### Chapter 4891

But Ning Zhi didn't listen, his eyes were gleaming.

"If we go to heaven, can we come back?" David asked!

"I don't know. Whether you can come back depends on your own ability. If you become the master of the universe, you can travel through any universe. If you become a true god in heaven, you can travel through various worlds at will!"

"With your current strength, it's hard to survive in heaven, let alone come back!"

Although the boy's words were unpleasant to hear, they were the truth!

David was a little embarrassed, and looked at the boy and said, "Thank you, senior. Since you stayed to guide us, did you prepare a gift for me?"

"Don't come on, I have nothing. Master never gives me good things."

After the boy finished speaking, his figure disappeared instantly. He was probably afraid that David would not give up and ask for things! Seeing

the disappearing boy, David smiled, then looked at the white light that was leading to him, and began to hesitate in his heart!

He didn't know whether he would go to heaven now or practice in the heavenly world for a period of time, and then rely on his own strength to reach the realm of ascension!

If he went to heaven now, David didn't know whether he could come back!

Many of his people haven't said goodbye yet!

And Sonya hasn't been found yet, David is unwilling!

Just when David was staring at the white light, Ning Zhi winked at Sonya!

Sonya suddenly slashed at David with a sword!

Flames burned on the sword, and this sudden sword made David have no time to react at all!

He never expected that the two people who had been walking all the way would suddenly attack him!

Poof!

A deep wound was cut on David's back, blood gushed out instantly, and the whole person staggered and almost fell to the ground!

"Brother Ning, what are you doing?"

David looked at Ning Zhi, puzzled!

"David, I will not let you ascend to heaven, I will kill you!"

Ning Zhi roared, his eyes full of anger and murderous intent!

Feeling this murderous intent, David frowned: "Are you Ning Zhi?"

"Hahaha, yes, it's me..."

Ning Zhi took off the mask!

Looking at the familiar face, David laughed: "Even if you hurt me, you are not my opponent!"

"David, I may not be able to beat you, but my senior sister can!"

Ning Zhi said, looking at Sonya and said: "Senior sister, do him..."

Sonya said nothing, and swung a sword at David!

David's pupils suddenly shrank, and then he sacrificed the Dragon Slaying Sword, and instantly cut out a terrifying sword intent!

Boom!

The sword intent was broken, and David's figure was instantly shaken away!

The injured David's strength was much weakened at this moment!

Seeing this scene, Ning Zhi's face was full of grim smiles. He finally waited for this day!

"You are looking for death!"

David was angry, and the indestructible golden body slowly covered his whole body, and a terrifying spiritual power flowed in his body!

Sonya swung her sword again, but this time, David was as calm as water, quietly watching Sonya's sword, and then the Dragon Slashing Sword in his hand burst into brilliant golden light!

With a dragon roar, a golden dragon appeared behind David, and then rushed straight to Sonya with the sword light!

Sonya's sword light was instantly defeated, and the whole person flew backwards!

David was right, even if they were injured, they were not opponents!

At the moment when Sonya flew backwards, David's body leaped up, and the Dragon Slashing Sword in his hand followed the trend and slashed!

"Die..."

Even if the opponent was a woman, David did not hold back at this moment!

But just when David's Dragon Slashing Sword was about to cut Sonya in half, the mask on Sonya's face suddenly slipped off!

A face that David was familiar with and could no longer be familiar with appeared in front of him!

David was stunned, and the Dragon Slashing Sword in his hand stopped instantly!

## Chapter 4892

"Yuqi?"

Chen Ping looked at Su Yuqi in shock, his eyes full of confusion and surprise!

Puff!

Just as Chen Ping was looking at Su Yuqi in shock, the long sword in Su Yuqi's hand had already pierced Chen Ping's body!

Looking at the long sword that pierced his body, Chen Ping was puzzled: "Yuqi, why, why is this?"

Chen Ping looked at Su Yuqi, but there was no blame in his eyes! Su

Yuqi looked at Chen Ping's eyes, and her brows frowned slightly, and her expression was obviously a little unnatural!

Swish!

Su Yuqi drew out her sword and kept a distance from Chen Ping!

Chen Ping fell to the ground, and blood flowed out like a column of water!

"Yuqi..." Chen Ping struggled to stand up, but there was a flame burning around the sword wound in his abdomen!

This kind of pain made it impossible for him to stand!

Seeing this, Ning Zhi laughed wildly: "Hahaha, Chen Ping, I didn't expect you to have this day!"

"We are going to heaven now, go to hell by yourself!"

Ning Zhi said, pulling Su Yuqi towards the white light that led to him!

Su Yuqi looked back at Chen Ping, with a painful expression on her face.

"Junior brother, does this man know me?" Su Yuqi asked!

"Senior sister, you don't know him at all, he is a bad guy, if you kill him, it will be considered revenge for me, your junior brother!"

Ning Zhi deceived Su Yuqi, and then the two walked into the white light!

"Yuqi..."

Chen Ping screamed, but he was powerless to stop it. He could

only watch Ning Zhi disappear with Su Yuqi! Chen Ping felt a black screen in front of his eyes, and the whole person fainted!

I don't know how long it took, when Chen Ping slowly opened his eyes, he found that he was actually in the Yuding Sect!

Lin Chong, Lin Kefan, Lin Keting, Hua Yueying, Liu Ruyan, Yihe, Yisha, Huofeng, Bai Qian, Yu Jiameng, Gao Qilan, Ji Yun...

Everyone was looking at him. When they saw Chen Ping wake up, everyone's face was filled with smiles!

“Mr. Chen, wake up!”

“Chen Ping, you finally woke up!”

“Master, that’s great, you finally woke up!”

Everyone was very excited!

“How long have I been in a coma?” Chen Ping got up and shook his dizzy head and asked!

“Mr. Chen, you have been in a coma for three months!” Lin Chong said!

“Three months?” Chen Ping was startled and rushed out of Yuding Sect!

He knew that the ladder to heaven only existed for three months. If the time passed and the ladder disappeared, Chen Ping would not be able to go to heaven to find Su Yuqi!

Su Yuqi is with Ning Zhi, Chen Ping, I am not at ease. If I let Ning Zhi, this guy, wear a green hat for himself, Chen Ping probably won’t want to live!

But when Chen Ping rushed out of Yuding Sect, he saw the sky, and the ladder to heaven was still standing between heaven and earth!

Chen Ping breathed a sigh of relief when he saw this!

At this time, inside the ladder, the young man looked at the old man and said, “Master, the time has passed, and we should leave!”

“Bullshit, who told you that the time has passed?” The old man cursed!

“Three months have passed, I remember it!” The young man said firmly.

The old man slapped the young man directly: “If I say it hasn’t passed, it hasn’t passed, stay here honestly!”

The young man rolled his eyes at the old man, he knew that his master was waiting for Chen Ping!

As long as Chen Ping didn’t step into the ladder and enter the receiving channel, then their master and apprentice would probably not leave for a day!

“Mr. Chen, the nine-layer world of this ladder has been closed for a long time, but it has not left yet, and I don’t know why!”

Lin Chong said to Chen Ping!

“Maybe I know why!” Chen Ping smiled faintly!

He knew that this ladder must be waiting for him!

Now that he knew that the ladder would not disappear, Chen Ping was no longer in a hurry!

Ning Zhi and Su Yuqi had already reached heaven. Even if Chen Ping chased them now, he would not be able to find them in a short time!

## Chapter 4893

And he had to say goodbye with everyone, especially in the secular world, he still had many relatives there!

Chen Ping told everyone about Su Yuqi!

He had to enter the heaven and find Su Yuqi back!

After explaining the matter, Chen Ping comforted all the women, without favoritism, and every woman was treated the same!

Fortunately, Chen Ping's body was also very strong. Even if he practiced dual cultivation with so many women, he didn't even breathe. He could be said to be a walking pile driver!

After explaining the matter of the heavenly world, Chen Ping used the Dragon Slaying Sword to cut through the void with one sword, and a dark void crack slowly appeared! Chen

Ping entered the void crack, accompanied by a blackness in front of his eyes!

When Chen Ping opened his eyes, he found that he had arrived in the secular world!

was suspended in the air, looking at the secular world under his feet. Chen Ping was a little emotional. Now that he was in the secular world, it was like a true god descending to the earth!

At this moment, in Longmen, Kyoto, Ji Ruxue was practicing with the women. Because they had had physical contact with Chen Ping, the women all had Chen Ping's blood in their bodies!

So they practiced at an astonishing speed. After some practice, the women began to rest!

“Sister Ruxue, has a year passed? Can we open the passage between the secular world and the heavenly world and see Chen Ping?”

Wu Meir asked Ji Ruxue!

“I don’t know either. Go ask Master Hu!” Ji Ruxue has always played the role of a big sister in front of the women!

When Chen Ping was away, Ji Ruxue had been managing the entire Longmen!

Long Ruotong was also taken care of by these girls, so she liked and was pleased with these daughters-in-law very much!

There is a very small courtyard next to Longmen. Hu Mazi has been practicing here for the past year!

He has not been close to women for a year, and he has been practicing all the time!

When Ji Ruxue and the others came to find Hu Mazi, Hu Mazi had already opened his eyes and looked at the blue sky!

At this moment, Hu Mazi seemed to have been reborn, and the whole person had a feeling of immortality!

There was a gleam in his eyes, and it was no longer that lustful light!

“Master Hu, the one-year period has come. I don’t know how we can open the passage between the secular world and the heavenly world and go to the heavenly world to see Chen Ping?”

Ji Ruxue asked Hu Mazi!

Hu Mazi looked at the sky and suddenly smiled and said, “We don’t need to go find him, he’s already here...”

“Here?”

Ji Ruxue and others were all shocked and looked up at the sky!

Sure enough, a figure fell from the sky. Before everyone could see clearly, the figure had already landed in front of them!

“Chen Ping?”

Seeing that it was Chen Ping, Ji Ruxue and others were all shocked!

Chen Ping looked at Ji Ruxue and the others, and was also excited and excited. After all, they hadn't seen each other for a year!

The women rushed towards Chen Ping, expressing their emotions, and Chen Ping also responded enthusiastically!

The dry firewood burned so vigorously!

"Fuck, go somewhere else, but somewhere else, don't disturb my Tao heart!"

Hu Mazi shouted!

Chen Ping waved his hand lightly, and a barrier appeared. Hu Mazi could only hear the sound, but could not see anything!

He could only sit cross-legged and practice hard, but the sound made Hu Mazi sweat all over his forehead!

After an unknown amount of time, the barrier disappeared. Chen Ping walked in front of Hu Mazi, looked at Hu Mazi's embarrassed look, smiled slightly and said: "Master Hu, when did you become pure and indifferent? This is not your character!"

"Get out of here, you came back and you messed with my heart, almost broke my heart!"

Hu Mazi rolled his eyes at Chen Ping!

Chen Ping looked at Hu Mazi, and then his eyes were full of surprise!

"Master Hu, you... your immortal bone?"

Chen Ping discovered that Hu Mazi actually had immortal bones in his body, and his strength was not weaker than his own!

## **Chapter 4894**

You know, in the Heaven Realm, I enjoyed countless resources to achieve my current achievements!

But Hu Mazi was able to be so awesome in the secular world in just one year?

“I didn’t expect that you have trained a pair of fiery eyes!”

“If I say I am the reincarnation of an immortal, do you believe it?”

Hu Mazi asked with a smile!

“Believe it!” Chen Ping nodded!

In the past year in the Heaven Realm, Chen Ping had experienced everything. Why shouldn’t he believe in the reincarnation of an immortal!

After all, anything can happen!

When in the secular world, Chen Ping had never thought that people could be resurrected after death!

In the Heaven Realm, even if you become scum, you can be resurrected!

Even if you have been dead for a thousand years, you can be resurrected!

So there is nothing impossible in this world!

“Haha, it seems that you are doing well in the world of heaven and people, and you believe in the reincarnation of immortals, but what I said is true!”

“If I hadn’t suddenly awakened my memory, I wouldn’t know that I was the reincarnation of an immortal!”

Hu Mazi said with a smile!

“No wonder you have changed your personality. You know, you couldn’t walk when you saw a beautiful woman before!”

Chen Ping joked!

“I can’t walk now. If I didn’t want to break the passage between the secular world and the world of heaven and people as soon as possible, why would I practice so hard?”

“Now you are doing well in the world of heaven and people, don’t forget to find me a few women in the world of heaven and people to play with!”

Hu Mazi said with a grin!

Chen Ping patted Hu Mazi and said, “That’s right, this is the Master Hu I know!”

“Chen Ping, since you are back, go see your mother. She has been talking about you a lot in the past year!”

Ji Ruxue said!

Chen Ping nodded and followed Ji Ruxue and the others back to Longmen!

When he saw Long Ruotong, Chen Ping followed Long Ruotong and cried with his head in his arms!

The mother and son haven't seen each other for a year, and they miss each other very much!

“Ping'er, are you doing well in this world of heaven and human?”

Long Ruotong asked!

“Mom, it's good. Now the Heavenly World is my territory. I am invincible in the entire Heavenly World!”

Chen Ping said!

“Don't you brag?” Long Ruotong laughed!

“I'm really not bragging. I'm an old cow in the Heavenly World now. Everyone listens to me!” Chen Ping said seriously!

“Chen Ping, then you are not looking for a woman in the Heavenly World, right?”

Wu Mei'er looked at Chen Ping and asked!

“I...” Chen Ping was speechless for a while!

“Mei'er, Chen Ping is so outstanding. It is normal for him to find one or two women in the Heavenly World. You can't let Chen Ping wrong himself in the Heavenly World this year?”

Ji Ruxue said to help Chen Ping at this time!

Chen Ping looked at Ji Ruxue gratefully. It was still Ji Ruxue who was considerate!

“It's normal to find one or two. What if it's not one or two?” Wu Mei'er continued to ask: “Chen Ping, how many women have you found in the Heavenly World?”

Ji Ruxue didn't help Chen Ping speak at this time, so she looked at Chen Ping!

She also wanted to know how many women Chen Ping had found in the Heavenly World!

“One or two... 10 or 20?”

Chen Ping said somewhat embarrassedly!

“What? 10 or 20?” The women were all shocked!

“Sisters, Chen Ping is afraid that he will be squeezed dry in the Heavenly World this year. We sisters can’t be soft and let others surpass us. Charge with me!”

Ji Ruxue took the lead as the eldest sister at this time!

Chen Ping was soon overwhelmed by the women, and Long Ruotong laughed! Chen Ping

fought with the women for a few days, and then took Gu Ling’er to Hongcheng to see Gu Wentian and Su Wenzong!

However, when Su Wenzong asked about Su Yuqi, Chen Ping could only lie and conceal the past!

Then Chen Ping went to Chenjia Village to see his father Chen Baoguo and Tang Hongying. He had been raised by the two for more than 20 years!

Chen Ping left a few elixirs for his parents. After all, they were ordinary people and could not practice, so they could not take them to the Heavenly World at all!

He could only leave a few elixirs in the secular world to prolong his life!

Then Chen Ping looked at Lin Tianhu and Chi Feng again!

The two have already gotten married, and Chi Feng is pregnant with a big belly.
