### Chapter 4814

“Really?”

Lin Keting and Hua Yueying were still skeptical!

The leader of the Lingmen looked at David’s painful appearance with a smug look on his face!

“David, you killed our elders and Tang Xiaoyi, the son of the Tang Clan. We, Lian Sanmen, should have directly destroyed you.”

“But Young Master Ming also wants to kill you. We hand you over to Young Master Ming, so that we can get some credit in front of Young Master Ming!”

Qian Xiaohan said coldly to David!

“Hand you over, you hand it over just like that, you’re nothing!”

David suddenly stopped struggling, looked at Qian Xiaohan and cursed!

Qian Xiaohan was stunned and looked at the leader of the Lingmen: “What’s going on?”

“Maybe the Soul Devouring Beast is sick, but it doesn’t matter, I still have the Soul Devouring Beast!”

The leader of the Lingmen took out another Soul Devouring Beast!

There are dozens of such soul-devouring beasts in their Lingmen!

“Stupid...”

David cursed with disdain, and the Dragon-Slaying Sword in his hand instantly slashed towards the Lingmen Sect Master!

The Lingmen Sect Master’s eyes condensed slightly, and murderous intent emerged in his eyes!

“Looking for death...”

Boom!

Suddenly, a terrifying breath burst out from the body of the Lingmen Sect Master!

But after this breath touched David's powerful sword energy, it was instantly defeated!

The powerful sword energy directly pushed the Lingmen Sect Master back hundreds of meters!

David's body followed closely behind, and just when the Lingmen Sect Master stopped, David's sword arrived again!

David knew that he must not give these guys a chance to breathe!

The Lingmen Sect Master was shocked, and suddenly, several white lights shot out from his body!

These white lights turned out to be soul-devouring beasts!

These soul-devouring beasts all pounced on David and instantly sank into David's body!

David's attack suddenly stagnated and stopped.

"Now, let's see how you can survive!"

The leader of Lingmen snorted coldly!

At

this moment, in David's sea of consciousness, the Red Cloud Demon Lord excitedly grabbed those soul-devouring beasts: "Hahaha, we can have a nice meal, one barbecue, one stew, one deep-fried..."

"What? Do you think I can't live?"

David looked at the leader of the Spirit Gate and asked!

"You...how are you still conscious?"

The leader of the Spirit Gate was shocked and his face changed drastically!

If it was just a soul-devouring beast, it would not cause damage to David's sea of consciousness, but just now several soul-devouring beasts rushed into David's body at the same time!

So many soul-devouring beasts should have devoured David's consciousness long ago!

“How many soul-devouring beasts do you have? Let them all out!”

David swung a sword!

The leader of the Spirit Gate was shocked, and his body burst out with breath again, blocking David’s sword!

Puff!

The breath burst out of the leader of the Spirit Gate was instantly cut by David’s sword, and a long bloody wound was cut on his body, and blood kept pouring out!

“How could it be? He is only a third-grade Mahayana!”

The leader of Lingmen was stunned!

Qian Xiaohan was also stunned. He had always believed that David was possessed by someone, so he was able to kill the three elders of Qianmen with one sword.

Otherwise, with David’s third-grade Mahayana realm, it would be impossible to do it!

But now, David was right in front of them, and he actually injured the leader of Lingmen!

Although he didn’t kill the leader of Lingmen with one sword, it was obvious that the leader of Lingmen was not his opponent!

“If you hurt our leader, you will die...”

Seeing this, the members of Lingmen all roared and soared into the sky together!

Then, dozens of various spirit beasts appeared in the air, and they roared one after another!

Among them, there was a spirit beast with flames all over its body, as big as a cow, rushing towards David!

Lingmen is famous for raising spirit beasts, and the spirit beasts of Lingmen are all extremely fierce!

Seeing that Lingmen suddenly sacrificed so many spirit beasts, everyone was shocked!

Lin Kefan, Xuan Bin, Hua Yueying and others were ready to support David at any time!

“fu\*\*, ants...”

David looked at the dozens of spirit beasts and snorted disdainfully!
