast can’t even think of hurting David’s consciousness!

There is also the Daluo Golden Classic in David’s sea of consciousness, which is an existence that even the Red Cloud Demon Lord is afraid of!

What a small soul-devouring beast is!

“I heard that after the soul-devouring beast enters the body, it can be sucked out from the mouth quickly. Let me try...”

After Hong Yao finished speaking, she kissed David and began to suck fiercely!

David widened his eyes, looking shocked and embarrassed!

Pushing Hong Yao away, David coughed violently twice: "Sorry, I... I'm fine!"

"Mr. Chen, the soul-devouring beast in your body was sucked out?"

Seeing that David was fine, Hong Yao said happily, but just after she finished speaking, Hong Yao frowned and said: "No, if the soul-devouring beast in your body is sucked out, it should enter my body, why don't I feel it?"

"The soul-devouring beast entered my body and was killed by me. My brain is not so easy to be eaten!"

David smiled faintly!

David was still grateful to Hong Yao. Regardless of whether the other party helped him or not, at least he no longer had the intention to harm him!

But that Lan Yao...

David looked at Lan Yao, with murderous intent flashing in his eyes!

Lan Yao felt the murderous intent in David, and was so scared that she took several steps back, looking very nervous!

Chapter 4797

"Mr. Chen, I am sometimes reckless, and I hope you won't mind!"

Seeing this, Hong Yao hurriedly pleaded!

"You are benefiting from your sister, otherwise, you would be a corpse at this moment!"

David looked at Lan Yao, his eyes full of warning!

After that, David continued to turn around and leave. He didn't want to have too much to do with the twin sisters in front of him!

But who knew that David had just left, and the two of them caught up with him!

“Anything else?” David asked!

“Mr. Chen, my sisters want to follow Mr. Chen...”

Hong Yao said bluntly!

“I never keep anyone who wants to murder me around me!” David shook his head!

“Mr. Chen, it was indeed my sister’s fault just now, but Mr. Chen should also think clearly. This Wuwang Land belongs to the Huo family. They have offered a bounty for you, but they did not send anyone to hunt you down. This shows that they just want Mr. Chen to become a rat crossing the street.”

“The cultivators who can come to Wuwang Land are all from the clans and families with hidden forces. If these people target Mr. Chen, then Mr. Chen will never have peace!”

Hong Yao followed David and said!

“Do you have a way to prevent me from being targeted?” David asked!

Hong Yao nodded: “Mr. Chen, the reason why you are targeted is because your realm is too low at the moment. I hope you will not hide your realm and directly expose your strength, so that some people will retreat!”

“If Mr. Chen had exposed his true strength just now, Tang Xiaoyi would not dare to provoke Mr. Chen easily.”

David smiled: “The third level of the Mahayana realm is my true realm. I am not hiding anything!”

“What?” Hong Yao was shocked!

A third-grade Mahayana cultivator killed a ninth-grade Mahayana peak cultivator with one sword?

Isn’t this too outrageous?

After being shocked for a moment, Hong Yao continued, “Mr. Chen, since you are gifted and can fight above your level, you should go to the Taoist sect. Now that the ladder to heaven has not yet descended, almost all the cultivators have gathered in the Taoist sect.”

“After Mr. Chen arrives at the Taoist sect, he can arrogantly display his strength. In this way, many people will be afraid of Mr. Chen’s strength and dare not provoke you again.”

“There is also the power behind Mr. Chen, which can be displayed, such as the emperor of Sun Moon City. You can order the emperor of Sun Moon City to give you a back massage on the street and see if others dare to target you?”

“I’m afraid that even the Huo family and the Tang family will not dare to seek revenge on Mr. Chen...”

David listened to Hong Yao’s analysis and smiled faintly, “Are you asking me to show off?”

Hong Yao nodded, “If Mr. Chen is really awesome, then he should show it truly. If he is not really awesome, then he should pretend to be awesome. Anyway, just make others dare not to target you!”

“How can I pretend? My realm is too low, and I can’t pretend?” David pondered: “I do have a sword here, I wonder if I can pretend!”

“I’m afraid it won’t work. It’s just a sword. Not everyone knows the value of it. I wonder if Mr. Chen has any other powerful things?”

Hong Yao asked!

“Then I will pretend that I have a divine beast, pretend that I know fairy arts, pretend that I know formations, pretend that I have a miraculous hand, pretend that I have a divine king bow, and pretend that I have a backer who can destroy the world of heaven and man with one palm?”

David said incessantly!

“No, no, Mr. Chen pretended to be credible and real, what destroyed the world of heaven and man with one palm, what divine beast, divine king bow, and what fairy arts, this is bragging at a glance, but it is not easy for people to believe it.”

Hong Yao waved her hands again and again, asking David not to pretend!

“Bragging?”

David laughed, and then a heat wave came, and the little Qilin beast was released by David!

Chapter 4798

Feeling the light green grass around, the little Qilin beast was very happy, running around and shouting happily!

The little Tianshen beast seemed to feel something, and flew out directly from David's storage ring!

The little Tianshen beast was not restrained by David at all!

The little Qilin beast and the little Tianshen beast played wantonly, not to mention how happy they were!

Seeing this scene, Hong Yao and Lan Yao were dumbfounded...

"Mr. Chen, this..."

Hong Yao widened her eyes, her face full of disbelief!

"Oh, these two little beasts I raised, they are very well-behaved..."

David said casually! Hong

Yao Lan Yao: "....."

fu**, I really have a beast...

Dang...

At this time, there was a sudden crisp sound, and a magic bow fell out of David's body!

"Sorry, the storage ring is a little full..."

David bent down and picked up the God King Bow!

"God King Bow?"

The two sisters' eyes were about to pop out!

fu**, I really have a God King Bow!

After putting away the God King Bow, David's fingertips suddenly flashed with light, and then he pointed to the void!

A golden light instantly sank into the void!

The entire void began to distort, and time seemed to stand still!

“Is my Immortal Finger pretty good?”

David asked indifferently!

“Isn’t it?”

The two sisters opened their mouths wide, and they could fit two eggs!

fu**, I really know immortal arts!

David saw a few goats passing by in the distance, so he waved one hand in the air, and array patterns appeared one after another!

Soon a formation was formed, and the goats were trapped by the formation and sent directly to David and the others!

Then the goats seemed to be controlled by something and fell straight to the ground!

David snapped his fingers, and a fire burned!

As the aroma filled the air, several goats were roasted!

“It smells so good. I haven’t eaten roasted lamb for a long time!”

David sniffed hard, then tore off a leg of lamb and started chewing it!

The environment here is the same as in the secular world. Eating lamb legs here is like going on a spring outing in the secular world!

At this moment, David seemed to have returned to the secular world!

“Don’t you two want to eat?” David looked at the two sisters and asked!

The two sisters were already stupid at this moment, standing there stupidly, and didn’t hear David calling them at all!

“Sister, was that a formation just now?”

“Yes!”

fu**, I really know the art of formation.

“If you two don’t eat, I can’t finish so many roasted lambs!”

After David finished speaking, he waved his hand gently!

A breath passed by like a breeze, and several roasted goats actually recovered their flesh and blood visibly, and finally came back to life and ran away!

“Miraculous hand back to spring?”

The two sisters felt that their brains were not working well at the moment!

fu**, I really know medical skills!

“Is there anything else you haven’t performed? I’ll practice first so that I can show off at the Dao Gate!”

David asked after wiping the grease off his mouth!

“No, no more, Master Chen, you don’t have to show anything. You’re not showing off, you’re really awesome!”

Hong Yao hurriedly stopped David!

If David destroyed the Heavenly Realm with one palm in his show, then both of them would have lost their families!

“Is this enough?”

David asked!

“Enough, enough. If they see these things, they will definitely not dare to target Master Chen!”

Hong Yao nodded repeatedly!

“That’s good!” David nodded: “But where is the door? This is my first time here, and I don’t know the way!”

“I know, I’ll take Master Chen there!”

Lan Yao hurriedly led the way!

At this moment, Lan Yao had no intention of killing David to get the reward, and just wanted to follow David wholeheartedly!

David, led by Lan Yao, headed towards the Dao Gate!

Regardless of whether anyone is targeting him or not, David decided to act big first. Now that he thinks about it, it seems that there are not many people in the Heavenly Realm who pose a threat to him!

Chapter 4799

Tang Sect!

In a hall, several old men sat upright. These were the elders of Tang Sect. The old man sitting in the middle was Tang Sect's great elder Tang Zhonghai!

In front of these old men, Tang Xiaoyi's body, which had been cut into two halves, was placed.

There were also the two monks who followed Tang Xiaoyi, who were kneeling in the hall at this moment, bowing their heads and saying nothing!

The young master of Tang Sect was split into two halves by a sword. These two guys failed to protect him, and they must be responsible!

It will take some time for the ladder to arrive, so Tang Sect just let Tang Xiaoyi take the two of them to the land of no pretense first!

But I didn't expect this result!

"Did David really kill the young master with a sword in the third level of the Mahayana realm?"

Tang Zhonghai asked coldly!

"Yes!" One of the monks nodded!

"I sent you two to protect the young master. What are you two doing?"

"Two immortals are scared by a young monk of the third level of the Mahayana realm?"

Tang Zhonghai asked angrily!

"Grand Elder, we began to underestimate David's strength, so we didn't care."

"When we found out, the young master had been stabbed by a sword. The sword was so fast that we couldn't see it clearly!"

The monk who was kneeling on the ground said with a trembling body!

“Why don’t you two avenge the young master?” Tang Zhonghai continued to question!

“The two of us together are probably not the opponent of David, and the young master’s body is exposed in the wilderness. We need to bring the young master’s body back!”

The monk lowered his head and dared not look directly into the eyes of the great elder!

“Hidden strength, this David is really not simple. No wonder the Huo family would rather pay 200,000 fairy stones than do it themselves.”

“What realm do you think David’s true strength can reach?”

Tang Zhonghai asked!

“The second level of the immortal realm...” said the monk!

“No, I feel that the third level of the immortal realm is also possible!” Another monk who knelt on the ground spoke!

“The third level of the immortal realm?” Tang Zhonghai slowly stood up: “Hide a great realm, what does this kid want to do? Play the pig and eat the tiger?”

“Brother, what should we do next? Should we avenge the young master?”

At this time, an old man asked!

“Old Third, don’t you think this matter is a bit strange? Why does this David want to hide such a great realm?”

“And whether there are other forces behind this David, we don’t know now. If we rashly take revenge, it will inevitably affect our subsequent plans.”

The elder Tang Zhonghai frowned and said!

“What should we do? Are we just going to watch the young master die tragically and do nothing? If the sect master comes out of retreat, all of us will definitely be punished.”

The third elder said!

“Why are you so anxious? I didn’t say I won’t take revenge. Now report the murder of the young master to Qianmen and Lingmen, and let them come forward.”

“Just say that the master is in seclusion. We can’t make the decision on such a big matter.”

“Then Lingmen will definitely take action. After all, the current master of Lingmen is the young master’s uncle. He will not watch his nephew die tragically and remain indifferent.”

The elder’s eyes condensed and said!

“Brother, are you letting Lingmen be the first to take action?” said the third elder!

“Yes, no matter what David’s real strength is, and what is behind him, as long as Lingmen takes action, everything about him will be exposed.”

“If David has no background strength and is killed by the people of Lingmen, it can be regarded as revenge for the young master.”

“If David has a background and the people of Lingmen are defeated, then we will wait and see what happens and wait for the master to come out of seclusion.”

“In this way, no matter what the result is, it will not be blamed on us.”

The elder analyzed!

The third elder’s eyes lit up: “Big brother is still resourceful, let’s do it!”

Soon a breath of air rose into the sky from the Tang Sect and disappeared into the horizon!

Chapter 4800

Daomen!

Two huge stones form the shape of an archway. I don’t know who carved the word “Daomen”!

Behind this door are rows of neat houses. Usually, there are few people here, and almost no one can be seen!

But when the ladder to heaven descends every hundred years, this place is bustling with people, all of whom are monks coming from all walks of life!

These monks are waiting for the ladder to descend at the Daomen. While waiting, they will also trade with each other here.

David followed the two sisters Hongyao and Lanyao and walked into the Daomen in a swagger!

David did not hide his aura, let alone change his appearance!

Seeing David's arrival, many people were a little shocked!

After all, the Huo family used 200,000 fairy stones to offer a reward for killing David, and this guy dared to appear in the Daomen in a swagger! Especially

now that the ladder to heaven has not yet arrived and the strength of all parties has not yet completely taken control of the Dao Gate, if someone from the Huo family came here to kill David, no one would come forward to stop it!

On both sides of the street, pairs of burning eyes stared at David and the others.

Two hundred thousand fairy spirit stones are not a small number!

Moreover, many of the cultivators who came here are at the peak of the ninth rank of the Mahayana Realm, and there are also those who have been promoted to the Immortal Realm. These people are in the most need of fairy spirit stones!

However, David's blatant appearance in the Dao Gate made many people with ulterior motives dare not act at will!

After all, David is not a fool. He dared to show up, which proves that he has been prepared for a long time. Maybe there is some force behind David as a backer!

So before it is clear, I am afraid no one dares to take action first, after all, the gun shoots the bird that comes out first!

"Sister, there are so many people around looking at us, I'm so shy, is it because we are too beautiful?"

Lan Yao felt the hot eyes of the people around her and said shyly!

"Don't be narcissistic, these people are looking at Master Chen. In their eyes, Master Chen is a walking resource library. Who wouldn't be jealous of 200,000 fairy stones!"

Hong Yao rolled her eyes at Lan Yao and said!

David himself didn't care about the eyes of the people around him, but found a place with more people, and called out the little fire unicorn with a wave of his hand!

"fu**? The mythical beast Fire Kirin?"

“Impossible, how can there be a mythical beast in the heavenly world?”

“It’s so small, could it be a mythical beast? It’s as big as a dog!”

Everyone was attracted by David’s Fire Kirin, observing one by one, wondering if the one next to David was a mythical beast!

“What is Mr. Chen doing? Why did he suddenly become so ostentatious?”

The Tenth Palace Master was in the dark, watching David suddenly come to the Dao Gate, and so ostentatious, and really didn’t know what David meant!

“Brother, what do you think David is thinking? Come to this place of Dao Gate to show off?”

Lin Keting looked at Lin Kefan in the crowd and asked!

“I don’t know either. Does he feel that this Dao Gate has a place in our Sun Moon City, so he is not afraid at all?”

Lin Kefan’s face was also full of doubts!

“It’s all your fault. Father and Master haven’t come yet. You told David in advance and made him so rampant.”

“If someone is against David now, you stand up for me. If David has any problems, I will never forgive you!”

Lin Keting glared at Lin Kefan and complained to him!

“Girls are really not worth keeping when they grow up...” Lin Kefan sighed!

“What are you looking at? Haven’t you seen a mythical beast? If you look again, I will dig out your eyes!”

“Get out of here...”

David arrogantly pointed at the people around him with the Dragon Slaying Sword in his hand and cursed!

Everyone: “.....”

Hongyao and Lanyao looked at David in shock.

“Mr. Chen, be low-key. I told you to be arrogant, but don’t be too arrogant or you will offend everyone!”

“If this angers everyone and they attack us together, I’m afraid there will be nothing left!”

Hongyao leaned close to David’s ear and whispered nervously!
