## Chapter 5228

David nodded. "It's becoming increasingly likely. We must uncover the truth as soon as possible, or else not only us, but the entire Fourth Heaven will be in danger."

The two men dared not delay and continued their journey deeper into Luoxian Valley. They knew the road ahead would be even more difficult, but for the sake of the Hu family's grievances and the hidden truths, they had to continue.

Deep within Luoxian Valley, the fog grew thicker, severely restricting even their spiritual sense.

David and Hu Mazi advanced cautiously, constantly alert to their surroundings.

Suddenly, footsteps echoed through the mist ahead.

David immediately signaled Hu Mazi to stop, and the two men, holding their breath, hid behind an ancient tree.

A group of cultivators approached, led by a burly man who exuded the aura of a fourth-grade Earthly Immortal.

The monks following behind him all had strong auras, and were obviously from some powerful forces.

"Boss, we have been searching for so long, and we haven't seen a single person. Could it be that the information is wrong?" A tall and thin monk asked.

The strong man snorted coldly, "Impossible! The Black Demon Palace and the Red Snake Sect have confirmed that David is in the Falling Immortal Valley. As long as we catch him, we will be favored by the master of the Fifth Heaven, and then the entire Jiupan Mountain will be ours!"

The other monks immediately showed excited expressions and searched more diligently.

David and Hu Mazi hid behind the ancient tree, not daring to breathe.

They didn't expect that there were so many forces chasing them, and the goal of these forces seemed to be not only the bounty, but also the favor of the Fifth Heaven.

“What should we do?” Hu Mazi asked nervously in a low voice.

David frowned, he knew that with their current strength, it was impossible to fight against so many strong men at the same time.

At this moment, the sturdy man seemed to have noticed something and walked in the direction where they were hiding: “Who’s there? Come out!”

David and Hu Mazi felt nervous, knowing that they had been exposed

. David’s eyes were fierce, and he was about to fight to the death when suddenly, the ground shook violently.

A huge mountain in the distance collapsed, and a terrifying breath gushed out from the ground. The

entire Luoxian Valley was shaking, the ancient restrictions were activated, and dazzling rays of light shot up into the sky.

“Not good! We have triggered the core restriction of Luoxian Valley!” The strong man’s face changed drastically. “Quickly retreat!”

The group of monks turned around and ran in panic, but several people were swallowed by the sudden appearance of space cracks.

The people of Youyue Witch and Chilian Fairy were also affected, and many people died.

David and Hu Mazi were also stunned by this sudden change.

They didn’t expect that the restrictions of Luoxian Valley would be so terrifying.

“Go!” David reacted and pulled Hu Mazi to run deep into Luoxian Valley.

He knew that this was their only chance.

The two struggled forward in the chaos, and space cracks continued to appear around them, and ancient architectural ruins collapsed one after another.

They were almost caught in the cracks several times, but fortunately, David reacted quickly and escaped by luck. I

don’t know how long they ran, and the vibrations around them finally subsided.

David and Hu Mazi slumped on the ground, gasping for air.

“We... We survived?” Hu Mazi said in disbelief.

David nodded, looked around, and found that they had come to a strange place.

There were no clouds or ancient architectural ruins; only a huge altar stood before us, engraved with mysterious runes.

“What is this... place?” Hu Mazi looked at the altar curiously.

David walked to the altar and carefully observed the runes.

Suddenly, his eyes were attracted by a stone tablet in the center of the altar. What was engraved on the stone tablet was actually the way to the fifth heaven!
