Chapter 5141

Hu Mazi was about to step forward to argue, but David raised his hand to stop him.

David looked up at the towering mountain gate, and a cold arc appeared on the corner of his mouth: "Tell the manager of your Tianyan Sect to come out, I will take his dog head."

As soon as the voice fell, the air around them suddenly condensed. The

two disciples were startled at first, and then burst into laughter. "Hahaha! Where did this lunatic come from? How dare you speak nonsense

in front of the Tianyan Sect!" "Your cultivation is only at the fifth level of the Sanxian Realm. I'm afraid you've been kicked in the head by a donkey? How dare you come and cause trouble?" One of the disciples waved his hand impatiently, offering a small green sword, with the tip of the sword pointing directly at David's eyebrows:

"Get out of here quickly, or don't blame me for being ruthless and letting you taste the power of the Tianyan Sect's swordsmanship!" David didn't even bother to raise his eyes, but his aura moved slightly.

"Buzz..." An invisible pressure poured down like the Milky Way in the sky, instantly covering the entire Wendaoping. The two disciples of the sixth level of the Sanxian Realm felt a force like a mountain pressing down on them, and they knelt on the ground with two thumps.

Their bones made a crackling sound under the heavy load, and blood spurted out of their mouths. The small green sword fell to the ground with a clang and broke into powder. "You... who are you?" One of the disciples asked with horror.

David did not answer, but just a look, and the disciple's body exploded instantly, and blood splattered all over the other disciple! The other disciple was so scared that he knocked his forehead heavily on the stone slab:

"Senior, spare me! Senior, spare me!" David walked past the disciple indifferently, without even a pause: "Noisy." David and his party stepped into the mountain gate. The disciples patrolling along the way exclaimed when they saw this, and someone immediately rang the alarm bell. "Ding... Ding... Ding..."

The resounding bell sounded on Tianyan Peak, startling the elders who were in retreat.

Soon, five streams of light flew from all over Tianyan Peak and landed in front of David.

The leader was an old man with white hair and a childlike face, wearing an apricot yellow Taoist robe, with a jade pendant engraved with the words “Elder of Tianyan” hanging around his waist. It was Elder Zhao, who was in charge of punishment in Tianyan Sect, and had the eighth-grade cultivation level of the scattered fairyland.

Elder Zhao’s eyes were like lightning, sweeping over David and his group, and finally fell on David, frowning slightly: “Who are you? Why did you trespass into my sect and hurt my disciples?”

He could feel the unfathomable aura on David, not the fifth-grade scattered fairyland as he saw on the surface.

However, Elder Zhao did not care too much. As a large sect, Tianyan Sect had countless sixth- and seventh-grade scattered fairyland cultivators. Even if David concealed his strength, he might not be able to get a good result in Tianyan Sect.

“I’m here to wipe out the whole clan.”

David said briefly, his tone was so calm as if he was talking about something insignificant.

“Destroy the whole clan?” A middle-aged elder behind Elder Zhao couldn’t help but sneered, “Boy, do you know what you are talking about? Our Tianyan Sect has been established for thousands of years, and has produced three earthly immortal ancestors, all of whom have ascended to the fourth heaven. How can we allow a little kid like you to act so recklessly here!”

“My Tianyan Sect has no grudges against you. I don’t know why you want to wipe out the whole clan of our Tianyan Sect?”

Elder Zhao looked at David in confusion and asked!

Another elder said coldly, “Brother Zhao, why are you talking nonsense with this kid? Take him down first!”

After that, the man waved his sleeves, and eighteen small red flags soared into the sky. In an instant, a huge formation was set up, and red mist filled the air. Countless harsh shouts came out of it, piercing people’s souls.

“Humph, a trifling trick.”

David snorted coldly, and didn’t even use the Dragon Slaying Sword, but just flicked his finger.

A golden finger pierced through the air, piercing through the red mist like a hot knife through butter, and hit the eighteen small flags with a bang.

In an instant, the small flags shattered into pieces, and the formation collapsed. The elder who set up the formation felt a shock in his heart, his blood surging, and he stepped back several steps, blood oozing from the corners of his mouth.

Chapter 5142

This casual move to break the formation made Elder Zhao's face change instantly.

He could see that David did not use much spiritual power in this finger, and it was purely achieved by relying on the unparalleled physical strength and the pressure of the soul.

"Physical body sanctification? Are you from the Savage Ancient Clan?"

Elder Zhao's voice was filled with a hint of doubt.

He could see that David's physical strength was completely derived from the Savage Ancient Clan's Savage Body Refining Technique.

The Savage Ancient Clan had no grudges against their Tianyan Sect, and even had a lot of exchanges!

He didn't know why David, as a member of the Savage Ancient Clan, came to the Tianyan Sect to make trouble!

"Sacred Ancient Clan?"

David raised a sneer at the corner of his mouth, "There will no longer be Savage Ancient Clan in this third heaven."

"What do you mean by that?" Elder Zhao asked in confusion!

"It doesn't mean anything, just the literal meaning."

David smiled faintly!

"Did you destroy the ancient tribe of the wilderness?" Elder Zhao frowned slightly!

"Yes!" David nodded!

“Elder Zhao, don’t listen to his bragging. What strength does he have? He can still destroy the ancient tribe of the wilderness. Even if our Tianyan Sect takes action, it will take some time to destroy the ancient tribe of the wilderness.”

The elder who set up the formation snorted coldly!

Although David broke his formation, it does not mean that David’s strength can destroy the ancient tribe of the wilderness!

“You don’t believe it?” David looked at the elder and asked!

“Of course I don’t believe it. With your virtue, you still want to destroy the ancient tribe of the wilderness. I...”

The elder didn’t finish his words, and he felt a flash of golden light in front of his eyes!

Before everyone could react, they saw David holding the Dragon Slashing Sword in his hand, and he had already cut out a sword.

And the elder opened his eyes wide, watching his body being split into two, and then fell heavily.

“How dare you kill our Tianyan Sect elders...”

Seeing this, all the others wanted to attack David!

But Elder Zhao hurriedly stopped him: “Don’t move!”

David was able to easily kill one of their elders in front of them, which shows that David’s strength is definitely not something they can deal with!

Elder Zhao was still smart and stopped everyone, otherwise these people would probably die.

“Why do you keep killing my Tianyan Sect disciples? We don’t seem to have any grudges, right?”

Elder Zhao wanted to figure out why David kept looking for trouble with Tianyan Sect!

“Because he...”

David threw the head of Xuanjizi of Tianyan Sect out with a casual throw!

“Sect Master...” Seeing Xuanjizi’s head, all the disciples of Tianyan Sect were shocked!

You know, their sect master is a ninth-grade cultivator in the scattered fairyland, how could he be killed so easily?

“Your clan leader joined forces with the Savage Ancient Clan and the Blood Shadow Palace to attack me, trying to steal the ancient relics treasures from me, but the three of them were not as skilled as me, so I killed them all!”

“Since they can come to steal my things, can I also come to destroy their clan?”

David said indifferently!

Elder Zhao’s face was extremely ugly at this moment. The Savage Ancient Clan, the Blood Shadow Palace, and their Tianyan Sect, comprising the three scattered ninth-rank immortals, were not David’s opponents, so David’s horror could be imagined.

He knew that with the strength of these people, there was no way to stop David!

“Please invite the old clan leader to come out of the mountain...” Elder

Zhao suddenly shot out a breath, and this breath instantly sank into the Tianyan Peak!

“Boom boom...”

Accompanied by a burst of earthquakes, the entire mountain slowly cracked!

Soon a terrifying breath broke out in the Tianyan Peak, and a golden rainbow light cut through the sky and instantly fell in front of David.

The visitor was an old man wearing a purple robe with nine dragons and a purple gold crown on his head. It was none other than Ling Yunxiao, the old leader of the Tianyan Sect, who had reached the peak of the ninth level of the Scattered Immortal Realm.

Chapter 5143

The old sect master has been in seclusion, just wanting to ascend to the fourth heaven and reach the earthly immortal realm.

Ling Yunxiao’s eyes were like torches, sweeping across the mess at the scene, and then looked at the pale-faced Elder Zhao: “Why did you call me? Don’t you know I’m in seclusion?”

Ling Yunxiao's voice was very cold, and all the disciples of Tianyan Sect, including Elder Zhao, trembled all over.

"Old sect master, I have no choice. The current sect master was killed, and the enemies came to our door. We can't stop them!"

Elder Zhao said helplessly!

"Is it him?" Ling Yunxiao kept looking at David!

Elder Zhao nodded.

Ling Yunxiao's eyes fell on David, his eyes were full of displeasure: "Who are you? Why do you want to attack my Tianyan Sect?"

He relied on his cultivation of the ninth level of the scattered fairyland, and even if David had some tricks, he didn't really take it to heart.

David raised his eyes, looked directly into Ling Yunxiao's eyes, and said word by word: "I said, I'm here to destroy the family."

"How dare you!"

Ling Yunxiao was enraged. As the old leader of the Tianyan Sect, how could he have been provoked like this?

He waved his right hand, and a long sword with flowing light appeared in his hand. It was the Tianyan Sword, the treasure of the Tianyan Sect.

"Today I will let you know that the majesty of the peak of the scattered fairyland is inviolable!"

After that, Ling Yunxiao slashed out with a sword, and the sky and the earth changed color. Countless sword qi condensed into a huge golden dragon, roaring and rushing towards David.

This sword contains Ling Yunxiao's lifelong cultivation, and its power is enough to split mountains and seas. Ordinary cultivators of the sixth and seventh levels of the scattered fairyland may not even be able to get close.

Hu Mazi and the others changed color when they saw this, and wanted to step forward to help, but were stopped by David's eyes.

David knew that Hu Mazi and the others could not help much

if they stepped forward, and they would have to distract themselves. David didn't take it seriously, just a peak of the ninth rank of the scattered immortal realm!

Especially after David practiced the Savage Body Refining Technique, his body became several times stronger, and his strength also increased a lot.

David stood in place, with golden light all over his body. His indestructible golden body was running to the extreme, and with the strength of his body, David's body was comparable to a magic weapon at this moment.

David did not use any weapons, but just stretched out his right hand, spread his five fingers, and grabbed the golden dragon.

Are you pretending to be cool? Of course you can't use weapons!

Otherwise, the effect of pretending to be cool will be greatly reduced!

"Swish..."

An incredible scene happened.

David's palm easily penetrated the body of the golden dragon like cutting into tofu, and his five fingers directly grasped the sword of the Tianyan Sword.

"How is it possible?"

Ling Yunxiao was stunned, his face full of shock. The

Tianyan Sword is an innate spiritual sword, indestructible, how could it be held by someone with bare hands?

And the opponent's palm was intact, not even a scratch!

What frightened him even more was that the moment David grasped the sword, a powerful force came along the sword, which made his arm numb and his blood surge.

Puff!

Ling Yunxiao spit out a mouthful of blood.

The Tianyan Sword trembled violently in David's hand, making an unwilling hum, and there was a tendency to break free from Ling Yunxiao's control.

"This... What kind of power is this?"

Ling Yunxiao's face was as pale as paper, and he looked at David with fear in his eyes.

He finally realized that the seemingly young monk in front of him was much more terrifying than he had imagined.

David was too lazy to talk to him, and his wrist shook violently.

Crack!

A tiny crack appeared on the Tianyan Sword.

“No! My Tianyan Sword!”

Ling Yunxiao let out a shrill scream. This is the foundation of the Tianyan Sect!

At this moment, David no longer hid his strength, and the power of the dragon in his body burst out. A golden dragon figure slowly appeared behind him! As

soon as the golden dragon appeared, the entire Tianyan Peak was shaking violently.

“Let me show you how my golden dragon is?”

David said with a faint smile!

Chapter 5144

Ling Yunxiao's golden dragon was just an illusion of sword energy, but the golden dragon that appeared behind David was lifelike, with a mighty dragon and very real!

“Open the formation, open the mountain protection formation...”

Ling Yunxiao finally realized how powerful David was, and hurriedly shouted to open the mountain protection formation!

Creaking...

As the palms of Elder Zhao and others hit the Tianyan Peak, the entire Tianyan Sect began to glow, and the sect protection formation was opened!

“Humph, garbage...”

David snorted coldly, and the golden dragon behind him roared suddenly!

The Tianyan Sect's sect protection formation actually made an unbearable crackling sound under the pressure of the golden dragon, and the light at the center of the formation dimmed and collapsed in an instant.

"This... Isn't this golden dragon an illusion?"

Ling Yunxiao felt the dragon power of the golden dragon, his pupils suddenly shrank, the blood on his face faded, and the whole person seemed to have been drained of all his strength. He staggered back a few steps, "You... Who are you? Are you from the Golden Dragon Clan?"

The legend of the Golden Dragon Clan has long been spread in the heavens.

The Golden Dragon Clan is the noblest bloodline among the noble dragon clan. In this third heaven, can you see the members of the Golden Dragon Clan?

Ling Yunxiao couldn't believe it, but the golden dragon behind David was really in front of him!

As David's strength increased, his blood became more mellow, and the golden dragon became more real!

"Isn't it a little late for you to know now?"

David smiled faintly!

"Spare me! Senior, spare me!"

Seeing David admit it, Ling Yunxiao no longer cared about the dignity of the old sect leader. He knelt down on the ground with a plop and kowtowed to David repeatedly. "It is me who is blind and it is my Tianyan Sect that is blind! Please spare me, senior, and spare my Tianyan Sect!"

Elder Zhao and other high-level Tianyan Sect members also knelt down on the ground and kowtowed like pounding garlic.

If they knew that David was a member of the Golden Dragon Clan, they would not dare to attack David even if they had ten thousand courages!

The Golden Dragon Clan is a high and mighty existence in the heavens. If they just sneeze, not to mention the Tianyan Sect, I'm afraid even the Three Heavens will be gone!

"Senior, spare my life! We don't know Taishan!"

“Please show mercy, senior. We are willing to offer all our resources, just to leave a way out!”

“It’s all Xuanjizi’s fault. He robbed the senior’s treasure without authorization and offended the senior. Please let us go!”

The people of the Tianyan Sect, who were arrogant before, have long lost half of the style of the immortal sect. Only fear and begging for mercy are left on the ground.

David looked coldly at the group of people who kowtowed like pounding garlic under his feet, without any mercy in his eyes.

In this society where the strong prey on the weak, the Virgin Mary is irresponsible to herself.

At this time, if David’s strength is not low, the other party will never let him go.

“It’s too late to beg for mercy now.”

David spit out two words, his voice was not loud, but it was like a declaration of death sentence.

He waved his right hand, and the golden dragon pressed down fiercely.

“No!!!”

“Help...”

The screams resounded throughout Tianyan Peak, but were soon swallowed up by the terrifying pressure of the golden dragon.

The resistance of all the people in Tianyan Sect was like paper in front of David, and was instantly shattered.

Whether it was Ling Yunxiao who was begging for mercy, or the arrogant Elder Zhao before, or those ordinary disciples, in front of David’s power, they were all easily wiped out like ants.

Bloody and smeared, with no bones left, the once glorious Tianyan Sect turned into a bloody ruin in just a few breaths.

The air was filled with a strong smell of blood and the breath of spiritual power explosion. David took back the golden dragon, with no expression on his face, as if he had just stepped on a few ants.

“Search.” David said lightly to Yun Wuya.

Yun Wuya had already fallen into shock at this moment. After hearing David's words, he reacted. Fortunately, all the disciples of their Qingyun Sect had arrived, so Yun Wuya immediately led the disciples to start searching!
