Chapter 4895

One Year in the Outside World, One Hundred Years in the Tower
After a tour in the secular world, David tore the void and brought his mother Long Ruotong, Ji Ruxue and others to the celestial world!

After all, the environment of the celestial world is more suitable for Ji Ruxue's cultivation, and Hu Mazi also followed to the celestial world!

In the celestial world, the women met and let David introduce each other!

They all got along very well, without the quarrels that David imagined, which made David very relieved!

"David, I brought you good things from the secular world!"

Hu Mazi said, and took out a small tower!

David recognized it at a glance. This is the Demon Suppression Tower, which was used to suppress the wind demon at that time!

"Isn't this the Demon Suppression Tower? I remember throwing it to the Evil Valley. The time in this tower flows slowly, while the time in the outside world flows quickly!"

"It's okay to practice in the secular world, but it's not suitable in a place like the Heavenly World!"

David said!

"This is a pagoda. Because of the secular world, the time in the tower flows slowly. It's different in the heavenly world!"

"You've heard that one day in heaven is one year on earth. If this tower is in the heavenly world, the time will pass a hundred times faster than the outside world."

"That is, if you practice in the tower for a hundred years, only one year will pass in the outside world!"

Hu Mazi said!

“Really?” David was full of surprise and hurriedly snatched the Demon Suppression Tower!

“I brought you such a good treasure, how do you thank me?” Hu Mazi smiled slightly!

“Master Hu, tell me, what do you want? This heavenly world is my world. If you want a beauty, I will find you a hundred or eighty immediately, and you will be exhausted!”

David said!

“There’s no rush for beauty. I can find it myself, but if you go to the heavenly world, you must take me with you.” Hu Mazi smiled!

David was stunned, then he looked at the ladder, and nodded, “No problem!”

“Mr. Chen, with your strength, if you go to the heaven, I’m afraid it will be difficult to deal with danger. I think you should improve your realm before going to the heaven!”

Lin Chong said to David!

David looked at the ladder to heaven, and then thought of Sonya. He knew that he didn’t have time to practice slowly!

He had to get to the heaven as soon as possible and find Sonya!

“I don’t have time. I must go to the heaven as soon as possible. Besides, it is impossible to wait endlessly for this ladder to climb.”

David knew that if he left the ladder to heaven, he would have to practice to ascend by himself, and he didn’t know when it would take!

“Don’t you have the Demon Suppression Tower? You go to the tower to practice. The time in the tower flows fast, so it won’t take long in the outside world!”

Lin Chong said!

David looked at Hu Mazi: “Master Hu, in the world of heaven and man, can the Demon Suppression Tower be used?”

“Of course, it’s just because of the speed of time. One year in the outside world of heaven and man is only fifty years in the tower!”

Hu Mazi said!

David thought about it and decided to practice in the tower first, wait for the realm to improve a little, and then go to the heaven!

Otherwise, if his realm is too low, it will be troublesome if he really encounters danger!

What if Mr. Shi doesn't have time to take care of himself at that time!

Now David has countless resources, but he lacks time!

After explaining some things, David went directly into the Demon Suppression Tower!

"Boy, your family is reunited, and you have become the most awesome person in the Heavenly Realm. Have you forgotten about me, this old thing?"

asked the Red Cloud Demon Lord!

"I..." David was a little embarrassed. Although he didn't forget, he didn't know when he would find all the bones of the Red Cloud Demon Lord!

The main thing for David now is that he doesn't have time to look for it!

"Senior, I have explained, but I can't say when to find all your bones. Otherwise, you stay in the Heavenly Realm, and after finding all your bones and reshaping your body, you return to the Heavenly Realm?"

David said to the Red Cloud Demon Lord!
