Chapter 5021

Is it because the cultivation of the human race is more difficult than that of the demons or beasts?

The man said happily: "Where are your people? Where are they?"

"Just a few of us!" Mo Qingyun said!

The man was stunned, and then the smile on his face disappeared: "What's the use of just a few of you? Now 70% of the Cangxuan Continent has fallen. You few people are useless at all!"

"I advise you to leave, so as not to become someone else's prisoner!"

"You guy, do you look down on us?" Hu Mazi was a little unhappy!

But before the man could speak, the earth and the sky suddenly shook! The

man's face changed drastically, and he frowned and said, "You guys should leave quickly, the people from the temple are coming..."

After that, he saw more than a dozen black-clothed men from the Eighth Hall coming from a distance, one of whom was an old man wearing a gray robe and a bun on his head leading the team!

Just these dozen people made the surrounding void tremble, and the terrifying pressure came in the face!

Then, screams were heard all around, and many people were pressed to the ground, and it was difficult to breathe!

Seeing this, David instantly sacrificed the Dragon Slaying Sword, and the terrifying sword intent emerged, and then he gently waved it, and the terrifying pressure disappeared instantly!

Everyone also felt their chests loosened, and they all climbed up from the ground!

At this moment, the man looked at David with eyes full of surprise and confusion!

Because he found that David was only a first-grade scattered immortal realm, the same realm as himself, but he could easily break this terrifying pressure!

The gray-robed old man was also slightly stunned, and soon came to David and the others!

When the old man saw Master Huo, he immediately became excited!

“Third elder, save me, save me...”

Master Huo saw the old man and shouted immediately!

“Let our prince go, and you can be spared!”

The third elder shouted angrily!

The man was stunned just now. He didn’t expect that among David and the others, there was actually a prince in the temple.

At this moment, tens of thousands of people have gathered around David and the others!

a dozen black-clad men from the Eight Palaces, none of the tens of thousands of human cultivators dared to come forward, and they all looked terrified!

Seeing this, David sighed helplessly. When did the human race become so weak and incompetent!

“With so many of you, are you afraid of a dozen of them?”

David asked the man!

“We are not strong enough, and the number of people can’t make up for it at all.” The man said helplessly!

“Then what are you going to do?”

David wanted to see what the people of Cangxuan Continent thought!

If it is worth saving, he can do it!

If they are all cowards, David doesn’t want to waste time!

“What else can we do? Either surrender or fight to the death.”

“But we won’t surrender. Even if we can’t beat them, we have to rub their snot all over them.”

“You are not from Cangxuan Continent, so you’d better leave quickly. I’ll take people to shit and disgust them to death.”

The man said to David!

“Is this how you resist?” David smiled!

“What should I do?” The man was helpless!

“Stop talking nonsense, let our prince go immediately, can’t you hear me?” The third elder saw David ignoring him, and immediately shouted again!

“You are so annoying...” David finally looked at the third elder, and suddenly swung the Dragon Slaying Sword in his hand!

A sharp sword light passed by like a meteor!

The surrounding airspace was compressed in an instant, and everyone almost stopped instantly, and it was difficult to move!

The third elder widened his eyes, his face full of disbelief!

Watching the sword light pass through his neck!

His head was thrown high, and he even saw his headless body, falling straight to the ground!

His head was in the air, still blinking, and his consciousness had not dissipated!

Chapter 5022

When the head fell heavily, the consciousness of the third elder disappeared instantly!

Killed with one sword...

Everyone looked at David in disbelief!

Especially the man, he really couldn’t believe how David, a first-grade scattered fairyland, could do it!

Seeing this, the dozen men in black looked at each other, then turned around and ran!

“Run, run...”

The man shouted anxiously when he saw this!

David smiled slightly, and threw the Dragon Slaying Sword in his hand! The Dragon Slaying

Sword drew an arc in the air, and those black-clad men who had already run a hundred miles away were all beheaded!

More than a dozen heads were thrown high, and then fell heavily to the ground!

The Dragon Slaying Sword returned to David's hand, without a drop of blood on it!

The man was stunned, and everyone around him was stunned!

“Do you think that a few of us can help your Cangxuan Continent get rid of the crisis?”

David asked the man!

The man nodded woodenly, and then knelt down at David's feet: “Savior, you are the savior of our Cangxuan Continent...”

“Savior...”

“Savior...”

“Savior...”

Tens of thousands of people knelt down one after another, and the shouts resounded through the sky!

Feeling this scene in front of him, David felt very comfortable!

“Isn't it very cool? If there is anything else that you want to pretend to be, can you give it to me so that I can pretend to be cool?”

Hu Mazi said to David with envy!

“Of course, but I'm afraid that you are not strong enough, don't pretend to be cool, but get slapped in the face!”

David laughed!

“Bullshit, don't forget that when I became an immortal, you were still a tadpole.”

Hu Mazi rolled his eyes at David!

“You have died several times, why can’t you see through it, what’s the good of pretending to be cool.”

David sighed and said!

“It’s not good to pretend, why do you always pretend?” Hu Mazi asked!

David: “.....”

“Who dares to kill our Eighth Palace?”

Accompanied by a delicate shout!

A woman wearing white armor, wrapped in exquisite curves, wearing a golden helmet, and with eyes wide open came quickly!

At the same time, behind the woman, there were more than a dozen women in black armor!

The momentum of these people is much stronger than that of the three elders just now!

“Master Hu, it’s time for you to pretend, they are all women...”

David smiled slightly!

“Hehe...” Hu Mazi smiled, and the saliva in his mouth fell down.

Mo Qingyun on the side frowned slightly when he saw this.

“Don’t be surprised, Miss Mo, Master Hu has no hobbies, he just likes women!” David hurriedly explained!

“Sister...”

When Shizi Huo saw the woman, he hurriedly shouted!

David was stunned and a little surprised. He didn’t expect Huo Zhao to have a daughter.

But the woman didn’t look at Master Huo, but looked at the dead Third Elder and others, and said angrily: “Who killed the Third Elder? Stand up, or I will kill you all!”

“It’s me, I killed him...”

Seeing this, Hu Mazi jumped up and came to the woman!

“Little beauty, I killed your Third Elder, I apologize to you!” Hu Mazi smiled: “I’m sorry, if you don’t accept my apology, I can give myself to you.”

“I will do whatever you ask me to do, and I will be absolutely obedient. Do you think it’s okay?”

Hu Mazi said, and he was about to take off his pants!

The woman blushed, glared at Hu Mazi and said: “You old pervert, I will kill you...”

The woman suddenly took out a sword and stabbed directly at Hu Mazi!

“Damn, are you serious!” Hu Mazi was shocked and retreated!

“Stop him, I want to castrate him myself!” The woman yelled!

Soon, more than a dozen female soldiers in black armor surrounded Hu Mazi!

Chapter 5023

At the woman’s command, more than a dozen black-armored female soldiers formed a formation in an instant.

The spears in their hands turned into cold rays all over the sky, surrounding Hu Mazi.

These female soldiers cooperated very well, and where the spears pointed, they actually intertwined a dense and impenetrable spiritual power net in the air.

“Oh my, are you girls so cruel?”

Hu Mazi screamed and dodged in the shadows of the spears, throwing out the talismans in his hands one after another.

But those talismans disappeared without a trace when they touched the armor of the black-armored female soldiers.

His face changed: “The Protoss’s forbidden magic armor?”

Before he finished speaking, a spear had pierced his sleeve and scratched a bloody mark on his arm.

Hu Mazi felt pain and hurriedly pinched his fingers to summon a talisman, which emitted a dazzling golden light.

But the female soldiers just narrowed their eyes slightly, and their offensive did not decrease at all.

Seeing that they were about to be forced into a desperate situation, Hu Mazi finally shouted at the top of his voice: "David! Are you still watching the fun?"

"Master Hu, I gave you a chance to show off, but it's a pity that you can't use it! "

David laughed!

"You are still talking nonsense, hurry up and make a move, or I will die!" Hu Mazi roared!

David and Mo Qingyun looked at each other and attacked at the same time.

The Dragon Slaying Sword turned into a blood-red rainbow, instantly shattering the gun tips of the three female soldiers.

Mo Qingyun formed seals with both hands, and dozens of black vines suddenly sprang out from the ground, entangled the ankles of several other female soldiers.

Seeing this, the leading woman's eyes under the golden helmet suddenly glowed coldly: "The lowly human race dares to resist the majesty of the gods?"

The sword in her hand suddenly burst into a dazzling white light, and a sharp sword energy swept out, cutting off all the black vines.

"Kill!"

The man from Cangxuan Continent was inspired by David and the others and shouted.

Tens of thousands of monks came like a tide, and they could not sit and wait for death.

The joining of David and Mo Qingyun made these female soldiers start to struggle. Now tens of thousands of monks from Cangxuan Continent suddenly attacked together, and they were overwhelmed in an instant and were subdued one after another!

But at this moment, the subdued black-armored female soldiers suddenly shouted in unison: "The glory of the Gods cannot be desecrated!"

The armor on their bodies suddenly lit up with a dazzling red light, and the spiritual power in their bodies began to reverse madly.

“Not good! Retreat quickly!”

David’s pupils shrank suddenly, and the Dragon Slaying Sword drew a blood-colored barrier in front of him.

The next moment, deafening explosions rang out one after another, and more than a dozen dazzling white lights exploded in the crowd.

The violent spiritual power storm swept across a radius of 100 feet, and hundreds of monks who rushed to the front instantly turned into blood mist.

The smoke and dust dissipated, and more than a dozen deep pits with a diameter of more than 100 feet appeared on the battlefield.

“Oh, what a good bunch of young ladies, why did they all explode before they tasted the taste?”

“Why bother, it’s better to live than to die!”

Hu Mazi was distressed.

And those human cultivators on Cangxuan Continent were also shocked.

The gods are arrogant, but I didn’t expect that women would be so stubborn and unyielding, so backbone!

At this moment, Master Huo’s face turned red and white, and he was ashamed.

He is also a god, and the prince of the Eighth Palace, but he is afraid of death!

He only has the arrogance of the gods, but not the backbone of the gods.

The woman looked at the broken limbs and arms on the ground, her eyes extremely cold and said: “Did you see it? We gods cannot be desecrated!”

She slowly threw away the sword, and the white armor on her body began to emit golden light: “With my soul,

I will pay tribute-” “Damn, this woman is also going to self-destruct!”

Seeing this, Hu Mazi shouted in pain.

“Stop!”

David suddenly shouted, and the origin of time in his body rushed out, instantly stopping the time in this area.

The power that exploded in the woman's body also stopped instantly. She struggled violently, and the golden helmet fell off, revealing a heroic face: "Let me go! You lowly-"

"Pah!"

David went up and slapped the woman.
