## Chapter 5106

The pupils of the Taoist Xuanjizi shrank suddenly, and he used up his last bit of strength to sacrifice a defensive magic weapon in the shape of a tortoise shell. The runes on the tortoise shell flickered, emitting a heavy defensive aura.

“Puff...”

However, under David’s sword, the tortoise shell, which was known for its unparalleled defense, was like paper and was instantly chopped apart. The Dragon Slaying Sword continued to move forward and directly chopped off the head of the Taoist Xuanjizi. The

Mountain Splitting Barbarian King, who was hit hard in the distance, saw that the head of the Taoist Xuanjizi was chopped off, and his face became very ugly. He climbed up with difficulty and wanted to escape!

But just after taking a few steps, a sword light came towards the Mountain Splitting Barbarian King.

“Puff...”

The huge head of the Mountain Splitting Barbarian King was also chopped off to the ground by this sword light!

Madam Mei Xin spat out blood from her mouth, and looked at David, who was like a demon, and was so scared that her whole body was shaking!

“Please, spare my life, I am willing to follow you and serve you for the rest of my life.”

“We are all female cultivators in the Blood Shadow Palace, and you can play with us as much as you want.”

“As long as you spare my life, I can also serve you. My sister’s body has not been touched by anyone!”

Madam Mei Xin’s eyes were full of tenderness, and she looked at David affectionately!

She hoped that this method could help her find a way to survive!

She didn't want to die. After all, after practicing for so many years, she would soon break through the scattered immortal realm, and then leave the third heaven, reach the fourth heaven, and become a real immortal!

"Humph, do you think I like playing with women like this silly boy?"

David snorted coldly, and the voice of the Red Cloud Demon Lord came out of his mouth!

David is now possessed by the Red Cloud Demon Lord, so this kind of seduction is useless to him!

"Puff..."

With a flash of sword light, Madam Mei Xin's head was also chopped off!

In just a few breaths, three powerful ninth-grade scattered immortals were killed one by one in front of David, who was possessed by the Scarlet Cloud Demon Lord! There was

a dead silence between heaven and earth, and everyone stared at this scene in amazement, their minds blank.

A fourth-grade scattered immortal killed three ninth-grade scattered immortals!

Is this... is this still a human?

Mo Qingyun looked at the figure standing in the void, surrounded by black flames, like a demon god, and tears burst out again.

She didn't know what price David paid, but she knew that David once again broke out such a terrifying power to protect her.

"David..."

She called softly, her voice full of worry and heartache.

David slowly turned around and looked at Mo Qingyun. The red light in his eyes gradually faded, and the black lines on his face also disappeared. His body slowly returned to its original state, but his face was frighteningly pale.

"I'm fine..."

David squeezed out a smile, then took back the two broken warriors, and walked to the three people with the Dragon Slaying Sword.

After plundering the resources of the three people, David collected the heads of the three people!

“Tianyan Sect, Savage Ancient Clan, Blood Shadow Palace, when I go to the Third Heaven, the first one to be destroyed is you!”

David’s eyes exuded a strong murderous intent!

The crowd in the distance watched this scene, and they were all silent. No one dared to step forward, and no one dared to think about the treasures of the ancient ruins.

Seeing David’s eyes looking over here, these people wanted to turn around and run away!

“Stop...” David’s cold voice sounded!

Just these two words made more than a dozen monks dare not move, because they knew that with their current strength, as long as David wanted their lives, it would only take a snap of a finger!

“Leave the resources on you, and then get out...”

David said!

More than a dozen monks did not dare to hesitate at all, and took out their storage bags and threw them in front of David, and then quickly fled!

David put away those storage bags and suddenly spurted out a mouthful of blood!

“David...” Mo Qingyun saw this and hurried forward to support David!

“Go to the Eighth Palace...”

David said weakly!

This stop caused David to be seriously injured, especially the possession of the Red Cloud Demon Lord, which caused too much damage to his body. David must find a safe place and slowly recuperate!

Chapter 5107

Eighth Palace!

Huo Zhao, Huo Jingjing, and Huo Feng were in the main hall, and their faces were very ugly!

Especially Huo Feng, his face was full of fear and tension! On

the main seat of the Eighth Palace, a monk who looked very young sat on it, holding a teacup in his hand, drinking tea gently!

This person was the Seventh Palace Master from the Three Heavens.

Huo Zhao and the other two looked at the Seventh Palace Master with great fear!

“Palace Master Huo, you don’t have to be afraid, I just came to see you. I heard that you betrayed the temple, and the Fourth Palace Master notified me to come and take a look!”

“I’m also very curious, who on earth could make you resolutely betray the temple?”

The Seventh Palace Master asked lightly!

“If we don’t betray the temple, we have no way to survive. People like you and me who are outside the temple get less and less resources each time.”

“And we are not allowed to practice dual cultivation and intermarry with foreigners. This is self-contained. Sooner or later, our temple and even the entire God Clan will be lonely!”

Huo Zhao said to the Seventh Palace Master!

“How dare you...”

The Seventh Palace Master frowned, waved his hand lightly, and Huo Zhao flew backwards and fell heavily to the ground!

At this moment, Huo Zhao’s blood surged, and he almost rolled his eyes!

The Seventh Palace Master began to disperse the peak of the fairyland, which was not something Huo Zhao could deal with at all!

“Father...”

Huo Jingjing and Huo Feng hurried forward and helped Huo Zhao up!

Huo Jingjing looked at her father Huo Zhao spitting blood, and red anger instantly ignited in her eyes.

She suddenly drew her sword from its sheath, and the sword trembled as spiritual energy surged. She pointed at the Seventh Hall Master who was sitting high in the main seat, and her voice trembled with anger: "Seventh Hall Master! You dare to hurt my father! Disciples of the Eighth Hall, listen to my order. Even if you risk your life today, you must make him pay for what he did!"

Before she finished speaking, dozens of cultivators in the Eighth Hall responded with a roar. Spirit blades and magic weapons were sacrificed together, and the spiritual power fluctuations gathered into a scorching wave, rolling towards the Seventh Hall Master.

Huo Feng's face was pale, but he gritted his teeth and clenched the weapon in his hand, blocking Huo Zhao.

The Seventh Hall Master put down the teacup, and a cold disdain appeared at the corner of his mouth.

He didn't even stand up, but just casually pointed his fingertips, and a golden breath that was as solid as a substance suddenly burst out, crashing into the crowd like a crushing force.

"An ant trying to shake a tree."

He chuckled faintly, and wherever his aura passed, the monks from the Eight Halls flew backwards like kites with broken strings, their magic weapons shattered, blood splattered, and they instantly fell all over the hall.

"Jingjing! Stop!"

Huo Zhao struggled to get up and grabbed his daughter, "He is at the peak of the realm of scattered immortals, we... are no match for him at all!"

Huo Jingjing shook off her father's hand, her hair disheveled and her eyes full of unwillingness: "Are we just going to watch him bully us?"

The Seventh Palace Master slowly stood up, his eyes like a knife sweeping over everyone, his tone filled with biting sarcasm: "A bunch of ants dare to talk about betrayal? Eighth Palace Master, the David you mentioned is the reason you dare to be the enemy of the Temple?"

He paused, and his voice suddenly rose and echoed in the hall, "David! If you don't show up again, I will clean up the door for the Temple today and have the Eighth Palace removed from the list!"

"Seventh Palace Master, I said David is not here. Even if you really destroy us, David will not be able to show up!"

Huo Zhao said to the Seventh Palace Master!

“Really? Since David is not here, I will kill you first.” The Seventh Palace Master smiled coldly: “After I kill you, I will go find David and see who he is!”

As soon as he finished speaking, two hurried footsteps came from outside the palace.

David supported Mo Qingyun’s shoulders and walked slowly into the palace.

His face was slightly pale, and there was still a trace of blood at the corner of his lips. It was obvious that his injuries had not healed, and the fluctuations of his internal breath were also slightly disordered. The previous fight with the strong man of the third heaven had greatly reduced his strength.

## Chapter 5108

Mo Qingyun’s eyes were cold, and he stood in front of David, but was gently pushed away by him.

The Seventh Palace Master’s eyes fell on David, and he seemed a little surprised. He didn’t expect David to be so young!

“Are you David?” The Seventh Palace Master asked David!

“Yes!” David nodded: “Who are you?”

“The Temple, the Seventh Palace Master, I’m here to meet you today.” The Seventh Palace Master said!

David raised his eyes and looked at the Seventh Palace Master. Not only was he not afraid, but he showed a smile: “Seventh Palace Master came to meet me, I am so honored.”

His tone was relaxed, even with a bit of ridicule, which made the Seventh Palace Master’s pupils shrink slightly.

Although David’s breath was unstable, he was full of the calmness of someone who had experienced life and death. His calm demeanor was not something that ordinary cultivators could have.

“Are you injured?” asked the Seventh Palace Master!

David nodded without hiding anything: "I just killed a few cultivators from the Third Heaven. They were blind and provoked me!"

The Seventh Palace Master was stunned, then sneered: "Are you the most boastful? Which cultivator from the Third Heaven is not above the seventh rank of the Loose Immortal Realm? You can kill them?"

In the eyes of the Seventh Palace Master, David was only the fourth rank of the Loose Immortal Realm. How could he kill several cultivators from the Third Heaven!

He was clearly just bragging, and then he made himself timid!

"Boasting?"

David chuckled and took two steps forward. The remaining spiritual energy in his body suddenly burst out. Although it was not at its peak, it also carried a fierce killing intent. "I only know that anyone who stands in my way deserves to die."

"Seventh Palace Master, are you here today to try my sword or to listen to my reasoning?"

His words were as sharp as a knife. The Seventh Palace Master was shocked by his momentum for a moment, and muttered in his heart: David's breath is obviously weakening, why is his eyes so fierce? Does he have a backhand?

"I am following the order of the Fourth Palace Master to see what kind of person can make the Eighth Palace betray." The Seventh Palace Master said!

"Now that you've seen it, can you leave?"

David asked.

"Leave?" The Seventh Palace Master raised his mouth and said, "If I don't leave, what can you do? Are you going to kill me?"

The Seventh Palace Master's eyes were full of ridicule and disdain!

Even if David had any tricks up his sleeve, a mere fourth-grade scattered fairyland was nothing to worry about!

"Is it difficult to kill you?"

David smiled coldly, and suddenly raised his hand. Three bloody heads flew out of the storage ring and were thrown to the ground by him, rolling to the feet of the Seventh Palace Master.

The heads had wide eyes and a frightened expression on their faces. They were the three famous ninth-grade scattered fairyland masters from the Three Heavens!

The Seventh Palace Master looked down, his pupils suddenly shrank, his whole body shook violently, and even his voice trembled: "This... This is the Taoist master Xuanjizi of the Tianyan Sect! And the barbarian king Lishan of the ancient tribe! And... Madam Meixin of the Blood Shadow Palace!"

"They... How could they die in your hands?"

These three people are all notorious in the Three Heavens. They are the ninth-grade strength of the scattered immortal realm. If the three of them join forces, even he is not a match. But now they have been beheaded by David!

David wiped the blood from the corner of his lips, and his tone was calm but with a thousand pounds of strength: "They wanted to kill me, so I killed them. Seventh Palace Master, how do you think you are better than them?" The

Seventh Palace Master looked at the undisguised murderous intent in David's eyes, and thought of the fate of these three people, and felt a chill rushing from the soles of his feet to the top of his head.

Although he was at the peak of the scattered immortal realm, he had long lost his confidence in the face of David, who could kill three ninth-grade masters of the scattered immortal realm.

"You..."

He staggered back a step, pretending to be calm and said: "Okay, good David! I will report today's events to the temple truthfully!"

After that, he did not dare to stay any longer, turned into a stream of light, and fled from the Eighth Palace in a hurry.

Seeing that the Seventh Palace Master was fooled away by him, David was relieved and suddenly spat out a mouthful of blood!

Chapter 5109

"David..."

Huo Jingjing and Mo Qingyun stepped forward to support him at the same time!

“Brother-in-law...”

“My dear son-in-law...”

Huo Zhao and Huo Feng were also nervous!

“It’s okay, I’ll be fine after a period of recuperation. Three ninth-grade masters of the scattered fairyland are really not easy to deal with!”

David wiped the blood and said! “

Did you really kill these three people?” Huo Zhao asked in disbelief! David nodded vigorously! Huo Zhao looked at David in disbelief. He suddenly felt that it was a wise decision for him to betray the temple and let Huo Jingjing stay with David! “Jingjing,

take David to recuperate immediately!” Huo Zhao said! Huo Jingjing nodded, but before they left, suddenly a terrifying aura enveloped the Eight Palaces! Everyone looked up and saw an old man in a black robe and a solemn face, surrounded by dozens of black monks.

“Master of Tianyuan Pavilion?” Seeing the newcomer, David frowned instantly! Huo Zhao also narrowed his eyes, stepped forward and saluted, saying, “Master Tian,

I wonder how you have time to come here?” Huo Zhao knew the master of Tianyuan Pavilion, who was in the same second heaven! However, they had no intersection at ordinary times, and Tianyuan Pavilion did not dare to provoke the Eighth Palace.

After all, the Eighth Palace was backed by the entire temple, and even the entire God Clan, which Tianyuan Pavilion could not afford to provoke! “I came for him...”

The master of Tianyuan Pavilion pointed at David and said! “Master Tian, this is my son-in-law, and now he is a member of my Eighth Palace.

I wonder how he provoked Master Tian?” Huo Zhao did not know that David had killed Tianci and Elder Tong of Tianyuan Pavilion. “He killed our people in Tianyuan Pavilion, so I’m going to take him away today!” said the master of Tianyuan Pavilion! Huo Zhao was stunned, then looked at David, and saw that David did not refute, knowing that this must be true!

“Master Tian, we can compensate you for the resources if you kill your people from Tianyuan Pavilion, but you can’t take him away.”

“He is now one of our Eighth Hall. If you take David away, you have to ask our Temple whether it agrees or not!”

Huo Zhao moved out of the Temple to scare the Master of Tianyuan Pavilion!

“Hahaha, you really know how to scare people. You are already a traitor to the Temple. Do you still want to scare me with the Temple?”

The Master of Tianyuan Pavilion laughed!

At this moment, Huo Zhao became embarrassed in an instant, not knowing what to do!

David pushed Huo Jingjing and Mo Qingyun away and looked at the Master of Tianyuan Pavilion coldly!

“You are a defeated general, and you dare to come to me. Aren’t you afraid that I will kill you?”

“One just escaped. He is at the peak of the scattered fairyland, and he was scared away.”

“Did you see the heads on the ground? These are all masters of the three heavens, and they still let me kill them.”

“What are you, the Master of Tianyuan Pavilion?”

David said with an imposing look!

Seeing David like that, the Pavilion Master of Tianyuan Pavilion was not afraid, but laughed and said: “David, keep pretending, you can fool others, but you can’t fool me at all!”

“I leaked the news that you have ancient relics and treasures on you, and I told you the location when the people from the Three Heavens came to find you.”

“I also know how you killed those three people.”

“Now you are at the end of your strength. Don’t say that I can deal with you. Even a fifth-grade scattered fairy can easily kill you now.”

The Pavilion Master of Tianyuan Pavilion had already calculated David, and he was in charge of all these things!

David’s face became ugly. He didn’t expect that all this was done by the Pavilion Master of Tianyuan Pavilion in front of him!

It seems that he has been calculated, and he doesn’t know it at all!

This old guy is so scheming.

David stared at the Pavilion Master of Tianyuan Pavilion fiercely, but he seemed helpless!

He didn't have the strength to fight with the Pavilion Master of Tianyuan Pavilion at all.

## Chapter 5110

"It seems that you have already calculated everything!" David smiled bitterly!

"Of course, if I didn't plan it well, how could I come to you blindly!" The Pavilion Master of Tianyuan Pavilion smiled!

"But you have calculated everything, but you only missed one thing!" Chen

Ping looked at the Pavilion Master of Tianyuan Pavilion with a sharp gaze!

"Oh? What did I miss?" The Pavilion Master of Tianyuan Pavilion asked doubtfully!

"If you miss it, will I explode..."

After that, the breath in David's body began to surge wildly, and the whole person became swollen like a balloon!

"David, don't be impulsive..."

Seeing this, Huo Jingjing and Mo Qingyun hurried to persuade him!

Huo Zhao was also shocked. He didn't understand why David, this guy, wanted to explode before he did anything?

The Pavilion Master of Tianyuan Pavilion was also shocked. He didn't expect David to be so brave!

"If I explode, do you think you can escape?"

David questioned the Pavilion Master of Tianyuan Pavilion!

Huo Jingjing and Mo Qingyun also began to turn their internal breath far away, and the two of them also planned to explode!

If David died by self-explosion, they would not survive!

At this time, the Pavilion Master of Tianyuan Pavilion was a little confused. How could he bear the continuous explosions!

“Don’t be impulsive, I don’t have to kill you...”

The Pavilion Master of Tianyuan Pavilion said to David!

“You want the two coffins in the ancient ruins?” David asked!

Tianyuan Pavilion nodded: “Yes, as long as you give me the two coffins you got from the ancient ruins, I will leave immediately!”

“As for the fact that you killed Tianci and Elder Tong, I don’t care. After all, our Tianjiao and elders of Tianyuan Pavilion are not just the two of them!”

David saw the Pavilion Master of Tianyuan Pavilion say so, and then he restrained his breath: “If you said it earlier, wouldn’t it be easy!”

Without the slightest hesitation, David directly offered the two coffins and placed them in front of the Pavilion Master of Tianyuan Pavilion!

Looking at the coffins full of runes in front of him, the Pavilion Master of Tianyuan Pavilion’s eyes were shining!

However, David gave the two coffins to himself so happily that the Pavilion Master of Tianyuan Pavilion was a little worried that there was a fraud!

“I have never opened these two coffins, and I can’t open them, so they are useless to me!”

“I feel it’s worth it to use two useless coffins to exchange for my own life!”

David knew the concerns of the Pavilion Master of Tianyuan Pavilion, so he explained!

Hearing David’s explanation, the Pavilion Master of Tianyuan Pavilion smiled faintly and put away the two coffins casually!

“The grudges between you and me are written off...”

After the Pavilion Master of Tianyuan Pavilion finished speaking, he waved his hand and disappeared with his men in an instant!

Seeing the Pavilion Master of Tianyuan Pavilion leave, David breathed a sigh of relief, but he felt dizzy and almost fainted!

His body has reached its limit, and he must recuperate as soon as possible!

“You protect me, I’m going to the tower to recuperate...”

After David explained, he went directly into the tower to recuperate!

Above the main peak of Tianyuan Pavilion, clouds and mist linger all year round. The buildings in the pavilion are built against the mountain, revealing an ancient and solemn atmosphere.

When the Pavilion Master of Tianyuan Pavilion returned with dozens of black-clothed monks, the core disciples of the entire Tianyuan Pavilion had already stood in front of the mountain gate waiting.

However, the Pavilion Master’s face did not have the usual majesty, but with an excitement that was difficult to conceal. The two coffins with ancient runes flowing in his sleeves seemed to contain secret treasures that could subvert the pattern of the second heaven.

“Master, you’re back!”

A white-haired elder came forward, his eyes involuntarily falling on the coffin in the Master’s hand, “The revenge between Tianci and Elder Tong...”

“We’ll discuss this later.”

The Master of Tianyuan Pavilion waved his hand, with a hint of suppressed excitement in his voice, “Pass my order, seal off the core area of Tianyuan Pavilion, no one is allowed to approach!”

He walked hurriedly and walked straight to his retreat place, “Cangyuan Cave”.
