Chapter 5061

Boom...

The edge of the floating island began to crack, and huge rocks hit the ground like meteorites, raising a cloud of dust.

“Run! The floating island is going to crash!”

Countless monks fled in all directions, and the scene was in chaos.

Just when everyone thought that the end of the world was coming, two figures suddenly rushed out from the center of the floating island!

“It’s Mr. Chen! And Qingyun!”

Lan Lianhua’s beautiful eyes condensed, and she immediately led people to meet them.

“Mr. Chen, what happened?” She asked anxiously.

David stabilized his body and said in a deep voice: “The floating island is not a real island at all, but an entrance to a ruin. Now that the ruins have collapsed, it naturally cannot be maintained.”

“What?” Everyone was shocked.

“This is not the place to talk, let’s go back and talk!”

David said!

Lan Lianhua nodded, and then took David and Mo Qingyun back to his palace.

David told Lan Lianhua everything exactly.

After hearing this, Lan Lianhua felt a pity.

“This floating island has been in our Cangxuan Continent for many years, but we didn’t even realize that it was actually the entrance to a ruin.”

Lan Lianhua said with regret.

After that, Lan Lianhua noticed that David's aura had changed a lot, so she asked curiously, "David... What realm are you in now?"

David smiled slightly, "The third level of the scattered immortal realm."

"What?!"

Lan Lianhua was shocked!

You know, David was only the first level of the scattered immortal realm before entering the ruins. In just two days, he broke through several realms and reached the third level of the scattered immortal realm?

This speed of cultivation is simply unheard of!

David just smiled and didn't say anything. If he said too much, Lan Lianhua would probably regret it even more.

Originally, these were opportunities for Cangxuan Continent, but no one in Cangxuan Continent discovered that the floating island was the entrance to the ruins, and missed the opportunity in vain.

"Xuan Nu, how is Huo Jingjing?" David asked Lan Lianhua.

After playing with Huo Jingjing, David left, and he didn't know what happened to this guy.

With the temperament of the gods, it is estimated that Huo Jingjing would commit suicide. After all, she was played by people of the inferior race that they thought of as gods, and she couldn't bear it.

"It's good. Now she doesn't make a fuss and eats on time every day."

"But she said several times that she wanted to see you, and I said you were not there!"

Lan Lianhua said!

David was stunned and a little puzzled. Could it be that Huo Jingjing was forced to play with him, and he was not cruel to himself?

So David got up and planned to go and see Huo Jingjing!

In the dungeon, David saw Huo Jingjing sitting quietly!

Seeing David coming, Hou Jingjing got up, and she was not as furious as David imagined.

“David...”

Huo Jingjing looked at him with complicated eyes.

Unlike the arrogance at the beginning, at this moment, she actually had a hint of tenderness in her eyes.

“What are you doing?” David raised his eyebrows and asked unhappily.

To deal with such an arrogant woman, you need to suppress her with your momentum.

Huo Jingjing bit her lip and whispered, “You...what have you been doing these two days?”

“What does what I do have to do with you? Do I need to report to you?”

David said coldly!

“No, no, no, I don’t want to control you, but my mind has been confused these two days.”

Huo Jingjing waved her hand and said.

“Why?” David looked at Huo Jingjing: “Is it because I possessed you that you are confused?”

“Yeah!” Huo Jingjing nodded.

“I’m sorry, I was also impulsive.” David said!

“You are not sorry for me.” Huo Jingjing shook her head: “Can you come in and sit with me for a while?”

David thought for a while, nodded and opened the cell door.

Just after walking in and closing the door, Huo Jingjing suddenly turned around and threw herself into David’s arms!

“David, I...I seem to like you.” Huo Jingjing looked at David and said.

Chapter 5062

David was startled, then sneered: "Miss Huo, you are a god, how could you be interested in an 'ant' like me?"

"Don't joke with me, I know that you gods are not allowed to marry with other races."

Huo Jingjing looked up, with shame in her eyes: "Why do you still mention the gods! I... I was ignorant and brainwashed..."

"We are all human beings. The night I was with you, you let me know what heaven is."

Huo Jingjing's voice gradually became lower and her cheeks flushed.

It turned out that since being "forced" to have s#x with David, Huo Jingjing was furious at first, but as time went by, she found that her mind was full of David's shadow.

David didn't expect that this proud god woman would be conquered by him so quickly. It seems that even the proud women are afraid of the big stick.

David looked at her shy appearance, and his heart moved. He stretched out his hand to lift her chin: "Since you like me, I won't leave tonight, and let you go to see heaven again."

"You... um!"

Before Huo Jingjing finished speaking, David kissed her red lips, and the whole person fell soft in his arms...

...

The next morning, David just opened his eyes and felt a sense of jealousy!

Walking out of the dungeon, it turned out that Mo Qingyun had been at the door of the dungeon without knowing when.

Mo Qingyun looked at David with helplessness, anger and jealousy.

But she knew that she followed David without any name or status, and she had just met him not long ago, so she had no control over who David slept with.

"Miss Mo, why are you here?" David asked puzzledly when he saw Mo Qingyun!

"I heard that you didn't come out of the dungeon all night. I'm afraid that woman is not good for you, so I want to come and see!"

Mo Qingyun said!

“It’s okay, I’ve taught her well!”

After David finished speaking, he shouted into the dungeon: “Jingjing, come out...”

Huo Jingjing walked out with a blushing face, and she was limping.

David also opened all the blood vessels in his body, and they were no longer restricted.

When Huo Jingjing saw Mo Qingyun, her face suddenly turned red and she lowered her head.

“It’s good that you’re fine!” Mo Qingyun turned and left!

“This Miss Mo seems to be jealous?” Huo Jingjing said!

“No way, why is she jealous? We have nothing to do with each other.”

David said very puzzled!

“She must like you. Women’s intuition is very accurate. If you want, take her down together.”

Huo Jingjing said very considerately.

“I never force anything...” David said.

After hearing what David said, Huo Jingjing could only roll her eyes!

If David hadn’t forced herself, maybe she wouldn’t have fallen in love with David.

At this moment, suddenly a terrifying breath came from a distance and directly enveloped the Cangxuan Continent.

The cultivators of the Cangxuan Continent were all shocked!

After all, they had suffered several fatal blows, and now the cultivators of the Cangxuan Continent were like frightened birds.

Along with the rolling breath of terror, a roar of anger rang out.

“David! Get out here and die!”

“Let my daughter go...”

A roar resounded through the sky, shaking the mountains and rivers.

Huo Jingjing suddenly woke up, her face pale: "It's my father! He brought people here!"

David sneered: "You came just in time, it's time to tell him about our relationship."

"We are all relatives, so don't fight and kill each other."

David took Hou Jingjing out.

At this moment, Lan Lianhua's face was solemn, and he was looking up at the void!

The sky was dark, and there were hundreds of monks standing in the air, led by Huo Zhao!

Next to Huo Zhao, there was a masked man with an unfathomable aura.

David recognized him at a glance. This was the temple patrol envoy whose body was destroyed by them.

Chapter 5063

"The Patrol Envoy of the Divine Temple?" Huo Jingjing exclaimed, "Why is he here too?"

The Patrol Envoy glanced coldly below, and his eyes finally fell on David.

"Boy, I'm here for revenge."

The Patrol Envoy said coldly!

"I didn't expect that you would recover your body so quickly, but it's useless for you to recover your body. If I kill you, it will take me a few minutes." Chen

Ping sneered!

He is now a third-grade scattered immortal realm, and it's no problem to deal with this Patrol Envoy.

"I didn't expect that in just a few days, you actually reached the third-grade scattered immortal realm, but it's useless. I'm well prepared this time!"

After the Patrol Envoy finished speaking, the monks of the Divine Temple behind him burst out with terrifying auras one by one.

These people are not from the Eight Palaces, but the strong men brought by the Patrol Envoy himself.

“How many people do you bring? I will kill as many people as you want. I am not afraid of you at all!”

David didn't care!

But Mo Qingyun, Hu Mazi and others looked solemn at this moment!

“David, it's already this time, you should stop pretending. The other party is obviously coming.”

Hu Mazi persuaded David!

He knew that David liked to pretend, but sometimes pretending was fatal.

“Master Hu, don't worry, I'm not pretending this time.”

David smiled!

Because David had a bottom line in his heart, he still had two warrior statues in his body, and these two statues were extremely powerful.

The fifth level of the Immortal Realm was defeated by these two statues, which shows that the strength of these two statues can reach the realm of the sixth and seventh levels of the Scattered Immortal Realm.

If the two statues are united, the burst of strength will be even higher.

The most important thing is that the statue has no life and is not afraid of death. This is the most important thing.

At this time, the Temple Patrol Envoy set his eyes on Huo Jingjing, and then frowned.

“Ants, dare to defile the daughter of the Gods, you deserve to die!”

The patrol envoy roared!

He saw that Huo Jingjing had been defiled.

When Huo Zhao heard this, his eyes widened and he asked Huo Jingjing, “Jingjing, did someone sleep with you?”

Huo Jingjing nodded!

This made Huo Zhao furious, and the Huo Shizi yelled, “Who, who fu**ed my sister? Get out here?”

“It was me...” David smiled faintly!

“David, you’re looking for death...” Huo Zhao wanted to eat David alive.

Huo Jingjing rushed out and knelt down to beg: “Father, Lord Tour Envoy, please let David go! I... I volunteered!”

“What?!” Huo Zhao was furious, “Jingjing, are you crazy? Who is he, and how can he be worthy of you?”

The Tour Envoy’s eyes flashed with cold light: “Women of the God Clan must not marry outsiders! Huo Jingjing, you have violated the God’s law and should be severely punished!”

He raised his hand and waved, and the bone whip in his hand instantly whipped Huo Jingjing!

Huo Zhao was distressed when he saw this, but he did not dare to stop it.

“Be careful!”

David flashed in front of Huo Jingjing in an instant, punched out, and repelled the bone whip!

“Old thing, my woman, it’s not your turn to teach her a lesson!”

The Tour Envoy’s pupils shrank: “You dare to do it, then I will kill you first, and then clean up the house!”

He gave an order, and dozens of temple masters behind him took action at the same time, and all kinds of magical powers bombarded David!

“David!” Huo Jingjing burst into tears.

She didn’t expect that David would protect her so much.

She thought David just had needs for her and had no feelings for her.

But now, she found that she had not fallen in love with the wrong person.

David sneered, muttered something, and suddenly two black lights burst out of his body – it was the two ancient warriors!

The appearance of these two ancient warrior statues stunned everyone!

“Kill!”

David roared!

The two warriors attacked instantly, as fast as lightning.
