Chapter 4806

Qianmen!

The leader of the sect, Qian Xiaohan, came in person in the hall, and all the people of Qianmen gathered in the hall!

“The third elder is dead, killed by a sword...”

Qian Xiaohan said slowly!

“What? The third elder is a third-grade immortal, and he also knows the art of deduction. How could he be killed by a sword?”

“Isn’t this impossible? We all know the strength of the third elder.”

“Didn’t the third elder go to the land of no consequence? Who dared to attack our Qianmen in that place?”

When the people of Qianmen heard the news, they all acted incredible!

“Master, was the death of the third elder reported by someone, or did the master discover it through the art of deduction?”

At this time, the great elder stood up and asked Qian Xiaohan!

“From what I have learned, there will be news soon...”

After Qian Xiaohan finished speaking, a Qianmen monk came running in a hurry!

“Reporting to the sect master, the third elder was killed by a sword in the Taoist sect of Wuwang Land, and turned into meat paste directly, without even leaving a corpse.”

The Qianmen monk said in panic!

Boom...

This sound startled all the people in the Qianmen, and they all stood up.

“Tell me, who did it?”

“The third elder was turned into meat paste with a sword, who has such ability?”

“How is this possible? There are probably no more than ten people in the entire Tianren world who can do this!”

All the many Qianmen monks were incredible and couldn’t believe it!

“It was a man named David, who killed the third elder!”

said the monk who came to report the news!

“David?” Everyone frowned slightly.

“I know, this David seems to be hunted by the Huo family for 200,000 fairy stones. The person who can make the Huo family pay such a high price must be very powerful!”

Someone remembered and said!

“This David is only at the third level of the Mahayana realm!” said the monk who came to report the news!

“You are talking nonsense. How could a third-grade Mahayana cultivator kill the third elder with one sword?”

The elder shouted angrily!

The monk who reported the news was trembling with fear: “Great elder, David is indeed only at the third-grade Mahayana realm. Disciple dare not talk nonsense!”

Hearing this, everyone was silent!

Because they simply couldn’t figure out how a third-grade Mahayana cultivator could kill a third-grade Immortal Realm cultivator with one sword!

“You go down...” Qian Xiaohan waved his hand and let the monk who reported the news go down!

“Master, a third-grade Mahayana cultivator killed the third elder with one sword. Would you believe it?”

The elder still couldn’t believe it!

“Why not believe it? This is a fact!”

After Qian Xiaohan finished speaking, he waved his palm gently, and a halo appeared in front of everyone.

And in this halo, there appeared the scene of David killing the third elder with one sword!

When everyone saw the picture, they no longer dared to question it!

David's sword was ordinary and extremely slow!

But the three elders seemed to not know how to dodge, and there was nothing in their eyes except fear!

"This...what is going on? Is that guy named David a monster?"

The elder said with an incredible face!

"Elder, the third-grade Mahayana realm killed the third-grade immortal realm with one sword, do you believe it?"

Qian Xiaohan asked!

The elder was silent and just nodded!

The facts were in front of him, he couldn't help but believe it, but this kind of thing was too outrageous!

"I don't believe it!"

Qian Xiaohan suddenly said!

Everyone looked at Qian Xiaohan in confusion, not understanding why Qian Xiaohan suddenly didn't believe it?

"Didn't you notice that when David took action, there was a slight change in his breath?"

Qian Xiaohan asked!

Everyone looked carefully and then shook their heads. After all, it was just a picture, and there was no way to go to the scene and feel David's breath!

Chapter 4807

"Master, you mean that it was not David who killed the third elder, but someone borrowed David's body?"

The elder seemed to understand Qian Xiaohan's meaning and asked!

Qian Xiaohan nodded: "Yes, someone did use David's body to kill the third elder. If a third-grade Mahayana can kill a third-grade Immortal Realm with one sword, then what is the meaning of cultivation, and what is the meaning of the rules of the heavenly way!"

"Who is it? Who did this?"

The elder frowned, and it was obvious that someone was targeting their Qianmen!

"Didn't you notice the girl next to David?" Qian Xiaohan asked!

Everyone looked carefully again, and suddenly someone said: "The princess of Sun Moon City, that is Lin Keting, the daughter of Lin Chong of Sun Moon City." Someone recognized Lin Keting's identity!

"Yes, that is Lin Chong's daughter." Qian Xiaohan nodded!

"Could it be Sun Moon City? We have no grudges against Sun Moon City, why would they target us, Qianmen?"

"Could it be because of the Ten Palaces? After all, Elder Qian serves in the Ten Palaces!"

The elder asked with a puzzled look on his face!

"I don't know either. I have contacted Elder Qian, but I have never been able to get in touch with him. I have also tried to deduce it, but there is no result!"

Qian Xiaohan said!

"Master, what should we do? If it is really done by Sun Moon City, we are afraid..."

The elder said worriedly!

After all, their Qianmen is no match for Sun Moon City.

They are an imperial city, and they have masters like Taoist Wuji to help them!

"If it is really the work of Sun Moon City, we must also have an explanation. Even with the three gates and the Ten Palaces, we may not be a match for Sun Moon City."

"Then we can also add the Huo family. Don't forget that Huo Qing of the Huo family is also serving in the Ten Palaces. How dare the Huo family disobey Elder Qian's words!"

Qian Xiaohan's eyes flashed with fierceness: "Immediately notify the Tang Sect and the Ling Sect, we will set out for the Wuwang Land right away and don't wait for the Ladder to Heaven to descend!"

"Understood!" The great elder nodded!

But just when the elder was about to make the arrangements, a Tang Sect monk came in a hurry!

Because of the relationship between the three gates, no one stopped the Tang Sect monk!

"Report to the Lord of the Qian Sect, the elder ordered me to come and report that our son Tang Xiaoyi was killed, and I hope that the Lord of the Qian Sect will go to the Tang Sect to discuss." The Tang

Sect monk said!

"What?" Qian Xiaohan stood up with a bang: "Who is it? Who killed my nephew?"

"Report to the Lord of the Qian Sect, it was a guy named David."

The Tang Sect monk said.

"David? Him again?"

Qian Xiaohan's body was shaking with anger!

"Why is it this guy again? This is clearly against our three gates, it's simply too much..."

"That's right, this guy is too much, even if he is backed by the Sun and Moon City, so what, we can never give up."

"Revenge for the third elder, revenge for Mr. Tang..."

"Revenge, revenge..."

All the monks of the Qian Sect were filled with righteous indignation!

"Master, we must kill David. Even if we have to go to war with Sun Moon City, we must not compromise."

The elder said!

Qian Xiaohan nodded: "Notify Lingmen immediately and go to Tangmen together. Send someone to go to the Ten Palaces to see what's going on and why we can't contact Qian Lao."

"Yes, sir..."

The elder nodded and made arrangements immediately!

For a time, all the masters of the three sects were dispatched, and the hidden forces of the entire Tianren world were shocked!

Taking out one of the three sects alone may not be very powerful, but if Tangmen, Qianmen, and Lingmen are connected together, they should not be underestimated. This is also a very scary force!

David offended so many people at once, it depends on how he will solve it later!

Chapter 4808

Sun Moon City!

Lin Chong looked at the jade slip in his hand with a solemn expression on his face!

"Emperor Lin, did something happen in Wuwang Land?"

Taoist Wuji asked!

"Master, Mr. Chen killed the elders of Qianmen and the young master of Tangmen in Wuwang Land. He was in the limelight and had unlimited glory!"

Lin Chong said!

"Isn't this good? In this way, I'm afraid no one will dare to secretly attack David."

Taoist Wuji smiled slightly!

"But now all the masters of the three sects have gathered and gone to Wuwang Land. If the Huo family is added, their power cannot be underestimated!"

Lin Chong said!

“Even if Lian Sanmen and the Huo family are added, I am not afraid, as long as David does not provoke the people of Huofen Sect and the Four Underworld Palaces.”

“The third largest force in the heavenly world of Sun Moon City cannot be called that for nothing...”

Taoist Wuji said calmly!

“That’s true, since Lian Sanmen and the Huo family want to play, my Sun Moon City will play with them.”

After Lin Chong finished speaking, he shouted outside: “Someone come...”

“Your Majesty...” Someone walked in immediately!

“Go and gather all the cultivators above the ninth rank of the Mahayana Realm, and follow me to the land of no expectation...”

Lin Chong said!

“Yes!”

Soon, all the masters of Sun Moon City gathered together, and under the leadership of Lin Chong and Taoist Wuji, they went straight to the Land of No Destiny!

Although the Ladder to Heaven has not yet arrived, Lin Chong can’t wait, he must ensure David’s safety!

For a time, the Land of No Destiny changed suddenly, the number of monks increased dramatically, and they were all masters!

As the owner of the Land of No Destiny, the Huo family also began to become cautious!

“Have you found out? Why are there so many people coming to the Land of No Destiny this year?”

Huo Zhenfeng, the head of the Huo family, asked!

Every time the Ladder to Heaven descends, there will not be so many monks, especially now that the Ladder to Heaven has not yet descended, whether it can descend on the Land of No Destiny 100% is still an unknown!

But now a large number of cultivators have all rushed over, which makes Huo Zhenfeng a little worried!

“Master, David killed the three elders of Qianmen and Tang Xiaoyi, the son of Tangmen, and completely offended Lian Sanmen, so Lian Sanmen gathered all the masters to come to Wuwangdi to seek revenge on David.”

Steward Lu said in a low voice!

“What? This David is too bold, doesn’t he know how to be afraid?”

Huo Zhenfeng frowned slightly, wondering what David was doing.

“It’s just that he is young and energetic. David has been in the limelight in the Taoist sect, but he has also provoked a lot of enemies for himself.”

“Lian Sanmen will not let David go, and he has sent people here, wanting to unite with our Huo family to kill the arrogant David.”

Steward Lu said!

“Alliance?” Huo Zhenfeng pondered, then asked: “Have you investigated the power behind David? Otherwise, how could a small casual cultivator like him dare to be so arrogant?”

“I have investigated it clearly. It is Lin Chong’s Sun Moon City. This time, the princess of Sun Moon City came with David. I guess David and the princess of Sun Moon City are lovers.”

Steward Lu said!

“No wonder, otherwise this kid would never dare to be so arrogant. It turns out that Sun Moon City is behind him.” Huo Zhenfeng nodded and asked again: “Have the other forces arrived?”

“The people of the Fire Sect have arrived, and the people of the Four Underworld Palace have not arrived yet. However, there are many unfamiliar faces this time, and their strength is not weak. I don’t know which sect they belong to.”

Steward Lu said truthfully!

“It seems that the Heavenly Staircase will be difficult to deal with this year. Please give orders that our Huo family will not participate in any fights, and will not rob the resources in the Heavenly Staircase. We will only do a good job of protecting everyone in Wuwangdi.”

“Especially that David, no one is allowed to seek revenge on him, let the people of Lian Sanmen do it, and when the time comes, the people of Sun Moon City and Lian Sanmen will fight, so we can watch the excitement!”

Huo Zhenfeng immediately analyzed the pros and cons, and then gave the order!

“Understood!” Steward Lu nodded and left!

Chapter 4809

Wuwang place, Daomen!

David’s mansion in Daomen in Sun Moon City collapsed!

Yes, at this time, David has been thinking about the conversation with Ning Zizai. He feels very familiar with those eyes, but he can’t think of it anymore!

Moreover, David is not familiar with the other party’s breath. It is obvious that he is a stranger!

“Why do I feel familiar with a stranger?”

David lay on the bed, his face full of confusion!

“Brother-in-law, brother-in-law, there is good news and bad news. Which one do you want to hear?”

At this time, Lin Kefan rushed into the room and said to David!

“What good news, bad news?” David asked!

“You say it first, which one do you want to hear?” Lin Kefan kept it a secret!

“Bad news!”

David said!

“The bad news is that Lian Sanmen has sent out all the masters to seek revenge on you in Wuwangdi.”

Lin Kefan said!

“I expected it a long time ago!” David didn’t care, and then asked: “What’s the good news?”

“The good news is that my father has brought all the masters of the ninth rank of the Mahayana Realm in Sun Moon City.”

Lin Kefan said with a smile!

“So early?” David was a little surprised!

Lin Chong brought all the people here before the ladder appeared!

It should be that Lin Chong got the news and knew that Lian Sanmen was going to attack him, so he brought people here in advance!

“After my father comes, you don’t have to be afraid. Lian Sanmen is nothing in front of our Sun Moon City!”

Lin Kefan said proudly!

“Does this mean that I can walk sideways in the land of no consequence?”

David said with a smile!

“That’s not the case. Our Sun Moon City is not the largest force in the world of heaven and man.”

“But as long as you don’t provoke the people of the Fire Burning Sect and the Four Nether Palaces, there will basically be no problem.”

Lin Kefan said!

“Fire Burning Sect?” David frowned: “Is the power of this Fire Burning Sect stronger than that of Sun Moon City?”

David promised Master Tiechui that he would rescue the leader of the Refining Sect from the Fire Burning Sect!

Due to his strength, David has not taken action. Now that Sun Moon City has become his own hall, David also wants to take Sun Moon City to destroy the Fire Burning Sect and rescue the leader of the Refining Sect!

But now it seems that the strength of Sun Moon City is not as good as that of the Fire Burning Sect!

“Of course, the Huofen Sect is considered the largest force in the Heavenly Human Realm, but the people of the Huofen Sect are very low-key and don’t fight with others easily, let alone rob resources.”

“Only many years ago, the Huofen Sect suddenly attacked the Refining Sect and killed most of the masters of the Refining Sect, making the Refining Sect almost disappear. I heard that the leader of the Refining Sect was captured.”

“Since then, I have never heard of the Huofen Sect clashing with other people. Moreover, the Huofen Sect directly exposed its sect on the mountain peak and never hid. No one has ever troubled the Huofen Sect...”

Lin Kefan followed David and said!

David frowned and his expression became solemn. It seems that rescuing the leader of the Refining Sect is not an easy task!

“What? Are you still related to the Huofen Sect?”

Lin Kefan asked, looking at David’s expression.

“Oh, no!” David shook his head, and then continued to ask: “What kind of force is the Four Underworld you mentioned? I have never heard of it...”

“It is a demon cultivation force. I heard that the lord of the Four Underworld is a person from the heaven and is trapped in the heaven and man world. This is also the only demon cultivation force in the entire heaven and man world that is not targeted by anyone.”

Lin Kefan said!

In this heaven and man world where demon cultivators are hunted down by everyone, if demon cultivators want to survive, they have to hide from here and there, or they need to live in the depths of the Heavenly Demon Mountain!

And it seems that the Four Underworlds are doing well in the heaven and man world, and no one dares to target them!

It seems that when you are strong, your identity and origin don’t matter!

Chapter 4810

Wuwang Land, Daomen Street!

A young man in a black robe with a golden hue swaggered down the street.

All the cultivators were shocked when they saw the young man, and then they hid far away.

Behind the young man, eight cultivators in black robes followed closely. The eight people were straight, like sharp swords drawn from their sheaths!

The sharpness on their bodies was so sharp that people dared not look directly at them...

Eight followers of masters of the Immortal Realm!

Who dared to provoke such a scene?

“The young masters of the Four Underworld Palaces are always so high-profile, I really envy them!”

“Eight followers of the Immortal Realm, I dare not think about it in my lifetime!”

“This year, the Daomen is really lively. People from the Huofen Sect, Sun and Moon City, and the Four Underworld Palaces came early.”

Many cultivators hid far away and talked in a low voice!

The young man took two steps, and then waved to a cultivator on the street!

This cultivator at the peak of the ninth rank of the Mahayana realm ran over like a pug!

“Ming Shao, what do you want?” the cultivator asked!

“I heard that there is a kid named David in this sect, who seems to be very arrogant, even more arrogant than me?”

Ming Shao asked!

“No, he is just a little cultivator of the third rank of the Mahayana realm, how can he compare with Ming Shao.”

“Ming Shao is young and promising, with extraordinary talent, a dragon among men...”

The cultivator flattered Ming Shao!

Puff!

Ming Shao waved his hand, and the cultivator at the peak of the ninth rank of the Mahayana realm turned into a blood mist!

“I just want to hear the truth, why are you flattering me?”

Ming Shao said lightly!

The surrounding cultivators saw this, and they all looked horrified. This guy is moody, and he might lose his life!

“Come here...”

Ming Shao casually pointed at a cultivator and said!

The monk walked over tremblingly, his body shaking and his face full of tension!

“Don’t be nervous, I won’t eat people!”

Ming Shao smiled slightly, and then asked: “Tell me, is that guy named David very arrogant?”

“Yes, that David is very arrogant. He killed the three elders of Qianmen with a sword in public, and shouted that whoever dares to disobey will be beaten...”

The monk hurriedly said!

“More arrogant than me?” Ming Shao was slightly stunned!

The monk hesitated for a moment, not knowing how to answer!

“I asked you a question, and you dare not answer it?”

Ming Shao’s face suddenly turned cold, and then he slapped it with a palm!

This palm, which contained endless murderous energy, directly slapped the monk to the ground, and the flesh and blood disappeared, leaving only the white bones, which was very scary!

“Ming Shao, this is a Taoist sect. Is it a bit too much for you to do this?”

At this time, a man and a woman came out.

Both of them were wearing fiery red cloaks.

“Wenshi, Wenqing, do you two want to meddle in other people’s business?”

Seeing the newcomers, the young master Ming smiled coldly!

“You four underworlds are also one of the managers of the Dao Sect. If you kill people here and cause panic, will you take responsibility?”

“And as long as our major sects and families have management rights in the Dao Sect, they should stop you!”

Wenshi said solemnly!

“Don’t pretend in front of me, as if you haven’t killed anyone.”

“Didn’t that guy named David also kill people in public in the Dao Sect? Why don’t you care about him?”

“Get out of my way and don’t bother me. I’m going to find that David. He’s arrogant in the Dao Sect and has surpassed me. I won’t agree!”

Young Master Ming was not afraid of Wenshi at all, and waved his hand!

A cold light flashed in Wenshi’s eyes: “Young Master Ming, you can be arrogant in front of others, but in front of our Huofen Sect, it seems that you are not arrogant enough, right?”

Wenshi said a word, and all the people in the Huofen Sect behind him burst into breath!

Young Master Ming was not afraid at all: “Come and see, don’t think I don’t know that your father is injured and in seclusion, and he hasn’t come out yet.”

“Without your father, you two brothers and sisters are nothing, get out of my way!”

Young Master Ming waved his hands impatiently!
