## Chapter 4896

“Get lost. I can only stay in your sea of consciousness now. Others can’t bear my residual soul at all.” said the Red Cloud Demon Lord!

“What should I do then?” David was somewhat helpless!

“Forget it, I’ll go to the heaven with you. As long as you work hard and strive to enter the Ninth Heaven as soon as possible, I can leave your sea of consciousness and reshape my body!”

The Red Cloud Demon Lord could only go to the heaven with David!

However, only when he reached the Ninth Heaven could the Red Cloud Demon Lord leave David’s sea of consciousness and reshape his body!

After all, the Red Cloud Demon Lord was the great devil of the Ninth Heaven!

“Okay, I’ll put up with you first!” David nodded!

After discussing with the Red Cloud Demon Lord, David began to practice madly! There were countless resources in front of him, all of which were obtained from others!

The Condensation Heart Technique was running, and he began to practice madly!

Practice without time!

I don’t know how long it took, but the countless resources in front of David have been exhausted!

And David’s realm has reached the realm of immortality!

Although it is only the first level of the realm of immortality, it should not be a problem for him to get to the first level of the heavenly realm

! When David came out of the Demon Suppression Tower, everyone was shocked!

“How many days have I practiced?”

David didn't know how long he had been in the tower!

"Mr. Chen, it's only been half a month!" Lin Chong said!

"Half a month, you have reached the realm of immortality. Your speed is amazing!"

Hu Mazi said!

David was also ecstatic in his heart. You know, this Demon Suppression Tower is so useful. Why should I stay in the Valley of Evil if I brought it to the Heavenly Realm?

"Is the ladder to heaven still there?" David asked!

"It's still there, and it has never moved..." Lin Chong said!

David heaved a sigh of relief and said to Hu Mazi, "Master Hu, I'll take you to the Heavenly Ladder to see if you can enter the Heavenly Realm. If the other party doesn't allow it, I can't do anything about it."

"Don't worry, I'll go and see who built this Heavenly Ladder. Maybe it's an old acquaintance!"

Hu Mazi smiled and said!

Now that his memory has been awakened, Hu Mazi remembered everything about the heaven, so it is normal to know some people! It's

just that the other party may not know Hu Mazi, after all, Hu Mazi has been reincarnated and his appearance has changed!

"David, are you going to leave like this, and don't you say goodbye to us?"

At some point, Ji Ruxue brought the women to stop David!

Looking at the woman in front of him, David only felt black in front of his eyes!

He has never felt that he has too many women, but when they are really together, it is really scary!

"Master, I can't go to the heaven with you. If you get there alone, what should I do if you are lonely?"

Huo Feng looked at David with tears in his eyes and said reluctantly!

"Don't worry, I still have Zhongli, she will be able to help me get rid of my loneliness!"

David gently stroked Huo Feng's head and said!

"David, when you get to the heaven, don't mess around with women anymore, your body can't take it!"

Bai Qian stepped forward and warned David!

David looked at Bai Qian, and was a little speechless. It seemed that he didn't mess around with women in many cases, but women took the initiative!

Just like Bai Qian, threatening him, asking for his bloodline, and finally relying on him.

It was not easy for David to refuse such a woman's offer!

But at this time, David couldn't say anything, he could only comfort the women, "I will go to the heaven, I won't mess around with women, I will miss you."

"You should also seize the time to practice, and strive to go to the heaven to meet me as soon as possible!"

"When I miss you, I can come back to see you. Now that the great formation of heaven and earth has been broken, there is no restraint in the heaven and human world. It's not impossible to come back from the heaven!"

After saying goodbye to the women, David took Hu Mazi into the ladder to heaven!

"You are finally here..."

An old man saw David and said with a sigh of relief!

"Senior, thank you for waiting for me. If you need me one day, I will do my best to help you!"

David was very grateful to the old man!
