Chapter 4991

David searched the dead soldiers, but there was nothing good. It was obvious that these soldiers were not strong and had few resources.

“Let’s go. We should leave while the chaos is going on!”

David said, and took Fengxian and the others to the outside of the city!

But just as he jumped and was about to fly out of the city, a team of soldiers suddenly blocked their way.

“Finally I found you.”

I saw that Master Huo was full of anger and said with gritted teeth.

David saw that it was Master Huo who only brought a few soldiers, and he couldn’t help but laugh.

“You brought these few people to find us?”

David said with a smile.

“Don’t mention these few people. Even if it’s me, it would be easy to take you down.”

“I don’t care who you are. Just surrender and avoid physical pain.”

Master Huo snorted coldly.

“Hey, do you people of the God Clan like to show off so much? If you don’t show off, will you die?”

David was speechless.

I don’t know what’s so great about this self-proclaimed God Clan and self-proclaimed noble bloodline?

But every member of the God Clan is complacent and arrogant.

Master Huo was stunned and frowned, saying, “Do you know my identity?”

"I know more than your identity. Is your father Huo Zhao, the Eighth Palace Master of the Temple?"

"Speaking of which, your father was defeated by me, so you are even less of a match for me."

David smiled faintly!

This time, Master Huo was even more confused. He looked at David in disbelief. He didn't understand how David knew his father's identity.

You know, it's a secret that the Eighth Palace controls Feihu City, and no one knows it.

It has always been the mayor of Feihu City, Jie Zhong, who has been showing up outside.

How come David suddenly knows their details?

"Who are you? Why do you know my father?"

"You are just a young cultivator who has just reached the realm of scattered immortals. How could you possibly defeat my father?"

Master Huo didn't believe it.

"When I defeated your father, I was only in the realm of transformation. If it were now, I could beat your father to his knees and beg for mercy with one hand."

David said without exaggeration!

Because what David said was all true, but David didn't say that he was possessed by the Red Cloud Demon Lord and defeated Huo Zhao.

"Bold, dare to be rude to our hall master, damn..."

At this time, a soldier suddenly stood up, and the breath on his body surged, and instantly enveloped David.

It seems that these soldiers brought by Master Huo should all be disguised by the people of the temple.

Obviously, the breath is different from the breath of the soldiers in the city.

"How dare you talk to my elder brother like this?"

The mad fairy shouted angrily, and then slapped it with one hand!

The soldier was instantly knocked away by the mad fairy, and his body exploded in mid-air and turned into a pile of meat paste.

The Crazy Immortal had endured hundreds of years in the purgatory, and his strength was not comparable to those minions in the Eight Palaces.

When Master Huo saw this, his face was extremely ugly.

Thinking of the time magic that David had just performed, Master Huo felt a little afraid.

Because of the teleportation array, he did not bring too many people with him.

Now the soldiers in the city have basically been transferred to the border to defend against the enemy. As for them, they are really not David's opponents.

"Boy, since you already know that I am a member of the Temple, you still dare to be our enemy. Are you really not afraid of death?"

Master Huo wanted to scare David with the reputation of the Temple!

"Hahaha..." David laughed: "Don't say you are a small prince of the Eight Palaces, even if it is the Palace Master, I can kill him if I want."

"The Tenth Palace was destroyed by me, and the Tenth Palace Master is now my subordinate. The Ninth Palace Master died as soon as he appeared. Do you think I will be afraid of you, a small prince of the Eight Palaces?"

David said arrogantly.

Chapter 4992

After hearing this, Master Huo's eyes suddenly widened, and he looked at David in disbelief: "You...you are from the Heaven Realm?"

"Yes!" David nodded!

At this moment, Master Huo's face was extremely ugly. It was probably because he heard something from his father Huo Zhao.

"You go, I'll pretend that I didn't see anything."

Master Huo put away his arrogance and actually let David and the others go.

“I suddenly don’t want to leave.” David said!

“What do you want to do?”

Master Huo asked in panic.

“There are so many cities in Feihu City. Even if I leave this city, I will encounter many obstacles if I want to leave Feihu City.”

“So I want you to send us away from Feihu City.” Chen

Ping said!

“Humph, don’t even think about it...”

After Master Huo finished speaking, he turned around and ran!

“Still want to run?” David sneered, and with a finger of his right hand, a golden light went straight to the Huo Shizi.

The Immortal Finger, after David reached the scattered immortal realm and his body was full of immortal energy, the Immortal Finger was much smoother to use.

Huo Shizi screamed, fell from mid-air, and fell heavily to the ground!

“Damn...”

Huo Shizi gritted his teeth and tried his best to fight with David.

But he found that his body seemed to be bound.

He didn’t know that David’s seemingly easy finger was an immortal technique.

It also contained a lot of time laws.

Puff...

Because his body was bound, Huo Shizi forced himself to use the immortal power in his body.

As a result, this power could not be released, and it actually exploded in his body!

I saw that Huo Shizi’s face was ugly, and he spit out blood.

The feces and urine could not be stopped, and this body seemed not to be his own.

At this time, Huo Shizi opened his eyes wide and looked at David in fear.

“It stinks so fu**ing...”

Fengxian hurriedly covered his nose.

Even the soldiers following Master Huo took two steps to the side.

It was too smelly.

At this moment, Master Huo felt that he had suffered the greatest humiliation.

He was a member of the God Clan, the son of the Eighth Lord of the Temple.

“What are you still standing there for? Go ahead and kill them...”

Master Huo roared at the soldiers.

The soldiers looked at each other, then gritted their teeth and attacked David and the others!

David didn't even look at the soldiers, but walked straight towards Master Huo!

Fengxian and Bai Yi both jumped up and fought against the soldiers.

After David approached Master Huo, he looked down at him. Master Huo had already lost his arrogance at this moment, and his face was full of fear.

“It stinks. You'd better be careful.”

Zhao Yu said, and waved his palm gently. The body of Master Huo flew up instantly, and then fell into a pond not far away!

David waved his palm in the air, and Master Huo swam around in the water like a doll!

When David lifted Master Huo up, this guy had already become a drowned chicken.

The embarrassed look was both funny and funny.

“Who is so bold?”

Just when Master Huo was about to despair, a team of soldiers suddenly rushed over!

A total of more than ten people rushed over.

“Save me, save me...”

Master Huo saw this and shouted hurriedly.

When the soldiers saw that it was Master Huo, their faces changed drastically, and they shouted at David: “Bold, let Master Huo go quickly.”

David took a look at the dozen soldiers. None of them were in the realm of scattered immortals. In David’s eyes, these soldiers were not even ants.

“Open your eyes and take a good look to see if they can save you.”

David smiled coldly, and then suddenly punched the dozen soldiers.

“Holy Light Fist...”

A huge fist mark fell from the sky, covering all the dozen soldiers!

Chapter 4993

Boom!

With a loud bang, the fist instantly smashed the dozen soldiers below.

A hundred-meter-deep pit appeared on the ground, and the bodies of the soldiers could not be seen.

As if they were vaporized, these soldiers had no time to make any moves. The scene of this punch was extremely shocking.

Even Fengxian and Bai Yi, who had already resolved the battle, could not help but be amazed when they saw this scene.

At this moment, Master Huo’s eyes were wide open, and his eyes were dull.

In the face of absolute strength, the arrogance of his God Clan disappeared.

David did not move, and simply threw a punch.

More than a dozen soldiers were gone, and their bodies were gone.

Is this still something that a cultivator who has just entered the realm of scattered immortals can achieve?

“Impossible, how is this possible?”

Master Huo couldn't believe it. Where did David, a first-grade scattered immortal, get his strength from?

“Be obedient and I can let you go. Otherwise, no one can save you.”

“I want to kill someone, even if he is a saint of the thirty-sixth heaven, I will kill him anyway...”

David said very pretentiously!

When it comes to pretending, David is not afraid of these people of the God Clan.

But as soon as David finished speaking, a thunderclap suddenly sounded in the sky.

Boom boom...

This thunderclap made David feel his heart trembling constantly, and his body was startled for no reason.

“fu** , does bragging in the heavens also get struck by thunder?”

David cursed inwardly.

“Brother, you can pretend, but don't joke with the saints. It will really kill people.”

The Crazy Immortal hurriedly reminded David.

David looked embarrassed. Didn't he expect this saint to be so petty?

It was just a joke!

“How about it, do you want to cooperate with me and take us away from Feihu City?”

David looked at Master Huo and asked with a playful look on his face!We were

Huo Shizi was pulled back to reality by David. Looking at David in front of him, he was like seeing a devil in reality. He

just felt his heart beating straight and was about to be scared.

At this moment, he had already lost the demeanor of the Eighth Prince.

“I... I...” Huo Shizi hesitated, and then suddenly shouted into the air: “Father, save me...”

David looked up and thought that Huo Zhao was coming!

But he found nothing, and Huo Shizi took the opportunity to turn around and run.

“Damn it, it’s useless for you to call your father!”

David grabbed Huo Shizi who was about to escape!

“Father, father...” Huo Shizi struggled and shouted!

Pa Pa Pa...

David shot left and right, and slapped Huo Shizi several times.

He wanted to beat away the only dignity of Huo Shizi.

Only in this way, Huo Shizi would be obedient.

“You are not being honest, believe it or not, I will cut off your tongue and let you shout.”

David said angrily!

The face of Master Huo was red. If this guy was not still useful, David would have slapped his head to pieces.

This time, Master Huo was frightened and dared not shout anymore.

His heart was filled with fear, and he had no idea of running away.

“No, no, I promise you, I promise you, I will cooperate with you!”

Master Huo began to beg for mercy.

“That’s right, as long as you are honest and obedient, we will let you go after we leave Feihu City.” David began to paint a pie for Master Huo.

After David and his men were really safe, it was impossible to let this guy go. David would not let the tiger go back to the mountain. He was not a saint.

Since they were already mortal enemies with the temple, it was impossible to let the enemy go.

At that time, he would search Master Huo’s things and send him to the underworld.

However, in order to let Master Huo take them away honestly, David still had to stabilize him first, otherwise it would be troublesome if this guy came to a dead end.

“I will be obedient, I will definitely be obedient!”

Master Huo nodded repeatedly.

“Since you are obedient, then answer my questions, otherwise I have a hundred ways to kill you.”

David asked the Master Huo!

“Okay, okay, ask, I will tell you everything I know.” Master Huo nodded repeatedly.

At this time, Master Huo was already scared out of his wits, and he would listen to whatever David said.

“Since there is a teleportation array in this city leading to the small town in the mountains, shouldn’t there be a teleportation array to other places?”

David asked!

Since he wanted to escape, David couldn’t have escaped through the small town in the mountains. Huo Zhao must be in the city, and the people in the city must be all people from the temple, and their strength is much stronger than the soldiers in the Flying Tiger City.

“I... I don’t know!” Master Huo shook his head and said.

“Bullshit, how could you not know!”

Crazy Immortal said, stepped forward and punched Master Huo, and beat Master Huo directly!

“Really, I really don’t know.”

Master Huo was trembling all over, with veins bulging on his forehead, and screaming in pain.

Fengxian punched him several times in a row.

Seeing that Master Huo was spitting blood and dying, David waved his hand and said, "Stop, it seems that this guy really doesn't know."

Seeing this, Fengxian stopped.

Master Huo cried and said, "I really don't know. My father doesn't let me run around. He only let me teleport here. As for other teleportation arrays, I really don't know."

"What a useless thing." Fengxian glared at Master Huo!

"My dear son-in-law, since we don't know about the teleportation array, let's go out in a swagger and put on the armor of the soldiers. With this Master Huo leading us, is there anyone who dares to stop us?"

Bai Yi said to David.

"This is the only way. Although it's a little slower, it shouldn't be a problem. "

David nodded, and then the few of them put on the armor of the soldiers again.

"Listen, take us away from here. If you dare to play tricks, you will have to think about the consequences."

David threatened the Master Huo.

"I dare not, I absolutely dare not play tricks..."

Master Huo shook his head repeatedly.

Soon, under the leadership of Master Huo, David and his men successfully left the city, and no one dared to stop them.

However, David would not let Master Huo go. They just left the city. If they wanted to leave the area of Feihu City, they would need the identity of Master Huo.

.....

A small town in the mountains!

After Huo Zhao brought the eight halls of the temple here, the whole town was now full of people from the temple.

Huo Zhao was recuperating in a secret room. A trip to the heavenly world had caused him a lot of damage.

"Palace Master, Rhino City suddenly attacked Feihu City, and now it is in chaos."

“The Master has been away from the temple for a while, and I don’t know where he went.”

At this time, an old man in a linen robe walked in and said.

Huo Zhao opened his eyes, looked at the old man and said, “Grand Elder, is it for the treasure land that the Rhino City suddenly went to war?”

“It should be that Jie Zhong captured the son of the Gadfly, the lord of the Rhino City, and wanted to exchange the treasure land.”

“The Gadfly not only did not save his son, but suddenly went to war. It seems that the treasure land is very important to the Rhino City.”

The elder said!

“The time for the treasure land to be opened has not yet arrived. Let them fight slowly. There is no rush.”

“Take people to find the prince back, and don’t get involved in the fights of these beasts.”

Huo Zhao ordered.

“Yes!” The elder nodded, but just as he was about to turn around and leave, Huo Zhao’s face suddenly changed: “Bad, out of the city?”

“This bas***, I told him not to leave the city, he actually left the city, you immediately bring more people, and be sure to bring the prince back.”

“Understood!” The elder disappeared quickly!

Chapter 4995

At this time, David and his men were escorting Master Huo and running all the way!

David and his men were moving very fast because they were no longer worried about exposing their whereabouts, so they sped up!

Just as they were about to pass the next city, a figure suddenly fell from the sky!

When this figure fell from the sky, it was accompanied by a strong sense of oppression.

David was a little puzzled. They were wearing the armor of soldiers, and Master Huo was there. Logically, no one in Feihu City should attack them.

But just when David offered the Dragon Slaying Sword and prepared to fight, he suddenly laughed.

“Master Hu, why are you here?”

David saw that the figure that suddenly fell from the sky was Hu Mazi. Hu

Mazi stopped immediately after hearing David’s voice, and then looked at David and the others and said, “What are you doing? I almost misunderstood you.”

“Isn’t this to paralyze the people of Feihu City, so I wore this armor.” David explained, and then asked curiously, “How did you get here?” You

should know that the location where David and the others are located is not the border of Feihu City, but the core area of Feihu City.

Hu Mazi, a human, actually got here easily.

“I came to find you because I was afraid that you would be in danger.” After Hu Mazi finished speaking, he looked at the Huo Shizi and asked, “Who is this guy? He is also a human?”

“It’s hard to explain it in one or two sentences. Let’s talk about it when we get back.”

David planned to go back and follow Hu Mazi to talk.

But just as they were about to leave, the space and time in front of them suddenly trembled, and then a white light flashed, and an old man in a linen robe appeared with a dozen monks from the scattered immortal realm.

This old man was the great elder of the Eighth Palace, and these monks did not wear combat armor, but all wore the unique clothes of the temple.

“Great elder, great elder...”

Seeing the old man appear, Master Huo shouted immediately!

David frowned, stepped forward and slapped Master Huo, asking him to shut his mouth.

The great elder had a ferocious face and said in a cold voice: “Who are you? You even dare to take action against the prince of our Eighth Palace?”

While speaking, the dozen monks from the Eighth Palace had surrounded David and the others.

Seeing this, the arrogant spirit on the body of the Huo Shizi came back.

“Humph, why don’t you let me go, otherwise you will all die without a burial place.”

The Huo Shizi raised the corner of his mouth.

Pah!

“Let your mother go...”

David slapped him, “Look at the situation clearly, even if there are more people, you are still in my hands, I am 100% sure that I will make you a pile of meat before your people take action.”

“You...” Huo Shizi was very angry, but he didn’t dare to be arrogant anymore, David was telling the truth.

“Boy, I don’t care who you are, let our prince go, I won’t kill you, and let you go.”

The elder said to David.

“Go away, the words of your temple people are no different from farting, I don’t believe it.”

“If you don’t want your prince to die, then get out of my way quickly...”

David said, pressing Huo Shizi’s head with one hand.

If David exerted force now, the head of Master Huo would explode like a watermelon.

But the Great Elder did not speak to give way, and the two sides were in a stalemate for a while.

David knew that this was Feihu City, and if the stalemate continued, it would be the most disadvantageous for them.

“Fengxian, father-in-law, you two take Niu Ben and leave Feihu City as soon as possible.”

“Master Hu and I will stay and stalemate with these guys.”

David said!

“fu**, why should I stay? Can’t you stay by yourself?”

“There are two women waiting for me in the bed at home, I can’t die.”

Hu Mazi rolled his eyes and said.
