Chapter 4857

At this time, the battle in Wuwang Land was still going on, and both sides seemed to be killing with bloodshot eyes!

When David was recovering, there were eyes staring at him with ill intentions, just like a beast spying on its prey in secret!

David knew that these people were staring at his God King Bow!

As long as his side showed a slight decline, a group of people would immediately swarm towards him!

“David, are you okay?”

Yun Li appeared and came out of the ladder. When he saw David who was constantly recovering his strength, he said in panic!

“I can’t die. How are you in the ladder?”

David asked!

“Hey, don’t mention it. The world in the ladder has changed. The Immortal Mansion is gone. I have persisted on the fourth floor until now, and there is no way to pass it, so I came out.”

Yun Li sighed!

“Brother Yunli, you protect me first. I need to recover quickly. Many people around here are staring at me covetously!”

David asked Yunli to protect him!

Otherwise, when he is recovering, someone will attack him, which will be troublesome!

“Okay!” Yunli nodded!

Just when David was recovering, Lin Kefan, Xuan Bin and others appeared with people from Sun Moon City!

They followed Lian Sanmen to fight against the Huo family, and they originally had the upper hand!

But the attack of the Eight Swordsmen of Demon Mountain made the Sun Moon City side feel the pressure instantly!

In this battle, five immortal cultivators fell from Sun Moon City, and even Cangyue died under the opponent's sword!

However, Lian Sanmen and the Huo family were not much better, and they also lost a lot of masters!

David looked at Lin Kefan and others, almost all of them were injured, and his eyes were full of anger!

The Four Underworld Palaces, Lian Sanmen, the Huo family...

He wanted to make these forces disappear from the Heavenly Realm forever!

In front of David's chest, the dragon crystal began to emit a dazzling light, and the Condensation Heart Technique entered a crazy state!

All the energy that could be absorbed in the entire Wuwang Land rushed into David's body!

Even the ladder that had been as steady as Mount Tai shook slightly at this moment!

David's eyes were filled with blood red!

"Ah....."

After a roar, the sky and earth of Wuwang Land were instantly covered by dark clouds!

After seeing this horrible scene, everyone stopped!

"What is this? Thunder Tribulation Cloud? Could it be that Mr. Chen is going to break through again?"

Li Chunfeng looked at the dark clouds covering the sky in surprise, feeling incredible!

You know, David has just broken through. If he breaks through the realm again now, it would be too outrageous!

Yun Li, Lin Kefan and others also looked at David in shock!

At this moment, David was like a madman, with bloodshot eyes, and the bloodthirsty murderous aura on his body seemed to want to slaughter the entire world of heaven and man!

Ming Shao looked at the world that suddenly darkened, and his brows frowned slightly!

“Ming Shao, is David going to break through?”

Huo Zhenfeng asked in shock as he felt the thunder tribulation clouds covering the sky!

“What a terrifying thunder cloud! This is

not the thunder cloud that can be caused by the breakthrough of a Mahayana cultivator!” Qian Xiaohan was also shocked!

Ming Shao did not speak, but looked at Qian Xiaohan and Huo Zhenfeng: “Do you still have the strength to fight?”

The two looked at each other with awkward expressions. They also lost a lot of masters in the battle with Sun and Moon City. If it weren't for the Eight Swordsmen of Demon Mountain joining, they would have lost more!

Now after the battle, they are all in a weak state. Looking at the horrible battle in front of them, if they join in, they will die in a few rounds!

“Ming Shao, although I can't fight anymore, I am willing to summon the ancestors of the Huo family and I am willing to do my best for Ming Shao!”

Huo Zhenfeng said!

Ming Shao nodded with satisfaction, and with a wave of his hand, a large bag of fairy stones appeared in front of Huo Zhenfeng.

“Here are 500,000 fairy stones. Those who are loyal to my Four Nether Palaces will have enough resources!”

Ming Shao said very pretentiously!

Huo Zhenfeng took the storage bag with trembling hands, feeling extremely excited. With these 500,000 fairy stones, the Huo family would be able to train many more masters to reach the realm of immortality!

Chapter 4858

Huo Zhenfeng put away his storage bag, then took out a Huo family token, and then forced a drop of blood into it!

Boom!

From the Huo family token, a beam of light shot straight into the sky!

In an instant, a terrifying majesty swept across the world, and everyone felt this pressure!

all looked in the direction of the beam of light!

At this moment, David was in the moment of tribulation, and thunder tribulations rolled in the clouds!

Lin Chong, Taoist Wuji and others all frowned!

“Is there a helper behind that young master Ming?”

Everyone began to get nervous!

These evil corpses in front of them were very difficult to deal with. If the other party came with masters, how could they fight?

As the pressure was getting closer and closer, a middle-aged man in a green robe slowly appeared. The middle-aged man was thin and didn't look like a master at all!

And it was obvious that this middle-aged man was not the real body, and the aura on his body could not detect the realm strength at all!

Ming Shao was also slightly stunned when facing the middle-aged man who appeared, and his unruly look was also restrained!

“What's the matter?” The middle-aged man looked at Huo Zhenfeng and asked!

“Ancestor, my Huo family is in trouble.”

Huo Zhenfeng said!

But the middle-aged man waved his hand: “Don't shout nonsense, I'm not the ancestor of the Huo family, your Huo family token can only summon a character like me to help you.”

Obviously, this middle-aged man is not the ancestor of the Huo family, and he doesn't look very powerful in the Huo family!

Huo Zhenfeng was stunned and a little at a loss. After all, after he became the head of the Huo family, this token has been passed down from his ancestors. It is said that when the Huo family is afraid of difficulties, they can summon the ancestors of the Huo family!

Seeing Huo Zhenfeng's expression, the middle-aged man explained, "My name is Huo Zhao, and I am the elder of the Huo family. You are just a branch of the Huo family, and you want to call out the ancestor. Isn't that a joke?"

Huo Zhenfeng was embarrassed when he heard it. They were indeed a branch of the Huo family. You have to know that many of the Huo family's direct descendants are serving in the temple!

You can imagine how powerful the Huo family's direct descendants are!

Just this elder alone, who is not even the real body, is probably no match for anyone present!

"Elder Huo, now my Tianren Realm Huo family is suffering from a catastrophe, please help save it."

Huo Zhenfeng said!

Huo Zhenfeng glanced at the people in the field, looked at the heaven and earth thunder tribulation, and his expression became solemn!

"Is there anyone in the Tianren Realm who can cause such a thunder tribulation?"

Huo Zhao frowned slightly!

"Elder Huo, it was that kid who caused the thunder tribulation, he is crossing the tribulation..."

Huo Zhenfeng pointed at David and said!

In fact, even if he didn't say it, Huo Zhao could find out. After all, he was not blind and could still see who the thunder tribulation hit!

"A mere Mahayana realm, but it attracted such a terrifying thunder tribulation. This boy is definitely not an ordinary person, and he seems to have the blood of three clans."

"Why do you want to provoke such a person? Are you asking for trouble?"

Huo Zhao looked at Huo Zhenfeng with some dissatisfaction!

“Senior, this David is my enemy. I want to kill him, and the head of the Huo family is helping me!”

Ming Shao said!

“Who are you?” Huo Zhao asked!

“Four Hades, Young Master Ming!” Young Master Ming said very pretentiously!

“Four Hades? Never heard of it!” Huo Zhao shook his head, then looked at Huo Zhenfeng and said, “You actually used the Huo family token to help others. You should know that each of your side branches only has one Huo family token. How can you use it casually unless it is a matter of life and death!”

Huo Zhao was a little dissatisfied. Huo Zhenfeng actually used the Huo family token to recruit him in order to help others!

“Elder Huo, the Four Hades is very powerful in the Heavenly Realm, and has many resources. It just gave us 500,000 fairy stones.”

“This Wuwang land is very barren and has no resources at all. If my Huo family wants to develop, we can only cooperate with others!”

Huo Zhenfeng hurriedly explained!

When Huo Zhao heard this, he snorted coldly: “The side branches of the Huo family have fallen to such a state that they have to rely on others?”

“Forget it, since you have recruited me, I will help you this time. If you are in danger again in the future, no one can take care of you!”
