Chapter 4941

“It doesn’t matter. To others, these evil spirits are terrifying, but to me, these evil spirits are top-notch resources!”

David said with a smile.

These evil spirits can also be refined and absorbed, and the evil spirits in the evil spirits are much more concentrated than the evil spirits in the world.

“Pervert...”

The Red Cloud Demon Lord rolled his eyes and ignored him.

Soon, as the evil spirits from all around continued to flow into David’s body, countless evil spirits also came towards David! Hehehehe

...

These evil spirits laughed horribly. In the eyes of these evil spirits, David was their best resource.

As long as these evil spirits absorbed enough blood and qi, they could slowly recover their bodies.

Therefore, everyone who entered the purgatory field became the target of attack by these evil spirits.

It’s just that David entered the lowest realm here, so these evil spirits liked David even more.

Who doesn’t like a weak opponent?

Just when these evil spirits felt that David was a weakling and could act recklessly, David’s eyes suddenly opened.

David’s eyes turned scarlet, and his eyeballs could no longer be seen in his eyes. Instead, there was a sea of blood.

“Ah...”

David opened his mouth and suddenly shouted angrily!

Boom!

A terrible breath surged out of David's body. The evil spirits around him had no time to dodge or escape. They were instantly swallowed up by this breath, and then turned into pure evil spirits.

This time, these evil spirits lost their souls and would never come back to life.

At this moment, David was like a crazy state, absorbing the surrounding evil spirits recklessly.

All the evil spirits that rushed towards David were swallowed by the breath that burst out of David's body, and then turned into pure evil spirits and were absorbed by David.

In this way, David felt that he was too happy at the moment, and he didn't have to worry about anything here.

In the outside world, whether it was the secular world, the world of heaven and man, or the heaven, when David used the Condensation Heart Technique to absorb and devour others, he always had some scruples and obstacles in his heart.

But here, David had no such scruples at all. He could absorb these evil spirits unscrupulously without thinking about who these evil spirits were in their lifetime.

David walked slowly forward, and countless evil spirits rushed towards David one after another. Even if they were crushed by David's breath in an instant, there were still countless evil spirits attacking.

These evil spirits were like mosquitoes without IQ, constantly rushing towards the fire, knowing that they were dead but rushing forward one after another.

David turned the Condensation Heart Technique far away, all the way to the depths of purgatory, and the evil spirits around were absorbed by David, without any waste!

At this moment, the Gadfly in the City Lord's Mansion frowned slightly and looked at a bronze mirror in front of him!

The scene in the bronze mirror turned out to be David's scene in the Purgatory Field.

"Who is this guy?" The Gadfly seemed a little shocked, because many trial participants were not as relaxed as David.

David was just like strolling in the back garden, and he also absorbed all the evil spirits.

“Is he a demon?” The Gadfly’s eyes widened.

Although there were monks from other cities who came to the Rhino City Purgatory Field for trials, they were all cities in the beast tribe area, all of the same kind.

There had never been any monks from other tribes who came to the trial, and now David could actually absorb these evil spirits, which made the Gadfly doubt whether David was a demon.

“Come here, bring me the information of the people who entered the Purgatory Field today.”

The Gadfly ordered loudly.

Someone immediately went to retrieve David’s information.

David in the Purgatory Field didn’t know anything yet, and he was still happily absorbing the evil spirits.

I had originally thought of taking the trial to improve my combat skills, but now I was completely crushed and couldn’t gain any experience at all. However, I was able to absorb a lot of evil spirits, and I guess my realm will be elevated again.

Chapter 4942

Just when David was immersed in joy, suddenly a terrible and powerful aura attacked!

Boom...

David was not paying attention and was directly hit by this powerful aura, and the whole person flew backwards instantly!

David’s body hit the ground heavily, and he spurted out a mouthful of blood instantly.

“fu**... Damn, who attacked me?”

David frowned. He was absorbing the evil spirit well, why did someone suddenly attack him? Because

these evil spirits have no thoughts, they can’t attack David.

David suspected that there were other monks in this purgatory field who suddenly attacked him.

When David slowly got up, he looked at the scene in front of him and was stunned.

The relaxed look just now was gone, replaced by a solemn face.

“Demon corpse?” The Demon Lord Chiyun was a little surprised: “It seems that this broken place is a bit evil, and it can actually breed demon corpses.”

In front of David, a huge demon corpse was walking towards David. The demon corpse was rotten all over, emitting a foul smell, and there were many white bones exposed outside.

Seeing this scene, David couldn't help vomiting. It was too disgusting.

As the demon corpse walked step by step, the earth also trembled violently. The demon corpse was a hundred feet tall, like a mountain.

When it came to David, the demon corpse slowly lowered its head and stared at David with a pair of fierce eyes.

Before David could react, it slapped David.

This big slap directly covered the distance of a hundred meters around David!

But at the moment when the demon corpse's big slap fell, David's figure disappeared instantly.

With the Fire Control Step, David can move several miles in an instant, so he will not be hit by a slap.

The moment David disappeared, a sword light shot up into the sky and headed straight for the demon corpse. Sorry,

Boom boom...

The sword light fiercely chopped at the body of the demon corpse, and then a devastating air wave burst out, blowing David away directly!

At the same time, the evil spirits around were blown away.

David tried his best to control his body and fell to the ground. Then he looked at the demon corpse and found that he could not kill the demon corpse with this sword.

The demon corpse looked like its flesh was rotten and its bones were exposed. It should not be able to withstand his attack, but looking at its tattered body, it was not killed by David's sword.

"Come again..."

David suddenly jumped up, and then the dragon-slaying sword in his hand swung out again!

Boom!

This time, David's sword light contained endless flames. When the sword light touched the demon corpse, the huge demon corpse's body burned directly!

The demon corpse was engulfed by the flames, and bursts of roars and screams came out of its mouth.

Finally, it collapsed in the flames.

David fell to the ground, looking at the demon corpse engulfed by flames, and hurriedly used the Concentration Heart Technique to absorb the evil spirit emanating from the demon corpse.

"It seems that the ultimate fire is more effective against these things!"

David raised a smile. Now that he has found a way to deal with the demon corpse, he doesn't have to be afraid.

The Gadfly in the City Lord's Mansion saw the ultimate fire contained in David's sword, and his brows twisted together instantly: "The ultimate fire of the demon clan? This kid is really a demon clan member?"

The Gadfly's hands unconsciously clenched into fists. If David was really a demon clan member and dared to run into the purgatory, the Gadfly would never forgive him.

Isn't this a slap in the face?

If this matter gets out, the Gadfly feels that he will definitely be ridiculed.

David doesn't know that his every move is being monitored, and he is still doing whatever he wants in the purgatory. Anyway, no one else can be seen here, so David doesn't need to hide anything!
