Chapter 4846

Runes flowed on the sword, and there was a faint sound of dragon roars. It was obviously a peerless magic weapon.

On the other hand, David did not use his famous Dragon Slaying Sword as Fu Sheng expected.

Instead, he closed his eyes, and the aura around him began to slowly condense. In his palm, a faint white light gradually emerged.

In the light, there was an endless sharp meaning, which was the sword intent he condensed.

Seeing this, Fu Sheng's face instantly became extremely gloomy. He felt that David's move was a great humiliation to him.

"David, what do you mean? Will it be dirty to use your Dragon Slaying Sword?"

"You actually use this illusory sword intent to fight me. Are you looking down on me, Fu Sheng?"

Fu Sheng asked angrily, his voice echoing between heaven and earth, with a trace of unwillingness and anger.

He had seen David use the Dragon Slaying Sword, and knew that the Dragon Slaying Sword was also a peerless magic weapon, but David didn't use it to fight against him!

David slowly opened his eyes, a smile flashed in his eyes, and he said slowly: "You guessed right, I just look down on you."

"To fight with you, it is enough to use this sword intent. If I use the Dragon Slaying Sword, it would be a waste of talent and an unfair victory."

David's tone was flat, but it was like a huge rock thrown into a calm lake, stirring up thousands of waves in everyone's hearts.

"What an arrogant boy!"

Fusheng was completely enraged by David's words. He waved the sword in his hand, and a sharp sword energy instantly slashed towards David.

Wherever the sword energy passed, the space was torn into a black crack, like a ferocious giant python, rushing straight towards David.

David looked calm, raised his right hand calmly, and gently waved the palm containing the sword intent.

The sword energy in his palm instantly turned into a white streak, facing the sword energy coming from Fusheng.

The two met in the air, but instead of making the loud noise that one would have imagined, they fell into a brief stalemate.

The white streak and the black sword energy entangled and collided with each other, and tiny energy ripples continued to spread in all directions.

Wherever he went, the rocks on the ground turned into powder, and the surrounding trees were cut in half, with branches and leaves flying all over the sky.

"Hmph, let's see how long your sword intent can last!"

Fusheng snorted coldly, increasing the output of spiritual power. The black sword energy instantly became thicker and sharper, gradually suppressing David's white streak.

David was not moved at all, and his mouth corners slightly raised, revealing a confident smile.

He shouted softly: "Break!"

In an instant, the white streak shone brightly, and a majestic force burst out from it, shattering Fusheng's black sword energy.

Not only that, the residual power continued to sweep towards Fusheng.

Fusheng's face changed drastically, and he quickly waved the sword in his hand to form a sword energy defense shield in front of him.

However, the residual power of David's sword intent was too strong. With a

loud

bang, the sword energy defense shield was instantly shattered, and Fusheng flew backwards dozens of feet like a kite with a broken string before he could barely stabilize his body.

A trace of blood flowed from the corner of his mouth, and his eyes were full of shock and disbelief.

“How is it possible... Why is your sword intent so powerful?”

Fusheng murmured to himself, and when he looked at David, in addition to shock, there was also a hint of fear.

Not far away, Ming Shao saw this scene, and the smile on his face disappeared instantly, replaced by a solemn face.

“This David is really not simple. It seems that he has grown a lot in just one month.” Ming Shao said in a low voice.

The red-haired old man on the side also looked nervous. He looked at Ming Shao and asked cautiously: “Ming Shao, Fusheng has been defeated. Is it my turn to take action?”

Ming Shao was silent for a moment and shook his head: “Don’t worry, let’s see first.”

Chapter 4847

At this time, David in mid-air slowly fell down. After he stood still, he looked at Fusheng and said lightly: “I wonder if you still have the strength to fight again?”

Fusheng gritted his teeth. Although he was unwilling in his heart, he also knew the gap between himself and David.

He put away his sword, clasped his fists, and said: “David, you are very strong. Fusheng admires you. Today, I am not as skilled as you. I lost in a one-on-one fight.”

After that, he turned back to the team of the Eight Swordsmen of Demon Mountain.

The other seven of the Eight Swordsmen of Demon Mountain were shocked to see Fusheng lose.

They looked at each other, and a hint of hesitation flashed in their eyes. However

, as a sword cultivator, they were unwilling to retreat, and at the same time, Ming Shao was watching them from behind.

Seven people drew their swords at the same time and surrounded David. Their aura instantly reached its peak.

“David, since you are so powerful, the seven of us will come to you to learn from you!”

One of the seven people said, his voice firm and with a hint of fearlessness.

David looked at the seven people who surrounded him. There was no fear on his face, but a hint of excitement.

“Okay, then let me see how capable the other eight swordsmen of Demon Mountain are, except Fu Sheng!”

The sword power around David surged again, and the white light enveloped him, like a god of war descending to the world. A more intense battle was about to break out...

“David, don’t be fooled. These guys are shameless and want to beat you up. Don’t fight them.”

Lin Kefan stood in front of David, then looked at the seven sword cultivators and said with disdain: “Do you still have any shame? David just fought a battle and hasn’t recovered yet. You want seven to fight one?”

“If you have the guts to fight me, we have people in Sun Moon City. We can definitely accompany you...”

Lin Kefan’s words, many cultivators in Sun Moon City also stood up!

This made the seven of the Eight Swordsmen of Demon Mountain look embarrassed, and they didn’t know what to say!

Ming Shao looked at this scene, looked at the red-haired old ghost and said: “Old ghost, follow David’s gesture...”

The red-haired old ghost nodded: “I’ll chop off David’s head right now!”

After that, the red-haired old ghost flashed, and then turned into a black light, and went straight to David!

David’s face turned cold, feeling the rapidly approaching terrifying aura, with deep worry in his eyes!

He had just fought a big battle, and if there was another master, he would not be able to deal with it at all!

“Wheel battle, you four Hades are just this little bit capable, I pah...”

A voice resounded through the sky, followed by a terrifying aura sweeping from the sky, directly suppressing the breath of the red-haired old ghost!

I saw Taoist Wuji holding a whisk, suspended in the air with a fairy-like style!

David had just finished fighting, and his body had not recovered yet, and the opponent attacked again, and Taoist Wuji couldn't stand it!

The red-haired old ghost looked at Taoist Wuji, his face cold and said: “Old bas***, don't interfere...”

“I'm inserting... your grandma's leg, I'll do whatever I want, if you don't accept it, try it!”

Taoist Wuji cursed!

“Try it!” The red-haired old ghost was not afraid, and he followed Taoist Wuji to fight directly.

The two men kept fighting in the void, and terrifying noises exploded from the void!

“It's your turn...”

Ming Shao glanced at Qian Xiaohan and Huo Zhenfeng!

The two nodded, each with their family masters, and went straight to David!

“All the monks in Sun Moon City, listen to my order, kill them...”

Lin Kefan led the monks of Sun Moon City and started a melee with the other side!

Xuan Bin and others also joined the battle!

Fierce fights, both sides are almost masters of the Immortal Realm, so when they started fighting, the entire Wuwang Land began to tremble, as if it would be destroyed at any time!

Fusheng saw that everyone had taken action, and knew that he could not be immune, so he waved the long sword in his hand!

“Go...”

The other seven sword cultivators showed their swords in unison, and then slashed at David!
