Chapter 5006

The patrol officer looked at David with increasingly cold eyes, and murderous intent rose up!

David felt the murderous intent on the patrol officer's body, and he also held the Dragon Slaying Sword tightly in his right hand, with an extremely solemn expression!

Facing the patrol officer who had already transformed into a divine dragon, David did not dare to be careless, otherwise he might die!

"Senior, if I can't win later, you must seize the time to possess my body and help me!"

David said to the Red Cloud Demon Lord!

"No matter!" The Red Cloud Demon Lord crossed his legs and lay in David's sea of consciousness, free and easy.

David was stunned, and said a little angrily: "Damn, you eat my food, drink my water, and live in my house, and now you are saying such cold words, where is your conscience?"

"Don't always rely on me, kid, you have to have confidence in yourself, and push yourself. If you don't push yourself, how can you know how rubbish you are!" The Red Cloud Demon Lord laughed!

"fu**..." David was speechless!

At this time, the patrol envoy suddenly disappeared. Seeing this, David frowned. The next moment, he took a step forward with the Dragon Slaying Sword, and then suddenly swung the sword from top to bottom!

Boom!

When the sword was slashed, David instantly felt a huge force blocking him, and then David's body flew backwards!

The patrol envoy showed his figure and punched David!

This punch was filled with a strong terrifying murderous intent. The sky and the earth instantly lost their color under this punch.

David knew that if he was hit by this punch, he would be seriously injured if he didn't die!

But just when the patrol envoy was about to hit David with a punch, suddenly a long spear broke through the air!

Boom!

The huge force made the patrol envoy retreat!

Then a girl in white appeared, holding a spear and a circle of heaven and earth around her neck! She

was just short of stepping on the wind and fire wheels...

"You are a patrol envoy of the temple, but you attack a junior. Do you have any shame?"

The girl in white asked the patrol envoy, without any fear in her eyes.

"Who are you?" The patrol envoy frowned and stared at the girl in white in front of him and asked!

The girl in white did not pay attention to him, but turned to look at the injured David and said, "Are you okay?"

"I'm fine!" David shook his head: "Thank you for saving me, girl."

"I should thank you for saving so many people in Cangxuan Continent." The girl in white smiled slightly!

David was slightly stunned: "Girl, are you from Cangxuan Continent?"

The girl in white shook her head.

David was talking to the girl in white, and the patrol officer was angry and yelled, "You are looking for death..." As

the voice fell, the patrol officer waved his palm forward, and a terrifying force burst out, and the whole space seemed to be compressed instantly.

David and the girl in white felt that their bodies seemed to be imprisoned.

“Hmph, you don’t know your own strength...”

The girl snorted coldly, and then shook her wrist and stabbed out with the spear in her hand!

Boom!

This spear directly pierced through the terrifying force, but the force did not weaken, and directly forced the girl in white to retreat again and again!

Seeing this, David’s dragon-slaying sword in his hand resounded with a dragon roar, and slashed out fiercely!

This sword directly shattered the terrifying force.

David was about to take a breath, but the patrol officer had already arrived in front of David.

David had no time to swing his sword, so he could only punch hard!

“Holy Light Fist...”

Boom!

At the same time as he punched, David felt a lightness behind him, and the whole person was pulled back by the girl in white!

“Don’t touch him, you are no match for him!”

After saying that, the girl in white stabbed out with a spear, and purple light flashed on the tip of the spear!

The patrol officer’s face changed, and he punched out with his left hand!

“Mojia Spear?” The patrol officer said loudly while throwing a punch.

“I didn’t expect you to know the goods.”

The girl in white quickly retreated, and at the same time, the tip of the spear shook, and a series of spear shadows appeared in front of the patrol officer.

Chapter 5007

The patrol officer's eyes suddenly shrank, and he quickly retreated, obviously afraid of the Mohist spear.

Upon seeing this, David swung his sword directly, wanting to kill the patrol officer while he was afraid.

"One sword decides the outcome..."

David swung his sword, and the Dragon Slaying Sword burst out with a sword energy, which turned into a golden dragon, with flames burning all over its body, roaring and running towards the patrol officer. The

patrol officer was too strong, so David could only unleash his strongest sword.

With this sword, David not only used the immortal power in his body, but also the power of the dragon, the origin of fire, and all kinds of power were integrated together.

Strive to kill the patrol officer with this sword.

The patrol envoy also felt the power of David's sword. There was no more contempt in his eyes, and his face changed drastically.

But at this moment, he had no way to avoid it, because David's sword was too fast, and the timing was very appropriate.

The patrol envoy shouted angrily, crossed his fists, and swung them out suddenly!

He used up all his life's strength with both fists, and the entire void was distorted under these two fists.

Boom!

With a loud bang, David's body flew backwards in an instant.

The patrol envoy was not feeling well either, and his arms were all shattered under this slash.

Without his arms, the patrol envoy knew that he could not fight anymore, so he wanted to withdraw.

But the spear of the girl in white was already in front of him.

Purple light enveloped the patrol envoy's whole body!

The patrol envoy gritted his teeth, and his soul instantly left his body. At the same time, his body exploded under the purple light!

“The Mohist Spear is really as famous as it is said to be!”

The patrol envoy’s soul retreated and wanted to escape!

“Still want to run?” The girl in white was about to chase with a gun, but several figures appeared in the sky in an instant.

These were all people from the Eighth Palace, blocking the way of the patrol envoy!

At the same time, the earth trembled, and all the soldiers from Feihu City who had escaped came back to fight again!

Jie Zhong was among them, because he had to come back. Behind him, Huo Zhao was personally supervising the battle, and Jie Zhong dared not not come back!

Seeing this, the girl in white did not chase him, but stretched out her hand to pull David up!

David’s forehead was covered with cold sweat, and he was breathing heavily.

This battle consumed him a lot.

If it weren’t for the appearance of the girl in white, David would not be able to deal with the patrol envoy of this temple, and he could only let the Red Cloud Demon Lord possess him.

Seeing the people from the Eighth Hall coming, the patrol envoy’s expression calmed down.

The physical body is gone, but as long as the soul is still there, the physical body can be reshaped, it just takes some time.

“Patrol envoy...” Huo Zhao came in front of the patrol envoy with an extremely respectful attitude.

These patrol envoys are equivalent to the law enforcers of the entire temple, specializing in inspecting the situation of each branch hall, just like the disciplinary inspection department.

The patrol officer’s eyes were cold, and he glared at Huo Zhao: “Let someone kill them, you escort me back to the palace, I want to rebuild my body.”

“Yes, sir!” Huo Zhao nodded, and then said to Jie Zhong: “Everyone, take action, if anyone escapes without permission, their soul will be destroyed!”

Jie Zhong heard it and ordered helplessly: “Kill!”

The remaining soldiers in Feihu City all rushed towards David and the girl in white!

A large group of people, dealing with two people.

At this moment, Jie Zhong did not dare to hold back at all.

Huo Zhao glanced at David with a very complicated expression, and then protected the soul of the patrol officer and left quickly.

If the patrol officer really got into trouble in his territory, he, the Eighth Palace Master, would not have a good time.

David looked at the large group of people rushing over, frowning!

“What are you thinking about?” The girl in white asked.

“I’m wondering whether to run...”

David said!

“What do you think?” The girl in white smiled.

“Run...”

After saying that, David turned around and was about to run!

Chapter 5008

But before he could run away, the ground trembled and a huge crowd of people rushed over!

The Gadfly brought people back, including Fengxian, Hu Mazi, Bai Yi, Xiu Rui, Nuo Qing...

They all came back with all the soldiers from Rhino City!

“How can we leave our big brother alone? Kill everyone until they are all gone!”

The Gadfly roared.

The soldiers from Rhino City swarmed towards the soldiers from Flying Tiger City.

The two sides fought again!

Seeing this, Jie Zhong frowned slightly. He had escaped, but was forced back again.

But this time, he knew he couldn't escape, otherwise he would never be able to take out the punishment from the temple.

"Kill everyone, fight to the last moment."

Jie Zhong roared!

The soldiers of Feihu City also knew that now they had no way out except to fight to the death!

The battle reached a fever pitch the moment they touched!

Seeing this, David also went up with a sword, no longer thinking about running away.

David, the girl in white, the crazy fairy, and Hu Mazi were all masters. They were like entering a no-man's land among the soldiers. Even the first-grade soldiers of the scattered fairyland would never last more than one round in their hands!

Gradually, Rhino City gained the upper hand. Jie Zhong looked at everything in front of him, his eyes full of helplessness and fear.

When all his people were destroyed, Feihu City would no longer exist, and he, the city lord, would be completely finished.

Just when Jie Zhong was helpless, suddenly a series of black shadows fell from the sky like raindrops.

These people were dressed in black, and each of them was extremely powerful!

After escorting the patrol envoy, Huo Zhao sent a large number of people from the Eight Palaces.

The addition of these people from the Eight Palaces instantly tilted the balance towards Feihu City.

In Rhino City, only David and his men are stronger, but these black-clothed men of the Eight Palaces are all above the second level of the Sanxian Realm.

It must be said that the strength of the Temple is indeed too strong!

Otherwise, the Eight Palaces alone can control the entire Feihu City and use the Feihu City Lord Jie Zhong as his subordinate!

“Hahaha, brothers, we are here to help, the people from the Temple are here, kill them...”

Jie Zhong was relieved!

The fighting spirit of the soldiers in Feihu City was instantly high!

David frowned. David did not expect that there were so many people in the Eight Palaces, and they were so powerful.

But now that the melee has started, it is difficult to get out!

He can only grit his teeth and fight!

Just when David was fighting with the Dragon Slaying Sword, a figure suddenly fell in front of him!

David was stunned, and then his body disappeared instantly. With a sword light shooting out, a man in black from the Eight Palaces was directly beheaded.

When beheading the man in black from the Eight Palaces, David's figure also quickly caught the falling figure.

“Friend Xiu...” David looked at Xiu Rui.

Xiu Rui was covered with scars at the moment, and his breath was getting weaker and weaker!

“I feel relieved to see that you are okay.”

Xiu Rui said, spitting blood.

When he heard that David was left alone and in danger, he followed without hesitation!

Bai Yi even called all the people from his Spirit Fox House.

“You are too stupid. If you follow this kind of battle, isn't it the same as committing suicide?”

David slowly put Xiu Rui on the ground and said in confusion!

Xiu Rui's strength is not strong. He is only at the peak of the Transformation Realm. He has not even reached the Scattered Realm. If he comes here to save himself, it is not to seek death.

"You saved my life. I can't just watch you in danger and do nothing."

"It's worth it even if I die. If it weren't for you, I might have to stay in that cage for who knows how many years."

Xiu Rui's breath became weaker and weaker.

"Don't worry, I won't let you die."

As he said that, David took out the immortal stone he got from the treasure land and put it in Xiu Rui's hand: "This is an immortal stone, it will definitely save you."

"And these pills are all made from various immortal herbs..."

David generously took out various resources for Xiu Rui to heal his wounds!

Chapter 5009

"Fellow Daoist Chen, don't waste resources on me. I can't survive."

"I've earned a lot so far. Don't worry about me..."

Xiu Rui tried to squeeze out a smile!

"Bullshit, if I say you can survive, you can survive. I have plenty of resources. You don't have to save them for me!" David was anxious and cursed!

If Xiu Rui gave up the hope of living, even the Golden Immortal of Daluo couldn't save him!

"Cough cough cough..."

Xiu Rui spurted out another mouthful of blood, mixed with many internal organs!

It can be seen that Xiu Rui was indeed seriously injured.

"Okay, don't move, I'll heal you..." Seeing this, David knew that if he didn't heal Xiu Rui, he might really die!

“Fellow Daoist Chen, be careful!”

Xiu Rui suddenly opened his eyes wide, and with his last breath of strength, he suddenly rushed forward!

Puff!

A long sword instantly pierced through Xiu Rui’s body, and a black-clothed man from the Eighth Palace kicked out!

Xiu Rui’s body fell again, but this time, Xiu Rui’s eyes lost their luster and he couldn’t even speak!

“fu** you...”

David was anxious, and the Dragon Slashing Sword in his hand instantly slashed out a sword light that pierced the sky!

He directly cut the black-clothed man from the Eighth Palace in half!

But when David looked at Xiu Rui, he found that Xiu Rui had already stopped making any sound!

David’s body was trembling slightly, and the monstrous murderous intent had already soared into the sky!

Although he had not known Xiu Rui for a long time, when he heard that he was in danger, Xiu Rui came without hesitation!

But now he died here. In fact, Xiu Rui died for David!

More and more black-clothed men from the Eighth Palace came towards David!

“Kill...”

David roared, his expression had become extremely ferocious.

“Nine Shadow Sword Technique...”

David waved the Dragon Slashing Sword in his hand!

Instantly, figures appeared one after another, and a total of eight identical Davids appeared, each holding a Dragon Slashing Sword!

Swish!

Eight sword lights flew out instantly, and for a moment, the dozen men in black who rushed in front of David were all cut in half at the same moment!

Seeing so many identical Davids suddenly appear, everyone was almost shocked!

And David rushed over regardless!

Although so many clones of the Nine Shadow Sword Technique will quickly consume the power in David's body!

It is even possible that he will be consumed to death in the end!

But now David doesn't care about that at all. At this moment, he only has killing in his heart, killing all these people!

David's Dragon Slashing Sword is wrapped in blood-colored sword light, and every swing brings a bloody rain.

Seven phantoms around him danced with his main body, mincing the black-clothed men who tried to approach him into minced meat.

On the ground, corpses piled up like mountains, and thick blood merged into streams, emitting a strange glow under the moonlight, dyeing this Shura battlefield red.

However, the soldiers of Feihu City and the black-clothed men of the Eight Palaces seemed endless, coming in waves.

David could clearly feel that the spiritual power in his body was flowing like a flood that broke through the dam. Every time he swung his sword, it was like overdrawing his life.

His face became paler and paler, and more and more blood flowed from the corners of his mouth, but the murderous intent in his eyes did not diminish at all. He had only one thought in his mind: kill all these people!

"Kill—!!!"

David's eyes were red, and the murderous aura around him surged like a substance. Every time he swung the Dragon Slashing Sword, it brought a bloody rain.

The soldiers of Feihu City and the black-clothed men of the Eight Palaces came like a tide, but fell like straw.

However, there were too many enemies!

"David! If you continue like this, you will die of exhaustion!"

Hu Mazi gritted his teeth and shouted, the talismans in his hands kept exploding, forcing back several men in black, but his face was already as pale as paper, and it was obvious that his spiritual power had been greatly consumed.

Chapter 5010

“Let’s die! Kill them all!”

David roared, not listening to any dissuasion.

In another part of the battlefield, Fengxian swung his sword, and every chop could split the enemy’s body in half.

But there were too many enemies, his battle axe was covered with blood, and his body was also wounded in many places.

Blood continued to flow from the wounds, staining his clothes red. Sweat and blood intertwined together, sliding down his cheeks and dripping onto the ground.

Bai Yi was not feeling well at this time. His breathing was rapid and heavy.

The soldiers of Rhino City, whose original high morale was gradually exhausted in the face of the enemy that was surging like a tide. They

had more and more wounds on their bodies, and their physical strength was almost overdrawn. The weapons in their hands became heavier and heavier, and every swing seemed to exhaust all their strength.

But they still held on, because they knew that if they retreated, death would be waiting for them.

The spear in the white-clothed woman’s hand had broken in half, and beads of sweat oozed from her forehead. Her breathing became heavy. There were more than thirty corpses piled up around her, but the enemies were still pouring in.

At this moment, several agile men in black suddenly rushed towards Bai Yi from the side.

Bai Yi heard the sound of breaking through the air behind him and wanted to turn around to resist, but it was too late.

A trace of despair flashed in his eyes, and he thought to himself: “Am I, Bai Yi, going to die here today?”

At the critical moment, a figure passed by Bai Yi like lightning.

It was Nuo Qing! Nuo Qing had a resolute look on his face, and a layer of faint golden light appeared around his body, which was a sign before the self-explosion.

“Master, go!”

Nuo Qing shouted, his voice full of determination and reluctance.

His body swelled instantly, and the golden light became more and more dazzling.

The men in black realized that something was wrong and wanted to retreat, but they had been locked by Nuo Qing.

There was a loud bang, and the dazzling light instantly illuminated the entire battlefield. The powerful air wave swept around like a hurricane.

Several men in black were instantly wiped out in the explosion, and other men in black around were also blown away by the air wave and fell heavily to the ground.

Bai Yi was hit by the air wave and flew backwards, falling to the ground, with blood flowing from the corner of his mouth.

He struggled to get up and looked at the place where Nuo Qing disappeared, his eyes full of grief and anger.

“Nuo Qing!”

Bai Yi roared, his voice full of endless pain.

Nuo Qing has been with him for many years and has always been loyal, but today...

Bai Yi was completely crazy, and he roared from his mouth, and then his body began to change slowly!

Soon, a huge nine-tailed fox appeared, and Bai Yi turned out of his body regardless of the danger!

Although this can improve strength in a short time, it has irreversible damage to the body!

At this moment, Bai Yi can't care so much!

David was also attracted by the huge explosion, and he turned his head to look in the direction of Bai Yi.

Seeing the scene of Nuo Qing's self-explosion, the murderous intent in his heart became stronger.

"Go to hell!"

David roared, waving the Dragon Slaying Sword again, and eight phantoms rushed towards the enemy like eight gods of death.

However, David was already at the end of his strength.

His eight phantoms began to become illusory, and his body was shaky.

But he still gritted his teeth and persisted, and every swing of the sword seemed to use up all his strength.

David suddenly let out a roar that was not like a human voice, and his eight clones returned to his body at the same time.

The Dragon Slaying Sword burst out with a dazzling blood light, and he turned into a blood-red meteor and rushed straight to the densest part of the enemy formation.

The black-clothed people hurriedly formed a defensive formation, but were torn into pieces by the terrifying sword energy at the moment of contact.

Wherever David passed, the ground cracked and the air twisted, as if even the space could not withstand this violent force.
