### Chapter 4861

At the same time, a golden dragon slowly appeared on David's back, and the terrifying blood pressure began to spread in the land of Wuwang!

Everyone felt the pressure of the golden dragon, and their faces changed again and again!

Seeing this scene, Huo Zhao frowned and stared at David, shocked in his heart!

This blood pressure is too terrifying!

At this moment, Huo Zhao felt a little uneasy!

This David is not a human cultivator at all. The golden dragon blood on his body makes people tremble!

"Who is this guy?"

Huo Zhao looked at Huo Zhenfeng not far away and asked!

If this Nima provokes a person with an identity background for the Huo family, it will bring disaster to the Huo family!

"Elder, this David is just a casual cultivator, and he destroyed the Ten Palaces of the Temple and subdued the Ten Palace Masters. He also has a grudge against the Temple."

After Huo Zhenfeng knew that Huo Zhao was the Eighth Palace Master of the Temple, he also began to talk about David's following the Temple!

Huo Zhao frowned when he heard it. It seemed that he couldn't care less!

At this time, David's facial features were ferocious, and he pulled the God King Bow with force!

With each burst of the power of the

God King Bow, the consumption of David was greater, which was proportional! However, David had just broken through, and he was promoted to two small realms in one breath, which enabled David to pull the God King Bow again!

The bowstring was pulled, and a black arrow feather slowly formed on the God King Bow!

As the arrow feather formed, a terrible breath shook between heaven and earth!

Looking at the God King Bow in David's hand, Huo Zhao's expression gradually became solemn. He stared at David tightly, and his right hand slowly clenched his fist. At this moment, he couldn't leave!

Since David has a grudge against the temple, he, as the eighth master of the temple, must deal with it!

Huo Zhao narrowed his eyes, suddenly rushed forward, and took the lead in punching David!

With this punch, everything in the world seemed to be destroyed!

David also released the bowstring, and the black arrow feathers flew through the void and went straight to Huo Zhao!

Neither of them dodged!

This is a hard fight!

Boom!Accompanied

by an explosion, the entire Wuwang Land was twisted and about to collapse at any time!

David retreated dozens of miles, spitting blood from his mouth, and his body began to crack!

And Huo Zhao was also repelled this time, and his body became more illusory!

Huo Zhao looked at David in disbelief. The power of the arrow feather just now actually made him feel afraid!

You know, he is an immortal. Even if it is not the original body, it is not a matter of blowing to destroy the Mahayana cultivator!

But now, he was repelled by a Mahayana cultivator!

And he failed to kill David for several consecutive moves!

More importantly, David's bloodline is getting more and more terrifying, and there is no way to erase it!

Huo Zhao feels that David is more and more abnormal!

"Boy, let me help you. If you don't possess me, you will really die."

Seeing this, the Red Cloud Demon Lord can only possess himself to help, otherwise what if Mr. Shi doesn't come and David is really beaten to death?

"Okay!" David nodded: "Senior, you can do whatever you want. At worst, I don't want this body anymore!"

David was also angry!

So many monks from Sun Moon City died for him, this revenge must be avenged!

"So cruel?" Chiyun Demon Lord was stunned!

"You must kill this guy, otherwise the monks from Sun Moon City will die in vain."

David said!

"Don't worry, this idiot is just a little immortal, and it's not the real body yet, there is no need to worry!"

Chiyun Demon Lord licked his lips and said!

It has been a long time since he last exercised his muscles, and Chiyun Demon Lord can't wait!

"Senior, come on..."

David's consciousness entered his body, allowing Chiyun Demon Lord to take over his body!

Boom!

David's body instantly burst out with waves of demonic energy, and the whole person's temperament has undergone earth-shaking changes!
