Chapter 4821

The red-haired old man was stunned, then he understood and nodded heavily!

Qian Xiaohan has always claimed to be from Lian Sanmen, but he didn't mention the Four Underworld Palace!

Since they have surrendered, they are from the Four Underworld Palace, not Lian Sanmen!

This is what made Ming Shao a little unhappy, so he chose to continue watching the fun!

Qian Xiaohan looked in the direction of the tavern, and then calmed his mind. They are now from the Four Underworld Palace, so they don't have to be afraid of Sun and Moon City!

“Emperor Lin, this David killed our elders, and now he has killed the leader of the Lingmen and the great elder of the Tangmen, so we must avenge this hatred!”

“You'd better not intervene, otherwise your Sun and Moon City will also suffer a devastating disaster...”

Qian Xiaohan threatened Lin Chong!

“Threaten me?” Lin

Chong took a step forward, and the whole person instantly appeared in front of Qian Xiaohan!

The pressure from his body directly crushed Qian Xiaohan!

Qian Xiaohan was startled and hurriedly said, “What do you want to do? We are now people from the Four Underworld Palaces.”

Pah!

Lin Chong slapped him, and Qian Xiaohan was directly slapped away, and then fell heavily to the ground!

“I don’t care who you are, you have to be low-key in front of me.”

“You dare to threaten me?”

Lin Chong’s face was cold, and the momentum on his body scared everyone in the three gates to retreat!

Qian Xiaohan stood up with an embarrassed look on his face, looked at Lin Chong and said, “We are really people from the Four Underworld Palaces, you still dare to...”

Whoosh

! Pah!

Lin Chong’s figure suddenly disappeared, and then Qian Xiaohan was slapped in the face again!

Qian Xiaohan looked confused, but he didn’t dare to open his mouth!

Lin Chong looked around and said, “I will protect Mr. Chen. If you dare to touch him, I will kill you...”

Lin Chong’s momentum frightened everyone around him!

Just when everyone didn’t dare to speak and stared blankly!

Like a business, it came: “So crazy, so crazy...”

“You have to look at the owner when beating a dog. He has said that it is our dog of the Four Underworld Mansion. Lin Huang still wants to take action. Doesn’t this put our Four Underworld Mansion in his eyes?”

The figure of Ming Shao slowly appeared!

Beside Ming Shao, there was a red-haired old man, and behind him were eight monks in black robes, each of whom was in the realm of transformation!

Seeing Ming Shao appear, Qian Xiaohan hurriedly led people to get behind Ming Shao!

This time, the strength of the Four Underworld Mansions has increased a lot! There are more than 20 immortal realms!

Lin Chong looked at the Ming Shao who appeared, and his brows couldn't help but frowned!

"No matter who it is, if they want to harm Mr. Chen, I will kill them, and your Four Underworld Mansion is no exception!" Although

Lin Chong was afraid of the strength of the Four Underworld Mansions, if they dealt with David, Lin Chong would not let David get into trouble even if he fought the entire Sun and Moon City!

"Okay, you have the guts. It seems that I made the right decision to come to Wuwangdi this time."

"We, the Four Underworld, haven't shown up for a few years. No one can give us face."

Young Master Ming's eyes condensed slightly, and the aura on his body began to rise slowly!

"If you guys really fight, I don't know who will win or lose!"

Lin Chong's aura also began to rise!

The people of Sun and Moon City, plus David and others, there are no fewer people in the Immortal Realm!

"My Huo family is here to help Young Master Ming's place..."

At this time, the void suddenly trembled, and Huo Zhenfeng came with the masters of the Huo family!

Originally, Huo Zhenfeng didn't want to participate in the fight between Lian Sanmen and Sun and Moon City, nor did he want to deal with David at this time. He just wanted to sit on the mountain and watch the tigers fight!

At that time, the snipe and the clam fought, and the fisherman benefited. But after seeing Lian Sanmen join the Four Underworld, Huo Zhenfeng already knew that if he didn't make a choice, when David was killed, their Huo family would not get any benefits!

So after weighing the pros and cons, Huo Zhenfeng decided to bring the masters of the Huo family to help the Four Underworld!

## Chapter 4822

It is obvious that the strength of the Four Underworld is much higher than that of the Sun and Moon City!

In today's society, whoever is strong is right!

Seeing the Huo family suddenly appear, Lin Chong frowned even more tightly!

This time, the balance completely tilted towards the Four Underworld!

"I can't hide anymore, it's time for life and death!"

The Tenth Palace Master slowly walked out of the crowd!

"Tenth Palace Master, I didn't expect you to come too, come and join us to kill David!"

Qian Xiaohan saw the Tenth Palace Master and hurriedly greeted him!

After all, their Qianmen's Qian Lao is in the Tenth Palace, so he is very familiar with the Tenth Palace Master!

He thought that the Tenth Palace Master appeared to help them!

"Sorry, I want to help Mr. Chen..."

After the Tenth Palace Master finished speaking, he slowly walked to David!

The choice of the Tenth Hall Master instantly stunned everyone. They didn't understand why the Tenth Hall Master would choose David?

"Tenth Hall Master, you betrayed the temple, aren't you afraid of being punished by the temple?"

Seeing that the Tenth Hall Master had become a group with David, Huo Qing asked angrily!

"fu\*\* you, I can choose whoever I want to help, what's your business?"

"I didn't bother with you before because of the Huo family's face. Now that the Tenth Hall is gone, I'm not afraid of anything."

The Tenth Hall Master cursed!

No matter how big the opponent's force is, he will choose David!

Because he saw Mr. Shi take action with his own eyes, this scene has been deeply engraved in his heart!

“It’s just one more third-grade immortal realm, it doesn’t matter...”

Ming Shao smiled coldly!

“What if I’m included?” Accompanied by a thunderous sound, the Lord of the North Territory slowly appeared!

“Lord of the North Territory, you don’t practice well and manage the monks of the North Territory, and you still want to participate in our fight?”

Qian Xiaohan looked at the Lord of the North Territory and asked!

“Nonsense, if I don’t participate, my precious son-in-law will be bullied to death by you guys.”

The Lord of the Northern Territory slowly walked towards David, patted David on the shoulder and said, “Good son-in-law, don’t be afraid, I’ll help you!”

“Lord of the Northern Territory, what do you mean? He is my daughter’s man!”

Lin Chong looked at the Lord of the Northern Territory and asked!

“Emperor Lin, he is my daughter’s man, we have met a long time ago!”

The Lord of the Northern Territory pulled Hua Yueying over: “Daughter, do you think David is your man?”

Lin Chong also pulled Lin Keting over: “Daughter, do you think David is your man?”

Lin Keting and Hua Yueying were extremely embarrassed. How could they say such a thing in front of so many people!

“Ahem...”

David also coughed awkwardly twice and said, “You two, they are both my women, and the three of us have slept together...”

The Lord of the Northern Territory and Lin Chong looked at each other, and then laughed.

The Lord of the Northern Territory said, “Are we two considered relatives?”

“Yes, it definitely counts...” Lin Chong nodded!

“Don’t try to make a fuss here. Hand over David, or you will die together...”

“Even if you add the Lord of the Northern Territory, you have no chance of winning!”

Ming Shao said impatiently!

“What if we are included?”

Two fiery red figures appeared. They were Wen Shi and Wen Qing from the Huo Fen Sect.

Behind them, there were also several people in black robes, but on their black robes, there were fiery red flames!

David was slightly stunned when he saw the two people’s dress, but soon he realized that this man was not the one who called himself Ning Zizai!

“Wen Shi, what are you doing to the Huo Fen Sect? Do you have a relationship with David? Or has your sister become David’s woman?”

Ming Shao saw the brother and sister Wen Shi and Wen Qing appear, and asked very unhappily!

“We don’t have a relationship. We are just simply unhappy with you and want to teach you a lesson!”

Wen Shi said!

At this time, David looked at the brother and sister with a surprised face. He didn’t expect these people to be from the Huo Fen Sect!

What’s more, he didn’t expect that the people from the Huo Fen Sect would take the initiative to help him!

Chapter 4823

“It’s awesome, the top three forces in the Heavenly Human Realm are going to fight!”

“Why does the Fire Sect suddenly want to help David? What’s the matter?”

“It’s lively, stay away for a while, I guess a lot of people will die.” When

everyone saw this scene, they all whispered!

Ming Shao had an ugly face, his eyes were full of anger, and he stared at Wenshi fiercely: “Wenshi, don’t think that your Fire Sect is famous and is said to be the largest sect in the Heavenly Human Realm, so you feel great.”

“If you don’t want to die, just get out of here, I won’t provoke you. If you insist on helping David, don’t blame me for being rude!”

“What the hell are you talking about, fight if you want to, haven’t you always been arrogant and look down on everyone?”

Wenshi had been unhappy with Ming Shao for a long time, and took the opportunity to deal with him!

In fact, if you want to say that he has any friendship with David, there is really no friendship at all. Wenshi and Wenqing brother and sister are simply unhappy with Ming Shao!

As the saying goes, the enemy of my enemy is my friend, this truth, they still understand!

All of a sudden, the situation became tense, and the atmosphere became extremely depressing.

At this moment, as long as one person takes action, the melee will start immediately!

Just when everyone was unable to breathe due to the depressing atmosphere, suddenly there was a movement between heaven and earth, and a series of strange white lights enveloped the Wuwang Land!

The entire space of Wuwang Land seemed to be oppressed, and everyone felt like a mountain was pressing on them!

“The ladder to heaven, the ladder to heaven has appeared...”

Someone shouted loudly!

Everyone looked up in unison and found that in the void, a ladder to heaven like a mountain slowly appeared!

Rumble...

Finally, the ladder to heaven fell heavily to the ground.

At the moment the ladder to heaven landed, everyone ran towards the ladder to heaven!

The two groups of people who were originally on the verge of a fight, didn't care about each other, and then flew towards the ladder to the sky!

David also hurriedly flashed in front of

the ladder to the sky! The ladder to the sky is very huge and towering

! There are a total of nine steps, and there is a light gate on each step!

On the first floor of the ladder to the sky, someone carved two big characters on it: Ascend to the sky...

Looking at the huge ladder to the sky in front of him, David's expression became solemn. This ladder to the sky exudes an ancient vicissitudes of life, which makes people daunting!

Obviously, this ladder to the sky was deliberately built by someone, perhaps a fairy in the heaven, or a higher-level monk!

In the eyes of these people, the monks of the heavenly world should be like ants or chess pieces!

At this moment, some people can't wait and rush to the ladder to the sky!

However, not many people set foot on the first floor of the ladder to the sky. These people went straight to the third floor of the ladder to the sky!

"Why don't these people go to the first floor?"

David asked in surprise!

"David, these people have been to the Heavenly Ladder and have passed the first level. Every time they pass a level, a pass mark will be left on their bodies, so they don't need to go through it again when they continue to enter the Heavenly Ladder!"

"You have never been to the Heavenly Ladder, so you must start from the first level. We can't accompany you. After passing the level, we can't enter the first level!"

Yun Li followed David and said!

David realized that after passing the level, there was no way to enter again, and he could only move on to the next level!

“Don’t worry, the first level is very simple. With your strength, you can pass it easily.”

“And the cultivators in the first level world are not very strong, and they can’t cause any harm to you at all!”

“But there is one thing that is more troublesome, that is, the conditions for passing the level must be found by yourself, and the people you have to challenge each time are different.”

Lin Kefan patted David on the shoulder and said!

## Chapter 4824

“I suspect that the world inside this ladder is not static. Unfortunately, after we pass the level, we can’t enter it again, so there is no way to verify it.”

Xuan Bin said while looking at the ladder in front of him!

“Who cares? As long as we can get resources and exercise in the ladder, it’s fine. If we want to rely on the ladder to reach the heaven, it’s not much easier than practicing and ascending by ourselves!”

Zhou Tang said!

With their strength, they just need to train themselves in the ladder, and then find some resources they can use in the world of the ladder!

As for reaching the ninth floor and then relying on the ladder to reach the heaven, it is almost impossible!

“Mr. Chen, we will be waiting for your good news in the Taoist sect. This Heavenly Staircase will stay here for three months after it appears, and will slowly disappear after three months.”

“So Mr. Chen doesn’t need to be too anxious, as long as he calculates the time and can come out in three months.”

“If the Heavenly Staircase disappears and hasn’t come out yet, then you need to stay in the Heavenly Staircase world for a hundred years!” in

Chong followed David and said!

“Okay!” David nodded.

“Father, I want to go into the first floor with David to take a look...”

Lin Keting said!

“No, your strength is too low now, it will be dangerous to enter the Heavenly Staircase, and Mr. Chen is going to practice, not to play with you.”

Lin Chong glared at Lin Keting and said!

“Humph!” Lin Keting snorted coldly, very dissatisfied!

While David and the others were talking, many people had already entered the Heavenly Staircase!

Some monks also entered the first floor, including Ning Zhi and Sonya!

David looked at the two people’s fiery backs. He didn’t expect that these two people were also entering the ladder for the first time!

“Mr. Chen, we sisters have to go first. We have passed the first floor and need to go to the second floor.”

“I hope to meet Mr. Chen on the second floor!”

After Hong Yao and Lan Yao finished speaking, they jumped up to the second-level stone steps, and then slowly walked into the light gate!

“I’m leaving too!” David said goodbye to everyone!

But at this time, Lin Keting suddenly jumped up and ran straight to the light gate on the first floor!

“Disciple...”

Taoist Wuji was shocked, but it was over, Lin Keting had already rushed into the light gate!

“Don’t worry, I’ll just watch her!”

David finished speaking, and instantly chased after her and rushed into the light gate!

But when David rushed into the light gate, he only felt a whiteness in front of his eyes, and in an instant he came to the world of the ladder to heaven!

When light gradually appeared in front of David's eyes and he could see things clearly, he was stunned!

There was no shadow of Lin Keting around him, and even within a radius of 100 miles or even farther, he could not detect Lin Keting's breath!

It seems that this light gate transmission is random, not teleported to the same place in this world!

"I don't know if this world is big or not, can I find her?"

David frowned slightly, and then looked at the world in front of him!

This is a wasteland, boundless, and the spiritual energy of this world is not very strong, it looks very barren!

No wonder this world is on the first level. In this kind of world, it is really difficult for any masters to appear!

But to defeat someone to pass the level, David still needs to find it himself! He also needs to find Lin Keting...

David fell from mid-air to the ground, stepping on the gravel and slowly walked forward!

If you fly in the air, you need to consume a lot of spiritual power, and the spiritual energy in this world is thin, and there are no resources. If you want to replenish it, you can only start with your own resources, so David wants to save a little, after all, resources are very precious here!

David walked for an unknown period of time, and a town appeared in front of him. There was also a formation barrier around the town to protect the safety of the town!

## Chapter 4825

When David approached the town, a dozen monks suddenly appeared with weapons in their hands and surrounded David!

The leader of these people was an old man who was wearing a Taoist robe. He should be a Taoist!

Just a glance, David found that the strength of these people was only at the Fusion Realm. The strongest old man was only at the eighth level of the Fusion Realm!

In David's eyes, the current Fusion Realm is not even as good as an ant!

"Daoyou, where are you from? What's the matter with you coming to our town?"

The old man looked at David cautiously and asked!

"I come from the Heaven Realm, and I come here..."

Before David finished speaking, those people were terrified, and then turned around and ran towards the town!

The old man ran into the town first, and then shouted loudly: "The natural disaster has begun, open the formation quickly..."

As the formations around were opened, the whole town was shrouded in light!

Many people in the town looked at David in horror!

David was very puzzled, why were these people afraid of him?

David walked towards the town step by step, and gently pressed his palm on the light of the protective formation, and the formation around the town was instantly broken!

In this way, David walked into the town easily!

But this time, everyone in the town was scared.

The crying of women and the shouting of children seemed to be the end of the world!

"Old man, what are you doing? I'm not a demon, why are you so afraid of me?"

David asked the old man in confusion!

The old man looked at David nervously, and then said: "Aren't you here to rob resources and kill people?"

"Of course not, I have resources on me, why should I rob you, and it seems that you are all going to be poor. Even the spiritual energy in this world seems thin, what resources can there be!"

David said indifferently!

When the old man heard it, he burst into tears and cried, "Our world was originally rich in spiritual energy, and the resources in various places were also very rich."

"It's a pity that three hundred years ago, many masters from other planes suddenly descended on this world, robbing the resources of our world and killing the monks in our world."

"Every hundred years, there will be masters appearing in our world, burning, killing and looting. We call it a natural disaster."

"Those people also said that they were from the world of heaven and man. Just now you said that you were from the world of heaven and man, and I knew that the natural disaster had begun."

The old man said very sadly. The world that was originally rich in resources has become like this, so how can the monks in this world practice? The general strength is not strong!

"Only three hundred years?" David frowned slightly!

If this world has only experienced three hundred years of looting, it proves that this world is definitely not the original world of the first level of the ladder to heaven, and it should have been replaced!

Now looking at this situation, if the next time the ladder to heaven appears, the world on the first level should not be these people!

After all, three lootings have left this world with no resources to fish for.

"Who is helping the monks in the heavenly world?"

David couldn't figure it out. Among the countless worlds in the universe, how could someone feed one world to another?

Like the current situation, other planes of the world are directly teleported here through the portal of the ladder to heaven, not that this world is inside the ladder to heaven!

"Old man, since you have experienced it three times, you must know that we need to challenge someone to come here, right?"

"As long as the challenge is successful, you can leave your world."

David wanted to find out from the old man who he needed to challenge in order to leave here!

Since you need to find it yourself, there must be someone who knows it. You can't just rely on yourself to guess and then kill all the people in this world!

"Of course I know, but you must not go now, wait here for a few days, and then challenge it!"

The old man admonished David!
