Chapter 4926

“We don’t seem to know each other, do we?” David asked the old man.

“No, but now we know

each other, don’t we?” the old man said with a smile. David was speechless. He didn’t even know the old man’s name, and the other party didn’t know his name either. How could he say he knew each

other? “Sorry, I have to practice martial arts and don’t want to be disturbed.”

David was unhappy and ordered him to leave.

But the old man didn’t leave, and sat down on David’s bed.

David frowned, and at the same time he was alert, ready to use the Dragon Slaying Sword at any time.

“Don’t be nervous, I won’t hurt you, and I know that you are all human cultivators!”

The old man smiled slightly.

David stared at the old man when he heard it, and secretly set up a formation to seal the entire room.

Since the old man knew their human identity, he couldn’t let him go.

The old man also noticed it, but he didn’t say anything. Instead, he continued to smile and said, “I’ve already said that you don’t need to be nervous. Since I know that you are human, I didn’t report it, which proves that I won’t hurt you.”

“And I also know that you were led by the Great Dao from the Heaven Realm...”

The old man’s words made David even more puzzled. He didn’t understand how the old man knew it. You know, David already had the aura of the beast race, so it was impossible to detect it.

And he came from the Heaven Realm, how did he know this?

Just when David was in doubt, the smile on the old man's face suddenly disappeared, and then he stretched out his hand and grabbed David's neck! The

old man's move was so fast that David had no time to dodge.

"You...what are you going to do?" David didn't understand why the old man suddenly attacked him.

"Tell me, why do you have the blood of my family on you?"

The old man asked David.

"The blood of your family? What family are you from?" David asked puzzled.

"To tell you the truth, I am also a cultivator who came to find the Heavenly World. I have been guided by the Great Dao for hundreds of years."

"I sensed the blood in your body and knew that you must be from the Heavenly World, but I never remembered that there was someone like you in our family!"

The old man said coldly!

"Senior, are you from the beast tribe that was led from the heavenly world?" David was held in the hands of others and began to call senior.

"Nonsense, if it weren't for the beast tribe, how could I live in Rhino City." The old man said!

"Then senior, can I ask, which kind of beast tribe are you? I can also recall it."

David didn't know why he had the family bloodline that the old man said, so he could only ask clearly.

"When I was in the heavenly world, I was the Fox King." The old man said!

Hearing the word Fox King, David instantly thought of the Fox King's daughter Bai Qian.

The two of them have practiced double cultivation many times, and they have also undergone blood fusion. In Bai Qian's body, there is also David's blood!

"Senior, I don't know who Bai Qian is to you?" David asked!

"That's my daughter..." the old man said!

David was surprised when he heard it. He didn't expect that he would meet his father-in-law when he was led to the heaven by the avenue.

I have never heard Bai Qian talk about it, but it is good to have an acquaintance in this unfamiliar place.

It is good to have more women, and there are fathers-in-law everywhere...

David knelt down to the old man with a plop, which scared the old man.

“What are you doing?”

The old man asked in shock.

“Father-in-law, please accept my son-in-law’s greetings...” David kowtowed to the old man several times.

The old man looked at David in shock: “What do you mean? Have you followed my daughter...”

David nodded: “I have practiced dual cultivation with Bai Qian, so we both have each other’s blood and aura in our bodies...”

“Are you telling the truth?” The old man was a little unconvinced.

“Father-in-law, I dare not lie.”

After David finished speaking, he told the old man about Bai Qian in detail.

Chapter 4927

He even told the old man about the birthmark on Bai Qian’s private parts, which made the old man believe it. After all, anyone who knew this must have slept with Bai Qian.

“So you are really my son-in-law, get up quickly...”

The old man admitted David’s identity.

Looking David up and down, the old man liked him more and more. Then he patted David on the shoulder and said, “Not bad, although your realm is not high, you are quite capable and good-looking. Are you two going to have a baby?”

“Not yet. We plan to wait until Bai Qian comes to the heaven and has fairy bones, and then have a baby. In that case, the baby will be born with fairy bones and can win at the starting line.”

“Then you can be here to help look after your grandson and enjoy the happiness of family...”

David fooled the old man.

“Hahaha, I will prepare many gifts for my grandson by then.”

The old man was very happy to hear that, and then asked, “What is Bai Qian’s current strength? Will she come to the heaven soon?”

The old man seemed to be a little impatient and wanted David to have a baby with Bai Qian right away.

“Soon, she will probably be able to come over next time the avenue guides her.”

David said!

“Great...” The old man was very excited.

Seeing the old man’s excitement, David couldn’t bear to lie to him, but this was a white lie, so

it shouldn’t be considered a lie. David’s relationship with Bai Qian is true!

“Father-in-law, how did you find out that we are human?”

David asked curiously!

“I found out on the arena. The blood aura on your body is so familiar to me.”

“Although the person next to you is wearing a concealment talisman, we, the fox demon clan, are very sensitive to aura, so I noticed it.”

The old man followed David to explain.

“Father-in-law, you have been in Rhino City for hundreds of years. I wonder how people get the resources for cultivation in Rhino City?”

“The resources I brought from the Heaven Realm have been almost used up. If I only rely on the heavenly and human energy in the Heaven Realm to cultivate, the speed will be very slow.”

David wanted to ask how to get the resources. As long as he had the resources, and with the abnormal time conversion of the Demon Suppression Tower, David believed that he would soon be able to break through the Immortal Realm.

“In fact, apart from the fairy air of heaven and earth, there are very few resources in this heavenly realm. That’s why the three tribes are divided and often fight each other.”

“They all fought for resources. It’s not just the wars between the three tribes. Even between the same tribes, two cities will annex each other for resources.”

“But if you want to find resources to practice, then find a way to enter the City Lord’s Mansion as a worshiper, so you can get a lot of resources.”

“The City Lord’s Mansion will take people out of the city regularly and go to the Hell Jungle to plunder resources.”

“Or you can go to the black market to fight boxing. In this beast city, everyone is competitive and likes to fight boxing. The competition you just had on the high platform was an official and formal arena.”

“There is also a black market arena in Rhino City, and it also relies on physical strength and intensity competition. However, you can bet on the black market boxing. After winning, you can win fairy coins and then buy various resources.”

The old man explained to David in detail. After all, he was his son-in-law, so of course he had to introduce everything clearly!

After listening to the old man’s words, David felt that it was not enough to enter the City Lord’s Mansion as a worshiper. After all, his strength was not good enough. However, he could try boxing in the black market.

“Father-in-law, it’s getting late now. You stay here and take me to the black market tomorrow.”

David said!

“Okay, with your skills and the strength of your body, it should be no problem to win a few games!”

The old man nodded!

David took the old man into the Demon Suppression Tower. Time flows quickly here. One night of practice is equivalent to ten nights outside.

The old man was also surprised when he looked at David’s Demon Suppression Tower and listened to David describe its abilities.

“My son-in-law is really capable...”

The old man liked David more and more!
