Chapter 4831

David did not speak, but stared at the talisman, and then his fingers drew something in the void!

Soon, at the fingertips of David, divine patterns appeared one after another, and soon formed a talisman, which was exactly the same as the prisoner seal on the ground!

The man was shocked, his face full of disbelief!

At this moment, the talisman carved by David burst out with a powerful suction force!

The blood in the blood-red talisman on the ground began to be quickly absorbed by David's talisman!

After a moment, the prisoner seal on the ground had no blood color, and then when David stomped his feet lightly, the prisoner seal shattered!

The man also realized that the prisoner seal in his body disappeared instantly, but another kind of talisman appeared in his body!

"You are free now. The talisman in your body was carved by me, so it will not imprison you."

"But if you break your promise or do something bad to me, my talisman will also be opened."

David said to the man! Don't

have the intention to harm others, but be on guard against others...

The man stared at David blankly, and suddenly knelt on one knee: "I am Nan Batian, and I will follow my master to death..."

"Nan Batian, what a good name!"

David nodded: "My name is David, you just need to call me Mr. Chen!"

Just when David was complacent, there was a sudden movement between heaven and earth, and then a mysterious force came towards David!

Nan Batian was so scared that he ran away in an instant, shouting: "This is the power of heaven, you broke the prison seal privately, and triggered the punishment of heaven..."

"fu** , you didn't say it earlier, but now!"

David stared at Nan Batian, and was about to be angry to death!

"Sorry, I forgot..."

Nan Batian said!

David knew that this grandson did it on purpose. How could he forget such a thing and deliberately not tell him!

David's face changed drastically. Holding the Dragon-Slaying Sword, he instantly swung out sword energy to block the power of heaven!

But the sword energy swung by David, just touched the power of the Heavenly Dao, was instantly defeated, and could not be stopped at all!

"It's over, it's over..." Seeing this, David was ashamed!

Why did you meddle in other people's business and suffered heaven's punishment!

"What's there to be afraid of? This is just the Heavenly Dao power of the Golden Immortal. What's there to be afraid of?"

"If this old man recovers his physical body, let alone this little Heavenly Dao power, even if it's the Golden Immortal behind, I will pull him out and beat him up!"

Seeing that David had lost his fighting spirit, the Red Cloud Demon Lord said loudly!

"Senior, you are not afraid, but I am afraid. I am not even in the Immortal Realm now. Do you still want to resist the Heavenly Dao power of the Golden Immortal?"

David looked helpless.

"That's right, you are too weak..." The Red Cloud Demon Lord frowned slightly!

Seeing that the Heavenly Dao power was about to devour David, David's storage ring trembled, and the little swallowing beast slowly appeared, then opened its mouth and yawned!

The terrifying Heavenly Dao power was instantly sucked into the stomach of the little Heaven Devouring Beast!

Then the little Heaven Devouring Beast returned to the storage ring. It was only a short breath before the terrifying Heavenly Punishment disappeared!

Seeing this scene, Nan Batian was numb: "This... this is..."

"This is one of my little pets. Why should I take action to deal with this Heavenly Dao power..."

David looked unfathomable, and then asked: "Are you deceiving me just now and letting me be killed by Heavenly Punishment..."

"I dare not, I absolutely dare not..."

Nan Batian was frightened and knelt in front of David in a hurry: "I really forgot, I have been tortured by this prison seal and my memory is not good!"

"Okay, I'll forgive you this time, get up!" David waved his hand!

Nan Batian stood up, and his huge body followed David!

"Can you become smaller? It's hard to talk to you with this hundred-meter height!"

David looked up at Nan Batian and asked!

"Of course, my true self is not like this!" Nan Batian said, and his body instantly returned to normal. Then he smiled and said, "I just want to scare people and give myself courage!"
