## Chapter 4841

“Don’t worry, Mr. Chen. Since I have agreed to serve you for three hundred years, no matter who threatens you during these three hundred years, I will protect you, even if it means a life-and-death battle!”

Li Chunfeng said to David very seriously!

David looked at Li Chunfeng with gratitude, and then nodded!

“Me too...”Nan

Batian saw this and hurriedly spoke!

“Don’t worry, follow me, your life will not be in danger. If the person who threatens me is too powerful, someone will naturally take care of him.”

“There are more than just the two of you behind me!”

David said with a smile!

“David, let’s leave here, I always feel it’s too scary!”

Lin Keting was scared when she saw the punishment for the first time!

David nodded, and then everyone flashed and left the second level of the ladder to return to the world of heaven and man!

Lin Chong and Taoist Wuji were surprised to see David and his men come out again!

This second floor was too fast, and there was a sword cultivator with an immortal style next to David!

At the same time, many cultivators from the second Heavenly Realm appeared, and Ning Zhi and Sonya were also teleported out!

The light gate on the second floor of the ladder slowly disappeared, which proved that the guard of the second floor was gone!

Ning Zhi looked at David in disbelief, especially the sword cultivator who appeared next to David!

“Sister, let’s go to the third floor...” Ning Zhi didn’t say much, but took Sonya to the third floor!

After thanking David, the other cultivators also jumped to the third floor!

“Li Jianxian?”

Taoist Wuji was stunned when he saw Li Chunfeng!

Obviously, Taoist Wuji actually knew Li Chunfeng!

“Taoist Wuji? I didn’t expect you to be trapped in the Heavenly Realm. No wonder I haven’t seen you for many years.”

Li Chunfeng was also shocked when he saw Taoist Wuji!

“Why are you in the ladder?”

Taoist Wuji asked in confusion!

“I made a small mistake and was imprisoned in the Heavenly Ladder!”

Li Chunfeng said with a little embarrassment!

“What mistake did you make?”

Taoist Wuji asked curiously.

“This.....” How could Li Chunfeng say that he was peeping at a woman taking a bath!

“Master, don’t ask, let’s go back to the base first, wait for a rest, I will challenge the third floor!”

David helped Li Chunfeng to make peace!

“Mr. Chen, the guardian of the third floor must be very powerful. Although you are also strong, I am afraid it will be difficult to pass the third floor!”

“I think you should recover first, and then practice. It happens that I can also help Mr. Chen to hone his sword intent.”

Li Chunfeng said to David!

“I can help Mr. Chen temper his body!” Nan Batian also said!

“Well, this Heavenly Ladder can exist for three months, so it’s no longer this time!”

David nodded!

After two consecutive battles, David actually consumed a lot and needed to recover slowly!

The group returned to the Taoist sect. At this time, there were fewer monks in the sect. Most of them ran to the ladder to heaven!

David recovered while fighting with Li Chunfeng to hone his sword intent!

He would also fight with Nan Batian head-on to temper his body!

Behind the Taoist sect, the sea of clouds was boiling.

Li Chunfeng put his fingers together to form a sword. Before the sword intent was released, the green needles of the hundred-year-old pine on the cliff had fallen.

David closed his eyes and stood still. The green sword in his sleeve kept humming. He vaguely saw the galaxy hanging upside down on the sword spine.

“Watch it!” Li Chunfeng suddenly put his fingers together and slashed. A bright sword light tore through the mist, but when it touched David’s eyebrows, it turned into thousands of light butterflies. David’s blessing came

to his mind. He drew a circle with his sword horizontally, and actually put all the scattered sword intent into the track. Where the sword pointed, the sea of clouds condensed into nine white dragons and soared into the sky.
