

A Man Like None Other

Novel Chapter 4811

Chapter 4811

"What the hell are you talking about? Are you looking for death?"

Wenshi frowned and was about to attack the young master Ming!

"Brother!" Wenqing grabbed his brother: "Before father went into seclusion, he told us not to cause trouble."

Wenshi's face flushed with anger, but he just glared at the young master Ming and then left!

Seeing the Wenshi brothers and sisters leave, the young master Ming raised his mouth, his face full of disdain, and slowly walked into the tavern next to him! Seeing

the arrival of the people, the people in the tavern immediately served them well!

This young master Ming is also notorious.

Young master Ming tasted the wine carefully, and behind him, eight immortal monks stood straight!

This scene is awesome! Suddenly

, a terrifying aura slowly enveloped the entire tavern, and then an old man with red hair and a hideous face slowly walked over!

“Ming Shao, the mansion master is afraid that Ming Shao will be in danger, so he specially sent an old minister to follow Ming Shao!”

The old man said respectfully in front of Ming Shao!

“Red-haired ghost, just say you are here to monitor me, why are you talking so much nonsense?”

“With my strength, plus the eight great Yin cultivators behind me, who can put me in danger?”

Ming Shao snorted coldly!

The red-haired old man lowered his head and said nothing.

“Go and ask that guy named David to see if he has any powerful backers. If there is only a Sun Moon City, it would be too boring. Sun Moon City is too weak and not worth it for this young man to take action!”

Ming Shao said to the red-haired old man!

“As you command!” After speaking, the red-haired old man’s body disappeared instantly! ”

I really hope that this David has a powerful backer, so that it will be more interesting, otherwise this trip will be too boring.”

Ming Shao shook the wine glass in his hand and said!

.....

Daomen, Sun Moon City Station!

David practiced quietly. No one was looking for trouble. David could practice well. When the ladder came down, he could go up one more level!

“David, stop practicing. The young master from the Four Underworld is here. This guy is extremely arrogant, even more arrogant than you.”

Lin Kefan rushed into David’s room and said!
