Chapter 5016

At this moment, the Soul Devouring Dragon Lord actually began to retreat!

“Stop...” David shouted!

David’s voice rang in Huo Zhao’s ears: “Palace Master Huo, we meet again?”

Huo Zhao turned around and saw David, frowned slightly, and said with bloodshot eyes: “David! It turned out that you caught my son, let him go immediately!”

“You said to let him go, who do you think you are? Don’t forget that you are defeated by me!” Although

David was seriously injured at this moment, he couldn’t lose his pretentious momentum.

“Humph, I was just a wisp of soul, and you used the soul of others to possess my body. To be honest, I didn’t lose to you.”

Huo Zhao snorted!

Huo Shizi was stunned when he heard it. He didn’t expect that his father actually knew David!

Moreover, it was David who caused his father’s injury!

“No matter what, your son is in my hands. I ask you to retreat immediately and give up Feihu City!”

David threatened Huo Zhao.

“You dare to touch my son?” Huo Zhao looked at David with cold eyes!

“What am I afraid of?” David sneered, and the sword lightly passed, and a line of blood oozed out of Huo Shizi’s neck. “All we want is Feihu City, but you want your son’s life.”

“Father, save me, father, save me...”

Huo Shizi felt the slight chill on his neck and hurriedly shouted at Huo Zhao.

The battlefield fell into a weird stalemate.

Huo Zhao's face was livid, and his fists were clenched and creaked.

Jie Zhong, who was standing aside, was sweating profusely at this moment. He was most afraid that Huo Zhao would not care and finally retreat!

Feihu City was his. If Huo Zhao did not care, what would he do?

He knew that if Feihu City was gone, his own value would be gone!

He would die miserably at that time!

Jie Zhong's body was shaking, and he prayed in his heart that Huo Zhao must not retreat!

But in the end, Huo Zhao gritted his teeth and said, "David, if I retreat, will you let my son go?"

"Of course, a gentleman's word is as good as his horse. I can swear to heaven!" David raised his hand and said, "If I don't let your son go, I am willing to suffer a heavenly calamity and never be reborn."

Huo Zhao listened to David's words, and finally he waved his sleeves fiercely: "Everyone in the Eighth Palace, retreat!"

"Master Huo, don't go, what should I do..."

Seeing this, Xie Zhong wanted to ask Huo Zhao to stay.

But Huo Zhao didn't even look at him and left directly!

Xie Zhong was just a chess piece. Now that the chess piece was useless, Huo Zhao would never look at it again!

They are the gods, and even those noble human races are looked down upon by the gods, let alone the beasts.

As the army of the Eighth Palace retreated, Xie Zhong immediately took the remaining soldiers of Feihu City and knelt on the ground!

"Surrender, we surrender..."

Xie Zhong wanted to surrender and seek a chance to survive.

But the people of the Demon Dragon Palace did not accept it, but killed all the people in Feihu City, even Jie Zhong was not spared.

The Soul Devouring Dragon Lord looked at David deeply, and said with deep meaning in his soul fire: “Fellow Daoist Chen, the Demon Dragon Palace will remember today’s feelings.”

After that, he led the army to enter the main city.

David put away his sword and let go of the ashen-faced Master Huo.

“Thank you for your help, young lady. I don’t know your name, I, David, will report it in the future!”

David said to the woman in white!

“My name is Mo Qingyun.” The woman in white smiled slightly!

“Miss, we should go back, otherwise the head of the family will be worried!”

said the old man in purple robe!

Mo Qingyun nodded, then looked at David and said: “Thank you for saving those people in Cangxuan Continent. If we are destined, we will meet again!”

After Mo Qingyun finished speaking, he followed the purple-robed old man and planned to leave!

But when the purple-robed old man slowly opened a black hole in the void, Mo Qingyun’s face suddenly changed, and then a mouthful of blood spurted out!

Chapter 5017

“Miss...” The purple-robed old man was horrified!

“Elder Lei, I’m afraid I won’t be able to go back for a while with my current physical condition!”

Mo Qingyun said with a painful expression!

Seeing this, the purple-robed old man couldn’t help but sighed and said, “You used the magic-breaking holy light and destroyed the Mo family spear. Now you are injured and can’t go back. How should I explain to the head of the family?”

“Elder Lei, go back and stabilize my father first. I will go back after a few days of recuperation!”

Mo Qingyun said!

“Miss Mo, your injury was taken for us. We will bear all the resources needed for healing until you recover. I will also bear all the safety!”

David looked at Mo Qingyun and felt very guilty!

“Elder Lei, Fellow Daoist Chen has said so, you can go back without worry!”

Mo Qingyun said to the purple-robed old man!

The purple-robed old man hesitated, and finally nodded and said: “Okay, Miss, you must be careful!”

After that, the purple-robed old man waved gently, and a lightning flashed across the void. The void trembled, and the body of the purple-robed old man was swallowed by the darkness and disappeared in an instant!

“Let’s go back too...”

David led everyone and dragged his tired body back to Rhino City!

As for the Huo Shizi, David did not let him go. He wanted to use this Huo Shizi to threaten Huo Zhao first!

Otherwise, if Huo Shizi was released now, Huo Zhao would come tomorrow!

In this situation, what could they use to resist?

After returning to Rhino City, the first thing David did was to tidy up Xiu Rui’s body!

As for Nuo Qing, he had already exploded and turned to ashes, and in the end there was no body!

Although he had not known Xiu Rui for too long, in David’s heart, he always regarded him as a brother!

Hu Mazi also looked sad. During this period of contact, Hu Mazi also recognized Xiu Rui.

“Brother, have a safe journey. I will definitely avenge you. I will kill all the people in the Eighth Palace.”

David looked at Xiu Rui's body and said with cold eyes!

"Okay, this is a destiny, don't blame yourself!"

Hu Mazi patted David on the shoulder!

After a while, the two buried Xiu Rui's body. For Nuo Qing, Xiu Rui was lucky, and there was still a body to bury.

There is even a chance to reincarnate and become a new person!

But after the self-explosion, it will really be ashes, and there is no possibility of reincarnation.

So some people will not choose to self-explode even if they die.

"Go see your father-in-law, I guess he is not feeling well!"

Hu Mazi said!

David nodded and went to see Bai Yi. After this battle, Bai Yi was obviously much weaker. In addition, Nuo Qing's death was a big blow to him!

Seeing David coming, Bai Yi squeezed out a smile and said, "Xian Son-in-law, I'm fine. I have lived for so many years and have long looked down on life and death."

"Don't worry about me, let me be quiet for a few days and have a good rest!"

David nodded, said nothing, turned around and left!

After leaving, Bai Yi's crying was heard in the room. Although Nuo Qing was a subordinate, he was loyal and blew himself up to save Bai Yi. Bai Yi felt bad!

David left and then found Mo Qingyun.

Mo Qingyun was in a very bad condition and her face was a little pale, but when she saw David, she still squeezed out a smile!

"Miss Mo, I'll take you to a place that will be good for your recovery!"

David said to Mo Qingyun!

"Where to?" Mo Qingyun was puzzled!

"You'll know when you get there!" After David finished speaking, he stepped forward and pulled Mo Qingyun up, and then went directly into the Demon Suppression Tower!

When Mo Qingyun came to the Demon Suppression Tower, he was stunned!

Because there are countless fairy stones in this Demon Suppression Tower!

The fairy air in the tower is thousands of times richer than outside!

Chapter 5018

“Where is this? Why are there so many immortal stones?”

Mo Qingyun said in disbelief!

“This is in the Demon Suppression Tower. I got all these immortal stones from a treasure place.”

“Just recover here with peace of mind. In this Demon Suppression Tower, the speed of time will become very fast.”

“That is, one year outside, and a hundred years have passed in this tower.”

David said!

“What?” Mo Qingyun looked at David in shock: “You are not lying to me, are you?”

“Why would I lie to you? It’s true. You practice well. When you go out, you will know naturally.”

After David finished speaking, he ignored Mo Qingyun and began to practice quietly! Mo

Qingyun saw this and sat cross-legged and began to recover!

While David and the others were practicing, Huo Zhao took the people of the Eight Palaces and rushed to the Cangxuan Continent!

One is to meet up with the elders, and the other is to find a place to live.

Because there is no place for the Eighth Palace in this heaven!

Even the God Speed is not in this heaven!

Huo Zhao was injured in the soul, so he brought the Eighth Palace to the First Heaven to recuperate, and controlled Feihu City to help him plunder resources everywhere.

Originally thought, with the strength of the Eighth Palace, it would be invincible in the First Heaven.

But who would have thought that David would come to the First Heaven and make such a big fuss!

Now Huo Zhao must regain control of a place!

After thinking about it, the Cangxuan Continent is the most suitable!

The Cangxuan Continent is vast, more than ten times the size of Feihu City, with hundreds of cities, and it is also the largest habitat for the human race.

However, the human race in the Cangxuan Continent is generally not strong, and the controller of the entire Cangxuan Continent is only a third-grade scattered fairyland!

In this way, the people of the Eighth Palace, with the Feihu City soldiers, will directly plunder the resources of the Cangxuan Continent and capture the people of the Cangxuan Continent as slaves.

The strong prey on the weak, this is an eternal law!

Three days later, David recovered completely, and Mo Qingyun also recovered, but her Mo family spear would never come back!

“How do you feel?” David asked!

“It’s been nearly a year since I last recovered!”

Mo Qingyun said with a smile!

David smiled and said nothing, but took Mo Qingyun out of the Demon Suppression Tower.

When she came out of the tower, Mo Qingyun was stunned because she found that there was no change around her in the past year!

At this time, Hu Mazi took a look and said casually: “Are they all recovered?”

“Recovered, do you want to go in and practice for a while?”

David asked!

“I don’t need it, I’m fine, but I don’t have many talismans on me, so I have to find materials and get more talismans.”

Hu Mazi said!

“Daoyou, how long have we been practicing?” Mo Qingyun asked Hu Mazi!

“Three days, it’s just been three days now!”

Hu Mazi said!

“Three days?” Mo Qingyun was shocked and looked at David in disbelief. Now she believed David’s words!

Three days outside, and they spent nearly a year in the tower!

If they had been practicing in the tower all the time, the speed of practice would be a hundred times that of others.

Mo Qingyun seemed a little excited!

But in an instant, Mo Qingyun’s face suddenly changed: “It’s bad...”

“What’s wrong?” David asked puzzled!

“Cangxuan Continent is in trouble. Someone is forcibly controlling the entire Cangxuan Continent.”

Mo Qingyun said anxiously!

“How do you know? Are you from Cangxuan Continent?”

David asked!

Mo Qingyun shook her head: “I’m not from Cangxuan Continent, but I have lived in Cangxuan Continent for many years.”

“I am the eldest daughter of the Mo family. Our Mo family is in the second heaven, but something happened that year, and I came to the Cangxuan Continent in the first heaven and lived for many years.”

Full Read Online **Chapter 5019** of the novel **A Man Like None Other**

Chapter 5019

“The controller of Cangxuan Continent is my good sister now. I came back from the Second Heaven because I knew Cangxuan Continent was in trouble.”

“Originally I was going to settle accounts with Feihu City, but I didn’t expect to meet you.”

“Now my sister has informed me through telepathy that someone has begun to forcibly control Cangxuan Continent.”

Mo Qingyun followed David and said everything truthfully!

Since David has taken him to the Demon Suppression Tower, Mo Qingyun no longer treats David as an outsider!

So he didn’t have any defense against David.

“It should be someone from the Eighth Palace. I will accompany you to Cangxuan Continent!”

David said!

After all, Mo Qingyun helped him a lot, and now David can’t just stand by and watch him die!

And he also wanted to go to the human race’s area to see if he could meet Sonya!

“Brother, I’ll go with you!” Crazy Immortal suddenly appeared and said!

“You’d better stay in Rhino City. You are a beastman, and it’s not suitable for you to go to the place of human race.”

“Master Hu, come with me, he is a human!”

David said to Hu Mazi!

“Ah, do I have to run around with you? You almost killed me this time!”

“If I go with you, what about my two girls?”

Hu Mazi was reluctant!

“Take them with you, those two women are also human, just take them to Cangxuan Continent, so that they can also return to normal life!”

David said!

It’s impossible for the two women to stay in Rhino City and do nothing, waiting for Hu Mazi to do it every day!

“That’s okay!” Hu Mazi nodded when he heard it!

David didn’t say anything, just said goodbye to the gadfly and left!

He didn’t say it with Bai Yi, after all, Bai Yi is still sad now!

David had to find a way to get Bai Qian to the heaven, so that someone could accompany Bai Yi, which would be better!

David and his men went straight to Cangxuan Continent and brought the prince Huo with him!

If the Cangxuan Continent was really the work of the Eighth Palace, then use the prince Huo to threaten Huo Zhao.

At this moment, the Cangxuan Continent has already fallen into turmoil!

When the great elder of the Eighth Palace brought people to the Cangxuan Continent, it had already made the Cangxuan Continent turbulent!

Now Huo Zhao has brought people here in person, and this time the Cangxuan Continent has no ability to resist at all!

In the Cangxuan Continent, in a magnificent palace!

The kings of the three largest countries gathered here!

Among them was Aisha’s father Ashnu. These people gathered here, waiting for the blue lotus, the controller of the Cangxuan Continent.

But they have been waiting for a whole day, and there is no sign of the blue lotus on the throne of the palace!

“I think we should not wait any longer, just surrender obediently. Even if Xuannv comes, she is no match for those people. They are all from the God Clan.”

The King of Dongmeng stood up angrily and planned to leave!

Ashnu frowned and said, “Whoever dares to be a traitor, don’t blame the knife in my hand for not having eyes...”

“Ashnu, what do you mean?” The King of Dongmeng glared!

“What do you mean? You want to be a traitor, I’m the first to disagree.”

“The people of our Cangxuan Continent can die in battle, but they can’t surrender. Haven’t we been bullied enough for so many years?”

“It’s because of people like you who are greedy for life and afraid of death that our human race has become so unbearable.”

Ashnu said angrily!

“You fart, try to say it again!” The King of Dongmeng was also angry!

“Okay, shut up, wait and see what Xuannv says!” At this time, the King of Chelie stood up and persuaded the two people!

At this time, a blue light suddenly flashed on the throne!

Seeing this, the three people knelt on the ground and lowered their heads!

I saw a very young girl in blue clothes appear on the throne!

Full Read Online **Chapter 5020** of the novel **A Man Like None Other**

Chapter 5020

This is the Blue Lotus who controls the Cangxuan Continent.

“Xuan Nu, 70% of the countries in our Cangxuan Continent have now surrendered to the temple. If this continues, I’m afraid the entire Cangxuan Continent will become a subsidiary of the temple!”

Ashnu said anxiously!

“Don’t panic, I have notified my best friend, she is bringing people here, she is from the Second Heaven.”

Blue Lotus said!

But Blue Lotus’ words did not reassure the three people!

Because they know that these people in the temple are obviously not from the First Heaven. Besides

, the God Clan is also considered to be powerful in the entire heaven, otherwise it would be impossible to create a clan on its own, and they are all arrogant and arrogant!

So even if there are people from the Second Heaven to help, I'm afraid it will be useless!

"Xuan Nu, I wonder when the helper will arrive? I'm afraid that in a few days, our entire Cang Xuan Continent will fall."

The King of Dongmeng asked!

"It should be here soon. She can use time and space to travel. It will be soon. Don't panic..."

Lan Lianhua said very calmly!

But only she knew how panicked she was at the moment!

Not long ago, she was attacked by Feihu City. Not only did she lose a large number of resources, but she also captured many people as slaves!

Now the people from the temple are coming aggressively again, which makes her very panicked!

Although the entire Cang Xuan Continent is vast and has many monks, their general strength is not high.

There is no way to resist the attack of the temple.

Facing those people in the temple, they have no choice but to surrender or wait for slaughter!

Now her only hope is that Mo Qingyun can come quickly and bring people to help her turn the defeat around.

At this moment, in an airspace of Cang Xuan Continent, a dazzling white light suddenly flashed, followed by figures appearing one after another!

These people are David and his people. This time, unlike before, they will appear in the teleportation array!

This time they actually appeared in the air.

Looking at the tall buildings standing under his feet, David was a little puzzled!

"Aren't we using the teleportation array?"

David asked!

Because when he was in the white light just now, he felt an inexplicable pressure, and David could only use his strength to protect his body.

If it was a teleportation array, this situation would not be possible!

“Of course not, this is time and space shuttle, which is much more useful than the teleportation array.”

“The teleportation array requires both places to have formations, and they must also be connected to each other.”

Mo Qingyun followed David to explain!

“Time and space shuttle?” David suddenly realized: “This should be an enhanced version of teleportation, right?”

David knew that teleportation can instantly move from one place to another!

It’s just that the distance of teleportation is generally very short!

Like this kind of time and space shuttle, it is thousands of miles, or even hundreds of thousands of miles away.

“Is it considered so!” Mo Qingyun nodded, and then swooped down!

When everyone landed on the ground, they were immediately stared at by a man with a vigilant expression.

“Who are you?”

The man was very alert.

“Is this the Cangxuan Continent?” Mo Qingyun asked!

“Yes!” The man nodded!

“I’m here to find your Xuannv...” Mo Qingyun said!

“Looking for our Xuannv?” The man was stunned, then looked at Mo Qingyun and said, “Why are you looking for our Xuannv?”

“I’m her friend, she asked me to come, is your Cangxuan Continent under attack?”

Mo Qingyun asked!

“Yes!” The man nodded, with some surprise on his face: “Are you the helper invited by Xuannv?”

“I guess so!” Mo Qingyun said!

David looked at the man in front of him and found that the man had just reached the scattered fairyland!

And around, there were still a lot of auras, but they were all very weak, most of them were in the fairyland.

It seems that the strength of this Cangxuan Continent is weak.
