Chapter 4850

Li Chunfeng and the red-robed old ghost were fighting. The two were extremely fast, and at the same time, terrible forces made the Wuwang Land illusory!

Many other cultivators, seeing the fight between the two, all looked extremely solemn, as if the Wuwang Land could collapse at any time!

“Old Li, I’ll help you...”

Seeing this, Nan Batian planned to help Li Chunfeng!

“You’d better fight with me...” At this time, an old man came out from the black fog around Ming Shao!

The old man was dressed in a black robe, but his face was red and purple, like a monkey’s butt!

“fu**, why is there another one?”

David frowned when he saw this!

Nan Batian looked at the red-faced old ghost and frowned slightly, saying, “You monkey ass, do you still want to fight with me?”The

red-faced old ghost was stunned, and then looked at Nan Batian in shock: “Do you know me?”

"No!" Nan Batian shook his head!

"If you don't know me, how do you know my name?"

The red-faced old ghost asked puzzledly !

"What's your name? You won't call it Monkey Ass, right?"

Nan Batian asked! "Yes

, my name is Hou Ding." The red-faced old ghost nodded!

"fu**, I guessed it, don't talk nonsense, kill you, I still have to help Lao Li..."

After that, Nan Batian punched the red-faced old ghost!

This time, the illusion of Wuwang Land became more serious!

Fights broke out everywhere in the entire Wuwang Land!

The young master Ming looked at David with disdain, his mouth slightly raised!

"The Four Ghosts of Ming Mountain, I'm afraid there is still one missing?"

At this time, Lin Chong slowly walked to David and said to the young master Ming in the distance!

"What are the Four Ghosts of Ming Mountain?" David asked!

"It is rumored that there is another mountain range under the Tianmo Mountain, and this mountain range is the Ming Mountain leading to hell. The Four Ghosts of Ming Mountain are the four demon cultivators in Ming Mountain."

"They are from the same school, and they are extremely cruel. I didn't expect that they would also be under the command of the Four Underworlds."

Lin Chong followed David to explain!

"The Eight Swordsmen of Demon Mountain, the Four Ghosts of Underworld Mountain, the Four Underworlds have recruited many strong people?"

"No wonder this young man is so arrogant at such a young age, he really has strength!"

David looked at the young man, and he realized that the Four Underworlds were so powerful!

"Emperor Lin, are you going to do it yourself too?"

Seeing Lin Chong standing next to David, the young man smiled coldly!

"I won't let anyone threaten Mr. Chen, not even the Four Underworlds!"

Lin Chong said lightly!

"Well, I'll fulfill you!" The young man nodded.

Then, from the endless black fog beside him, another old man appeared!

And this old man was dressed in a black robe, only a pair of hands were blood red, as if they had just been soaked in blood!

"Emperor of Sun Moon City, it is an honor to fight with you!"

The old man with red claws said, and rushed straight to Lin Chong!

Lin Chong also jumped up and followed the old man with red claws to fight together!

David looked around, and all the forces behind him were used at this moment!

The young master Ming slowly came towards David, and every step seemed slow, but he was in front of David in the blink of an eye!

"It is said that you are a genius in the world of heaven and man, and your talent is amazing. I want to try..."

"But don't be afraid, I can give you a chance to call people. If there are people behind you, you can call them all!"

Young Master Ming smiled slightly, and said to David very gentlemanly!

At this moment, they don't seem to be enemies!

They are indeed not enemies, but this young master Ming can't stand people who are more awesome than himself!

David looked at the young master Ming and shook his head slowly: "I won't call for help. If I did, your Four Underworld Palaces would have disappeared!"

When the young master Ming heard this, he couldn't help but laugh: "You're exaggerating. Even the leader of the Huofen Sect didn't dare to look down on our Four Underworld Palaces!"

"Do you think our Four Underworld Palaces only have the Eight Swordsmen of Demon Mountain and the Four Ghosts of Underworld Mountain?"
