Chapter 5076

It was almost dusk when David and Mo Qingyun entered the Mo family mansion.

Dozens of figures had been waiting for a long time under the gate with carved beams and painted buildings.

The leader was wearing a black brocade robe, but his sword-like eyebrows and star-like eyes could not hide the sinister look in his eyes. It was Mo Qingyun's cousin Mo Qingchen.

"Mo Qingyun, you still remembered to come back? Do you know that just because you left without permission, Tianyuan Pavilion has put pressure on our Mo family!"

Mo Qingchen stepped forward, his eyes swept over David, and a sneer appeared at the corner of his mouth, "You brought a wild man back, and the Mo family has lost face!"

Mo Qingyun's face turned pale, and just as he was about to speak, David had stepped forward half a step and said lightly: "Mo Qingchen, right? You'd better speak clearly."

"Who do you think you are?"

Mo Qingchen shouted angrily: "This is my Mo family's business, and you, an outsider, better get away."

After Mo Qingchen finished speaking, he stared at Mo Qingyun fiercely and continued: "Tianyuan Pavilion put pressure on the Mo family because of you, and now the whole family is implicated! If it weren't for you flirting with others, how could Master Tianci be angry?"

"Shut up!"

Mo Qingyun's father Mo Wuji walked out of the room and raised his hand to stop Mo Qingchen.

There was a complexity in his eyes when he looked at his daughter, with both blame and heartache: "Qingyun, do you know that Tianyuan Pavilion has sent a message? They ask... ask you to marry Young Master Tianci in three days."

"Father!"

Mo Qingyun exclaimed: "I don't have any feelings for Tianci at all. This is a deal! You clearly promised me..."

"Enough!"

Mo Qingchen interrupted: "The family has protected you from wind and rain for so many years, and now it just lets you marry into Tianyuan Pavilion in exchange for peace, but you bring a wild man back to slap the family in the face? Let's talk about this guy..." Mo Qingchen

suddenly turned to David, his eyes vicious: "He is just a little cultivator of the third rank in the scattered fairyland, how can he compare with Young Master Tianci?"

Someone in the Mo family's senior management echoed: "Master, this boy hooked up with Miss Qingyun from nowhere, and now the family is targeted by Tianyuan Pavilion. He must be severely punished!"

"That's right, first destroy his cultivation, and then hand him over to Tianyuan Pavilion to apologize!"

These high-level Mo family leaders are actually targeting David!

Mo Wuji's face was livid, and he clenched and loosened his hands, obviously weighing the pros and cons.

Seeing this, David suddenly chuckled: "The Mo family is known as a famous family in the second heaven, but they have to sacrifice their daughter's happiness in exchange for peace? A group of cowards are also worthy of talking about character?"

"How dare you!"

A senior Mo family member slammed the table and stood up, "Who do you think you are? How dare you run wild in my Mo family?"

Mo Qingchen's face was livid, and he pointed at David fiercely: "Come on, teach this ignorant kid a lesson!"

Four Mo family guards rushed out in an instant, all of them were scattered fairyland third-grade, and rushed towards David with great momentum!

Four scattered fairyland third-grade targets David, a scattered fairyland third-grade, are definitely more than enough!

"David, don't kill people!"

Mo Qingyun was not worried about David, but just reminded David not to kill people.

After all, these people are all from her Mo family!

After hearing what Mo Qingyun said, all the other people in the Mo family looked at her with dissatisfaction.

It was obvious that Mo Qingyun meant that the four third-grade Loose Immortal Realm warriors of the Mo family could not defeat David alone!

David nodded to Mo Qingyun, and then he waved his hand without even raising his eyelids.

Boom!

The four guards flew backwards as if they had hit an invisible wall, and slammed heavily on the pillars of the hall, spitting blood!

“What?”

Mo Qingchen’s pupils shrank suddenly.

He clearly sensed that David was only a third-grade Loose Immortal Realm warrior, how could it be possible...

The other Mo family members were also shocked. David was only a third-grade Loose Immortal Realm warrior, how could he repel four third-grade Loose Immortal Realm warriors with just a wave of his hand?

Could it be that this guy would also fight against opponents of higher levels?

Chapter 5077

“You dare to shout with such ability?”

David sneered, “If the Mo family only has this kind of stuff, it’s better to close down as soon as possible.”

“as*hl*!”

Mo Qingchen couldn’t bear it anymore and took action himself!

He was a fifth-grade scattered fairyland, a genius among the younger generation!

“You are looking for death!”

Mo Qingchen was furious, and three white lights flew out of his sleeves, turning into sharp blades and rushing straight to David’s door. The third-grade

scattered fairyland was nothing but an ant in front of him, a fifth-grade scattered fairyland. With this blow, he wanted to cripple David on the spot!

However, before the cold light came, David flicked his fingertips, and a golden sword energy broke through the air, instantly shredding the white light into pieces.

Mo Qingchen’s pupils shrank suddenly, and before he could react, David had already approached him, and put his index and middle fingers together like a knife, and pointed at his throat: “I’ll give you three breaths to apologize to Qingyun.”

“You... you dare to touch me?”

Mo Qingchen’s voice trembled, but he still held on, “I am a direct descendant of the Mo family. If you hurt me, the entire Mo family will not let you go!”

“Oh?”

David raised his eyebrows and applied a little force with his fingertips. Mo Qingchen suddenly felt his throat tighten and his breathing was difficult.

His face flushed, and he looked around in horror, but he saw that the Mo family’s senior executives were either afraid or turned their heads away, and no one dared to come forward to help.

“Three...” David began to count.

“Two...”

“I, I apologize!”

Mo Qingchen couldn’t hold on any longer and screamed: “Qingyun, I’m sorry! I shouldn’t scold you... Please ask him to stop!”

David let go of his hand, and Mo Qingchen staggered back, holding his neck and coughing non-stop, his eyes full of resentment.

The whole audience was silent!

No one expected that Mo Qingchen, a fifth-grade scattered fairyland, would have no power to fight back in front of David, a third-grade scattered fairyland!

Mo Wuji looked at David with a complicated look: "This little friend is very powerful. I wonder where his master is from?"

If David also has a master behind him, then the Mo family can climb up the big tree of David and don't have to look at the face of Tianyuan Pavilion!

David said calmly: "No sect, no school, just a casual cultivator."

Mo Wuji was startled. How could a casual cultivator have such strength? This boy is definitely not simple!

"Uncle!"

Mo Qingchen looked at David coldly and said: "He dared to take action in the Mo family, he must not be forgiven! And Qingyun and him..."

"Enough!"

Mo Wuji shouted: "Isn't it embarrassing enough?"

"Now I am still the head of the family, it is not your turn to tell me what to do!"

Then Mo Wuji turned to David and said in a gentle tone: "My friend, this matter is due to the lack of strict discipline in my Mo family, please forgive me."

David smiled and waved his hand: "It doesn't matter, I just can't stand some people who have no ability but push the responsibility to women."

Mo Qingchen's face was livid, his fists were clenched, but he dared not speak again.

"Since you are Qingyun's friend, it's late, so stay here and let Qingyun arrange it for you!"

Mo Wuji said!

"Thank you, Master Mo!" David bowed his hands to thank him.

David followed Mo Qingyun and left. Mo Qingchen, who was watching the two leave, had a vicious look in his eyes.

Mo Qingchen turned around and secretly came to a secret room and crushed a jade talisman for sending messages.

After a moment, an illusory figure emerged. It was Elder Tong of Tianyuan Pavilion!

"Mr. Mo, how is it going?"

Elder Tong asked with a sinister smile.

Mo Qingchen gritted his teeth and said, "Mo Qingyun is back, but he is following a guy named David. This guy's strength is a bit abnormal."

"I know, you should not underestimate that David." Elder Tong said!

"Elder Tong, will this guy's sudden appearance affect my being the head of the Mo family?" Mo Qingchen asked anxiously!

"It shouldn't be. David can't stay in the Mo family forever."

"Besides, I will come to the door in person with Mr. Tianci tomorrow. You just need to..."

The voice of conspiracy gradually became low.

Chapter 5078

At the same time, in Mo Qingyun's boudoir, she began to prepare a sleeping place for David.

"David, you'd better leave as soon as possible tomorrow." Mo Qingyun said worriedly, "My cousin is narrow-minded, he will definitely take revenge on you."

But David smiled and said, "No hurry, I want to see what tricks he can play."

"But..."

"Don't worry." David interrupted her, "After tomorrow, no one in the Mo family will force you to get married."

Mo Qingyun was startled. For some reason, she saw a trace of heart-pounding chill in David's eyes.

"Even if I get married, I will not give my complete body to Tianci, do you understand?"

Mo Qingyun looked at David with affection!

David nodded and said, "I understand. Don't worry. I won't let you down!" After

saying that, David pressed Mo Qingyun under him!

Mo Qingyun didn't struggle. She had been waiting for David, waiting for David's love...

This night passed quickly and slowly!

Neither David nor Mo Qingyun noticed that outside the door, Mo Wuji was standing quietly!

The expression on his face was sometimes sad, sometimes happy.

The next morning!

Mo Wuji summoned all the senior members of the Mo family to the meeting hall.

He had already decided to let Mo Qingyun follow David. After all, the two of them had practiced dual cultivation last night!

If Mo Qingyun was sent to Tianyuan Pavilion, it is estimated that Tianyuan Pavilion would not appreciate it.

When Tianci knew that Mo Qingyun was no longer a big girl, he would definitely vent his anger on the Mo family!

David and Mo Qingyun also came, and the two stood on one side of the hall!

"Everyone, I summoned you this morning to tell you that my daughter Qingyun will be with this Mr. Chen!"

"I won't send her to Tianyuan Pavilion, nor will I force her to marry Tianci, that androgynous guy!"

Mo Wuji said to everyone!

Everyone was shocked when they heard this.

Mo Qingyun and David were also stunned, especially Mo Qingyun. She didn't expect her father to make such a decision.

Mo Qingchen stood up and said, "Uncle, do you know that your decision will harm the entire Mo family."

"Tianyuan Pavilion will not allow such a thing to happen. By then, I'm afraid that our Mo family will completely disappear from the Second Heaven."

Along with Mo Qingyun's alarmist words, other senior members of the Mo family also spoke up!

“Master, this must not happen.”

“You have to consider the entire Mo family!”

“What’s wrong with the eldest lady going to Tianyuan Pavilion? It’s better than this stranger!”

Everyone in the Mo family stopped him!

Mo Wuji’s face was very ugly. He could feel that most of these Mo family senior members had been bribed by Mo Qingchen and followed his nephew wholeheartedly!

“Okay, let’s not discuss it now. I’ll tell you the truth. Even if Qingyun is sent to Tianyuan Pavilion, Tianyuan Pavilion will not want her.”

“Last night, Qingyun has been practicing dual cultivation with Young Master Chen. Now she is Young Master Chen’s person!”

Mo Wuji said with a wave of his hand!

When Mo Qingyun heard this, her face flushed immediately. David was also very embarrassed. He slept with someone else’s daughter, and her father knew about it outside!

And everyone in the Mo family was shocked, and they all looked panicked!

If they angered Tianyuan Pavilion, their Mo family would not be able to withstand the anger of Tianyuan Pavilion

! Just as everyone in the Mo family was arguing in the meeting hall!

In a room in Tianyuan Pavilion, Tianci was still injured and had not fully recovered.

Elder Tong took out a porcelain bottle and threw it over!

“Take these pills, it will be good for your injuries.” Elder Tong said!

“Elder Tong, now that David is with Mo Qingyun, they are all in the Mo family. What should we do?”

Tianci asked while opening the porcelain bottle and pouring the pill into his mouth!

Chapter 5079

“What else can we do? Of course we have to go to the Mo family to ask for an explanation!” Elder Tong said!

“But didn’t the Pavilion Master say that we can’t deal with David anymore, otherwise he will get rid of my name as a genius!”

Although Tianci is moody and kills people like crazy, he still obeys the Pavilion Master!

He dare not disobey the Pavilion Master!

“We are just going to the Mo family to ask for an explanation, and we won’t bother with David. If David takes the initiative to stand up, it will not be our fault.”

Elder Tong’s eyes were filled with murderous intent: “Let’s bring more people, and David will be honest, but if he dares to meddle in the affairs of the Mo family, then we will settle all the new and old grudges together!”

“Okay!” Tianci nodded!

.....

The Mo family’s meeting hall!

Mo Wuji had a cold face and was going to force everyone to disperse. There was no need to continue this meeting.

But just as Mo Wuji was about to speak, the sky outside the Mo family’s meeting hall suddenly darkened, and more than a dozen gray-robed figures came like a dark cloud.

The leader, Elder Tong, stood with his hands behind his back, his sinister eyes swept over everyone in the hall, and finally fell on Mo Wuji’s face.

Mo Wuji’s pupils suddenly shrank, and his Adam’s apple rolled forward two steps, and the soles of his shoes made a harsh sound on the bluestone slabs.

He raised his hand to bow in an effort to remain calm, but his voice was trembling unnoticeably: “Elder Tong and Young Master Tianci are honored to have you here, and the Mo family is honored...”

“Honored?” Elder Tong sneered, and a gust of wind was raised when his sleeves rolled up, abruptly interrupting Mo Wuji’s words.

He stepped into the air, and every step seemed to be stepping on Mo Wuji’s heart, “Mo Wuji, you are so brave!”

Tianci followed closely behind, his face was as blue as a poisoned blade, staring at Mo Qingyun with eyes that almost cut through her.

The wound he was seriously injured by David was still aching, and the anger at this moment made his eyes bloodshot: "Mo Qingyun, you are really great!"

Mo Wuji was sweating all over, and he glimpsed his daughter hiding behind David. He gritted his teeth and said, "Elder Tong, this matter... There is a misunderstanding..."

"Misunderstanding?"

Elder Tong suddenly raised his hand, and a spiritual power turned into a long whip and whipped the pillar of the temple, and the gravel flew and frightened everyone to retreat.

He pointed at the tip of Mo Wuji's nose, "Can the engagement of Tianyuan Pavilion be misunderstood? Let me ask you, has Mo Qingyun practiced dual cultivation with this wild man?"

The last three words hit the hall like a heavy hammer, and the Mo family's senior executives were instantly in an uproar. They didn't expect that Tianyuan Pavilion also knew about this.

Mo Qingchen's eyes flickered, and he took the opportunity to take a half step forward, with a sinister smile on his lips.

Mo Wuji's face was as pale as paper, and he staggered back half a step, clenching his fists under his sleeves to prevent himself from falling.

He didn't dare to look at Mo Qingyun, but had to speak: "It's true... But Elder Tong, this is my daughter's own will, and the Mo family really can't stop it..."

"Can't stop it?"

Tianci was furious, and a ball of dark blue flame condensed at his fingertips, "My Tianci's woman was slept with by someone else, and you told me that you can't stop it?"

The flame "bang" hit the ground, instantly burning a charred hole: "Today I will make the Mo family disappear!"

Tianci's words directly frightened everyone in the Mo family and trembled all over!

They knew that Tianyuan Pavilion was really angry, otherwise there wouldn't be so many masters coming!

"Young Master Tianci, calm down!" Mo Qingchen stood up and said, "This matter was entirely done by Mo Wuji, and it has nothing to do with the rest of our Mo family!"

“But he is the head of the Mo family. If he asks you to take action against my Tianyuan Pavilion, will you not listen?”

Elder Tong asked Mo Qingchen!

The two people were obviously directing and acting by themselves. They knew each other's details, but they pretended to know nothing!

Mo Qingchen turned and stared at Mo Wuji, his eyes full of fierceness: “Uncle, you have no way to manage the family, and you indulge your daughter to ruin the reputation of the Mo family, and even disregard the safety of the family, so I can only kill my relatives for the sake of justice. Now I will be the head of the Mo family!”

Chapter 5080

As soon as these words came out, half of the senior members of the Mo family echoed them.

Mo Qingchen had secretly bribed these people a long time ago. Seeing that the time was ripe, they immediately attacked him.

“The head of the family's move is indeed inappropriate!”

“The Mo family cannot be destroyed in his hands!”

“Please ask Master Tianci to make the decision for the Mo family!” Mo

Wuji widened his eyes, looking at those faces who used to be submissive to him but were now full of betrayal, and felt dizzy.

He staggered and held onto the pillar of the hall, his nails almost digging into his palm: “You... You actually...”

“Father!” Mo Qingyun exclaimed, and wanted to step forward but was gently pulled back by David.

She turned her head to look at David, but saw that he looked calm, and there was even a sneer on the corner of his lips.

David had long discovered that this Mo Qingchen must have been secretly colluding with Elder Tong and others, with the purpose of seizing the position of the head of the family!

“Are you done?”

David finally spoke with disdain in his eyes, “A bunch of jumping clowns dare to play tricks in front of me?”

“You have already discussed it, right? Why are you pretending to be so hypocritical?”

“And you two defeated generals, why don’t you learn your lesson?”

David’s words made everyone in the Mo family stunned!

Especially Mo Qingchen, he didn’t even know that David had fought with Elder Tong and Tianci!

It seems that David has defeated the two!

Elder Tong’s pupils suddenly shrank, and he subconsciously took a half step back.

The loss he suffered at the hands of David was still vivid in his mind. At this moment, seeing the momentum surging around him, he actually felt a sense of oppression like facing a mountain.

But thinking that the dozen masters brought today were all fifth-grade masters of the Sanxian Realm, he gritted his teeth and sneered: “David, do you really think you can fight against my Tianyuan Pavilion by yourself?”

Although he knew that David could fight against opponents of higher levels, with so many of them, David was definitely not an opponent!

A tiger can’t stand up to a large number of people!

“Fight?”

David raised his eyebrows, flicked his fingertips lightly, and a golden light flew past Elder Tong’s ear, cutting off a strand of his white hair, “Just relying on you trash?”

Tianci was furious: “Kill him for me!”
Before he

finished speaking, more than ten figures attacked at the same time! Various terrifying auras hit David like a rainstorm, and the entire meeting hall was instantly reduced to ashes.

Mo Qingyun’s face was pale, and he subconsciously wanted to rush forward, but was held tightly by Mo Wuji.

He knew that if Mo Qingyun rushed forward, he would die in vain.

Now it depends on David's own strength.

I saw a golden light appearing around David at some point, and then a piece of golden scales covered David's whole body!

The indestructible golden body was activated!

At the same time, two black mists surged out of David's body and turned directly into two warriors!

The two warriors held big knives and directly chopped off those violent auras.

The missed aura hit David, but David did not dodge or evade, and was as steady as a mountain.

"This... How is this possible?"

Mo Qingchen was stunned and stepped back subconsciously, but ran into Tianci's cold eyes.

Elder Tong frowned, and was even more frightened.

A dozen of the fifth-grade scattered immortals couldn't shake David at all?

Especially these two warrior statues, it was too outrageous!

Seeing this, Mo Wuji's body was trembling with joy. He had long seen that David was extraordinary, but he didn't expect him to be so awesome. It seemed that he made the right bet!

"Is that all you can do?"

David sneered, raised his hand and waved it gently.

A breath suddenly spread out, surging around like a tide.

Those besieged Tianyuan Pavilion masters were pushed away by invisible giant hands and flew backwards.

At the same time as those Tianyuan Pavilion masters flew backwards, two warriors also jumped up!

More than a dozen Tianyuan Pavilion masters followed the two warriors to fight together!

However, as soon as they fought, more than a dozen Tianyuan Pavilion masters felt the pressure!

After all, these two warriors were not alive, had no thoughts, and were not afraid of death.

With screams, more and more Tianyuan Pavilion masters began to fall!
