## Chapter 4866

Seeing this, Lin Chong and Taoist Wuji also led their men to kill Lian Sanmen and the Huo family!

With the addition of the five domain masters, Lian Sanmen and the Huo family could not stop them at all!

“Ming Shao, help, help...”

“Ming Shao, save us quickly!”

Qian Xiaohan and Huo Zhenfeng kept asking Ming Shao for help!

But Ming Shao did not move, and obviously had no intention of helping!

This time, Huo Zhenfeng regretted it to death. He originally wanted to be on the list of the thighs of the Four Underworld Palaces, but now he was involved and was about to be destroyed! The

one-sided massacre began, and the monks of Lian Sanmen and the Huo family were slaughtered one by one!

“Now it’s our turn to play...”

David looked at Ming Shao jokingly!

Ming Shao’s face was extremely ugly. The reason why he was so awesome and pretentious was because he had someone behind him!

Moshan was faster, and the four old ghosts were his confidence!

But now, there was no one around Ming Shao!

“You are not my opponent if we fight alone!”

Ming Shao looked at David and said!

The meaning was very clear. He didn’t want David to call for help!

But he forgot that he had been calling for help just now!

“You are nothing...”

David said, and instantly slashed at Ming Shao with a sword!

David had had enough of this pretentious guy, and a terrifying sword light went straight to Ming Shao!

Ming Shao’s face changed instantly!

Boom!

With the burst of sword light, Ming Shao was directly shaken out, and the bone ship under his feet turned into ashes in an instant!

But before Ming Shao stopped, another sword light came!

This sword light was very fast, and it was more powerful!

It appeared without any signs, leaving Ming Shao no chance to react!

Ming Shao was horrified, and suddenly clenched his fists. His whole body was instantly enveloped by evil spirits, trying to withstand the blow!

Boom!

Ming Shao was knocked out again!

Boom!

Ming Shao continued to be knocked away!

In front of David, this Ming Shao did not have the slightest power to fight back!

“Just this, you still dare to pretend like that?”

David smiled disdainfully!

He did not expect that this Ming Shao was so unbearable. This guy looked awesome, but it turned out that he relied entirely on pretending!

Ming Shao was knocked away one after another, and the evil shield around his body had already cracked!

At this moment, he was already speechless!

The people who should be recruited were recruited, and the means that should be used were also used!

But who would have thought that there would be so many strong people behind David, wave after wave, as if they could not be killed!

In the end, even the five domain masters came to help David!

If it weren't for these people, David would have become a corpse at this moment!

Now all the means are exhausted, and Ming Shao has no way!

But Ming Shao didn't know that the real awesome person behind David was Mr. Shi!

Mr. Shi has not appeared yet, otherwise the current Four Underworld Palaces would have ceased to exist long ago!

"Pretentious guy, watch out, another sword is coming!"

David swung another sword at the young master Ming!

And he also told the young master Ming that it was obvious that David was playing a trick on him!

Young Master Ming frowned and hurriedly raised his hand to block!

But he found that after the sword light arrived in front of him, it disappeared instantly and did not attack him!

Young Master Ming was stunned, and then he was furious: "If you want to fight, then fight, who are you trying to scare?"

Young Master Ming thought that David was scaring him!

But David smiled slightly and did not answer!

Young Master Ming looked at David's expression and always felt a little gloomy and terrifying!

Suddenly, a dangerous aura was detected by Young Master Ming. When he turned his head and looked, he found that a sword light appeared behind him at some point!

Young Master Ming's face changed drastically, and he said in surprise: "How is this possible?"

Obviously, the sword light disappeared in front of him, how could it suddenly run behind him?

Young Master Ming didn't know that David's Dragon Slashing Sword was a spiritual sword. Even if David didn't care at all, the sword spirit Zhongli could completely control the Dragon Slashing Sword to attack!

## **Chapter 4867**

Seeing the sword light so close, Ming Shao could only roar, and evil spirits burst out of his body, which wrapped Ming Shao!

He could only defend passively now, and he had no power to fight back in front of David!

Boom!

The sword light came instantly, and the evil spirit around Ming Shao was directly defeated, and the whole person flew out!

But he was still in the air, and David's sword came again!

One sword and one sword!

Not giving Ming Shao a chance to breathe!

David did this deliberately, just to make Ming Shao collapse and let him pretend all day long!

Boom boom boom... Ming

Shao's whole person, like a ball, was hit back and forth by David's sword light.

"Enough..."

Suddenly, Ming Shao shouted, and then his body began to tremble, and finally his face was hideous, and he turned into a ghost!

I saw Ming Shao opened his bloody mouth, and the dead monks on the ground turned into wisps of black air, all of which were sucked into Ming Shao's body!

Seeing this scene, David started to practice the Concentration Heart Technique and began to compete with Ming Shao for these evil spirits!

He knew that Ming Shao was using these dead monks to restore the evil spirits in his body!

After an unknown amount of time, the dead monks on the ground had already disappeared, leaving only a black mark of a human figure on the ground!

Ming Shao was surrounded by black mist, and the whole person slowly returned to human form!

“David, you have no deadly hatred. If you play tricks on me today, don’t blame me!”

Ming Shao said coldly!

“Humph, you killed so many of my people, and now you tell me that you have no hatred?” David snorted coldly: “Today, I will kill you!”

“Mr. Chen, we are here...”

At this time, Lin Chong and others all came!

They have already wiped out the Lian Sanmen and the Huo family. At this time, Lin Chong, Taoist Wuji, Li Chunfeng, Nan Batian, and the five domain masters, each of whom is a master, surrounded the young master Ming tightly!

Seeing this, the courage and fighting spirit of the young master just now dissipated instantly!

With so many people beating him up, no matter how many lives the young master Ming has, he will die here!Ming

Shao’s body began to tremble, his face was full of panic, and there was no trace of pretense anymore!

“Kill him...”

Although Ming Shao’s body was trembling and he was no longer pretending, David did not intend to spare him!

With David’s words, everyone slowly walked towards Ming Shao!

The pressure that erupted from these people alone made Ming Shao’s legs tremble and he was about to pee his pants!

“Kill...”

Everyone attacked Ming Shao together!

A terrifying breath was bound to beat Ming Shao to ashes!

“Stop...”

Accompanied by a shout, a terrible force rushed in, instantly blocking David’s attack!

David and the others hurriedly looked up and found an old man coming quickly in the sky!

“Father...”

Ming Shao saw this and cried with joy!

At this moment, everyone’s face became extremely ugly. It turned out that Ming Tian, the lord of the Four Underworld Palace, had arrived!

Mingtian looked at David and the others, his face slightly angry and said: “So many people bully my son, do you want to die?”

Mingtian suddenly raised his hand and pressed it down fiercely!

Boom!

The entire Taoist sect collapsed under this blow, and the entire Wuwang Land was bound by a terrifying pressure!

Many people were pressed to the ground and couldn’t move at all!

David and the others were also shocked. They felt that their bodies were pressed by thousands of mountains and tried their best to resist!

Blood began to flow from the corners of David’s mouth, and the others gritted their teeth one by one!

When he raised his hand, they actually felt the breath of death. It can be seen how terrifying the strength of the four masters of the Hades Palace is!

Seeing this, Ming Shao turned into that pretentious look again!

“David, you are still pretending with me. My father waved his hand and let all of you disappear into ashes!”

Ming Shao looked at David with a pretentious look and said!

## **Chapter 4868**

David's face was extremely ugly. He didn't expect that the father of Ming Shao would come too!

Now they were all exhausted. How could they possibly fight against the father of Ming Shao!

Many people showed fear on their faces. Even the five domain masters could only hold on at this moment and had no time to care about him!

Despair! Everyone

's heart was filled with despair!

In the face of absolute strength, they really had no way out!

David gritted his teeth, and the various forces in his body were constantly surging, but he still couldn't get rid of the pressure!

Buzz!

Suddenly, a mysterious force broke out between heaven and earth, and the pressure collapsed in an instant!

Everyone breathed a sigh of relief.

And Ming Tian's expression tightened, and he couldn't help but look around!

At this time, an old man shrouded in black mist came slowly. As the black mist dissipated, David was immediately surprised!

After seeing the old man, Mingtian's body trembled suddenly, and he fell to his knees with a plop!

"Father..." When Ming Shao saw his father kneeling down, he was shocked!

"Kneel down quickly!"

Mingtian pulled Ming Shao and made him kneel down as well!

“Mingtian of the Fourth Nether Palace, pays homage to the ancestor of Yin Mo...”

Mingtian kowtowed heavily, not daring to look directly into Yin Mo’s eyes!

But Yin Mo walked past Mingtian without even looking at him, and walked straight towards David!

“Senior, has your body been reshaped?”

David saw that Yin Mo actually had a body, so he asked happily!

“Hahaha, thanks to you, little brother.” Yin Mo laughed and patted David on the shoulder: “You have greatly increased your strength during this period of time!”

“Compared to the senior, my strength is nothing to mention!” David said modestly!

“I have been practicing for tens of thousands of years, how long have you been practicing? When you have been practicing for tens of thousands of years, your achievements will definitely be better than mine!”

Yin Mo praised David!

Lin Chong and others on the side, seeing Yin Mo, all stepped back unconsciously. Even if Yin Mo did not emit a breath, they felt uncomfortable and frightened!

The five domain masters looked at the Yin Mo and their expressions trembled slightly, especially the Western Domain Master, who was numb when he saw David and Yin Mo’s arm in arm!

A Mr. Shi, just one look scared him to death, and now there is another master whose realm cannot be seen. He doesn’t understand how many backers are behind David?

Even Li Chunfeng, Nan Batian and Wuji Daochang, who are in the heaven, are breathing rapidly when they see Yin Mo appear!

Obviously, their strength in the heaven is much inferior to this Yin Mo!

Mingtian listened to Yin Mo chatting with David, and everyone was dumbfounded!

The young master Ming’s legs were trembling, and he was frightened to the point of peeing!

Except for fear, there was no trace of pretense on his face!

He couldn’t believe that David, a Mahayana cultivator, was so familiar with the Yin Demon ancestor of their lineage!

And it seemed that Yin Demon and David were old acquaintances.

“Senior, the cultivators of your lineage like to pretend. If you hadn’t appeared just now, I’m afraid I would have become a corpse now!”

David glanced at the trembling young master Ming and smiled slightly!

Yin Demon then looked at Mingtian and his son coldly, snorted and said, “With this strength, you dare not say that you are from my lineage. It’s embarrassing for me.”

“Kill them both now, and I won’t do it...”

Yin Demon’s words made Mingtian’s body tremble even more, and the young master Ming was shitting and urinating!

“Ancestor, spare me, Ancestor, spare me...”

Mingtian kowtowed desperately for mercy!

“Senior, just kill his son. His son is too pretentious and has killed many of my people!” David did not want the Four Underworld to be destroyed!

If the Four Underworld could surrender to him, he could take the Four Underworld and the people of Sun and Moon City to the Fire Sect to rescue the leader of the Refining Sect!

As the number one force in the Heavenly Realm, the Fire Sect, David knew it would be difficult to deal with.

## **Chapter 4869**

“Did you hear it?” Yin Mo asked coldly!

“I heard it, I heard it...” Ming Tian nodded repeatedly, and then looked at his son!

“Father...Father, what...what are you going to do?”

Ming Shao looked at his father like that and was so scared that he could hardly speak!

“Son, don’t blame me, don’t pretend in the next life!”

“Pretending to be struck by lightning, you will not die well...”

“You must remember it!”

After saying that, Ming Tian slapped it with one palm, and Ming Shao instantly turned into ashes, without even a corpse left!

Seeing this scene, David couldn't help but be amazed. This Ming Tian is really cruel!

He didn't even leave a corpse for his son!

“Go away, remember me in the future, be obedient!”

David waved his hand and said!

Ming Tian didn't dare to move, and secretly glanced at Yin Mo!

“Don't get out of here yet, can't you hear what my brother said?”

Yin Mo shouted coldly!

“I heard it, I heard it...” Mingtian nodded repeatedly, and then disappeared in an instant!

“Brother, what are you doing in this place?”

After Mingtian left, Yin Mo asked David!

David pointed to the ladder in the distance and said, “I'm in the ladder. If you pass the nine levels of the ladder, you can ascend to the heaven!”

Yin Mo glanced at the ladder and said, “Do you need me to help you see which idiot made such a thing and played with these ants in the heavenly world?”

“No, I feel that this ladder is pretty good. Even if you can't practice to ascend, you can go to the heaven through the ladder!”

David shook his head!

“Okay, if you are willing to experience it, then experience it yourself!” Yin Mo said!

“Senior, where are you going?” David asked!

“I'm going to get ready. The great formation of heaven and earth is about to be broken. I'm going to prepare to return to the heaven!” After Yin Mo finished speaking, his figure disappeared in an instant!

On the ninth floor of the ladder, an old man and a young man were watching everything below!

“Master, someone called you a fool. Do you want to deal with him?”

the young man asked!

“Shut up!” The old man glared, and then continued: “Listen to the master’s words, let David go, this guy is not to be trifled with...”

The young man: “.....”

.....

Climbing the ladder to the third floor!

After a few days of recovery, David took Li Chunfeng to the third floor of the ladder to the sky. Nan Batian did not follow because his arm was broken and needed to be reshaped!

“Mr. Chen, you have only recovered for a few days, and you rashly enter the third floor. I am afraid there will be danger.”

Li Chunfeng persuaded David!

“It’s okay. If we can subdue the guardian of the third floor, we will have one more helper.”

David is to subdue the guardian in the ladder to the sky!

Subdue a few more guardians, and we will be more confident in rescuing the leader of the refining sect!

Just as David and Li Chunfeng entered the third floor!

A magnificent palace appeared in front of them, and this palace was a hundred feet high, with a stone staircase leading directly to the entrance of the hall!

There was nothing around the hall. The world on the third floor seemed to be a dead world, with only this hall existing!

“What’s going on? Could it be that the guardian of the third floor is in this hall?”

“This is too easy to find. What about the world on each floor?”

David looked at the hall in front of him and was a little confused!

“I don’t know what’s going on...” Li Chunfeng was also a little confused!

After all, he had never been to the third floor, and there was no contact at all!

“Mr. Chen, no matter what, I think you should be careful!”

Li Chunfeng reminded!

David nodded. He naturally did not dare to underestimate them. After all, Nan Batian on the first floor and Li Chunfeng on the second floor were both very powerful!

The guardian of the third floor must not be weak either. David himself did not know why. When he broke into the ladder, the guardians on each floor seemed to be targeting him!

Yun Li and others could reach the fourth floor, but David took great pains to reach the third floor!

## **Chapter 4870**

David held the Dragon Slaying Sword, and then suddenly rushed towards the hall. Then a sword light slashed directly at the hall. He wanted to split the ten-thousand-foot-high hall into two!

But just as David rushed towards the hall, a golden light suddenly shot out from the hall!

Bang!

David's sword light was instantly shattered, and David's body seemed to be hindered by something and fell heavily to the ground!

He wanted to rush up the stone steps in one step, which was obviously impossible!

David was shocked. He knew that he had been promoted two levels in a row, but he was forced back to the original place without even seeing the other party! Looking

at the hall, David's expression became more and more solemn. This third floor was so powerful, let alone the guardian behind!

David had no choice but to step on the stone steps step by step, and slowly walk towards the hall step by step!

David did not use any strength, nor did he swing his sword, and he did not even have a trace of hostility!

In this way, David walked to the door of the hall without any hindrance. The heavy door slowly opened at the moment David arrived!

David walked into the hall and found that the whole hall was extremely dark, like a tiger's mouth abyss, giving people an inexplicable sense of fear!

"A mere Mahayana cultivator dares to break into the third floor?"

At this time, a light suddenly appeared in the hall, and the light shone on a person!

David looked over and found that it was a Confucian scholar, wearing a clean robe, a crown and a belt, like a gentle scholar!

No matter how you look at it, this does not look like a master!

"Junior David, pay homage to the senior!"

David said politely with his hands folded!

Who can be a guardian here is not a person from the heaven, and it is not an exaggeration to call a senior!

"With your strength, you can also come here. Aren't the guardians of the first two floors too rubbish?"

The Confucian said disdainfully!

Li Chunfeng heard this outside the hall, opened his mouth, and cursed with his mouth: "MLGB"

"Senior, this is wrong, the seniors in the first two floors are also very powerful, but they are imprisoned here and their strength is suppressed."

"I guess you are also imprisoned here, senior? You probably can't leave this hall!"

David said to the Confucian scholar.

"Yes, although I am imprisoned here, my life is still very nourishing. Believers will send offerings every day. Even if I can't leave this hall, what's the problem!"

The Confucian scholar said complacently!

"Senior, are you mistaken? It seems that there is only this hall in these three floors. Where are the believers?"

David asked puzzledly!

“How is it possible?” The Confucian scholar frowned!

“If the senior doesn’t believe it, you can look outside...” David said!

After David finished speaking, the whole hall suddenly became extremely bright!

The Confucian scholar looked outside through the window of the hall and found that it was hazy outside, as if in chaos. There was no world, let alone believers!

“How could this be? Why is it like this?”

The Confucian scholar’s face changed drastically and he said in shock!

“Senior, this is what happened after I entered the third floor. I don’t know what happened!”

David said truthfully!

The Confucian scholar fell into deep thought. After a moment, he said with a bitter face: “Maybe they know that I am living too comfortably, so they removed this layer of the world?”

“But it doesn’t matter. Since you want to break through, you can talk about it after you pass this level!”

“Senior, then I won’t be polite!” David held the Dragon Slaying Sword and did not dare to be careless!

After activating the Indestructible Golden Body, he used all kinds of power and slashed at the Confucian scholar with a fierce sword.

Bang!

After the sword was slashed, the Confucian scholar waved his hand contemptuously, and then he saw that the Confucian scholar was instantly repelled by the sword light, his chest cracked, and blood gushed out!

Seeing this, David was dumbfounded. Didn’t he expect the guardian of the third floor to be so weak?

And the Confucian scholar was also confused and said incredulously: “Why is my strength suppressed again, less than one tenth?”
