Chapter 5226

“David, hurry up!”

Hu Mazi urged in the forest.

“Coming!”

David responded, turning and walking into the forest. He knew that the road ahead would be even more difficult.

David and Hu Mazi rested in the forest for several days, using the remaining energy of the Pure World Green Lotus to recuperate. Chen

Ping’s seventh-grade realm of the Loose Immortal Realm was completely stabilized, and Hu Mazi’s injuries were almost healed.

One day, the two were about to leave the forest and head deep into Jiupan Mountain to gather information, but they were stopped by a group of uninvited guests.

The leader was a one-eyed monk with a hideous scar on his face, exuding the aura of a third-grade Earthly Immortal Realm.

Behind him followed a dozen monks, each with a powerful aura, clearly the elite of a major sect.

“Are you David and Hu Mazi?”

the one-eyed monk asked coldly, with greed in his eyes.

David frowned slightly: “We are strangers to you, why are you blocking my way?”

“We are strangers?”

The one-eyed monk sneered, “Now everyone in Jiupan Mountain knows that if we catch you two, we can get the double reward from the Black Demon Palace and the Red Snake Sect. Especially you, David, it is said that you have a lot of treasures, and today I will accept them with joy.”

David’s heart sank. He didn’t expect that their news would spread so quickly.

It seems that the Red Snake Fairy and the Black Demon Palace have jointly issued a hunting order to put them to death.

“Just you?” David raised a sneer at the corner of his mouth, and the Dragon Slaying Sword in his hand trembled slightly, as if he couldn’t wait to drink blood.

“Arrogant!” The one-eyed monk shouted angrily, “Come on! No matter life or death!”

More than a dozen monks rushed up immediately, and various magic weapons flashed, blocking the sunlight.

David protected Hu Mazi behind him, unsheathed the Dragon Slaying Sword, and the golden sword energy swung in all directions, instantly cutting the two monks in the front in half.

“Seventh level of the scattered immortal realm? How is it possible!”

The one-eyed monk exclaimed in surprise, his face full of disbelief. Pinshu.com

He got the news that David was only at the sixth level of the scattered immortal realm, so he dared to bring people to kill him. Unexpectedly, in just a few days, the opponent’s strength has increased again, and he can even fight across levels.

Hu Mazi also took out a few talismans and fought with several monks with lower cultivation.

Although he was only at the first level of the earthly immortal realm, he did not fall behind for a while with his rich combat experience.

Moreover, Hu Mazi’s strength was slowly recovering and improving. When he was fully awakened, these people would be slapped to death with a slap.

David’s opponents were the one-eyed monk and three other third-level earthly immortal realm monks.

He wielded the Dragon Slaying Sword to perfection, and the golden sword energy poured down like a violent storm, forcing the four men to retreat.

“That’s too tough, retreat!”

The one-eyed monk saw that something was wrong and decisively ordered a retreat.

He knew that the four third-grade Earth Immortals were no match for him and there was no

way they could stop David. They might all die in this place soon.

Seeing that they were trying to escape, how could David let them go?

He flashed and caught up with the one-eyed monk like a ghost, slashing with the Dragon Slaying Sword.

The one-eyed monk screamed, and one of his arms was cut off, spurting blood.

The other monks were so frightened that they dared not stay and fled in all directions.

David did not kill them all, because he knew it was not a good time to make too many enemies.

“It’s a pity that they got away.”

Hu Mazi said with some regret.

“The monk can escape, but the temple cannot.”

David’s eyes were cold. “They will go back to report the news. Our situation will be even more difficult.”

The fact was just as David expected. Within just half a day, they were intercepted and killed by three waves of monks.

These monks came from different forces, and they were coming for the bounty.

David and Hu Mazi fought and retreated. Although they were able to escape danger every time with the improvement of David’s strength, they also consumed a lot of spiritual power and were exhausted.
