### **Chapter 5071**

Tianyuan Pavilion!

In a wide hall, Elder Tong stood quietly. In front of him sat a white-bearded old man. The old man was wearing a wide robe and placed a map of the stars in front of him.

The old man looked at every light on the star map, his expression sometimes solemn and sometimes relaxed.

Elder Tong stood aside and didn't dare to say a word!

The old man suddenly stretched out his hand and waved at a shining star, and the star suddenly disappeared.

However, at the moment when the star disappeared, other stars lit up in other places.

This made the old man frown tightly!

Elder Tong stood aside, not daring to breathe, his body bent, and stood respectfully!

"David..." At this time, the old man suddenly spoke and said David's name!

"Yes!" Elder Tong nodded!

"Gantian Zong?" The old man spoke again! ,

"Yes!" Elder Tong still nodded.

"Tell me about it..." the old man asked!

At this time, Elder Tong told the whole story in detail,

every detail, as if it was played back!

After listening, the old man's face was calm: "So, David not only hurt you, but also got two coffins?"

"Yes!" Elder Tong nodded!

“Do you know about the two warrior statues?”

“No!” Elder Tong shook his head!

“Then you say, should we seek revenge on David?” The old man finally looked up at Elder Tong and asked.

“Everything is subject to the arrangement of the Pavilion Master.”

Elder Tong was very cautious!

After hearing this, the old man couldn't help but smile and said: “Elder Tong, as an elder of Tianyuan Pavilion, you also have your own rights. You don't have to listen to me in everything.”

“Although you only got the position of elder in Tianyuan Pavilion because of your array technique, your elder also has real power, not just a false title.”

“Don't be self-deprecating, you have to show the momentum and attitude of an elder!”

After hearing this, Elder Tong hurriedly said: “Thank you for the advice of the Pavilion Master. I think David should be taught a lesson. In addition, the Mo family cannot be let go. The girl from the Mo family openly cuckolded Tianci, which is very embarrassing for our Tianyuan Pavilion.”

The old man nodded: “Then have you told the Mo family?”

“I said that I want the Mo family to hand over the person, otherwise I will not be polite to the Mo family!” Elder Tong said!

“Yes, we should let the Mo family give us an explanation!” The old man nodded, and then continued: “As for David, I think we should let others deal with it. As long as the news that he has a treasure is leaked, someone will definitely take action.”

“Didn't you say that people from Shura Palace were also at the scene? Maybe they will take action.”

“Let's wait and see. David can also fight against opponents of higher levels, and he may even be more powerful than Tianci. This proves that he is not an ordinary person, and perhaps he comes from a larger family power.”

“I understand!” Elder Tong nodded!

He knew that the Pavilion Master was trying to kill someone with a borrowed knife!

## Chapter 5072

“Tell Tianci to take good care of his injuries and not think about revenge.”

The Pavilion Master said lightly!

“But... with Tianci’s character, I’m afraid...”

Elder Tong was a little embarrassed!

Tianci’s temperament is very arrogant. Now that he has suffered such a blow, how could he not take revenge!

“Humph, if he doesn’t listen, abolish his title of Tianjiao. He is not the only Tianjiao in our Tianyuan Pavilion.”

The Pavilion Master snorted coldly!

“I understand.” Elder Tong nodded repeatedly!

Shura Palace!

The white-robed woman sat upright in a void, and around her, terrible auras were constantly spreading!

The surrounding void, under the shock of these auras, began to become illusory!

I don’t know how long it took, the white-robed woman slowly opened her eyes.

Boom!

The void around her exploded instantly, and the body of the woman in white robe fell directly to the ground!

“Congratulations, Miss, you have reached the eighth level of the Sanxian Realm, and you have replenished the vitality you consumed.”

An old man stepped forward and congratulated the woman in white robe!

The woman in white robe took a deep breath, and her eyes flashed with excitement!

She has been stuck in the seventh level of the Sanxian Realm for many years. Originally, with her strength, she could have gone to the third heaven to try her luck.

However, in order to break through the seventh level of the Sanxian Realm, she has been staying in the Shura Palace.

But for so many years, there has been no breakthrough!

However, during this trip to the ruins, the mysterious old man directly made her realm soar, which made her very happy!

But after knowing that the mysterious old man was a liar, the woman in white robe was a little panicked.

If there is no vitality, what is the use of a higher realm?

So after returning, the woman in white robe can only rely on the resources in the Shura Palace to desperately replenish her vitality, while her soaring cultivation is falling rapidly.

It was obvious that the mysterious old man used some kind of ancient magic, which only temporarily made their cultivation soar.

After hard work, the white-robed woman replenished her vitality, and finally reached the eighth level of the scattered fairyland!

This time, after seeing the awesome Tianci, she no longer had to be afraid.

“Third Elder, I remember you just said that David also came to the second heaven?”

The white-robed woman asked the old man!

“Yes, that David followed Mo Qingyun and was rushing to the Mo family.”

“It should be Tianyuan Pavilion that put pressure on the Mo family. The Mo family had no choice but to recall Mo Qingyun, but David went with them.”

“Should we stop David? After all, he has two coffins from the ruins on him, and I don’t know what treasures will be in the coffins!”

said the old man!

The white-robed woman did not speak, her eyes slightly condensed!

There must be treasures in the coffins in the ruins, and the white-robed woman was also very excited.

But when she thought of David’s strength and the two warrior sculptures, the woman in white was a little scared!

The third elder also saw that the woman in white was in a dilemma, so he said, “Miss, why don’t you send someone to investigate David’s background first?”

“No need, let’s wait and see!” The woman in white shook her head!

The third elder frowned and said, “Miss, if David goes to the Mo family, he will definitely be discovered by the people of Tianyuan Pavilion, and Tianyuan Pavilion will not let him go at that time.” “

If that happens, it is very likely that these two coffins will fall into the hands of Tianyuan Pavilion.”

The woman in white was silent, as if analyzing the pros and cons.

“Miss, don’t think about it anymore, we must not let Tianyuan Pavilion get this treasure.”

The third elder persuaded hard!

The white-robed woman suddenly said, “Third Elder, have you ever thought about why David dared to go to the Mohist School?”

“Doesn’t he know the relationship between the Mohist School and the Tianyuan Pavilion?”

“The reason why he dared to go to the Mohist School is because he didn’t take the Tianyuan Pavilion seriously at all.”

“Why doesn’t he take the Tianyuan Pavilion seriously?”

The series of questions from the white-robed woman stunned the third elder!

Chapter 5073

He really hadn’t thought about these!

Now after hearing what the white-robed woman said, the third elder seemed to understand something!

“Miss, this David has someone backing him up, so he’s not afraid of Tianyuan Pavilion?”

The third elder asked!

“A first-grade cultivator in the scattered immortal realm was able to enter the ruins of the second heaven and even injured Tianci.”

“Even that mysterious old man was discovered to be a liar by this David.”

“With all these behaviors, don’t you think this David is not simple?”

“If we rashly provoke him and offend someone we shouldn’t offend, our Shura Palace will be close to destruction.”The

white-robed woman said worriedly!

After hearing this, the third elder frowned and said, “In this second heaven, except for our Shura Hall, who is not afraid of Tianyuan Pavilion?”

“Even the eight halls of the temple dare not provoke Tianyuan Pavilion...”

“What kind of backer will this David have?”

“There are always people outside the sky, not to mention the entire heaven, even this second heaven is vast enough, and there may be some forces that we don’t know about!” said the white-robed woman!

The third elder was silent, and didn’t know what to say for a while!

“Third elder, notify everyone, if Tianyuan Pavilion deals with David, our Shura Hall can help David, and maybe we can make friends with him.”

“Don’t provoke him, let alone spy on the two coffins, wait and see...”

said the white-robed woman!

“Well, I understand!” The third elder nodded!

.....

In a void in the second heaven!

With the trembling of the void, the figures of David and Mo Qingyun slowly appeared!

“It should be not far from the Mo family!”

Mo Qingyun said after looking at the void in front of him!

“Okay, let’s go...”

David nodded and flew forward with Mo Qingyun!

Since the distance is not far, there is no need for a teleportation array!

You should know that using the teleportation array consumes a lot of resources, and it is not for casual use!

But when the two people just flew, David frowned instantly!

“What’s wrong?” Mo Qingyun asked!

David did not speak, but slowly stretched out his hand and gently waved at the void in front of him!

As David waved his palm, the void in front of him was agitated like water ripples!

“Someone wants to mess with us, this void is fake!”

David said with a serious face!

“Fake?” Mo Qingyun was shocked!

She didn’t expect someone to make a fake void to deceive them!

It seems that this place should not be very close to the Mo family, and now I don’t know where it is!

“Come out, what do you want to do by sneaking around to make a fake void?”

David said coldly to the void!

“Not bad, I can see it at a glance!”

As the void slowly dissipated, the true face of the world was finally revealed.

I saw a young man wearing a cloud robe and showing up with a sneer on his face!

Behind the young man, there were four men in black. Except for their eyes, their bodies were wrapped in black cloth.

However, there was no color or emotion in the eyes of these four people, just like dead people!

“Miss Mo, do you know this person?”

David asked Mo Qingyun!

Mo Qingyun shook his head and said, "I don't know him. The Second Heaven and Earth is vast, and I don't know many people."

Seeing that Mo Qingyun didn't know the young man in front of him, David asked, "Who are you? Why did you create a fake void to deceive us?"

"I am Sang Kun from Shura Palace." The young man said coldly!

"Sang Kun?" David laughed out loud: "Your name, is it because you have a grudge with your parents that they gave you this name?"

David was about to die of laughter. There was actually someone called this name!

"Shut up, my name is Sang Kun, not Sang Kun..." Sang Kun said angrily!

## Chapter 5074

"I don't care who you are, what's the matter with you stopping us?" David asked Sang Kun.

"You are David, right?" Sang Kun said with a cold smile!

"Do you know me?" David was surprised: "I don't think I have seen you before!"

"It doesn't matter if you haven't seen me, you just need to hand over the two coffins you got in the ruins."

Sang Kun said!

David heard that this guy came for the coffin!

"Who do you think you are? Do I have to give it to you if I ask you?" David sneered!

"You don't give me face? Ask around, who doesn't know me, Sang Kun of Shura Palace?"

"If you don't give it to me, then I won't be polite."

Sang Kun's eyes condensed slightly, and he said with murderous intent!

"If I kill this guy, will Shura Palace cause trouble for your Mo family?"

David looked at Mo Qingyun and asked!

Mo Qingyun was stunned, then shook his head and said, "I don't know..."

"Since you don't know, then you should stay away. When this guy dies, it has nothing to do with your Mo family!"

David said!

"Hahaha..." Sang Kun laughed and said, "Boy, you want to kill me? Don't you look at your own virtue? You are just a third-grade scattered fairyland. You dare to kill me?"

"The old man stood still. Even if you stretched out your neck for you to kill, can you kill me?"

Sang Kun's face was full of disdain, and he stretched his neck directly in front of David!

"I have never seen such a request in my life. In this case, I will fulfill your wish!"

After David finished speaking, a dragon-slaying sword suddenly appeared in his hand, and then he swung it!

The sword light flashed directly!

Sang Kun's head was instantly chopped off by David without any hesitation!

"Young Master..." The four men in black were all shocked!

They never expected that David would actually dare to take action and kill Sang Kun directly.

"You all heard it. It was your young master who asked me to kill him. I am also helping him."

"As for the cost of my help, I won't ask you for it."

After David finished speaking, he pulled Mo Qingyun to leave, but was stopped by four men in black!

One of the leading men in black said, "You killed our young master and you still want to leave?"

"What? You want to accompany him too?"

David smiled lightly, and a terrifying breath burst out from his body.

This breath directly made the four men in black tremble.

Feeling the breath of David, the four men in black did not dare to take action.

Because they were not sure that they were David's opponents!

Seeing that the four guys did not move, David directly pulled Mo Qingyun away!

"Brother, the young master was killed, are we just going to let him go?"

"Yes, if we go back, how can we explain to the Palace Master?"

The other men in black said with some dissatisfaction!

"Shut up, what do you know." The leading man in black frowned: "This guy named David is not simple, the four of us may not be his opponent."

"The four of us brothers can't get much resources in the Shura Palace in a year, why bother to risk our lives."

"When we go back, we just need to report to the eldest lady, and this matter has nothing to do with us."

"Remember this in the future, report if there is anything, as long as it is reported, it has nothing to do with us."

After saying that, the leading man in black slowly disappeared!

At this time, David took Mo Qingyun to the Mo family.

Mo Qingyun asked in confusion: "David, why did you dare to kill the man from Shura Palace just now?"

"Why didn't you dare to kill him?" David smiled faintly: "I don't take Shura Palace seriously at all. He actually wanted to rob my things, so of course I had to kill him, and it was his own request."

"If I don't meet this kind of request, I would be too ignorant!"

## Chapter 5075

“Hey, you have offended Tianyuan Pavilion, and now you have offended Shura Palace. I’m afraid you can’t stay in the second heaven!”

Mo Qingyun sighed!

“I don’t plan to stay in the second heaven for a long time. I have no problem going to the third heaven with my strength.”

“I want to break through the third heaven. When the time comes, no one in the heaven will dare to provoke me easily!”

David said!

David has no friends under the third heaven, and even Mr. Shi doesn’t care about him!

Everything can only be done by himself! But

once he breaks through the third heaven, he will have many friends in the heaven!

Wind Demon, Blood Demon, Yin Demon...

God Pattern Ancestor, Array Demon... Wuji

Taoist, Wuwei Taoist, the two of them are immortals of the Leiyin Temple of the fourth heaven!

There are also Nan Batian, Li Chunfeng, Shen Zhiyan, and Musha who were subdued in the De Deng Ladder. These are also immortals above the third heaven in the immortal world, and they have agreed to serve them for three hundred years!

When David reaches the third heaven, he will not have to be so cautious and targeted everywhere!

“Boasting...” Mo Qingyun rolled his eyes at David!

She didn’t quite believe that David had that kind of ability and knew people above the third heaven in the heaven!

David just smiled and didn’t say anything else. Mo Qingyun thought it was normal for him to brag!

.....

Shura Hall!

The woman in white robes was sitting in the hall, and the four men in black in front of her were kneeling on the ground with trembling expressions!

“You said Sang Kun was killed by David?”

The woman in white robes asked indifferently!

“Yes, we saw it with our own eyes, we can’t be wrong!” said the leader of the men in black!

“Why? Why would Sang Kun go looking for David? It seems like they don’t know each other?”

“And I’ve also asked the Third Elder to notify everyone that no one is allowed to cause trouble for David!”

The white-robed woman began to exude murderous intent, causing the black-robed man to tremble even more violently!

“It is... it is the news that Master Sang Kun got from Tianyuan Pavilion, saying that David has treasures from the ruins, so... that’s why he took

action against David.” The leader of the men in black said cautiously!

“Stupid...” The woman in white robe slapped the table in front of her in anger, and it shattered instantly.

“Miss, calm down!”

“Master Sang Kun is your brother after all!”

The third elder stepped forward to persuade!

“Humph, I don’t have such a stupid brother!” The woman in white robe condensed her eyes slightly: “It is obvious that Tianyuan Pavilion wants to kill someone with a borrowed knife, but I didn’t expect this idiot to be fooled.”

“Who in Tianyuan Pavilion instigated Sang Kun?”

“It was Elder Tong of Tianyuan Pavilion who did it. He told Master Sang Kun about the treasures on David.”

The leader of the men in black hurriedly replied!

“This Tianyuan Pavilion, it seems that they want us in Shura Palace to test the depth of David.”

“Third elder, you should find a way to teach Elder Tong of Tianyuan Pavilion a lesson, let them know that we in Shura Palace are not fools, and are not so easy to use!”

The white-robed woman said in a cold voice!

“Miss, now that Master Sangkun is dead, if the Palace Master comes out of retreat, how can we explain it?”

The third elder frowned slightly!

“Explain it, he died of his own stupidity, and no one else can be blamed. Besides, my father has more than one son, so it doesn’t matter if a few die.”

The white-robed woman said casually!

Although Sangkun is her younger brother, they are not brothers from the same mother, but the children of the Palace Master of Shura Palace and other women!

The Palace Master of Shura Palace has more than a dozen women who practice dual cultivation, so there are many children born!

Because the white-robed woman is the oldest, has the highest strength, and is smart, so after the Palace Master retreated, the affairs of Shura Palace were handed over to the white-robed woman!

“Miss, what about these people?” The third elder pointed to the four men in black and asked!

“If they can’t even protect the master, what’s the use of them!”

“Kill...”

The woman in white robe waved her hand, and the four men in black didn’t even have time to scream before they turned into ashes!
