Chapter 4862

Huo Zhao frowned as he looked at David, who suddenly seemed like a different person!

“What are you looking at? Come here, little trash...”

David waved at Huo Zhao!

Huo Zhao was stunned and looked at David: “How dare you say that to me? You are looking for death...”

After that, Huo Zhao took a step forward, followed by a punch!

Seeing this, David also followed with a punch, and even the God King Bow was not used!

Boom!

Two completely different fist lights suddenly burst out, and then collided fiercely!

The fist lights collided, and the world became chaotic. If it were not for the support of the ladder to heaven, the land of innocence would have collapsed long ago!

“Who are you?”

Huo Zhao looked at David, and he was dumbfounded. Just now, David took the punch and was hard to resist, but David actually took it, and nothing happened!

This is too outrageous!

“I am your ancestor...”

David finished speaking and punched out. David actually took the initiative to attack!

“You are going too far...”

Huo Zhao was also anxious. He was scolded by a Mahayana cultivator. Where could he put his face?

After speaking, Huo Zhao also punched out!

Both of them returned to their original nature. They did not use weapons, but relied on pure strength to fight hard!

Boom!

With one punch, the entire Wuwang Land was distorted, and the figures of Chen

Ping and Huo Zhao disappeared, as if they were trapped in the distorted void! Everyone stared blankly, and could not feel the breath of David and Huo Zhao at all!

Lin Chong and others began to worry. Although David had risen two realms in a row, he was still far behind Huo Zhao!

The young master Ming also looked into the void, frowned, and his face was less pretentious!

“Master Huo, this elder of your family, can’t he even beat David, who is in the Mahayana realm?”

Qian Xiaohan asked Huo Zhenfeng!

“How is it possible? The Huo family’s direct descendants are all in heaven, they are all immortals, how could they not be able to defeat David?”

Huo Zhenfeng shook his head. He didn’t believe that the immortals in the heavens couldn’t beat David, the Mahayana cultivator!

That would be too outrageous!

But now no one can find the figures of David and Huo Zhao, and they can’t even feel their breath. I don’t know where the two of them went to fight through the twisted void!

“Master Qian, do you have any helpers?”

Ming Shao asked Qian Xiaohan!

The Huo family used the token to summon the elders, and now it’s up to Qianmen!

“I can...”

After Qian Xiaohan finished speaking, he saw his fingers pinching, and a Bagua figure slowly appeared between heaven and earth!

Everyone looked up and found that from the Bagua figure, a burly man with a meteor hammer in his hand slowly walked out!

The body of this big man was a hundred meters tall, like a small mountain.

After the big man appeared, every step he took made the world tremble!

Everyone was stunned when they saw this scene!

“Who called me out?”

The big man lowered his head and looked around!

“Master Guardian, I am the leader of Qianmen. I summoned Master Guardian because Qianmen is in trouble!”

Qian Xiaohan hurried forward and said respectfully!

The Guardian glanced at Qian Xiaohan and nodded: “It is true that he can deduce the Dao, that’s right, tell me who it is, I will crush him!”

The Guardian’s voice was like thunder, and he looked at everyone with disdain!

“It’s a guy named David. When he shows up, please hammer him to death!”

Qian Xiaohan said!

“No problem!” The Guardian nodded, “Since I promised to protect Qianmen for three thousand years, I will definitely do it.”

At this time, Li Chunfeng looked at Nan Batian and said, “Batian, you have also become bigger. Fight with the guy and compare your body with yours. You will scare him to death.”

“Don’t worry, I’ll take a rest first and eat some fairy stones!”

Nan Batian continued to absorb the fairy stones to restore his strength!

After fully recovering, he can also become a hundred meters tall, and he is not afraid of this big guy at all!

Chapter 4863

The sky, accompanied by the shaking of the void!

David and Huo Zhao, who had disappeared and whose breath could not be detected, appeared again!

The two stood facing each other in mid-air, and Huo Zhao showed a bitter smile on his face!

“You won...”

Huo Zhao said!

“Hey, I could have easily crushed you to death, but this body is not up to the task!”

David grinned!

Huo Zhao also smiled. He already knew at this moment that the David in front of him was no longer himself, and had been possessed by a powerful person!

And it was an amazing master in the heavens!

In front of him, this little immortal, himself, was no different from an ant!

“Elder Huo, haven’t you killed David yet?”

Huo Zhenfeng saw that David was still alive, so he asked loudly!

Huo Zhao glanced at Huo Zhenfeng, shook his head slightly and said, “You can take care of yourself...”

After saying this, Huo Zhao’s body was disappearing quickly, and finally disappeared!

Seeing this scene, Huo Zhenfeng was dumbfounded!

That Ming Shao also frowned slightly, and his expression became more and more weird!

“Master Guardian, it’s this kid, kill him!”

Qian Xiaohan pointed at David and said!

“How can a small Mahayana realm make so many of you afraid? Look, I’ll kill him with one punch!”

Guardian looked at David, his eyes full of contempt!

“Boy, do you still need me? If I do it again, your body will be really finished!”

Chiyun Demon Lord said to David!

“Senior, I’ll do it myself!”

David knew that if he let Chiyun Demon Lord fight again, his physical body would definitely be destroyed!

Although he could reshape his physical body, it would take a long time, and David didn’t want to wait!

“Okay, you play for a while!”

Chiyun Demon Lord gave the control of his body back to David!

David was speechless for a while. This Demon Lord Chiyun just called the fight with the immortals a game!

He was only a Mahayana cultivator, who would believe this if he told others!

A Mahayana cultivator dared to fight with an immortal!

“Mr. Chen, let me try this big guy...”

At this moment, Nan Batian also made his body a hundred meters tall and said to David.

“You are probably not his opponent...”

David knew at a glance that Nan Batian was not this man’s opponent!

Although Nan Batian was once an immortal, he was trapped in the ladder for too long, and his strength was suppressed in this world of heaven and man, so he could not be that man’s opponent!

“Mr. Chen, even if he is not an opponent, I will consume him.”

“Otherwise you can’t beat him at all!”

After Nan Batian finished speaking, he punched the guard!

The two hundred-meter-tall giants actually fought together at this moment!

Everyone had to look up and watch!

Boom!

The fists of the two giants collided with each other, and Nan Batian's huge body kept retreating, and his entire arm began to break!

One punch determined the outcome, and Nan Batian was still slightly inferior!

Moreover, Nan Batian had experienced several battles and had not fully recovered at all!

Looking at his broken arm, Nan Batian said with a little embarrassment: "Mr. Chen, I can't do it..."

"I'll do it myself!"

David was suspended in the air, looking at the guard coldly!

"Boy, I really don't want to kill you, a Mahayana cultivator. If I kill you, I will be disgusted with dirtying my hands!"

"Unfortunately, I promised to protect Qianmen for three thousand years, and I must do it!"

"I will let you die very happily, don't worry!"

After the guard finished speaking, he punched David through the air!

With this punch, countless resentful souls emerged between heaven and earth, roaring and screaming, resounding throughout the Wuwang Land!

At this moment, Wuwang Land seemed to have become a purgatory!

"Mr. Chen, be careful, this is the Death Soul Fist..."

Nan Batian saw this and reminded loudly!

This kind of Death Soul Fist, as long as it is covered by the resentful soul, even if it is not hit, it is impossible to survive!

Chapter 4864

The soul of a person who is wrapped by such a resentful soul will also be eroded, and finally become a resentful soul in this death soul fist!

Guarding this punch, there are millions of resentful souls, which shows how many people he has killed with this punch!

Facing the guarding punch, David's expression became solemn and his face was very ugly!

David wanted to use the Condensation Heart Technique to absorb and refine these resentful souls, but so many resentful souls require time. How could the other party give David time! Chen

Ping held the Dragon Slaying Sword in his hand, wanting to cut a gap with one sword, and then escape from the place covered by the Death Soul Fist!

But before David could do anything, the storage ring in his hand suddenly shook, and then the little swallowing beast ran out!

Facing millions of resentful souls, the little swallowing beast's eyes lit up!

Then it suddenly opened its mouth!

The millions of resentful souls were directly sucked into the stomach of the little swallowing beast. The mouth of the little swallowing beast was like a whirlpool. Those resentful souls wanted to escape, but they were sucked tightly!

Seeing this scene, the guardian was dumbfounded!

He didn't know what this thing that looked like a four-legged beast was?

In an instant, the millions of resentful souls were sucked away, and the world returned to normal!

Everyone stared blankly, stunned in place.

Under the gaze of everyone, the little swallowing beast licked its lips, and finally returned to David's storage ring!

David saw the little swallowing beast returning, and immediately laughed, and then said to the guardian: "My little pet is starving, thank you for your rations!"

Everyone was stunned when they heard it!

The guardian looked at the millions of resentful souls that disappeared and actually cried!

“Those are the millions of resentful souls that I have trained for my whole life, you compensate me...”

The guardian cried very sadly at this moment. His life's hard work was swallowed by a little pet that looked like a four-legged beast!

Seeing that the guardian with such a huge body actually cried, David was also a little stunned for a while!

After crying for a long time, the guard wiped his tears and looked at David fiercely: “Boy, wait for me, I will remember you!”

After that, the guard turned around and left!

“Master Guard, why are you doing this?”

Seeing this, Qian Xiaohan hurriedly asked loudly!

“I have lost my millions of resentful souls, what else do you want me to do? I just promised to protect your Qianmen for three thousand years, but I didn't say I would work for your Qianmen!”

The guardian looked at Qian Xiaohan and said!

“Master Guardian, but David wants to destroy our Qianmen, you have to protect us.”

Qian Xiaohan said!

The guardian glanced at Qian Xiaohan, then looked at David and said, “My friend, give me some face, don't bother with Qianmen, spare them!”

This guardian was actually following David to plead for mercy, talking about face!

“Qianmen, must be destroyed...”

David shook his head!

The moment Qianmen followed him to oppose him, the piece that stood with Ming Shao, they were destined to perish!

“fu**, can't you give me some face? Do you have to let me do it to you?”

The guardian roared angrily!

“You can try!” David had a calm face, not afraid at all!

“Boy, I gave you face, didn’t I?”

The guardian’s face turned cold, and then he punched out!

Although there were not millions of resentful souls, the power of this punch also made the void tremble and the sky and earth change color!

“Don’t be afraid, son-in-law, the father-in-law is here...”

Accompanied by a loud shout, followed by a sword light, directly blocked the power of the punch!

“Father?” Hua Yueying couldn’t help but shout when she saw the person coming!

It turned out to be the Lord of the North Territory. The Lord of the North Territory looked like an immortal, holding a dark black iron sword in his hand!

“Old Bei, when did Mr. Chen become your son-in-law?”

“Besides, you old guy, you never said you have a daughter!”

Lin Chong frowned when he saw the Lord of the North Territory and asked!

David followed Lin Keting, when did he follow the daughter of the Lord of the North Territory!

Chapter 4865

“Emperor Lin, I didn’t have it before, but now I do, and my daughter has been married to David for a long time!”

said the Lord of the North Territory!

Hua Yueying blushed when she heard it. She had slept with David, so she must have David’s blood on her body, so she would know after a check.

“Old thing, you dare to stop me with just the seventh rank of the Immortal Realm?”

The guardian of the North Territory looked at the Lord of the North Territory who appeared and shouted angrily!

“I can’t stop you alone, what about the five of us?”

After that, four more terrifying auras came from the sky!

The five lords of the east, south, west, north and center were all there!

David knew the Lord of the South Territory, the Lord of the West Territory, and the Lord of the North Territory. After all, they had all met before. The other two lords were a little unfamiliar!

Especially the Lord of the West Territory, who was scared away by Mr. Shi when he just appeared!

“My friend, how are you? We five old guys are here to help you, don’t be afraid!”

The Lord of the Western Region came to David and said flatteringly!

Seeing that the Lord of the Western Region was so flattering to David, everyone was confused!

Especially Lin Chong, he didn’t understand what medicine the Lord of the Western Region had taken to be so flattering to David!

The Lord of the Northern Region looked at the Lord of the Western Region and couldn’t help but smile. Only he knew that the Lord of the Western Region was scared to pee all the way!

“Senior, thank you for your help!”

David smiled slightly!

“You’re welcome, you’re welcome. Since you are the Lord of the Northern Region’s son-in-law, we are a family, don’t worry!”

After the Lord of the Western Region finished speaking, he looked at the guard: “Big idiot, let the five of us meet you and see if we can kill you!”

After speaking, the Lord of the Western Region took the lead. He had to perform well in front of David!

The other four domain lords also took action together and attacked the guard!

Seeing this, the guard followed the five domain lords to fight!

Young Master Ming frowned as he looked at the five domain masters who appeared, with a look of disbelief on his face!

He didn't understand why these five old guys who had not cared about worldly affairs for many years suddenly started to help David?

Could it be that there was a powerful person behind David that these five old guys wanted to curry favor with?

"Do you have anyone else? I can wait for you to call someone!"

David looked at the young master Ming and asked pretentiously!

Young Master Ming's face was very ugly. He never allowed others to be more pretentious than himself, but now David was actually pretending to be pretentious in front of him!

Young Master Ming's body was trembling, and his face was red with anger, but he really had no one to send at the moment!

Now he only hopes that the Qianmen Guardian can defeat the five domain masters, and then the balance will still be on his side!

With the constant roar from the sky, rays of light continued to burst out!

But in just a breath, several figures slowly appeared!

The guard's face was very ugly, but the five domain masters didn't look relaxed!

"Forget it, I just made a promise, there's no need to lose my life, I'm leaving!"

After the guard finished speaking, he turned around and left!

Soon, the figure disappeared in the sky, and Qian Xiaohan looked at it with a confused face!

What kind of guard is this?

Run when there is danger, what's the point of guarding?

Standing on the bone ship, Ming Shao glanced at Qian Xiaohan and Huo Zhenfeng coldly: "Waste..."

Neither of them dared to speak. After all, whether they lived or died depended on Ming Shao's words!

If they hadn't been protected by the Four Nether Palaces, they would have been destroyed by David long ago!

“Fortunately, there is the suppression of the Heaven and Earth Array, otherwise the five of us are really not the opponents of that stupid big guy!”

The Lord of the North Territory took a deep breath and said in shock!

When David saw that the five domain lords had won, his expression instantly became sarcastic!

“You bunch of idiots, following that what Ming Shao, together against me, didn’t expect that there was someone behind me, the young master?”

“Since you chose to stand on the side of Ming Shao, don’t blame me for being rude!”

After David finished speaking, he looked at the five domain lords and said: “Five seniors, I hope you can take action and destroy me Lian Sanmen and the Huo family!”

“Son-in-law, no problem!”

The Lord of the North Territory nodded, and then said to the other domain lords: “Brothers, we should start!”

The five domain lords rushed towards Qian Xiaohan, Huo Zhenfeng and others!
