Full Read Online **Chapter 4851** of the novel **A Man Like None Other**

Chapter 4851

“No matter what you have in the Four Underworlds, if I call for help again, even if there are Daluo Jinxian, it will not be able to stop your fate of destruction. I won’t call for help!” David said!

“Okay, if you don’t call for help, then I will!”

After saying this, Ming Shao slowly retreated!

In just a moment, Ming Shao’s figure disappeared into the dark evil spirit!

At the same time, a middle-aged man appeared from the darkness. On the forehead of the middle-aged man, there was a horn, which looked like a unicorn!

David was stunned, and looked at the middle-aged man in front of him in disbelief: “Are you from the beast tribe?”

The middle-aged man shook his head: “My mother is from the beast tribe, and now I have the blood of the demon tribe flowing in my body!”

“Oh, you are a bas\*\*\*...

David said indifferently, but just after he finished speaking, David was stunned. He wanted to mock the middle-aged man, but he forgot that his mother was a human and his father was indeed a dragon!

In this way, he is not a bas\*\*\*?

fu\*\*...

“You are looking for death!” The middle-aged man glared and rushed directly towards David!

Seeing this, David did not dare to be careless at all. He swung the Dragon Slaying Sword in his hand and turned into a sword light!

Boom!

The sword light shattered, and David's body was shaken by the huge force and flew backwards, and then fell heavily to the ground, causing a 100-meter deep pit on the ground!

"Go to hell..."

The middle-aged man shouted angrily, and then a huge palm directly penetrated the black fog, entered the 100-meter deep pit, and crushed towards David!

As the giant hand crushed down, waves of terrifying power crushed towards David's body, and the land around him was constantly compressed!

Buzz...

At this time, a sword sound resounded through the bottom of the pit, and then a golden sword light soared into the sky, instantly piercing the giant hand!

David's body flew into the sky, holding the Dragon Slaying Sword, suspended in the air!  
The

Dragon Slaying Sword exuded a faint light, and David was surrounded by golden light. The indestructible golden body had covered David's whole body!

At the same time, the blood power in David's body continued to radiate, causing the surrounding void to tremble!

Facing the person in front of him, David dared not be careless at all!

Although he could fight against opponents of higher levels, the opponent's strength was obviously not so easy to deal with!

The middle-aged man put his hands behind his back and looked at David quietly. An invisible pressure on his body continued to suppress David's breath!

"Senior, at the last moment, if I can't hold on, it depends on you!"

David said to the Red Cloud Demon Lord!

"No matter what, you can deal with this kind of little trash yourself. But I like the pretentious offender named Ming Shao. I will deal with him when the time comes."

"I want to let him know that the more you pretend, the faster you die..."

said the Red Cloud Demon Lord!

David was black-lined. What does this mean?

I also like to pretend recently. Does it mean that I will die soon?

“If you don’t care about me, if I die, you can’t escape!”

David said!

“Get lost, don’t threaten me with this method anymore, you can’t die at all, Mr. Shi behind you, a sneeze can scare these little trash away.”

“He can’t watch you die, just fight well, just treat it as a sparring partner, you won’t die anyway!”

The Red Cloud Demon Lord comforted David!

David thought about it and it was right, he still had Mr. Shi behind him!

Every time he was in danger, Mr. Shi would appear in time, anyway, he couldn’t die, what was there to be afraid of!

Thinking of this, David instantly became full of confidence, and saw the middle-aged man and said, “Little bas\*\*\*, is this all you can do?”

The middle-aged man’s face flushed with anger, and he suddenly took a step forward, stretched out his palm, and then waved it!

Boom!

I saw that the area where David was, a pressure from the world fell instantly, and came towards David to suppress him!

David gritted his teeth, and the Dragon Slashing Sword in his hand swung out a series of terrifying sword energy, directly slashing towards the pressure from the world!

Chapter 4852

Puff, puff, puff...

The pressure of the world was instantly torn apart by David’s sword energy, and the world returned to peace!

The middle-aged man’s eyes condensed slightly: “The fourth level of the Mahayana realm has such strength, it’s quite capable!”

“You haven’t fully seen my ability yet!”

David said with disdain!

“fu\*\* , pretending...” The middle-aged man cursed, and then punched out!

However, after the punch was thrown, the middle-aged man’s face changed slightly, and he hurriedly looked back in the direction of the young master Ming!

It seemed that he was afraid that the pretentious sentence just now would provoke the young master Ming!

Seeing that the young master Ming didn’t pay attention, the middle-aged man breathed a sigh of relief!

This punch was thrown, and David only felt that the surrounding area was compressed instantly, and a series of terrifying Yinsha Qi rushed towards David like a wave!

At this moment, David seemed to be in the center of the storm, letting countless huge waves hit his body!

These huge waves are so powerful that they can tear David apart at any time!

David’s indestructible golden body exudes golden light, resisting this power!

“It seems that I have to use a killing weapon...”

David put away the Dragon Slaying Sword, and the God King Bow appeared in his hand!

To deal with this wave of Dao pattern evil spirit, the God King Bow is the best weapon!

The reason why David has never dared to use it is because he knows that once he takes out the God King Bow, he will become the target of public criticism!

Even those who have no grudges against him will have evil intentions when they see his God King Bow!

This is the truth that a man is innocent but guilty of possessing a treasure!

But at this time, David can’t care so much!

With the God King Bow in hand, David pulled the bowstring!

An arrow feather slowly appeared, and the Dao pattern evil spirit around it was quickly absorbed by the God King Bow and turned into a sharp arrow!

Whoosh!

An ear-piercing sound was heard, causing pain in the eardrums of everyone in the entire Wuwang Land! At

the moment when the arrow feather was shot, the area around David exploded directly, and countless evil spirits shattered and annihilated!

The young master Ming, who had a nonchalant look on his face, widened his eyes instantly when David took out the bow of the God King and shot an arrow!

“The bow of the God King...”

The young master Ming’s eyes were full of heat!

“The bow of the God King...”

Even the people in the battle couldn’t help but stop and turned their heads to look in the direction of David!

The middle-aged man frowned slightly and said in disbelief: “You are using the bow of the God King?”

“Yes, do you want to try its power?”

David smiled, and then suddenly pulled the bowstring!

Between heaven and earth, countless evil spirits swarmed towards the bow of the God King!

An arrow feather flashing with golden light appeared on the bow of the God King!

Whoosh!

David shot an arrow, and the middle-aged man hurriedly shot out a series of Gangqi, but the sharp sword instantly penetrated the Gangqi, and then a violent explosion occurred!

The terrifying force made the middle-aged man’s figure retreat instantly, and the void he passed through along the way began to shatter!

After finally stabilizing his figure, the middle-aged man’s eyes were full of surprise and said: “What a strong force, the God King Bow is indeed worthy of its reputation!”

After that, the middle-aged man suddenly turned into a long Hong and disappeared!

David also jumped up almost at the same time!

“Want to run?” David drew his bow and shot arrows, and arrows flew towards the middle-aged man!

The middle-aged man punched out a series of protective qi, and the arrows collided with the qi, causing the entire Wuwang land to slowly collapse!

However, after this force affected the ladder to heaven, it disappeared instantly without a trace, and the area where the ladder to heaven was located was not affected at all!

The middle-aged man challenged Yue Yong, and the demon blood in his body burst out more and more!

But David felt very tired!

Although the God King Bow is strong, every time it is pulled, it consumes too much of David’s strength!

David gritted his teeth and fought until now. If he didn’t have the God King Bow, David would have been defeated!

## Chapter 4853

The middle-aged man also saw that David was at the end of his strength, and a smile appeared on his lips!

“Although you have the God King Bow, with your current ability, I’m afraid you can’t pull it?”

The middle-aged man sneered!

Although David really couldn’t pull the God King Bow now, there was no fear on his face!

At the last moment, he knew that there was still the Red Cloud Demon Lord to back him up!

Even if the Red Cloud Demon Lord didn’t care, there was still Mr. Shi!

“Even if I don’t use the God King Bow, you can’t kill me.”

David smiled faintly!

“Really? Try it...” After

speaking, the middle-aged man burst out with rolling evil spirits and rushed straight to David!

“Mr. Chen, I can deal with such a villain!”

A voice sounded, and Lin Chong’s figure appeared!

“Where is the old ghost with red claws?” David looked at Lin Chong in surprise and asked!

“Dead!”

Lin Chong waved his hand, and a head flew out. It was the old man with red claws!

“I am the emperor of Sun Moon City. If I can’t even kill a small follower of the Four Underworld, how can my Sun Moon City be called the third force in the Heavenly World?”

After Lin Chong finished speaking, he looked at the unicorn middle-aged man, waved his hand suddenly, and the rolling evil spirit dissipated instantly!

Seeing this, David took this opportunity to take a rest!

This battle really consumed him too much. It was already very good for the fourth level of the Mahayana realm to be able to stand in this melee of immortal realm cultivators!

“Emperor Lin, you just went through a big battle, and you are not my opponent at all!” said the unicorn middle-aged man!

“Humph, didn’t you just fight a big battle? Whether you are an opponent or not, you will know after trying!”

Lin Chong smiled coldly!

“Boom—!”

After speaking, the moment Lin Chong put his fingers together to form a sword, the sky and the earth suddenly lost their color.

The terrifying pressure poured like a river in the sky, and fine cracks appeared in the void within a radius of 100 feet.

Before the golden sword light touched the one-horned middle-aged man, the boiling evil spirit around him had been suppressed and dissipated by three points.

“Sun and Moon Golden Rainbow Art?”

The one-horned middle-aged man’s pupils shrank, and the black mist wrapped around his horn suddenly swelled, and his originally solid body turned into a ball of flowing black flames.

This strange flame twisted into a hideous ghost face in the void, swallowing up the righteousness in Lin Chong’s sword light.

“The black evil heart-devouring flame of the Four Underworld?”

Lin Chong sneered, “You dare to show off your petty tricks in front of this emperor!”

His left hand magic formula suddenly changed, and the originally dazzling golden sword light suddenly dyed three points red.

A round of red gold sun suddenly rose between heaven and earth, and the scorching sun flames washed down like a waterfall.

The ball of black flames let out a piercing scream in the breath of extreme strength and yang, and the ghost face was instantly steamed into nothingness.

“Ah!”

The one-horned middle-aged man showed up, the scales on his right arm had turned into charcoal, and his eyes were full of fear.

The one-horned middle-aged man had a cold face, took a deep breath, and slowly spread out his palm.

Boom!

Between heaven and earth, a pitch-black spear appeared in his hand!

“Blood Soul Spear, that’s interesting, it seems that he got angry!”

When Ming Shao saw the spear in the one-horned middle-aged man’s hand, he smiled slightly!

The one-horned middle-aged man suddenly bit his tongue and sprayed a mouthful of blood on his horn. The pitch-black spear covered with barbs actually showed blood-colored lines, and the roars of thousands of resentful spirits were faintly heard.

“Blood Soul Sacrifice?”

Lin Chong’s face was solemn, “This is the forbidden technique of the Four Underworld Palaces, which can temporarily increase the cultivation by 30%, but the price is to reduce the life span of 100 years!”

Before he finished speaking, the one-horned middle-aged man had turned into a blood-colored stream of light and attacked.

As the spear swung, the void split into several ten-foot-long cracks, and countless blood-colored chains shot out from the cracks, wrapping around Lin Chong with a foul smell.

“Sun and Moon Rotate, Break!”

Lin Chong formed a complex seal with his hands, and nine golden crow shadows suddenly appeared behind him.

The blazing flames formed an absolute domain, and those blood-colored chains were evaporated into blood before they could touch him, and the spear itself was like a poisonous snake spitting out its tongue and heading straight for Lin Chong’s throat.
