Chapter 4955

Bai Yi's heart tightened after hearing what the gadfly said. He didn't understand how the gadfly knew that there were people in the Purgatory Field.

Did David cause some commotion in the Purgatory Field and alarmed the city lord, so he brought people here?

Bai Yi was not far away, trembling a little. If the gadfly really came to catch David, with their strength, they had no ability to resist at all.

"City lord, the person who took the trial hasn't come out yet."

The staff lady said.

"Oh!" The gadfly nodded, and then took people to the side to rest.

He was waiting for David to appear, and Bai Yi panicked, so he quietly came to the entrance, hoping that David would come out quickly, and then take him away quietly, so as not to let the gadfly find him.

Just as Bai Yi was waiting anxiously, the figures of David and the crazy fairy appeared.

Two people came out of the purgatory and flew straight to the entrance.

Looking at the stairs that lead to the sky, if he still needs to walk down to get out, David will probably collapse.

"My dear son-in-law..."

Seeing David appear, Bai Yi hurried to greet him.

"Father-in-law, why didn't you leave and are still waiting for me here?"

David was a little surprised when he saw this.

"I'm afraid that something will happen to you, so I'm worried and have been waiting for you." After saying that, Bai Yi looked at the crazy fairy beside him and said, "Who is this Taoist friend?"

“This is my little brother, the crazy fairy...”

David said casually.

“Crazy Immortal?” Bai Yi was startled, and looked at him in disbelief, saying, “Are you the senior Crazy Immortal who entered the Purgatory hundreds of years ago and never came out?”

Crazy Immortal nodded and said, “Uncle, don’t call me senior. David is my eldest brother. Since you are his father-in-law, I have to call you uncle.”

“No, no, no, Senior Crazy Immortal is...”

“Father-in-law, since he wants to call me, let him call me, don’t refuse.” David interrupted Bai Yi before Bai Yi finished speaking.
This crazy fairy has a temper. If Bai Yi refuses, he will probably kowtow here again.

“Okay!” Bai Yi nodded, and then said to David: “Son-in-law, let’s go quickly and don’t stay here for long.”

“Father-in-law, did something happen?” David was very surprised.

Why did he just come out and shout that he should leave quickly?

“Don’t ask, let me leave here first.”

After Bai Yi finished speaking, he was about to take David to leave from one side, not from the front door!

But just when they were about to leave, the staff sister found them.

“Hey, what’s wrong with you? Why do you sneak away instead of going through the main door?”

“Did you steal something? Come here and let me check...”

The staff sister shouted at David and the others.

Seeing this, Bai Yi frowned immediately. This time he was in trouble and couldn’t run away secretly.

However, seeing that the gadfly did not come over, Bai Yi hurried forward and said, “Sister, we didn’t steal anything. We just want to leave as soon as possible because there is something going on at home.”

As he said that, Bai Yi took out a storage bag and handed it to the staff sister.

Seeing this, the staff sister glared and said, "What are you going to do, bribe me? I can tell you that I am conscientious and will not accept your bribe."

"Come here immediately and let me check. I think you must have stolen something."

"Who do you say stole something? What broken things are worth stealing here?"

David looked at the staff sister and felt angry.

Isn't he just a ticket seller? He is dressed like a cadre, scumbag!

"Shut your stinky mouth. Dare to say that my brother stole something. Are you tired of living?"

Seeing this, the crazy fairy stepped forward and pointed at the staff sister and shouted.

Chapter 4956

The staff lady was not afraid of trouble. When she saw Fengxian, she immediately asked: "How did you get in? Why don't I remember you entering the Purgatory?"

"Tell me, did you sneak in without buying a ticket?"

"Pay the money now, or I'll arrest you..."

When Fengxian entered the Purgatory, the staff lady hadn't started work yet, so she didn't know at all.

"fu**, when did I ever spend money to enter the Purgatory? I always went in "

Fengxian did enter the Purgatory for free at that time.

But the staff lady didn't know and thought Fengxian sneaked in.

"Don't brag, our city lord has to pay to enter the Purgatory. If you don't pay now, don't worry, I won't be polite."

The staff lady was about to take action.

At the same time, the guards around the Purgatory Field also gathered around, thinking that David and his men were causing trouble.

Just when the two sides were on the verge of a fight, the Gadfly and his men hurried over.

“Stop, stop it...”

The Gadfly shouted and ran over.

“City Lord, these guys sneaked in, asked them to pay the money, and they still wanted to do it.”

The female staff member complained to the Gadfly.

“Get out of the way...”

The Gadfly casually pushed the female staff member aside, then looked at David with a smile on his face and said, “Brother, you are out, I brought people to greet you...”

David looked at the Gadfly with a confused face. He didn’t know the Gadfly at all. Why did this guy call him brother right away?

Bai Yi was also confused. The person in front of him was the city lord, the city lord of Rhino City. Why did he call David brother?

Did he recognize the wrong person?

The Crazy Immortal looked at the Gadfly and said, “Old Bull, what do you mean? Are you trying to steal my title of elder brother?”

“Crazy Immortal, who is trying to steal my title from you? If you can recognize me as the elder brother, then of course I can too...”

After the Gadfly finished speaking, he looked at David with a smile on his face and said, “Brother, my name is Gadfly, and I am the city lord of this Rhino City...”

When he heard that it was the city lord, David immediately became respectful. After all, if it weren’t for Niu Li’s help, they couldn’t enter Rhino City.

The person in front of him was the father of Niu Li and Niu Ben.

“It turns out to be the city lord, I’m sorry...” David hurriedly greeted him.

“Brother, just call me Xiao Niu.” The Gadfly was humble: “I have prepared a banquet in the city lord’s mansion. Brother, you have worked hard in the trial of the purgatory field. I hope you will give me a good rest.”

“This... Is this appropriate?” David looked at Bai Yi a little at a loss.

After all, Bai Yi is familiar with this place, and he knows what kind of character the city lord is. David doesn't know the Gadfly.

"Since the city lord invites you warmly, let's go."

Bai Yi said.

Being able to build a good relationship with the city lord is a once-in-a-lifetime opportunity, how could it be missed?

"Okay, lead the way..."

David nodded.

Gadfly immediately took David and the others back to the city lord's mansion.

Because they were sitting on a teleportation array, they were back in an instant, which made David very emotional.

When he and Bai Yi came here, they flew for a long time to get there.

But they didn't expect that there was a teleportation array, and they could get there in the blink of an eye.

However, this teleportation array is in the city lord's mansion, and ordinary people can't get on it at all.

Gadfly warmly entertained David and the others, and then while toasting, Gadfly asked David: "Brother, I wonder if you have time, can you let me enter your pagoda to practice?"

"How do you know I have a pagoda?" David was stunned!

He didn't seem to have mentioned it to others, only Bai Yi knew about his own demon-suppressing pagoda, and this crazy fairy, he didn't mention it to Gadfly.

"To be honest, after big brother entered the purgatory, I was able to observe him through a bronze mirror." The Gadfly said truthfully.

Chapter 4957

David was shocked when he heard this. Fortunately, he didn't reveal too much in the Purgatory Field. He only revealed the Demon Suppression Tower.

He didn't take out the God King Bow, Dragon Pattern Bell, Demon Whip, etc.

And the Fire Kirin and the Sky Devouring Beast. If they were all exposed, it would be a big deal.

"You can enter the tower to practice, but there are no resources in the tower, so if you want to practice in the tower, you must bring enough resources."

David said.

Although one year outside the tower is a hundred years inside the tower, you must bring a hundred years of resources, otherwise it will be useless to stay in the tower for a hundred years.

"Don't worry about resources, brother. The resources of my Rhino City are at your disposal. I will bring enough resources myself."

As the lord of the city, the Gadfly's resources are of course unmatched by others.

"As long as you have the resources, I don't care!" David said calmly!

"Thank you, big brother, I toast you..."

Gadfly picked up the wine glass and drank it all.

Seeing this, Bai Yi said to Gadfly: "City Lord, I have a request, I wonder if it is okay?"

"Speak!" Gadfly said.

Bai Yi told the situation of the black market in Rhino City. Now Bai Yi wants to integrate the black market and then take all the black markets into his own hands.

After hearing this, Gadfly nodded and agreed: "No problem, I will send you another team of combat soldiers. If there are any dishonest ones, they will be dealt with directly."

"When the time comes, I will legalize the black market, and you don't have to be sneaky."

"Thank you, Lord City Lord..." Bai Yi hurriedly stood up and toasted Gadfly when he heard it.

“Uncle, you are the father-in-law of the big brother, and this old cow is the younger brother. He should call you uncle and toast you.”

Crazy Immortal reminded Bai Yi.

When Gadfly heard that Bai Yi was actually David’s father-in-law, he quickly stood up and said, “Uncle, I respect you. From now on, only you will be allowed to be in the black market of Rhino City!”

The drinking was very enjoyable, and the Gadfly kept David in the City Lord’s Mansion.

After all, the conditions in the City Lord’s Mansion were much better than those outside.

At night, the Gadfly brought a large number of resources and followed David into the Demon Suppression Tower.

Practicing in this Demon Suppression Tower for one night is equivalent to practicing for dozens of days. It’s so cool.

But when David and the Gadfly were practicing in the Demon Suppression Tower, in the Tianbao Pavilion of Rhino City!

Dozens of people in gray gathered together.

The leader among them was actually the shopkeeper of Tianbao Pavilion.

The shopkeeper of Tianbao Pavilion was holding a token in his hand, which was the token that David pawned.

“Tonight, we can only succeed and not fail. With this token, we can easily enter the city lord’s mansion.”

“As long as we find a way to capture the eldest lady and the prince of Rhino City, we can threaten the gadfly to compromise.”

“If we succeed this time, each of us will be a hero. The city lord will not forget us. For so many years, Rhino City has occupied the Purgatory Field and collected a large number of immortal coins.”

“And Rhino City has more resources than us. Our Feihu City is on the verge of collapse. Success or failure depends on this one move.”

The shopkeeper of Tianbao Pavilion mobilized everyone.

It turned out that the shopkeeper of Tianbao Pavilion was the head of the Feihu City spy. This guy had been lurking in Rhino City for many years and had already sat in this position.

No matter who wanted to, they would not suspect his identity as a Feihu City spy.

This is why he was willing to exchange 10,000 immortal coins for the token in David's hand, and then sealed the token so that Niu Li would not notice it.

"Kill, kill, kill..."

Dozens of Feihu City spies, each with murderous intent in their eyes.

Over the years, Rhino City and Flying Tiger City have been in constant conflict over resources.

It's not just the three tribes that are fighting, there are also fights within the same tribe. From ancient times to the present, it's all about interests. Even if you reach the heavens and become an immortal, you can't change this situation!
