Chapter 5024

This slap directly slapped the woman, and she looked at David in disbelief!

“You are so brave that you even dare to hit me. I will tear you into pieces...”

The woman screamed, but unfortunately she had no power to resist under David’s suppression!

“You still want to tear me into pieces? Believe it or not, I will strip you now?”

After David finished speaking, he slapped his palm lightly, and directly smashed the white armor on the woman’s body! At

this moment, the woman was wearing a tight-fitting dress, which carved the exquisite curves of her body very excitingly.

It was bumpy and the ravines were difficult to level.

Seeing this, Hu Mazi’s saliva flowed out like a waterfall!

The woman’s face was full of anger and shame!

Finally, the woman cried.

“Let my sister go, let my sister go...”

Seeing this, Master Huo yelled!

David ignored the Master Huo, but looked at the woman and said, “Be obedient and honest, I won’t hurt you.”

“Now you have to answer whatever I ask you, otherwise I will strip you naked.”

“Then let this old man ride on you and torture you...”

The woman glanced at the drooling Hu Mazi, and a trace of fear flashed in her eyes.

“What’s your name?” David asked.

The woman glared at David and did not answer.

“Huo Jingjing, my sister is Huo Jingjing...”

At this time, Master Huo hurriedly said!

Huo Jingjing glared at her brother, her eyes full of helplessness!

His brother was too cowardly and did not have the spirit of the God Clan at all.

“What are you eight palaces doing in Cangxuan Continent? Are you still plundering resources and capturing slaves?”

David asked Huo Jingjing!

Huo Jingjing still said nothing, but that Master Huo said, “I know, I know...”

“Flying Tiger City is now occupied, and my father must find a new place. This Cangxuan Continent is the best choice.”

“The Cangxuan Continent is large enough and has enough people. The most important thing is that the Cangxuan Continent has no strength, and the one who controls it is only the third rank of the scattered fairyland. It’s really rubbish.”

“And there is no force behind the Cangxuan Continent. There are no masters from the Cangxuan Continent in the second and third heavens.”

“So the Cangxuan Continent is the easiest to bully...”

After Master Huo finished speaking, tens of thousands of Cangxuan Continent cultivators were actually a little embarrassed at this moment!

Although the words were unpleasant and made them very angry, it was the truth after all.

The Cangxuan Continent is large enough and has enough cultivators, but the overall strength is too poor.

The entire Cangxuan Continent is controlled by only the third rank of the scattered fairyland. How can it resist foreign enemies?

“I ask you, where is your father Huo Zhao?”

David asked Huo Jingjing!

“Humph!” Huo Jingjing snorted again!

This time, Master Huo had no way to answer, thinking that he didn't know either. He was brought from Rhino City by David, and he definitely didn't know where his father was.

"If you don't tell me, then I'll strip you naked..."

David said, and was about to strip Huo Jingjing naked!

Mo Qingyun on the side couldn't stand it anymore. After all, she was also a girl. Even if it was a hostile force, it was too inhumane to use this method on a girl.

But before Mo Qingyun could speak, a terrifying pressure suddenly fell from the sky!

Those monks with lower strength all lay on the ground defenselessly, and some even vomited blood and died!

Huo Zhao came with hundreds of people from the Eight Palaces!

"David, you are so brave, let my daughter go quickly..."

"And you promised me to let my son go, why don't you keep your word?"

Huo Zhao roared at David with a ferocious face!

David looked at the furious Huo Zhao, but smiled faintly and said, "Take back your pressure, or I will attack your daughter."

Chapter 5025

"Looking at your daughter's appearance, she should still be a virgin. I just don't know if she can withstand my attack!"

As he said that, David hugged Huo Jingjing and started to touch her all over!

"Stop!" Huo Zhao was furious!

But he still took back his pressure obediently, and all the cultivators from Cangxuan Continent breathed a sigh of relief!

Otherwise, they would have been crushed to death by Huo Zhao's pressure.

“David, in front of so many people, you did such a shameful thing, don’t you feel ashamed?”

Huo Zhao suppressed the anger in his heart and asked David!

“What’s there to be ashamed of? I don’t steal or rob. I’m not like you, who bullies the weak, robs resources, and occupies other people’s territory.”

“Aren’t you all arrogant in the Temple? How can you be interested in the resources of a place like Cangxuan Continent?”

David questioned Huo Zhao!

“It’s none of your business. If you release my son and daughter immediately, I won’t pursue your hatred for the Temple.”

Huo Zhao said!

After hearing this, David laughed and said, “Don’t brag. You are just the Lord of the Eighth Palace. Can you be the Lord of the Temple?”

“When the time comes, just remove you, the Lord of the Eighth Palace. You are nothing. You are really good at bragging.”

“You...” Huo Zhao was full of anger and was choked by David.

Huo Zhao also knew that he, the Lord of the Eighth Palace, did not have much power.

Even in the Temple, he was the last one!

Especially after he was summoned back to the Heavenly Realm by the descendants of the Huo family, he was ridiculed by everyone in the Temple when he returned injured.

The various resources issued by the temple also began to be reduced for the Eighth Palace.

Huo Zhao had no choice but to bring the Eighth Palace to the First Heaven, occupy Feihu City, and use Feihu City to plunder resources!

Huo Zhao began to recuperate during this time and slowly recovered.

Who could have thought that it would end up like this? Huo Zhao was also bitter in his heart, but he couldn’t say it!

“Father, don’t worry about us, just kill these people directly. I can die, I can even self-destruct.”

Huo Jingjing said to Huo Zhao!

And the Huo Shizi said with horror: "Father, save me, save me, I don't want to die!"

"Huo Zhao, you take your people out of Cangxuan Continent, how about I let your son and daughter go?"

David followed Huo Zhao to negotiate.

"Impossible, I will not ignore the brothers of the Eight Palaces for my children."

"You can kill them both, but you must remember that I will let everyone on Cangxuan Continent go to be buried with them."

Huo Zhao said with a gloomy face!

Hearing this, the many cultivators on Cangxuan Continent were all panicked.

David also frowned. He could avoid the pursuit of the Eight Palaces, but there were so many people on Cangxuan Continent, and David couldn't save them!

Mo Qingyun was also nervous at this time.

She promised her best friend Lan Lianhua, but if the Eighth Palace directly slaughtered the Cangxuan Continent in the end, Mo Qingyun herself felt that it was not justifiable!

Mo Qingyun looked at David, and at this moment, she could only pin all her hopes on David!

See how David negotiated with Huo Zhao.

"Huo Zhao, don't brag, you are my defeated opponent. I can defeat you in the Heaven Realm, and I can defeat you here as well."

"Do you dare to compete with me? If you lose, take your people out of the Cangxuan Continent immediately."

"If I lose, I will release your son and daughter immediately, and I will never interfere in the affairs of the Cangxuan Continent."

David used the method of provoking Huo Zhao!

"Fellow Daoist Chen, don't be impulsive. You are only the first level of the scattered fairyland, and Huo Zhao seems to have reached the fifth level of the scattered fairyland."

“If you fight him, isn’t that a pebble hitting a rock?”

Mo Qingyun persuaded David.
