

# A Man Like None Other Novel

## Chapter 5056

Tianci is the pride of their Tianyuan Pavilion. He can fight against opponents of higher levels. If something unexpected happens, how will he explain it when he goes back?

At this time, Tianci was in a chaos with the mysterious old man.

“Your strength is too poor. Now you are just a small scattered immortal. I will directly promote you to the earthly immortal realm. Go to the fourth heaven to make a living.”

The mysterious old man said to Tianci!

When Tianci heard this, he was so excited that he was about to cry. He knelt on the ground and wanted to lick the toes of the mysterious old man.

“Thank you, senior, thank you, senior...”

Tianci kept kowtow!

The mysterious old man gently pressed his palm on Tianci’s head, and a soft light enveloped Tianci.

Tianci only felt his body shaking violently, and the whole person seemed to be torn apart and about to fall apart.

He gritted his teeth and persisted, and finally fell to the ground in sweat.

“You have good talent, but your body is too poor. You can’t bear it after only being promoted to the fifth level of the Sanxian Realm.”

The mysterious old man shook his head and said.

Tianci felt a little disappointed when he heard it, but it was not bad to be promoted to the fifth level of the Sanxian Realm. He could fight against the fifth level of the Sanxian Realm and the seventh level of the Sanxian Realm.

“Thank you, senior...”

Tianci knelt down and kowtowed again.

The mysterious old man waved his hand, and when their figures reappeared in front of everyone, everyone’s eyes widened.

“The fifth level of the Sanxian Realm?!”

“It’s only been a short time, and you have been promoted two levels?!”

Elder Tong was so excited that he trembled all over, and hurried forward to check on Tianci’s situation.

Tianci was full of pride, feeling the surging power in his body, and looked at Chen Ping proudly: “Huh, do you still dare to be arrogant in front of me now?”

Chen Ping frowned slightly, ignored Tianci’s provocation, and observed him carefully.

Something is wrong...

Tianci’s realm has indeed improved, but the whole person exudes a strange sense of decay, as if part of his vitality has been taken away.

“Senior, I also want to improve my strength!” The white-robed woman knelt down impatiently, her eyes full of desire.

“Okay, okay...” The mysterious old man nodded with a smile, waved his hand again, and disappeared with the white-robed woman.

A moment later, the white-robed woman returned, and her realm also skyrocketed!

“Hahaha! I broke through!” She laughed excitedly, but there was a hint of hoarseness in her laughter, as if she had aged a bit.

Then, Elder Tong and three black-robed elders also stepped forward and asked the mysterious old man to teach them. The

mysterious old man accepted everyone and improved their realm one by one.

Soon, everyone was immersed in the joy of the surge in strength, but Chen Ping was more and more frightened.

Although these people have improved their realm, the vitality in their bodies is rapidly fading!

In this case, although they have improved their realm, they will not live for long, and their future cultivation will probably stagnate.

“Chen Ping, let’s go too!” Mo Qingyun pulled Chen Ping’s sleeve, with expectation in her eyes.

“No!” Chen Ping grabbed her and whispered, “There is something wrong with this old guy!”

“Ah?” Mo Qingyun was stunned, “But they have indeed improved...”

“It has improved, but at the cost of life!” Chen Ping said in a deep voice: “Didn’t you notice? The vitality in them has obviously declined!”

Mo Qingyun shook her head. She couldn’t see any vitality at all, she only knew that the realms of these people had all improved.

“Then...what should we do?” Mo Qingyun was a little panicked.

Chen Ping narrowed his eyes and suddenly smiled: “Since he wants to play, then I will play with him.”

After that, he strode forward and respectfully bowed to the mysterious old man: “Senior, I think I have good talent, versatile, gifted, and hardworking, so I would like to ask you to pass on the mantle of the Qiantian Sect to me.”

“If I can obtain the mantle of the Qiantian Sect and improve my realm, I will burn incense and pray for you every day.”

## Chapter 5057

A trace of unnoticeable greed flashed in the eyes of the mysterious old man, and he smiled: “Okay, okay...”

The mysterious old man waved his hand, and Chen Ping instantly appeared in the chaotic space.

The mysterious old man still looked at Chen Ping with a smile: “Little guy, you have good qualifications, I can let you directly step into the earth fairyland.”

Chen Ping pretended to be excited: “Thank you, senior!”

The mysterious old man raised his hand and pressed it on the top of Chen Ping’s head, and a soft light instantly enveloped Chen Ping’s whole body.

“Come on, let me improve your cultivation...” The

old man's voice suddenly became gloomy, and his palm turned into a dark vortex, madly devouring Chen Ping's vitality!

However, just when he thought he had succeeded.

"Concentration of the Heart!"

Chen Ping suddenly opened his eyes, and the Concentration of the Heart in his body was running wildly, devouring the old man's power in reverse!

"What?" The old man was horrified and wanted to pull his hand away, but found that his spirit was locked tightly!

"Old thing, you can fool others, but you can't fool me!" Chen Ping sneered, "Using realm improvement as bait, you actually devour other people's lifespans, and want to borrow corpses to revive, right?"

"You...how did you get the ancient gods?" The old man was terrified, and his spirit began to tremble violently.

"Unfortunately, you chose the wrong person." Chen Ping's eyes flashed with cold light, "Your cultivation belongs to me!"

Boom...!

The violent devouring power burst out, and the old man's spirit shrank at a speed visible to the naked eye!

"No!!!"

With a shrill scream, the old man's spirit completely collapsed and turned into pure energy that poured into Chen Ping's body!

Chen Ping's realm also began to improve, and in the blink of an eye he reached the third level of the scattered fairyland.

Feeling his realm improvement and strength greatly increased, Chen Ping was so happy.

Now he no longer has to compromise. If Tianci dares to talk too much, Chen Ping can slap him directly in the face.

Chen Ping's third-grade scattered immortal realm directly fought against the eighth-grade scattered immortal realm, and he was not afraid at all.

...

When Chen Ping returned from the chaotic space alone, everyone was stunned.  
Pinshu.com <https://www.fastla5200.xyz>

“Where is the senior?” Tianci asked hurriedly.

Chen Ping glanced at him coldly: “What senior is there? He is just an old ghost who survives by devouring other people’s lifespan!”

“What?!” Everyone’s face changed drastically.

“You are talking nonsense!” Tianci shouted angrily, “My realm has obviously improved, hasn’t your realm also improved?”

“Yes, it has improved, but look at how much life you have left?” Chen Ping sneered.

Tianci was stunned, and hurriedly looked inward, and then his face turned pale –  
his lifespan was less than ten years left!

“No... This is impossible!” He shook his head frantically, unwilling to believe it.

The white-robed woman, Elder Tong and others also checked themselves, and then their faces turned ashen.

“We...were deceived...”

Mo Qingyun grabbed Chen Ping’s hand in fear: “Fortunately you found it...”

Chen Ping nodded and turned his eyes to the three coffins: “This remains of the Gantian Sect is simply a trap!”

“That old thing relies on devouring the lifespan of the intruder to maintain its immortal spirit and wait for the opportunity to resurrect.”

Chen Ping said!

Although everyone was a little unconvinced, they felt the loss of vitality in their bodies at this moment.

They are just casual cultivators now, and they cannot achieve an infinite lifespan.

If their lifespan is exhausted and their realm cannot be improved again, they will completely decay and die.

“Ah...”

Tianci attacked the coffins in front of him like crazy.

Except for the coffin in the middle that was smashed to pieces, the coffins on both sides did not move at all, and the mysterious runes on them were constantly flowing.

Chen Ping looked at the two coffins and decided to open them to see if there were any good things inside.

It's not possible to come here in vain and leave without getting any treasures, right?

Chen Ping squatted down and began to study the mysterious runes on the coffins.

Seeing Chen Ping studying runes, Elder Tong snorted coldly and said, "What do you know?"

## **Chapter 5058**

Chen Ping glanced at Elder Tong coldly, and suddenly thought of something.

If he opened the coffin now, and there were treasures inside, these guys would definitely fight for it.

Although Chen Ping has now reached the third level of the Sanxian Realm and is not afraid of these people, if they join forces, Chen Ping is still a little afraid.

Thinking of this, Chen Ping looked at the remaining two coffins calmly, as if he had thought of something.

Chen Ping's palm was glowing red, surrounding the two coffins, and the blood-red color flowing on the coffins began to merge with Chen Ping's red light!

Everyone looked at Chen Ping like that, and no one knew what Chen Ping was going to do.

"Get up..."

Chen Ping shouted, and the two coffins were actually dragged up by Chen Ping, and then a white light flashed, and the two coffins disappeared.Chen

Ping put the coffin into the storage ring. No matter what treasures were in the coffin, Chen Ping planned to check it after leaving here.

It is unwise to check the coffin in front of these people.

If there are treasures, these people will definitely turn against each other.

Seeing that both coffins were put away by Chen Ping, everyone was stunned!

Looking at Chen Ping's eyes, all of them had different thoughts.

"Boy, the coffin is in this relic. The things in the coffin should belong to all of us. Why did you put the coffin away alone?"

Tianci saw Chen Ping put away all the coffins, and he shouted angrily!

"Is this relic yours?" Chen Ping asked!

"No!" Tianci shook his head.

"Since it's not yours, what's your business if I put it away?" Chen Ping is no longer afraid of Tianci.

If they really fight, Tianci will not be Chen Ping's opponent.

Tianci was stunned. He didn't expect that Chen Ping, who was so respectful to him just now, would be so arrogant now.

"Boy, are you talking to me?"

Tianci asked in disbelief!

"I'm talking to a dog!" Chen Ping smiled!

The woman in white robe laughed out loud when she heard it

Mo Qingyun also smiled with his mouth covered!

Tianci opened his eyes wide, and suddenly became furious: "Boy, you are looking for death..."

After that, Tianci attacked Chen Ping directly.

Tianci attacked furiously, and the breath of the fifth rank of the scattered fairyland burst out, and the entire ruins space trembled!

The golden light surged around him, as dazzling as the scorching sun. With every step he took, the ground cracked like a spider web.

“Boy, I want to let you know what the sky is high and the earth is thick!”

A brilliant golden light condensed in his palm, turning into a three-meter-long golden spear, the tip of the spear swallowed and spit out a sharp edge, piercing Chen Ping’s throat!

Tianyuan Pavilion’s unique skill, the sky-breaking spear!

This spear pierced out, and the space was slightly distorted. Where the tip of the spear passed, the air was torn with a sharp explosion.

The spear was like a dragon, with a devastating momentum, enough to kill an ordinary sixth-rank cultivator in the scattered fairyland in seconds!

“Chen Ping, be careful!”

Mo Qingyun exclaimed, her beautiful eyes full of worry, her delicate hands unconsciously clenched the corners of her clothes.

Seeing this, Elder Tong snorted coldly. He thought Tianci still took Chen Ping too seriously.

He was just a third-grade Sanxian Realm immortal. Why did he need to use the Sky-breaking Spear? Just one punch was enough.

The white-robed woman and three black-robed men also watched quietly. In their eyes, Chen Ping would definitely lose.

However, Chen Ping stood still, his mouth slightly raised, and a trace of disdain flashed in his eyes.

Just when the tip of the spear was only three inches away from his throat.

Swish!

Chen Ping’s figure suddenly blurred, and he dodged sideways like a ghost, and at the same time, his right fist glowed with golden light, and hit Tianci’s chest fiercely!

“Holy Light Fist!”

Boom...!

Seeing this, Tianci hurriedly built a protective golden light on his chest, and wanted to dodge at the same time, but it was too late.

This punch hit Tianci’s chest firmly, and the breath was superimposed like a wave

## Chapter 5059

The golden light protecting Tianci's chest shattered instantly, and the whole person flew backwards like a kite with a broken string, hitting the stone wall heavily, creating a deep pit!

"What?"

Elder Tong's pupils shrank suddenly, his face full of disbelief.

His hand, which was originally stroking his beard leisurely, froze in mid-air, and several strands of his beard were torn off without him noticing.

A third-grade Sanxian Realm cultivator could actually defeat a fifth-grade cultivator with one punch?

Tianci crawled out of the rubble, his face livid, and a trace of blood flowed from the corner of his mouth.

He looked down at the charred fist mark on his chest, and a trace of horror flashed in his eyes.

The white-robed woman was also full of horror. She knew Tianci's strength. This guy was the pride of Tianyuan Pavilion and could fight against opponents of higher levels.

Tianci, who is now fighting against Chen Ping, is two realms higher than Chen Ping, but now he is knocked back by Chen Ping with one punch?

Isn't this too outrageous?

You have to know that Tianci still uses weapons, while

Chen Ping only uses fists. There is already a gap. Chen Ping doesn't use weapons, and it seems that he is humiliating Tianci.

Seeing that Chen Ping defeated Tianci with one punch, Mo Qingyun breathed a sigh of relief in his heart, and his love for Chen Ping became stronger.

Which woman doesn't like this kind of man who is strong, handsome, and a child of heaven?

"You have some skills, but unfortunately... it's not enough!"

Tianci slowly stood up and roared loudly. He felt that he had been greatly humiliated.

He was a child of heaven in Tianyuan Pavilion, and everyone looked up to him.

But today, he, a fifth-grade scattered fairyland, was beaten by Chen Ping, a third-grade scattered fairyland, and vomited blood, and the other party didn't use any weapons.

Tianci spat out a mouthful of blood, and a golden light surged around him. A ten-foot-tall golden shadow appeared behind him. It was a mighty general wearing golden armor and holding a long halberd. His eyes were like lightning and his pressure was like a prison!

"Dharma-body?" Elder Tong frowned when he saw this. As soon as

the Dharma-body appeared, the entire ruins trembled. Tianci's aura surged in an instant, and it was faintly approaching the sixth level of the scattered fairyland!

"This guy is crazy. He just started, and he actually used the Dharma-body. This is very harmful to the body."The

woman in white robe looked at the crazy Tianci and shook her head slightly.

"Die!"

He put his palms together, and the golden Dharma image moved with it. A golden giant palm that covered the sky and the sun fell from the sky.

The palm lines were clearly visible, and an ancient seal of the word "Zhen" condensed in the palm. With the power to suppress everything, he slapped Chen Ping fiercely!

Tianyuan Zhenmo Palm!

This attack was Tianci's strongest killing move! Before the palm wind arrived, the ground had already begun to collapse, and the stone slabs under Chen Ping's feet shattered inch by inch.

Chen Ping looked up, and a trace of solemnity flashed in his eyes, but he was not panicked.

He quickly formed seals with both hands, and all kinds of forces in his body were running wildly, forming a huge black vortex around him. The stars could be vaguely seen in the vortex, as if it could swallow all the power!

The golden giant palm fell down with a bang, but at the moment it touched the black vortex, it was decomposed and swallowed bit by bit.

The ancient seal of the word “Zhen” trembled violently, and finally collapsed into light spots all over the sky.

Rumble!

The remaining power of the giant palm blasted a palm-shaped pit ten feet deep on the ground, and smoke and dust rose into the sky.

When the smoke and dust dissipated, Chen Ping was still standing, but there was a trace of blood at the corner of his mouth, and his robe was a little damaged.

“How is it possible!”

Tianci was completely shocked, his face as pale as paper. He hit with all his strength, but Chen Ping took it!

“It’s my turn.”

Chen Ping wiped the blood from the corner of his mouth, and suddenly there was a dragon-slaying sword in his hand, and the spiritual power in his body

erupted like a volcano! With a wave of the dragon-slaying sword, thousands of sword shadows flew out of his body and intertwined into a sword net in the air.

Swish, swish, swish——!

Ten thousand sword shadows condensed in an instant, turning into a huge sword of a hundred feet, with blood-colored dragon patterns wrapped around the sword body, and a cold star-like light at the tip of the sword, with the momentum of cutting through the world, slashing towards Tianci!

Tianci hastily offered a golden shield to resist, but was split in half by a sword. The sword energy was still strong, leaving a deep wound on his chest that could be seen to the bone, and blood gushed out!

Defeat!

The whole audience was silent!

Mo Qingyun widened her beautiful eyes, her red lips slightly parted, and looked at this scene in disbelief.

The white-robed woman and the three black-robed old men were also horrified and stepped back unconsciously.

Sanxian Realm Third Grade, surpassing two levels to defeat Tianci?

This simply overturned their cognition!

“You dare to hurt my Tianyuan Pavilion Tianjiao?” Elder Tong finally couldn’t sit still and shouted: “Go to hell!”

He jumped out, waving his hands, and dozens of golden array patterns emerged, interweaving into a large net in the air, covering Chen Ping.

Every node on the net flashed an ancient seal, exuding a confining force.

A huge formation enveloped Chen Ping. Although Elder Tong’s realm was not high, his formation skills were extremely exquisite.

It was because of his exquisite formation skills that he was able to get a position as an elder in Tianyuan Pavilion and was respected.

“You dare to show off your ugliness in a mere formation?”

Chen Ping sneered, with golden light flashing in his eyes, and instantly saw through the flaws in the formation.

He tapped his fingertips lightly, and a stream of spiritual power accurately hit the center of the formation, and the entire net suddenly shattered like a bubble!

“What?”

Elder Tong’s face changed drastically, and he staggered back two steps: “You...you know the formation?”

“I know a little.” Chen Ping smiled lightly.

Elder Tong’s face was uglier than eating a hundred pounds of shit at this moment.

Just now he mocked Chen Ping for not understanding the formation at all, but now he was slapped in the face.

“Elder Tong, let’s work together. We must kill him today.”

The injured Tianci was like an angry beast at this time.

He had never suffered such a setback, so even if he died, he would drag Chen Ping to be buried with him.

Elder Tong nodded. Now they had to work together.

In front of the people of Shura Palace, if both of them were defeated by Chen Ping, then their Tianyuan Pavilion would become a laughing stock in the future.

The two people accumulated their last strength and prepared to give Chen Ping a fatal blow.

The woman in white robe watched with interest, and had no intention of taking action.

She wanted to take advantage of the conflict between the snipe and the clam. After the two sides fought to the death, she could easily take away the coffin on Chen Ping.

Maybe all the resources on Chen Ping and Tianci and others would be taken away together.

Chen Ping also saw the intention of the woman in white robe, but now Tianci and Elder Tong were going to fight to the death, Chen Ping had to go all out.

At that time, I am afraid it would be difficult to deal with the woman in white robe.

Just as Chen Ping frowned slightly and thought about how to crack it, his eyes suddenly caught a glimpse of the runes behind the two warrior statues. The runes were flashing, and in Chen Ping's eyes, he felt familiar.

"So that's it!"

He flew over and pressed his hands on the runes on the back of the warrior statues. The spiritual power in his body circulated along a specific trajectory and was injected into the runes.

The runes suddenly lit up with blood light and began to wriggle like a living thing. There was a sound of stone skin peeling

off

, and the two warrior statues suddenly opened their eyes, with two blood lights shooting out of their eyes.

The stone skins on their bodies fell off one after another, revealing the black armor, which was engraved with ancient runes and exuded a heart-pounding breath.

"Kill!"

Chen Ping gave an order, and the two warriors rushed out in an instant, as fast as lightning.

One held a three-meter-long black giant sword, with blood-colored thunder wrapped around the blade; the other held a white long sword, and the tip of the sword was emitting blue flames.

Tianci and Elder Tong fought hastily, but they were no match at all.

The black giant sword chopped down, and Tianci's golden spear broke with a sound; the white long sword chopped out, and Elder Tong's body protection aura shattered like paper.

Boom boom boom!

Each blow from the warrior was as heavy as a thousand pounds, and the two were beaten back step by step.

A knife cut Tianci's left arm, and Elder Tong's right leg was injured, and the blood dyed the ground red.

"Chen Ping! Today's vengeance will be avenged by Tianyuan Pavilion!"

Tianci gritted his teeth, crushed a golden escape talisman, and followed Elder Tong to escape in a golden light.

## Chapter 5060

David did not chase, because he did not know if he could survive in the Second Heaven with his strength.

Whether he could deal with the Tianyuan Pavilion.

Now that there was the enemy of the Temple, David did not want to make more enemies.

"Do you also want to rob those two coffins?"

David looked at the woman in white robe and asked!The

woman in white robe took a deep look at David, then looked at the two warriors with fear, and finally retreated quietly with three old men in black robes.

Only David and Mo Qingyun were left in the ruins.

"David, you...you are so amazing!" Mo Qingyun's eyes were full of admiration, and her little face flushed with excitement.

David shook his head and looked at the two warriors with a serious look: "The real trouble has just begun."

The warriors suddenly turned around, staring at David with blood-red eyes, and raised their weapons slightly, as if making some kind of judgment.

The runes on their bodies flickered, exuding a dangerous atmosphere.

The sudden change of the two warrior statues made David nervous all of a sudden, and he pulled Mo Qingyun behind him.

"They don't seem to be just puppets..."

David whispered, his hand was already on the storage ring, ready to take out the weapon to deal with emergencies at any time.

At this time of tension, one of the warriors suddenly knelt on one knee, and a hoarse voice came from the armor:

"We... follow the master's order... to protect the inheritance..."

David's pupils shrank, and a storm was set off in his heart.

These two warriors still retain their sanity! Who is the master they are talking about?

Could it be the mysterious old man who was absorbed by himself?

Mo Qingyun nervously grabbed David's sleeve: "They...are they talking?"

The warrior slowly raised his head, staring at David with bloodshot eyes: "Master..."

Before he finished speaking, the two warriors suddenly turned into two black lights and sank into David's body!

David felt a huge amount of information pouring into his mind, his eyes went dark, and he almost fainted.

"David!"

Mo Qingyun hurriedly supported him, but saw a blood-colored rune appearing on David's forehead, looming.

When David opened his eyes again, a flash of enlightenment flashed in his eyes: "So that's it... These two warrior sculptures actually regarded me as their master..."

David used the Condensation Heart Technique to absorb the mysterious old man, and he also possessed the aura of the mysterious old man, so the two warrior sculptures would recognize the master.

When David saw the runes behind the two warrior statues, he felt inexplicably familiar, and that's why!

After the two warriors turned into black light and sank into David's body, the entire ruins suddenly shook violently!

"No, the ruins are going to collapse!"

David looked up suddenly, and saw that the dome began to crack, and countless broken stones fell.

He grabbed Mo Qingyun's hand: "Let's go!"

The two ran towards the exit at a rapid speed, and there was a rumbling sound of collapse behind them, and the entire space seemed to be torn apart by an invisible giant hand.

"David, where is the exit?" Mo Qingyun asked anxiously.

"Follow me!"

David's eyes flashed with golden light, and he instantly locked onto a faint light source – that was the teleportation array when they entered!

However, the teleportation array has begun to disintegrate, the runes are dim, and it may fail at any time.

"It's too late!"

David gritted his teeth and pushed Mo Qingyun towards the teleportation array: "You go first!"

"What about you?" Mo Qingyun exclaimed.

"I have my own way!"

Before he finished speaking, David slapped out with his palm, injected spiritual power into the teleportation array, and forcibly activated the last trace of energy.

Buzz –

a white light flashed, and Mo Qingyun's figure disappeared in an instant.

And at the moment when the teleportation array completely collapsed, David jumped and rushed into the space crack that was about to close!

...

Cangxuan Continent, Floating Island.

The mysterious island that was originally suspended in the sky was shaking violently at this moment, and countless monks looked up in horror.

“What’s going on? Why is the floating island shaking?”

“Oh my God, it’s falling!”
