Chapter 4812

Taoist sect, tavern.

Young Master Ming was still drinking when the body of the red-haired old man slowly appeared.

“Young Master Ming, there are many forces behind David, and only the Sun and Moon City has some strength.” “

But there seems to be a master behind David. It is said that he is very powerful and can kill people and then resurrect them.”

The red-haired old man said!

“Resurrection?” Young Master Ming’s eyes lit up: “It’s a bit interesting. Only such a strong person can arouse my desire.”

“Young Master Ming, it’s just that I can’t find out the identity of this person, and I don’t even know his name.”

The red-haired old man said!

“Don’t worry, when we kill David, the strong man behind him will naturally appear, and we don’t need to look for him.”

Young Master Ming put down the wine glass in his hand and slowly stood up!

“Ming Shao, no matter who the strong man behind David is, you don’t need Ming Shao to do it. As long as you give an order, I will take the eight Yin cultivators and kill that person.”

The red-haired old man said!

Ming Shao turned his head and looked at the red-haired old man: “Red-haired ghost, arrogance and underestimation of the enemy are not the same. You have to change this problem. I can be arrogant, but I will not underestimate any opponent.”

“But you always underestimate your opponent, which will lose your life. You are called a fool, not arrogant...”

“Ming Shao is right. I have never underestimated my opponents, but these people are not qualified to be Ming Shao’s opponents!” The red-haired old man flattered!

“Hahaha...”

Ming Shao laughed: “You are right. How many people in the whole world of heaven and man are worthy of being my opponent.”

At this time, dozens of people suddenly appeared on the street of Daomen. These people were all aggressive, and their realms were not low!

“So arrogant...”

Seeing those people downstairs, Ming Shao said lightly!

“Dare to be arrogant in front of Ming Shao, you are tired of living...”

The red-haired old man disappeared instantly!

Then his body appeared in the middle of the street, blocking dozens of people!

“The red-haired ghost from the Four Underworld?”

At this time, among the dozens of monks, someone whispered!

Swish!

A black mist came in an instant, and the monk who had just spoken fell to the ground and died!

“Can you call me a red-haired ghost?”

The red-haired old man shouted angrily!

“Daoyou, I am Qian Xiaohan, the leader of Qianmen. These are people from Liansanmen. I wonder where I have offended you?”

Qian Xiaohan stepped forward and said very politely!

They can’t afford to offend the people of the Four Underworld Palaces!

“So many of you walked past our Young Master Ming arrogantly. Don’t you know that our Young Master Ming hates others’ arrogance the most?”

said the red-haired old man!

“Young Master Ming...”

Qian Xiaohan was startled and cold sweat began to appear on his forehead!

This Young Master Ming is moody and might die in his hands!

“So Young Master Ming is here too. I didn’t know. We’ll go and make amends to Young Master Ming!”

Qian Xiaohan said!

Then Qian Xiaohan took the great elder of Tangmen and the leader of Lingmen and personally entered the tavern to make amends!

They were Liansanmen, and couldn’t afford to offend the Four Underworld Palaces, let alone the Young Master Ming.

The three of them went upstairs and walked in front of Master Ming. They said respectfully, “The leader of Qianmen, Qian Xiaohan, leads the Tangmen and Lingmen to meet Master Ming!”

“You three sects want to seek revenge on David?”

Master Ming asked directly!

“Yes, David killed our Qianmen elders and Tang Xiaoyi, the son of Tangmen, so we must take revenge.”

Qian Xiaohan said!

“You can’t kill David. He has been appointed by me, and only I can kill him!”

Master Ming waved his hand, “Go back where you came from!”

“This...”

Qian Xiaohan, Tangmen, and Lingmen were all dumbfounded!

“Master Ming, David is too bullying, we want to take revenge with our own hands!” Qian Xiaohan said!

“I gave you face, didn’t I?”

Master Ming’s face turned cold!
