Chapter 4916

“You go in and exchange for immortal coins. I won’t follow you.”

The big guy said to Chen Ping and the others!

Chen Ping had no choice but to go in with Hu Mazi and Xiu Rui!

The big guy was guarding outside, so it was impossible for them to run!

Seeing someone coming in, a clerk came over immediately: “Three, are you pawning or selling?”

“How do you exchange immortal coins in your Tianbao Pavilion?”

Chen Ping asked!

The clerk looked at Chen Ping and the others, then smiled slightly and said: “You three were just led by the avenue, right?”

Chen Ping nodded, and did not hide it. After all, he couldn’t hide it!

With his strength of the first grade of the Immortal Realm, everyone knows that he was led by the avenue!

“We give the price according to the goods here. You need to take the things out and let us estimate them.”

The clerk said!

“You guys estimate the price. If you deliberately underestimate the price, we can’t compare it, right?”

Hu Mazi said!

“Then you can choose not to sell it. I’m forcing you!”

After saying that, the guy turned around and was about to leave!

“Brother, I don’t have any good stuff on me. Can you help me estimate the price?”

Chen Ping stopped the guy and could only take out some items that he didn’t need from his storage bag.

Those fairy stones were consumed by Chen Ping’s cultivation, and there were not many left, and there were some messy things!

“Both of you should take out all your things!”

Chen Ping said to Hu Mazi and Xiu Rui!

“I have always been in the secular world, and I don’t have any valuable things on me!”

Hu Mazi took out all the rags on his body!

Xiu Rui poured out all the things in one go, but there was nothing valuable!

The guy looked at the things of several people and rolled his eyes!

“All these things of yours are worth at most fifty fairy coins!”

said the guy!

“Fifty immortal coins?”

Upon hearing this, Chen Ping and the others were stunned!

The three people’s things added together only had fifty immortal coins, which was far from one thousand immortal coins!

“Little brother, are you mistaken? These things of ours are all treasures!”

Hu Mazi said!

“In your lower world, they are treasures, but in our world, they are garbage!”

The guy said with disdain!

This sentence is really too depressing!

“Master Hu, what should we do now? Let you pretend, where can we get immortal coins?”

Chen Ping said helplessly!

Hu Mazi also had a sad face, and then said: “Chen Ping, don’t you still have some magic weapons on you, otherwise take them out and try, maybe it’s worth some money!”

Chen Ping looked at Hu Mazi vigilantly, shook his head and said: “Don’t even think about the idea of the weapons on my body, I can’t sell them!”

“Even if you sell you, I won’t sell these weapons!”

Chen Ping knew that whether it was the Dragon Slaying Sword, the God King Bow, or the Dragon Pattern Bell, these were all guys who saved his life!

And the whip, it’s a weapon to deal with the demons, how can we sell it!

“Brother, do you accept people here? How about we sell him?”

Chen Ping pointed at Hu Mazi and asked the guy!

The guy looked at Hu Mazi and said, “I don’t want it for free, it’s a waste of food!”

“Fuck, who the hell are you talking about wasting food!”

Hu Mazi got anxious when he heard it!

Xiu Rui hurriedly stopped Hu Mazi and said, “Master Hu, it’s just a joke, don’t worry, if you really make trouble in Tianbao Pavilion, we can’t leave.”

Xiu Rui knew that those who could open this Tianbao Pavilion in the city must have super strength!

Chen Ping saw that Hu Mazi was going to get angry, so he said to the guy, “Brother, can you also pawn things here, and redeem them later?”

“Of course, but there is a period for pawning. If it is not returned within the period, the thing will be ours!”

The guy nodded and said!

Chen Ping thought about it, so he took out the token that Niu Li gave him!

Since this token was given by Niu Li, it is probably worth some money. After all, Niu Li is a princess!

Chapter 4917

After the clerk took the token, his eyes widened and he looked a little surprised and asked, "Where did you get this token?"

The clerk's tone was a little harsh, which immediately made Chen Ping very unhappy!

"How I got it is none of your business. Just tell me if you can change it for money."

Chen Ping said coldly!

"Then wait a moment!" After saying that, the clerk gave the token to Chen Ping, and then hurried to the back!

Not long after, a middle-aged man in a gray robe came out. After seeing Chen Ping and the other three, he smiled and said, "I am the shopkeeper here. Please come in, three of you!"

Seeing that the shopkeeper was quite polite, Chen Ping and the other three followed him in!

But who knew that as soon as he entered the room, Chen Ping noticed that the magic circle around the room was instantly activated!

Chen Ping frowned, and instantly grabbed the shopkeeper!

Suddenly activating the magic circle, it must be no good!

But the shopkeeper's figure disappeared instantly, and then appeared behind Chen Ping and the others!

Hu Mazi and Xiu Rui also reacted, and they both turned around and shot at the shopkeeper!

But the shopkeeper's palm pressed down, and the whole room was suddenly full of pressure!

Chen Ping and Hu Mazi felt like there were thousands of mountains pressing on them, and they couldn't move at all!

"What are you going to do?" Chen Ping looked at the shopkeeper and asked!

"I ask you, where did this token come from?"

The shopkeeper asked sternly, and he was no longer polite!

“Someone gave it to me!” Chen Ping said!

“Who gave it to me?”

The shopkeeper continued to ask!

“Niu Li, it seems to be the princess of this Rhino City.” Chen Ping replied.

Hearing the name Niu Li, the shopkeeper waved his palm gently, and the pressure in the room disappeared instantly!

“How much do you plan to pawn this token?” The shopkeeper asked! Sorry, were

“Ten thousand immortal coins.”

Chen Ping said after thinking for a moment!

Since the shopkeeper withdrew his coercion and softened his attitude after hearing Niu Li’s name, it seems that Niu Li’s title of princess is very useful!

“Don’t make a fuss. If you want so much, I’ll give it to you.” Hu Mazi gently pulled the corner of Chen Ping’s clothes and said.

Xiu Rui also felt that Chen Ping’s request was a bit too high, and he would definitely not give it.

You know, two women are only five hundred immortal coins. How many women can be bought with these ten thousand immortal coins?

“Not much.” The shopkeeper didn’t hesitate at all. After speaking, he threw a storage bag to Chen Ping.

Chen Ping was also stunned, looking at the storage bag in his hand in disbelief.

He didn’t expect the other party to give so readily. You know, this small token is so valuable, so he asked for more.

“Fuck, it’s too little.”

Chen Ping regretted it very much at this moment, but it was useless to regret.

“The current period is ten days. If you don’t come to redeem it within ten days, the item will belong to our Tianbao Pavilion.”

The shopkeeper said.

“No problem!” Chen Ping nodded, and then followed Hu Mazi and Xiu Rui away.

Seeing Chen Ping and the others’ happy look, the shopkeeper’s mouth corners also slightly raised.

“Shopkeeper, these guys shouldn’t redeem this token, right?”

The clerk asked the shopkeeper.

“No, they don’t know the value of this token at all, otherwise they wouldn’t take it out to pawn.”

“The princess’s token was actually given to the guy who just came to the avenue. It’s a bit interesting.”

The shopkeeper’s eyes condensed slightly, and his eyes were puzzled.

Then, the shopkeeper took out a wooden box that looked very delicate and put the token in it.

Then he forced out a drop of blood and dripped it on the wooden box. The whole wooden box instantly flashed a strange red light.

When Chen Ping and the others walked out of Tianbao Pavilion, the big man was still waiting outside. When he saw Chen Ping coming out, the big man hurriedly asked: “Have you exchanged the immortal coins?”

Chapter 4918

“It’s just one thousand immortal coins. Look how anxious you are. I have plenty of immortal coins.”

Hu Mazi took the storage bag from Chen Ping’s hand, and then took out a thousand immortal coins for the big man.

Looking at the thousand immortal coins, and then looking at Hu Mazi’s storage bag, the big man was shocked.

At the same time, greed was revealed in the eyes of the big man, but it was only a flash.

“Okay, since the money has been paid, come with me to get the people.”

After the big man finished speaking, he took Chen Ping and the others back to the stage!

Opening the iron cage, the big man took the two women out.

“You can take them away, but remember to put the prisoner seal on them, otherwise they are human and cannot move around in the city.”

“And these human beings can only be slaves. It’s okay if they want to vent, but they must not have children, which will taint our beast bloodline.”

The big man told Chen Ping and the other two.

“Don’t worry about it. The people are mine now.”

Hu Mazi said, and he couldn’t wait to take the two women away.

Chen Ping looked at Hu Mazi’s impatient look and could only smile helplessly.

After Chen Ping and the others left, a man with blue eyes walked up to the big man.

“Big man, did they really spend a thousand fairy coins?”

the blue-eyed man asked.

“Yes!” The big man nodded, “But they have more than a thousand immortal coins. I feel that there are at least ten thousand in the storage bag.”

“Ten thousand?” The blue-eyed man exclaimed, “It seems that we are going to get rich.”

“The city has been heavily guarded recently, so it may be difficult to start. There are combat troops patrolling every street.”

“And I heard that Feihu City has sent a lot of spies to assassinate the city lord. It is not wise for us to act now.”

Although the big man is tall, he is not stupid.

“Opportunities are rare. If we succeed this time, we will leave Rhino City directly. With so many immortal coins, we can be free and easy anywhere.”

blue-eyed man persuaded the big man.

After hesitating for a moment, the big man nodded and said, “Okay, be more efficient.”

After that, the two figures disappeared instantly!

Chen Ping and the others didn't know that because Hu Mazi pretended to be cool and revealed so many fairy coins, they got into trouble!

Hu Mazi took the two women to a hidden place, with lustful eyes and licking his lips constantly!

Seeing Hu Mazi like that, the two women trembled and said, "Don't kill us, please, don't kill us!"

"As long as you don't kill us, let us do anything, anything!"

The two women knelt on the ground crying!

"Don't be afraid, we won't kill you."

Chen Ping stepped forward to help the two women up and said, "We are actually human beings, don't be afraid!"

Hearing Chen Ping's words, the two women were obviously shocked, because they did not feel the breath of the human race on Chen Ping and the other three.

"Where are you two from?"

Xiu Rui asked!

After all, looking at the two women, they were only in the Immortal Realm, and they must have been guided by the Great Dao.

"We are cultivators from the Wuxu Realm, and we were teleported to this place just because of the guidance of the Great Dao.

"I didn't know that the Heavenly Realm was so cruel. We were caught just after arriving here."

The two women cried.

Originally, they were also the best in their own world, and they were probably the queens who could cover the sky with one hand.

After all, those who the Great Dao can guide must have good talents.

But they didn't expect that such a powerful existence in their own world would become a prisoner in the Heavenly Realm. This sense of gap is really unbearable.

But every cultivator in the outer Heavenly Realm talks about the beauty of the Heavenly Realm, but no one has ever mentioned the cruelty of the Heavenly Realm.

Chapter 4919

“You are also cultivators from the Wuxu Realm?” Xiu Rui was shocked, and then he said excitedly: “I am also from the Wuxu Realm.”

“You are also a cultivator from the Wuxu Realm?” The two women were also shocked, and then asked: “What is your name?”

After all, there are not many people in a world who can be guided by the Great Dao, and you can know it just by saying the name.

“My name is Xiu Rui.” Xiu Rui said.

“Senior Xiu?” The two women were shocked again: “Weren’t you guided by the Great Dao hundreds of years ago? There has always been a legend about you in the Wuxu Realm, and we sisters all take you as a role model.”

“Why are you still here after so many years?”

Xiu Rui was embarrassed when he heard it. He couldn’t say that he was thrown into prison as soon as he was guided here!

After all, he is also an idol.

“Brother Xiu has a mission here, and has been mediating the fights between the three tribes, so he has not left in these years.”

Chen Ping looked at Xiu Rui’s embarrassed look and hurried to help him out.

Chen Ping did not expect that Xiu Rui was still a very powerful existence in the Wuxu world, and he became a legend.

“Senior Xiu is really amazing.” The two women looked at Xiu Rui in admiration.

“Okay, don’t talk here, let’s find a place to stay first.”

Chen Ping said!

After all, the two women were only wearing underwear, and it was not decent to stand on the street all the time!

“Not far ahead, there is an inn for living...”

said one of the women.

“How did you know?” Hu Mazi asked curiously.

The woman blushed and lowered her head and said, “We were caught and have been living in that inn to serve the big guy. After he had enough fun, he planned to sell us.”

Looking at the two women, it was also a bit pitiful. She was originally a queen, but now she has become a plaything.

“Let’s go, go to the inn...” Hu Mazi urged, and he couldn’t wait any longer.

“Brother Chen, thank you so much just now.”

On the way to the inn, Xiu Rui looked at Chen Ping gratefully and said.

“That’s nothing. Remember, when you’re out there, you give yourself an identity. No one knows it anyway.”

“Don’t you know how to brag?”

Chen Ping smiled faintly.

A group of people came to the inn. The innkeeper just took a look and then arranged a room for Chen Ping and his friends.

Chen Ping is rich now, so he lives in a luxurious room.

Each room has a formation to assist in cultivation.

After arranging the room, Hu Mazi was impatient to go to the two women’s room.

“Master Hu...”

Xiu Rui saw this and stopped Hu Mazi.

“What’s wrong? Do you want to share one?” Hu Mazi asked!

“No, no!” Xiu Rui shook his head, “Master Hu, these two women are from the same world as me. Please look at my face and be gentle...”

“Fuck, I’m fierce, can I still deceive that big guy?” Hu Mazi was speechless for a while, and then walked into the room!

Xiu Rui thought about it and it was right. If two women can serve even a big guy, then serving Hu Mazi should be easy!

Soon, bursts of shouting came from the two women's room!

Chen Ping was upset after hearing this, so he went directly into the Demon Suppression Tower to practice.

.....

Rhino City, City Lord's Mansion!

In an extremely tall palace, City Lord Gadfly was sitting on a tall dragon throne with a solemn expression!

Below were two rows of senior leaders of Rhino City, each with a frown on their face!

"Grand Elder, haven't the spies from Flying Tiger City been caught yet?"

asked City Lord Gadfly!

"City Lord, I have strengthened the patrols of the combat troops, and the entire City Lord's Mansion has been strengthened. Without a token, all outsiders are not allowed to enter."

The Great Elder said hurriedly.

"This Flying Tiger City has repeatedly tried to occupy our city. It's simply too much. I will destroy them sooner or later."

Gadfly gritted his teeth and punched the table in front of him hard, and the table instantly turned into powder.

Chapter 4920

"Have you found the princess and the prince? Where did these two children run to?"

The Gadfly took a deep breath, adjusted his mood and asked.

"City Lord, according to the report from the city gate, the princess and the prince have returned, and the two went out of the city to play."

The elder said.

“Asshole, dare to go out to play at such a critical moment, if the people of Feihu City catch us, we will be in a passive position.”

“I’m going to teach these two guys who don’t know the height of the world a lesson.”

The Gadfly said, got up and left.

At this time, Niu Li and Niu Ben were in the room. Facing the disobedient brother, Niu Li scolded: “You guy, when father comes, I will definitely teach you a lesson.”

“You insisted on running out, you must have made father angry.”

“Sister, father is going to beat me, you have to protect me!” Niu Ben was also a little scared.

But just after he finished speaking, the Gadfly rushed in, grabbed the horn on Niu Ben’s forehead, and then hit him on the butt.

He beat Niu Ben so hard that he cried for his parents. Fortunately, Niu Li stopped him.

“Remember, if you leave the city again, I will break your legs.”

The Gadfly said angrily.

“Woo woo woo, my sister has also gone out, why don’t you beat her.”

“Woo woo woo...”

Niu Ben cried very sadly.

“You dare to say you will beat me?” Niu Li stepped forward and beat Niu Ben again.

Niu Ben cried even more sadly. How could he not cry after being beaten twice in a row?

“You two, you can’t even go out of the mansion. Recently, many spies from Feilong City have sneaked into the city. Stay away from strangers in the future.”

The Gadfly said.

“Father, we met someone outside the city. My sister...”

Niu Ben wanted to say that he met someone and Niu Li gave him the token.

But before he could finish, Niu Li kicked him away, interrupting Niu Ben’s words.

“Niu Li, what did your brother just say?” The Gadfly asked.

“We met a few monks who were guided by the avenue outside the city, and I beat them.”

Niu Li said hurriedly.

“It’s okay for you to beat those monks who have just been guided, but don’t provoke other people. You still need to practice your skills.”

The Gadfly said, and turned and left.

Seeing that her father had left, Niu Li grabbed Niu Ben and punched and kicked him again.

This guy almost informed on her and hurt herself. Of course, Niu Li would not let him off easily.

After beating Niu Ben, Niu Li thought that she might not be able to leave the City Lord’s Mansion for a short time, so she wanted to contact Chen Ping to see where Chen Ping and the others were, so as not to be misunderstood by Chen Ping and that she had not fulfilled her friendship as a host!

But Niu Li used various methods, but couldn’t contact Chen Ping at all, and there was no way to know Chen Ping’s location!

“Why is this happening? It shouldn’t be?”

Niu Li was full of doubts!

She didn’t know that Chen Ping had already pawned the token, and the token was sealed, so Niu Li couldn’t find it.

.....

In the inn!

Hu Mazi was still fighting. It must be said that this guy was very fierce, and it must be said that the two women were also very fierce!

It was estimated that no one was willing to give in, so the fight continued!

Chen Ping came out of the Demon Suppression Tower and watched the sky gradually darken. Only then did he realize that he felt that a long time had passed in the Demon Suppression Tower, but it was only a few hours outside!

If there were no resources, Chen Ping would not have come out!

“The Demon Suppression Tower is good, but where can I get the resources?”

Chen Ping’s biggest worry now is the cultivation resources.

Listening to the sound from the next room, Chen Ping felt a little hot, so he walked out of the room and planned to go out for a walk!

As soon as he went out, he saw Xiu Rui outside the door, looking a little anxious!

“Friend Xiu, what’s wrong?” Chen Ping asked!

“Oh, it’s okay, I’m just afraid that the two little sisters can’t withstand Master Hu’s attack.” Xiu Rui said!
