Chapter 5001

“I’m glad that you’re okay, my dear son-in-law. I was worried about you!”

Bai Yi was relieved to see that David was okay.

David arrived at the battlefield and saw that the people of Rhino City suffered heavy casualties and their morale was low.

“What? Can’t you beat Flying Tiger City?” David asked!

The Gadfly said with embarrassment: “Flying Tiger City has increased its strength too fast recently. It is said that there is a temple behind it to support it. I am not its opponent.”

“Success and failure are common in the military. Please help me keep an eye on this guy, and I will handle the rest!”

David asked the Gadfly to keep an eye on Master Huo.

“Brother, there are so many of them, you...” The Gadfly was a little worried! Although

David is strong, the other side has tens of thousands of soldiers after all, and there are so many elites.

Even Jie Zhong’s strength is not weak, especially this guy also has magic skills.

“Don’t worry, I’ll kill them, just like crushing ants!”

David patted the gadfly’s shoulder and said.

After speaking, David took a few steps forward and looked at Jie Zhong coldly: “Are you going to commit suicide, or let me do it?”

“Boy, you are just a first-grade Sanxian Realm, you are too arrogant...”

Jie Zhong said, and the black bow and arrow appeared in his hand again, and then he drew the bow and arrow, ready to attack David.

“Damn, rubbish...”

David was disdainful, and a bow suddenly appeared in his hand!

God King Bow...

David's hand is the God King Bow, a real god-level weapon, which is not comparable to Jie Zhong's bow and arrow!

David also drew the bow, and soon a golden arrow feather appeared.

Jie Zhong and David released the bowstring at the same time.

Whoosh...

Two arrow feathers shot out at the same time, and then collided in the middle.

There was no collision sound, no explosion sound, and not even a trace of space tremor.

When Xie Zhong's black arrow feathers touched David's golden arrow feathers, they disappeared instantly, as if they were completely gone.

The golden arrow feathers did not slow down, dragging a golden light, and went straight to Xie Zhong!

Boom!

The arrow penetrated Jie Zhong's body, and the speed remained unchanged!

In this way, this golden arrow directly killed the army of Feihu City, and after killing countless people, it turned into a golden light and dissipated.

In the area where the arrow was shot, a deep gully appeared on the ground.

Wherever it passed, there were broken limbs and countless casualties.

Jie Zhong vomited blood and knelt on the ground, his eyes full of horror.

He didn't expect that David's arrow would have such a terrifying power.

Others didn't expect it either, and they all looked at David in shock.

David himself looked relaxed!

"Brother is mighty..."

Seeing this, the gadfly raised his arms and shouted happily.

The Rhino City army, which was originally in low morale and about to lose, began to raise their arms and shout at this moment!

“Mighty!”

“Mighty!”

“Mighty!”

The morale of the Rhino City army instantly rose, and their fighting spirit burned!

Jie Zhong slowly stood up, and the wound on his chest was wrapped in a mass of black mist, which quickly repaired his body.

At the same time, he looked at David with horror, holding a token in his hand, and then crushed it fiercely.

He was calling for help. If he didn't call for help at this time, he would be completely defeated.

At the same time, in the small city in the mountains, in the hall of the Eighth Palace.

Huo Zhao was listening to the report of the elder, his face was livid.

His son was actually robbed, but the elder did not rescue him and ran back.

“Palace Master, those two people are holding the prince hostage. One of them is a reincarnation, very powerful, and I can't see through the other young man.”

“But I know that the identity of the young man is probably more noble than that of the old man, and they have the threat of the prince in their hands, so I didn't dare to do it, and I came back to report.”

The elder followed Huo Zhao's explanation, also to excuse himself.

“Are those two people from Rhino City?” Huo Zhao asked.

Chapter 5002

“It shouldn't be. One of them is obviously a human. I think it's related to Cangxuan Continent. After all, Feihu City just plundered the resources of Cangxuan Continent some time ago and captured a lot of slaves.”

“This time, it is probably Cangxuan Continent that sent people to rescue, and it happened that Rhino City attacked Feihu City, and Feihu City’s defense was empty.”

“I checked, those human slaves were released, and Master Huo went out at this time, and was controlled by those people.”

The elder kept silent about Niu Ben.

“It seems that there are still masters in Cangxuan Continent who can find the reincarnation.” Huo Zhao’s eyes flickered, “No matter how many masters there are, if they dare to touch my son, I will destroy his entire Cangxuan Continent.”

Huo Zhao was full of murderous aura, and Cangxuan Continent was implicated for no reason. They didn’t know that they were about to face the revenge of the temple.

At this moment, a red light suddenly flashed in the hall. Huo Zhao frowned and said, “That Jie Zhong is in danger. He is such a loser. How can he not even defeat Rhino City? He still wants to dominate the entire beast tribe.”

After that, Huo Zhao glanced at the man in black beside him and said, “Go to the border and help Jie Zhong!”

“Yes, sir!” The man in black nodded, and then disappeared instantly!

On the border, David looked at Jie Zhong coldly as he continued to repair his body, but did not attack.

“How about it, if you commit suicide, you can still leave a whole body, or you surrender now and merge the entire Feihu City into Rhino City.”

David said to Jie Zhong.

“Dream on!” Jie Zhong glared, “I tell you, I have called someone, and they will be here soon!”

Swish!

Just as Xie Zhong finished speaking, a shadow shot out from the sky.

A man in black, holding a dark dagger in his hand, landed beside Xie Zhong.

“The Palace Master said that you are a waste, so let me come and help you.”

“Who to kill?”

The man in black said coldly to Xie Zhong!

Although Xie Zhong was very unhappy to hear this, he had to endure it as he was living under someone else's roof.

"Kill him..." Xie Zhong pointed at David!

The man in black just glanced at David and was about to take action without saying a word.

David was full of disdain and was about to take action, but was blocked by Hu Mazi.

"I will deal with this kind of minions!"

Hu Mazi punched out!

Boom!

The man in black was forced back in an instant, and Hu Mazi smiled coldly, and his body disappeared in an instant.

The man in black frowned slightly, watching Hu Mazi attack, and his body began to become virtual, and finally a series of afterimages were drawn, attacking Hu Mazi from all directions.

Seeing this scene, Hu Mazi's eyes condensed slightly, and then he muttered something, and yellow spells appeared one after another!

These spells surrounded Hu Mazi, and the space around Hu Mazi trembled instantly. A powerful force suddenly surged around with Hu Mazi as the center.

At the same time, the spells seemed to have eyes, chasing after the afterimages.

The man in black was shocked and retreated repeatedly, but it was still too late!

I saw a spell suddenly attached to his body!

Bang!

With a loud bang, the man in black exploded on the spot!

Blood splattered.

Jie Zhongren was stunned.

What's going on?

The people sent by the Eighth Palace were killed so easily?

“Master Hu, you are old now, don’t pretend anymore...”

David looked at Hu Mazi and couldn’t help but said!

“I can’t pretend as well as you, I’ll leave the rest to you!” Hu Mazi laughed!

The two of them were talking and laughing, and they didn’t take the tens of thousands of troops of Feihu City

seriously at all. Xie Zhong knew that at this moment, they could only win by quantity!

“Kill them...” Xie

Zhong shouted angrily!

The soldiers of Feihu City roared and rushed towards David!

Chapter 5003

These armies directly changed the color of the world. David and Hu Mazi were really insignificant in front of these armies.

Seeing this, the Gadfly glared and said, “All the Rhino City soldiers, listen to my order, kill them, and fight to the last man!”

The Gadfly could not watch David and Hu Mazi deal with the tens of thousands of troops in Feihu City.

That was simply impossible.

As the Gadfly’s voice fell, the surviving Rhino City soldiers all rushed up with a roar!

Their fighting spirit was rekindled by David.

Fight to the last man!

This is the passion of every soldier.

“Kill.....”

Countless roars resounded through the sky.

Fengxian and Bai Yi looked at each other, and then waved their weapons: “Kill...”

The melee appeared again!

At this time, Huo Zhao in the Eighth Hall had a gloomy face, because he had noticed that the black-clothed man he sent out was dead!

“What kind of expert is there in Rhino City? Even Shadow is dead!”

Huo Zhao said with a stunned face!

“Palace Master, how about I take someone to take a look?” said the Great Elder!

“No, you take people to Cangxuan Continent, and be sure to rescue the prince, and also repair the entire Cangxuan Continent.”

Huo Zhao said!

After speaking, Huo Zhao waved his hand lightly, and an old man in a gray robe appeared.

“You three go to the border and take a look. You are formation masters, and you have an advantage in fighting against those armies!”

Huo Zhao said to the three gray-robed old men!

“As ordered...” The three gray-robed old men left!

Seeing this, the Great Elder could only appoint troops and go to Cangxuan Continent to rescue Huo Shizi.

As for whether David and the others are from Cangxuan Continent, the Great Elder actually doesn't know, but just guessed.

After all, Hu Mazi is a human, and he can't be from Rhino City.

At this moment on the border, the soldiers of Rhino City are fighting more and more bravely!

At the same time, David turned into a stream of light, holding the Dragon Slaying Sword, and constantly killed the elite soldiers of Feihu City.

Hu Mazi pinched the talisman, and pieces of Feihu City soldiers died under Hu Mazi's talisman!

Jie Zhong hid at the back, constantly repairing his body, his face full of worry and expectation.

He now hopes that the Eighth Palace can send people over, and don't send such rubbish just now. It's useless. When they come, they will be killed instantly.

At this time, three gray-robed old men arrived, each holding a black staff in his hand!

Jie Zhong was simply, and he was overjoyed!

"Three masters, please take action!"

Jie Zhong said!

"Don't worry..." said one of the gray-robed old men!

After that, the three grey-robed elders began to chant spells, and at the same time, runes appeared in the void around them. At the same time, three mysterious forces were spreading!

Three grey-robed figures stood in the air, and the black staffs in their hands intertwined a strange network of runes.

As the spells became more and more urgent, a huge triangular light array suddenly appeared above the entire battlefield, and each corner corresponded to an old man in grey robes.

"Three Talents Absolute Spirit Array – Start!"

The old man in the lead shouted, and the staff slammed heavily into the void.

Buzz! The spiritual energy between heaven and earth suddenly solidified.

The Rhino City soldiers were horrified to find that the spiritual power in their bodies seemed to be frozen, and they could not even use the simplest combat skills.

The long sword in the hands of the Crazy Immortal suddenly became heavy, and the arrow shot by Bai Yi fell powerlessly halfway.

"Not good!"

Hu Mazi's face changed suddenly. Just as he was about to pinch the formula, he found that the spell dissipated into the air as soon as it was formed.

Cold sweat oozed from his forehead: "This is an ancient forbidden formation specially designed to suppress spiritual power..."

Xie Chong was ecstatic when he saw this, and roared: "Take advantage of now! Charge with all your troops!"

The Flying Tiger City army surged in like a tide, and a large number of Rhino City soldiers who had lost their spiritual power fell down instantly.

Chapter 5004

The gadfly barely managed to hold up two spears, but was stabbed in the shoulder by the third enemy soldier, and his armor was stained red with blood.

"David!" Hu Mazi shouted anxiously, "This formation..."

"A trifle."

David sneered, and the Dragon Slaying Sword suddenly emitted a clear dragon roar.

He pointed his sword at the sky, and nine golden sword shadows appeared around him: "Break the formation!"

The nine sword lights hit a certain node of the triangular light formation like a meteor.

The three gray-robed old men groaned at the same time, and a slight crack appeared in the formation. Chen

Ping's eyes were full of brilliance, and the second sword followed: "Cut!"

The Dragon Slaying Sword turned into a huge blade of a hundred feet and chopped down, and the whole formation shook violently.

The old man in the lead spat out a mouthful of blood and said in horror: "How could he find the center of the formation?"

"Because you are too stupid."

David suddenly appeared above the three people.

"Brother, here you are..." Seeing this, Gadfly threw a bronze mirror to David!

This is the bronze mirror in Gadfly's house, used to watch the scenes in the purgatory.

David took the bronze mirror and shone it towards the three old men.

The mirror reflected the panicked faces of the three old men, and he whispered: "Now, it's my home court."

"All-seeing Illusion Sky Technique!"

The bronze mirror burst out with a dazzling white light, and the three old men subconsciously closed their eyes.

When they opened their eyes again, the surrounding battlefield had disappeared, replaced by endless fog.

"Illusion?" The old man on the left sneered, "It's just an illusion..." Before he finished speaking, countless pale arms suddenly stretched out from the fog and dragged him into the abyss. Amid the shrill screams, the other two were horrified.

In the real world, the three grey-robed elders suddenly stood still, with expressions of fear, ecstasy, and pain appearing alternately on their faces.

Their staffs slipped from their hands, and the light curtain of the formation shattered like glass.

"No... don't come over!"

One of them suddenly knelt on the ground with his head in his hands, waving his arms wildly at the air, "I didn't kill my senior brother! Master forced me to do it!"

Another one stroked the void obsessively, muttering: "Junior sister... you finally agreed to see me..." Suddenly his expression twisted, "What? Is the child of the senior brother in your belly?"

The oldest old man was the most horrifying. He tore open his robe, revealing the dense curse runes on his chest, and knelt on the ground and kowtowed like pounding garlic: "Master, spare my life! I will never dare to steal forbidden techniques again!"

The battlefield was silent.

The soldiers of Feihu City watched in horror as the formation master they relied on talked to himself like a madman, and some even began to mutilate themselves.

Jie Chong's face was ashen, and his legs trembled unconsciously.

"You... what did you do to them?"

His voice trembled.

David put away the bronze mirror and said lightly: "It's just to let them see the truth they fear the most." He turned to Hu Mazi, "Can you move now?"

Hu Mazi moved his wrists, and the yellow talisman condensed again on his fingertips: "Old bones can still fight." He looked at the three old men who were trapped in the illusion and whispered: "This is more cruel than killing them."

It is true.

The flow of time in the illusion is different from that in reality. The three old men are experiencing the most unbearable memory cycle in their lives.

The curse of the eldest brother before his death, the affair between the beloved junior sister and the enemy, the despair of being discovered by the master for secretly learning forbidden skills... All the dark secrets that were deeply buried were dug out bloody and repeated in full view of the public.

"Ah!!!" An old man suddenly bled from all seven orifices and smashed his head with a palm.

The other two also collapsed one after another, one bit off his tongue, and the other dug out his eyes.

Jie Zhong finally collapsed: "Retreat! Retreat!"

But it was too late.

The recovered Rhino City warriors were like tigers out of the cage, the mad immortal's long sword rolled up a bloody whirlwind, and Bai Yi's arrows took away several lives every time they left the string. Although the Gadfly was injured, he rushed to the front: "For Rhino City!"

David did not chase the defeated soldiers, but looked towards the direction of the Eight Palaces in the distance. The Dragon Slaying Sword sensed the owner's fighting intention and emitted a buzzing vibration.

Chapter 5005

Hu Mazi came over and followed his gaze: "Are you waiting for a bigger fish?"

“The Eighth Palace will not send only these rubbish.” David put away his sword, “But before that...” He suddenly turned around, pointing the tip of his sword at a certain void: “Have you seen enough?”

Ripples appeared in the space, and a figure wearing a bronze mask slowly emerged.

Unlike the previous man in black, this man had eight jade plates hanging from his waist, each engraved with a different beast pattern.

“Patrolman of the Temple?” The pupils of the mad immortal shrank, and he whispered to David: “Brother, this time we are in real trouble.”

The masked man did not attack immediately, but first glanced at the three dead gray-robed old men, and his voice was hoarse like metal friction: “What a wonderful illusion of the sky. Who did you learn your illusion from?” Chen

Ping did not answer but asked: “

What the hell is it to you?” The air solidified instantly. The masked man burst out with terrifying pressure, and eight jade cards lit up at the same time: “It’s you.”

“I didn’t expect that I was just a patrolman of the Eighth Palace, but I met the enemy of our Temple. You are called David, and our Ninth Palace and Tenth Palace were all destroyed by you, right?”

“Yes, it’s your grandfather!” David nodded!

Anyway, it’s time, David is also willing to give it up. Since he has been discovered, he will admit it generously.

The masked man slowly pulled out the bone whip from his waist, “I will pull out your soul and hang it on the soul lamp of the temple to burn for a hundred years.”

Hu Mazi was about to step forward, but was stopped by David: “You can’t deal with this.” He whispered, “Take everyone away, don’t fight.”

David didn’t know how strong this patrol envoy was, but it was definitely not low, probably higher than Huo Zhao, the Eighth Palace Master.

And he didn’t know if there were other people from the temple here, so David could only let Hu Mazi and the others retreat first.

When he was really no match for them, he could still find a chance to escape.

If he couldn’t beat them, running was still a problem.

The masked man sneered: "No one can leave."

The bone whip suddenly extended a hundred feet and wrapped around Hu Mazi's neck like a living thing.

But the whip shadow was cut off by a golden sword light halfway.

David stood in the air without knowing when, and a huge golden dragon appeared behind him: "Your opponent is me."

The masked man finally got serious: "Golden dragon? Are you from the dragon clan?" He pulled off the mask suddenly, revealing a face covered with curse patterns, "Then I can't let you live!"

curse pattern crawled like an earthworm, covering his whole body in an instant.

His body began to deform, growing scales and bone spurs, and eventually turned into a half-human, half-dragon monster.

Eight jade plates merged into his body, forming hideous bone armor at the joints.

"Divine Dragon Transformation!" Crazy Immortal cried out in shock, "Brother, be careful! This is the ancient magic of the gods!"

The masked man who turned into a dragon roared to the sky, and the sound waves shook the rocks within a radius of ten miles to crack.

He swung his claws, and five black rays tore through the space and went straight to David's throat.

David did not dodge, and the Dragon Slaying Sword suddenly split into thousands, pouring down like a rainstorm.

"You guys go..."

David yelled!

The breath of the patrol envoy of this temple made David feel the crisis, so he had to let everyone go first!

"Brother, I won't leave, we will help you!"

The Gadfly and Crazy Immortal wanted to help David!

"Xiansheng, I won't leave either!" Bai Yi didn't leave either.

“David, I can’t leave!” Hu Mazi said!

“fu**, get out of here quickly, you stay, but you are a burden to me!” David could only curse.

But David was telling the truth. If they stayed, David would still have the energy to protect them.

Even if he is not an opponent now, he can still escape!

If it doesn’t work, let the Red Cloud Demon Lord possess him, and it should be no problem to kill the patrol envoy!

But if others stay and are controlled by the patrol envoy, then David will be afraid of the consequences!

When everyone heard David say this, they were all stunned. Finally, Hu Mazi waved his hand and said, “Retreat, don’t be a burden to David.”

Everyone began to retreat, and Jie Zhong and the soldiers of Feihu City escaped and were able to breathe a sigh of relief.

However, they also suffered heavy losses, with less than one-third of the troops left.
