Chapter 4844

A cave somewhere in the Heaven and Human Realm!

“Brother, you are really good at judging people. The Heaven and Earth Array is about to appear. When the time comes, if we break this array, we will be free!”

The Array Demon looked at the sudden appearance of the Heaven and Earth in the Heaven and Human Realm and said excitedly!

“Of course, my vision has always been better than yours!”

The God Pattern Ancestor said proudly!

“Forget it, this is someone who came to my door. What does it have to do with you? Hurry up and play chess!”

“With the three-legged cat array you taught, when the Heaven and Earth Array really appears, he may not be able to break the array. I will need to teach him.”The

Array Demon rolled his eyes!

“Your two tricks are not as good as mine, and you still have the face to say it?”

The God Pattern Ancestor said disdainfully!

“You are talking nonsense. Don’t think that you can belittle me just because you are a senior brother. If you don’t accept it, try it...”

The Array Demon was angry!

“Just give it a try, I’m not afraid of you...” The Divine Pattern Patriarch threw the chess piece!

“Come on...”

The two started fighting again. They had experienced this kind of fight countless times!

Only when they were tired of fighting, would they separate!

.....

Wuwang Land, Dao Gate!

David has been practicing with Li Chunfeng and Nan Batian for a month!

Although David's realm has been raised to the fourth level of the Mahayana realm during this month, David has not relaxed!

From the beginning of practicing with Li Chunfeng and Nan Batian, he was often beaten, but now he can easily deal with the two!

During this month, many cultivators who entered the Ladder to Heaven also came out of the Ladder to Heaven!

Xuan Bin and others, as well as Lin Kefan, also came out of the Ladder to Heaven. Only Yun Li should still be on the fourth floor!

Many of them entered the Heavenly Ladder, not thinking about passing the nine levels and entering the heaven!

More people are thinking about entering the Heavenly Ladder world, mixing some resources, or getting some training!

It's not easy to pass the nine levels!

Ming Shao also came out of the Heavenly Ladder, and the whole person seemed a little excited. It seemed that he had gained a lot of resources from the world inside the Heavenly Ladder!

"Hey, this kid has actually improved a realm in just one month?"

When Ming Shao came to the Taoist Gate, he found that David had actually been promoted from the third level of the Mahayana Realm to the fourth level of the Mahayana Realm!

And it seems that David did not seem to stay in the world of the Heavenly Ladder!

"Ming Shao, now the sisters of the Huo Fen Sect are not in the Taoist Gate, and it seems that they are still in the Heavenly Ladder. This is a good opportunity to deal with David!"

The red-haired old man whispered!

“Ming Shao, now is indeed a good time...” Qian Xiaohan also came to Ming Shao and said!

Now Qian Xiaohan wants to kill David no matter what!

“Ming Shao, if we join forces, it will be more than enough to deal with David!”

Huo Zhenfeng, the head of the Huo family, also hurriedly said!

David and they all have a deep hatred, so they can't wait to kill David!

Ming Shao nodded, and then looked at the black-robed monks who followed behind him: “Fusheng, the eight of you go to meet David, and you are all sword cultivators!”

The leader of the eight black-robed monks nodded: “Yes, sir...”

The eight people took off their black robes, and everyone was wearing a tight cloth, and there was a sword box on their backs. The identity of the eight people as sword cultivators can be seen at a glance!

“The Eight Swordsmen of Demon Mountain?”

Seeing this dress, Huo Zhenfeng and Qian Xiaohan were very shocked. They didn't expect that the long-lost Eight Swordsmen of Demon Mountain were actually in the Four Underworld Palaces at this time!

The eight figures flashed and disappeared, and then eight extremely sharp sword auras appeared in the sky!

Man and sword become one...

David, who was practicing, frowned instantly, then looked up with a serious expression!

These eight sword energies are definitely not those of ordinary cultivators. Feeling this aura, the opponent can definitely reach the fourth level of the Immortal Realm, or even higher!

Chapter 4845

When the eight sword energies fell in front of David and turned into eight monks with sword cases on their backs, David frowned even deeper!

“Eight Swordsmen of Demon Mountain?”

Seeing these eight people, Lin Kefan looked a little ugly!

“Fourth uncle, do you know them?” David asked!

“Of course, the Eight Swordsmen of Demon Mountain were also well-known figures many years ago, but it’s a pity that they were demon cultivators. Later, I heard that they were hunted down and finally died in the hands of a master!”

“I didn’t expect that these eight swordsmen were still alive, and it seems that their strength has improved a lot!”

Lin Kefan said in shock!

“Dear Taoist friends, I have no grudges against you. I don’t know why you are here?”

David asked the eight swordsmen!

He didn’t know that these people were all under the Four Hades!

“We are from the Four Underworlds, and we are under the order of Master Ming to kill you...”

said the leader Fusheng!

“How did the eight swordsmen with strong bones get into the Four Underworlds? Isn’t it said that swordsmen are all strong men?”

Lin Kefan asked in shock!

David was also shocked. He didn’t expect that the eight black-robed monks following Master Ming would be these eight swordsmen!

It must be said that the strength of the Four Underworlds is really strong, especially this Master Ming, who can make so many strong men surrender!

“Fourth uncle, can you handle these eight people?”

David asked!

Lin Kefan was stunned and looked at David: “If you dislike my uncle for being redundant, you can just say it clearly, there is no need to do this...”

“That’s not what I mean...”

David smiled!

“What do you mean? I think you just dislike me for being redundant. Do you want me to die, so that the family property of Sun Moon City can be divided more for my younger sister?”

Lin Kefan rolled his eyes at David!

David was speechless. Even if Lin Kefan didn't die, the entire Sun Moon City would belong to him...

“Mr. Chen, what about us...”

Xuan Bin and others said!

David knew that although Xuan Bin and others had also broken through to the Immortal Realm, they still had some distance to catch up with the sword cultivators in front of them!

Then he looked at Li Chunfeng and Nan Batian!

“Mr. Chen, we are fighting eight alone, and it is probably not going to be easy...”

Li Chunfeng said truthfully!

After all, their strength has not recovered. In this place of no return, they can only rely on the fairy stones given by David to prevent their strength from declining!

Accompanying David in sparring every day also requires a lot of resources!

“What about you two?”

David asked!

“You can give it a try...” Nan Batian nodded!

David was about to speak and let Li Chunfeng and Nan Batian meet the eight swordsmen first. At this time, Fusheng, the leader of the eight swordsmen, said: “David, as a sword cultivator, I never bully the few with the many. How about you and I fight alone?”

“You and me?”

David looked at Fusheng!

“Yes, I will fight you in swordsmanship...” Fusheng nodded

!

“Okay, but you are not allowed to cry...”

David smiled!

“It will definitely be you who will cry...”

After that, Fusheng’s figure jumped up instantly!

David raised the corner of his mouth, and his body also floated in the air!

“Mr. Chen, it’s just right to use this guy to practice the sword intent during this period...”

Li Chunfeng said!

“Yeah!” David nodded!

Not far away, Ming Shao looked at the two people slowly floating in the air, and smiled faintly: “This David is a bit interesting. There are suddenly two more strong men around him...”

He didn’t know that the Nan Batian and Li Chunfeng who appeared beside David were the guardians of the world of the ladder to heaven!

“Ming Shao, Fusheng may not be an opponent. Do you need me to take action?”

said the red-haired old man!

“No hurry, let’s see...” Ming Shao said!

The red-haired old man nodded!

At this moment, in mid-air, Fusheng had slowly drawn his sword from the sword box!

As soon as the sword was unsheathed, the cold light suddenly flourished, and the surrounding air seemed to be frozen by the coldness, making a “chi chi” sound.
