Chapter 4801

“You are being too arrogant?” David smiled awkwardly!

“David, you are going too far. You just came to this place and you are flirting with girls, right?”

Seeing Hong Yao getting so close to David and looking very intimate, Lin Keting couldn't stand it!

Just when David followed Hong Yao and Lan Yao into the Taoist gate, Lin Keting was unhappy!

But the three of them kept their distance, perhaps because they came here together, so Lin Keting didn't get angry!

Now Hong Yao has come close to David's ear and it seems like they are about to kiss. Lin Keting is not happy!

David was stunned. Looking at the furious Lin Keting, he hurriedly said, “Don't get me wrong, I didn't hook up...”

“How can you talk like that? You call us little girls? I think you are the little girl, and you are the old girl...” Lan

Yao directly sprayed Lin Keting!

Obviously, Lan Yao didn't know Lin Keting. If she knew that Lin Keting was the princess of Sun Moon City, she would not dare to do this!

“You dare to call me an old girl, I will tear your mouth apart!”

Lin Keting rushed directly towards Lan Yao!

Lan Yao did not show weakness. After all, Lin Keting's strength was not as strong as hers!

At this moment, suddenly a burst of crisscrossing silk threads appeared between heaven and earth, and Hua Yueying walked out of the crowd.

She knew that Lin Keting was no match for Lan Yao, so she cast a formation and directly imprisoned Hong Yao and Lan Yao!

“Hua Yueying, what do you mean by this?”

Seeing Hua Yueying coming out, Lan Yao frowned and said!

It was obvious that they all knew each other!

“It’s nothing, you sisters stay away from my man. In this place of no consequence, your reputation is not very good. Don’t affect my man!”

Hua Yueying said coldly!

Hongyao Lanyao: “Your man?”

The people around were also surprised, not understanding when Hua Yueying became David’s woman!

More people were watching with a gloating attitude!

This kind of drama of the original wife catching the mistress is the best, but this is the world of heaven and man, it is normal to have three wives and four concubines, so there is no such thing as a mistress!

But the tit-for-tat of these four women is still very exciting!

“Okay, stop making trouble, misunderstanding...”

David was trying to smooth things over in the middle!

was originally pretending to be cool, but now people are laughing at it, how embarrassing!

“This is the Taoist sect, not a place for you to throw a tantrum...”

At this time, an old man in a wide black robe walked out of the crowd!

“Isn’t this the elder of the three-door Qian family? I didn’t expect the Qian family to come so early.”

“The Qian family also has a place here, managing the order of the Taoist sect. This time David is not feeling well.”

“The realm of the third rank of the immortal realm, it seems that the Qian family has a big move in ascending the ladder to heaven this time!”

When everyone saw the old man coming out, they all talked about it!

David frowned slightly and looked at the old man: "This is my family's private matter, who are you, and you care so much?"

The old man was stunned!

The others around were also stunned!

Damn it!

A third-rank cultivator in the immortal realm, would David dare to treat him so arrogantly?

The Tenth Palace Master frowned in the dark, and his expression became solemn!

He knew this old man, the elder of the Qian sect, and the Qian sect was not easy to deal with!

The old man Qian in the Ten Palaces is the elder of the Qian Sect. After entering the Ten Palaces, he has a very high status by relying on the art of deduction!

"Boy, you are looking for death..."

The old man's face was gloomy in an instant. Scolding him in front of so many people was simply too much!

Swish!

As soon as the old man finished speaking, the Dragon Slaying Sword in David's hand had already slashed at the old man!

Since he wanted to show off, someone just happened to jump out to cooperate with him, so David certainly would not miss this opportunity!

Cut it down with one sword!

The old man's body slightly tilted, and the Dragon Slaying Sword actually passed by the old man's body without hurting the other party at all!

David was stunned: "The art of deduction?"

Originally wanted to show off, but he didn't expect that the other party would also know the art of deduction, and calculated the direction of his sword, so he easily avoided it!

He failed to show off, but was slapped in the face.

What a bad luck...

Chapter 4802

“How dare you attack me in this place?”

The old man glared, and the aura on his body burst out instantly!

David looked at the old man in front of him. He was not afraid of the third level of the Immortal Realm, but if he really wanted to show off, he had to kill with one sword, which David could not do yet!

“Old thing, I was just testing you just now. If I want to kill you, I only need one sword!”

David smiled coldly.

At the same time, David started talking to the Red Cloud Demon Lord in his sea of consciousness: “Senior, if you take over my body, can you kill this old man in front of you with one sword?”

“What? You remember me now? How long have you not let me breathe?”The

Red Cloud Demon Lord rolled his eyes at David in dissatisfaction: “I can kill, but I won’t help you...”

“Senior, I’m giving you this pretentious job, and it’s also for you to enjoy the flattery and gazes of everyone. If you don’t want to, forget it.”

“Although I can’t kill him with one sword, a few more swords will definitely not be a problem.”

David said, playing hard to get!

“No, no, no, I’m just joking. Just give me your body. I’ll make this old guy a scum!”

The Red Cloud Demon Lord hurriedly grabbed David!

“Don’t go too far. If my body can’t stand it, it will be useless. You won’t be able to have a good life either!”

David was afraid that the Red Cloud Demon Lord had played too much and his body couldn’t stand it!

“Don’t worry, I know my limits!” said the Red Cloud Demon Lord!

David nodded, and then his consciousness entered his body, allowing the Red Cloud Demon Lord to take over his body!

The Red Cloud Demon Lord looked around, moved his hands and feet, and looked very happy!

“Boy, you are so arrogant. You still want to kill me with one sword?”

“I tell you, even if I stand still, if you use one sword...”

Swish...

Before the old man finished speaking, David had already swung a sword!

This sword did not carry any breath, and even the sword energy could not be seen!

It was as if David’s sword was casually slashed in the air!

Just when everyone was wondering why David’s sword had no power, they saw the old man’s eyes wide open, looking at his body with an incredible face!

Crash...

In an instant, the old man’s body became shattered and really became a pile of meat paste!

“fu\*\* .....

Everyone burst out a swear word at the same time!

Everyone was almost going crazy at this moment!

The third level of the Immortal Realm was killed with such a light sword?

And that was the elder of Qianmen, who had the ability to deduce the way of heaven.

Just one sword?

The problem is that David is only at the third level of the Mahayana Realm, which is too outrageous!

The Tenth Palace Master also opened his eyes wide, full of disbelief.

When did David become so powerful?

“Who else wants to try, just stand up. This third level of the Immortal Realm is too weak and can’t really use his fists and feet.”

David looked around and asked arrogantly!

Listening to David’s words, everyone was numb...

The third level of the Immortal Realm is not enough for you to use your fists and feet in the third level of the Mahayana Realm.

Is this human language?

For a while, there was silence around!

Everyone stared blankly, and no one dared to speak!

At this moment, even those who wanted to kill David and get a bounty of 200,000 fairy stones gave up the idea!

With one sword, he killed the third-grade elder of the Immortal Realm who knew the art of deduction!

This is too outrageous. No one can guess what David’s upper limit is!

“If no one dares to stand up, then disperse. Don’t try to hit me in the end. Be careful not to lose your life!”

David waved his hand, and everyone dispersed!

200,000 fairy stones are good, but you have to live to spend them!

When everyone dispersed, David took over the body again, and the Red Cloud Demon Lord was happy.

“I haven’t been so pretentious for many years. If there is such a thing again, you have to think of me!”

The Red Cloud Demon Lord said!

“Don’t worry, senior, I will definitely think of you!” David also enjoyed it.

The Red Cloud Demon Lord was able to stretch his muscles and bones, and he also pretended to be pretentious.

## Chapter 4803

“Miss Hong, do you think I’m pretending well?”

David looked at Hong Yao and asked!

Hong Yao was so shocked that she didn’t dare to speak, and she kept taking the lead!

At this time, in a restaurant next to the street, a man in a fiery red cloak was sitting in the window on the second floor. He looked very elegant!

The man’s dress was very special, as if his whole body was burning with flames!

On the man’s face, there was a mask that covered all his features, leaving only a pair of eyes exposed!

The man’s eyes were fixed on David!

David also seemed to feel the man’s gaze, and slowly looked up!

When the four eyes met, David frowned slightly!

He always felt that this pair of eyes was very familiar, but he couldn’t remember it at all!

“Fellow Daoist Chen, can we sit together?”

The man saw David looking at him, so he asked!

David nodded, tapped his toes lightly, and sat directly opposite the man!

“Do we know each other?” David asked!

The man shook his head: “No, but I have heard of your name a long time ago.”

“I feel familiar with you, but I can’t remember. Your eyes are a bit like my friend.”

David looked at the man in front of him and said!

“Friend?” The man’s body was obviously slightly shaken: “Which friend of yours?”

“Let’s not talk about him. I know we will meet again soon. He has always wanted to kill me, but he fails every time.”

“I don’t know what realm he has cultivated to this time. I guess he will be disappointed when he takes action!”

David smiled slightly!

The friend David mentioned is Ning Zhi. He has been chasing from the secular world to the heavenly world, and Ning Zhi has never succeeded!

But every time, Ning Zhi will not give up, just like an indestructible cockroach!

In fact, David no longer regards Ning Zhi as an enemy!

David even sometimes thinks that it would be best if Ning Zhi kept chasing him to the heaven!

Ning Zhi’s talent is also very good, and it is not difficult to ascend to the heaven!

David feels lucky to have such an opponent!

“Your friend will definitely be disappointed. He is in the realm of the third level of the Mahayana Realm, but he kills the third level of the Immortal Realm with one sword. I am afraid that only you can do it in the world.”

The man’s eyes were full of envy!

“My friend has good talent too. If he concentrates on practicing, I am afraid that his cultivation will not lose to me!”

David smiled slightly, and then asked: “May I ask your name, fellow Taoist? Why do you wear a mask? Are you afraid that your enemies will recognize you?”

“My name is Ning Zizai. I wear a mask just because I don’t want to be recognized.”

The man said slowly!

“Ning Zizai?” David murmured, and then said: “My friend’s surname is also Ning, I wonder if it’s a coincidence.”

“Brother Ning, which sect is he from? Where is his mansion?”

“I’m just a casual cultivator, I don’t have a sect mansion, Brother Chen won’t dislike my lack of strength and don’t want to talk to me, right?” The man said!

“No, you are at the peak of the ninth level of the Mahayana Realm, and it seems that you are about to break through the Immortal Realm. This kind of cultivation is

considered a dragon among people in the heavenly world, how could I dislike my lack of strength?”

“I just don’t know what Brother Ning wants to talk to me about?” David asked!

“Let’s talk about climbing the ladder to heaven. I heard that a third-level cultivator in the Mahayana Realm dares to challenge the ladder to heaven. I heard that there has never been one.”

“So I want to invite Brother Chen to challenge the ladder to heaven together. I heard that there are many resources and fairy mines on the sixth floor of the ladder to heaven.”

The man said!

“The sixth floor?” David frowned: “Has anyone reached the sixth floor? How do you know there is a fairy mine on the sixth floor?”

“Of course someone has been to the sixth floor, but many people who have reached the sixth floor stay inside the ladder and never come out.”

“Even if someone comes out of the sixth floor, it is impossible for them to tell people outside.”

said the man!

Chapter 4804

“Then how did you know?” David asked doubtfully!

“Daoyou Chen, this is my own secret, sorry I can’t tell you!” The man laughed!

“Even if the sixth floor has a lot of resources and fairy mines, you and I are not strong enough to get to the sixth floor.”

David shook his head!

Yun Li could only stay on the fourth floor for a short time. Now they want to go to the sixth floor, I’m afraid it’s not that easy! Chen

Ping came to climb the ladder, just to exercise, and see if he could get some resources!

David never thought about really going to the heaven by climbing the ladder!

Although his current strength is far beyond his own realm, David will not be so arrogant that he is already invincible in the world of heaven and can ascend to the heaven!

“You and I together, actually...”

“Okay, I don’t want to go up to the sixth floor, and I don’t want to cooperate. Excuse me!”

David didn’t wait for the man to finish, and jumped down from the upstairs, leaving with Lin Keting and the others!

Looking at David’s back, a trace of disappointment flashed in the man’s eyes!

“He doesn’t agree?”

At this time, a woman who was also wearing a fiery red robe, like a burning flame on her body, came over!

The woman was also wearing a mask, and her face could not be seen clearly!

The man shook his head, then looked at the woman and said, “Senior sister, don’t you recognize him?”

The woman shook her head: “I don’t know him, this should be the first time I see him, but I always feel a little familiar, just like he just saw you familiar!”

The man slowly took off the mask, revealing a slightly vicissitudes of life face!

Ning Zhi, under this mask is Ning Zhi.

The person David just talked to for a long time turned out to be Ning Zhi who had always wanted to kill David!

At this time, Ning Zhi’s aura was completely different, as if he had changed into a different person!

“Friend?” Ning Zhi muttered to himself and looked out the window: “Friend or enemy, I will kill you sooner or later, but unfortunately I am not your opponent now.”

“Junior brother, the master has ordered that you are not allowed to take off the mask outside. How dare you disobey?”

The woman said to Ning Zhi in a cold voice!

“Senior sister, I was wrong!” Ning Zhi put the mask back on.

“Junior brother, why do you have to kill him?” The woman asked!

“The hatred of killing my father is irreconcilable...” Ning Zhi’s eyes were filled with anger: “Senior sister, you will help me, right?”

“Of course...”

The woman exuded the breath of the second level of the fairyland, and there was a flame jumping on the fiery red cloak: “He can fight beyond his level, and you and I can...”

Ning Zhi smiled, with a bit of cruelty in his eyes!

“David, if you knew that you would be killed by your most beloved woman, would you be sad?”

Ning Zhi thought to himself!

The woman in front of him was Sonya, whom David had been looking for. Since Sonya was taken away by the Flame Demon, she relied on her own Fire Spirit Body to rapidly increase her cultivation.

Today, Sonya can also fight against opponents of higher levels. When Ning Zhi was also found by the Flame Demon, he was surprised to see Sonya. After learning that Sonya had completely lost her memory, a bold plan emerged in Ning Zhi’s mind!

That is to let Sonya help him kill David, and let David know that it was his most beloved woman who killed him when he was dying!

This kind of cruelty can calm Ning Zhi’s years of revenge!

Ning Zhi also thought about playing with David’s woman as a revenge on David!

It’s a pity that his strength is not as good as Sonya’s. Before he started, he was almost beaten half to death by Sonya!

From then on, Ning Zhi never dared to have that unreasonable thought again!

“Let’s go. Before the Ladder to Heaven descends, it’s best not to provoke David to avoid trouble.”

“There will be many opportunities once we get into the Ladder to Heaven!”

Sonya said, and left the tavern with Ning Zhi!

## Chapter 4805

Just after Ning Zhi and Sonya left, two more people came to the tavern!

The two people were dressed the same as Ning Zhi and Sonya, also wearing fiery red robes, as if their bodies were burning with flames!

The same man and woman, but the aura of these two people was a little different from that

of Ning Zhi and Sonya! “The guy named David just now did things without any mercy. The elder of Qianmen said to kill and kill. I’m afraid there will be more and more disasters in the future.”

The man said!

“Brother, I think that David was right. He did it to intimidate others. If he doesn’t kill the Qianmen elder, I’m afraid that more and more people will cause trouble for him in the future, and he will be fed up with it.”

“Instead of that, it would be better to kill the Qianmen elder and make others afraid of him and dare not attack him. It is indeed beyond my expectation that he could kill a third-grade cultivator in the Immortal Realm with just one sword.”

The woman said!

The man sneered: “This will indeed make others afraid, but it will also completely offend the Qianmen. You must know that the Qianmen is not just a Qianmen. The strength of the three Lianmen combined is not weak.”

“Now that the elder of the Qianmen has been killed, how can they let it go? If the Lian Sanmen issues a killing order, this guy named David will offend the Huo family and the Lian Sanmen. Can he still gain a foothold in this place?”

The woman smiled: “If David was just a casual cultivator, he would be afraid of the Lian Sanmen, but didn’t you find that the woman next to David is Lin Keting, the princess of Sun Moon City.”

“And I also found that many people in the crowd are worried about David. They should be with David.”

“If David has a relationship with Sun Moon City, why should we be afraid of Lian Sanmen...”

The man was silent and looked out the window indifferently: “Does he have a relationship with Sun Moon City? If so, then we really have to be careful and try not to provoke this guy.”

“Now that my father has not come out of retreat, we must keep a low profile...”

“Even if my father does not come out of retreat, Sun Moon City is no match for my Huo Fen Sect, not to mention that you and I now have the magic weapon made by the leader of the Refining Sect. Who in the world of heaven and man can compare with us?” The woman slowly drew out the sword in her hand and said!

The sword was covered with flames. The moment the sword was unsheathed, the whole tavern seemed to be burning!

“Wen Qing, put the sword away quickly. How can you show this magic weapon to others casually?”

The man said angrily!

Seeing this, the woman put away her sword!

At this time, several monks wearing black robes with bright red flames embroidered on their chests came in!

“Master, Miss, everything is ready, you can go to rest!”

A monk stepped forward and said!

“Well...”

The man nodded, and then took the woman downstairs!

“Without my order, you are not allowed to provoke the guy named David. If allowed, you can also help him!”

After going downstairs, the man said to his men!

“Yes!” Several men nodded!

“Brother, why is this? We have no relatives or friends with David, why should we help him?” Wen

Qing asked very puzzled!

“It’s just a good relationship. That guy’s future achievements will never be low.”

“A mere third-grade cultivator in the Mahayana realm killed a third-grade cultivator in the Immortal Realm with one sword. How can ordinary people do this?”

“And the sword in his hand seems to have the same aura as our magic weapon...”

the man said!

“What? Could it be that the sword in that guy’s hand was also made by the Weapon Refining Sect? Does he have any connections with the Weapon Refining Sect?”

Wen Qing was a little surprised!

“Not necessarily, but we’d better be careful and don’t provoke him!”

After the man said that, he left directly!
