Chapter 4980

“Brother, but these soldiers are all wearing armor, and we don’t have any!” Fengxian asked.

“That’s easy, you wait for me here!”

David said, and his figure disappeared instantly!

When David came back, he had four more sets of armor in his hand, which should have been stripped from those soldiers!

“Put on the armor quickly, I have dealt with the bodies of these four soldiers, and they won’t be discovered in a short time.”

David said, and put on the armor on himself!

Soon, the four people put on the armor and hid their breath!

In this way, they can walk around in a swagger, and no one will suspect it!

“You four, have you found anything?”

At this time, a team of soldiers came over, and the captain of the soldiers asked David and the four of them.

“Report, nothing was found!”

David said!

“It’s really strange. Did these four guys really disappear?” The captain of the war army was full of doubts.

“Let’s go look for them somewhere else, maybe we can find them!”

David said, and he was going to take Fengxian and the others away.

“Don’t look for them anymore. Come back to the city with me. The four of them can’t escape from this area.”

The captain of the war army said!

David was helpless when he heard it, but he could only blend into the team and follow the captain of the war army back to the city!

“How is it? Did you find them?”

The young man asked when he saw the captain of the war army coming back!

“Sir, these people seem to have disappeared. We have searched all over this area, but we can’t find them at all, and there is no breath.”

The captain of the war army said cautiously!

“What a waste. Send more people to look for them tomorrow. They can’t leave this area.”

The young man said coldly!

“Yes!” The captain of the war army said tremblingly. Pinshu.com

The young man turned and left, but the captain of the soldiers chased him and said, “Sir, there are people of unknown identity now. For your safety, let someone follow you!”

After the captain of the soldiers finished speaking, he waved to David and his team of soldiers and said, “You team, protect the safety of Prince Huo. If the prince is in any danger, none of you will survive!”

The young man did not refuse, and took David and dozens of soldiers to stroll on the streets of the city.

On the street, everyone who saw the young man stopped immediately, then knelt on the ground and bowed.

But the young man had a cold and arrogant face, and didn’t even look at the people kneeling beside him.

“What is the identity of this guy? Why is he so awesome? Everyone bows down?”

Seeing this, the crazy fairy said in a low voice.

“I haven’t heard of any powerful existence among the human race in the first heaven. Could it be that this boy is from the third heaven?”

Bai Yi was also wondering what kind of identity the boy had that made the beastmen in the city kneel down willingly.

“Okay, stop talking!”

David warned!

They are not out of danger yet. If they are accidentally discovered, it will be troublesome!

After saying that, David stared at the boy intently. At this moment, David’s heart was full of doubts!

He looked at the boy in front of him and always felt a sense of déjà vu, but he couldn’t remember where he had seen him.

“Brother, this Master Huo is so arrogant. So many people are kneeling down, but he doesn’t even look at them!”

David found a soldier and said in a friendly way!

“Shh...” The soldier was shocked: “You are going to die. You dare to say that about Master Huo.”

“I tell you, Master Huo is a member of the Temple. He can look at us straight in the eye. That means he thinks highly of us.”

David was stunned when he heard it. He didn’t expect that the boy was actually a member of the Temple.

No wonder he looked so arrogant, he turned out to be a member of the God Clan.

He was obviously a human, but he said his bloodline was very noble. The God Clan was the most pretentious.

Now David finally understood why Feihu City was afraid of a human, it turned out to be someone from the Temple!

Buzz.....

Suddenly, David seemed to remember something, and stared at the boy again!
