Chapter 4897

“It’s serious, it’s serious. It’s just a piece of cake for me!”

“But this ladder is just a guide. I can’t control how to reach the heaven and where you will be sent to in the heaven.”

“So if you reach the heaven at this level without a strong person behind you, it will be difficult to survive!”

The old man said to David!

It’s really not easy for a cultivator who has just entered the immortal realm to go to the heaven!

“Thank you for the reminder, it’s not difficult for me to survive in the heaven with my strength!”

“Besides, I have Master Hu following me. I hope that the senior can let Master Hu enter the white light of the avenue and ascend to the heaven together!”

David pointed to Hu Mazi beside him and said! The

old man glanced at Hu Mazi, frowned slightly, and seemed a little surprised: “Immortal bone? Are you a reincarnated person?”

Hu Mazi nodded: “I have been reincarnated five times, and I have just recovered my previous memories in this life!”

“Hey, I can’t figure out how big a mistake you made that you have suffered the pain of five reincarnations.” The old man sighed!

You know, the immortal can destroy the body, the soul can reshape the body, can be sealed, and then the realm is lowered!

But no one wants to suffer the pain of reincarnation!

In the eyes of the immortals, suffering the pain of reincarnation and becoming a mortal for a lifetime is the most painful!

The life of a mortal is the most painful experience in the eyes of the immortals!

What's more, Hu Mazi has suffered the pain of five reincarnations!

"Do you know Fairy Yuwei?" Hu Mazi asked!

"Of course I know. Fairy Yuwei is the coolest and most beautiful fairy in the Twelve Heavens. Many immortals from higher planes came here to see Fairy Yuwei's face, but were rejected!"

"Fairy Yuwei is the goddess in many people's hearts. She is also the goddess in my heart. It's a pity that Fairy Yuwei was drugged and her virginity was taken away a thousand years ago."

"Since then, Fairy Yuwei seems to have become a different person, and she has begun to degenerate. I heard that she has become a female devil now."

"The guy who took Fairy Yuwei's virginity is a piece of shit. How many immortals and demons descended to the sixth heaven to hunt that guy down!"

"But that guy is also envied by many people. After all, he played with the goddess in the hearts of thousands of people at that time!"

The old man's eyes were blurred, and he kept recalling the past!

David listened to the old man's story and couldn't help but look at Hu Mazi. He felt that this person should be Hu Mazi!

The old man was also suddenly stunned, as if he had noticed something. He looked at Hu Mazi and asked, "Are you that guy?"

Hu Mazi smiled and nodded, "It's me, but it wasn't the rumor back then. Fairy Yuwei took the initiative to practice dual cultivation with me. I was also handsome and romantic back then, but I was a little fickle."

"Because I practiced dual cultivation with other fairies, Fairy Yuwei found out, she was so angry that she spread rumors and asked everyone to hunt me down!"

"Later, I was sent into reincarnation by the angry people and endured the pain of five reincarnations!" Hu Mazi said!

"Impossible, how could Fairy Yuwei take the initiative to practice dual cultivation with you? She is pure and cold, and she is the goddess in the hearts of many people!" The old man didn't believe it at all!

“What do you know? The goddess you think is sometimes a woman that others are tired of playing with.”

“My brother has the most say. He has practiced dual cultivation with dozens of women, many of whom are other people’s goddesses, but here with my brother, he doesn’t like to play anymore...”

Hu Mazi patted David on the shoulder and said!

David thought about it and it was true.

The old man seemed to be stimulated, his face was very ugly, and then he waved his hand impatiently and said: “Let’s go, let’s go, if you leave, I will leave too!”

The old man was shocked. How could the goddess in his heart take the initiative to find a man to practice dual cultivation!

David took Hu Mazi into the white light of guidance!

The old man disappeared instantly, and the ladder to heaven also disappeared from the heavenly world, and it would never descend on the heavenly world again!
