### Chapter 5229

“So that’s how it is...”

David suddenly realized. “There is indeed a passage to the Fifth Heaven within Luoxian Valley, but the method to open it is to activate its core restriction. No

wonder those forces dared to venture into Luoxian Valley. Their target wasn’t us at all, but the passage to the Fifth Heaven!”

Hu Mazi also understood, his expression darkening. “So, we were used as bait from the very beginning?”

David nodded. “Very likely. The Phantom Moon Witch and the Scarlet Snake Fairy must have known how to open the passage long ago. They deliberately issued a hunt order to lure the major forces into Luoxian Valley and use our blood to activate the core restriction.”

At this moment, the runes surrounding the altar suddenly illuminated, and a massive spatial rift slowly opened above the altar, emitting the unique aura of the Fifth Heaven.

“The passage... The passage is open!” Hu Mazi exclaimed excitedly.

David frowned, sensing several powerful auras rapidly approaching.

Apparently, the Phantom Moon Witch and the Scarlet Snake Fairy had also arrived.

“Let’s go!”

David acted decisively, pulling Hu Mazi along and jumping into the spatial rift.

He knew that only by reaching the Fifth Heaven could they escape their pursuers and uncover the truth behind the Hu family’s demise.

The moment they entered the spatial rift, the Phantom Moon Witch and the Scarlet Snake Fairy arrived.

Seeing the passage open, both of them showed expressions of ecstasy, and without hesitation, they jumped in.

The spatial rift slowly closed, and Luoxian Valley returned to its peaceful state, as if nothing had happened.

Only the scattered bones and broken ruins told of what had happened here.

In the Fifth Heaven, above a mountain range called Black Wind Ridge, space twisted, and the figures of David and Hu Mazi tumbled out in a panic.

“Ahem...”

The two men fell heavily to the ground, coughing uncontrollably.

The spiritual energy of the Fifth Heaven was several times richer than that of the Fourth Heaven, making it difficult for them to adjust. “Is this the Fifth Heaven?” Hu Mazi

surveyed his surroundings curiously.

The mountains of Black Wind Ridge were even more majestic than those of the Fourth Heaven. The sky was a faint purple, and the air was thick with spiritual energy.

David nodded, feeling his spiritual power rapidly recovering under the nourishment of the Fifth Heaven’s spiritual energy. “Yes, this is the Fifth Heaven. But we must leave here as soon as possible. Who knows if the Phantom Moon Witch and the others will catch up?” As

The two men stood up; they suddenly felt a powerful aura locking onto them.

David’s face changed, and he pulled Hu Mazi away, attempting to flee, but was blocked by a golden light.

A tall, middle-aged cultivator appeared before them. He stood at two meters tall, with a broad build and a scar on his face. He exuded the terrifying aura of a fifth-level Earthly Immortal.

“Are you from the Fourth Heaven?”

The middle-aged cultivator asked coldly, with a malicious glint in his eyes.

David’s heart sank. He didn’t expect to meet a strong man just after arriving at the Fifth Heaven.

He clenched the Dragon Slaying Sword in his hand and looked at the other party vigilantly: “Who are you? Why are you blocking my way?”

The middle-aged cultivator sneered: “In this Black Wind Ridge, no one dares to talk to me like this.

I am the master of Black Wind Ridge, Taoist Black Bear. Seeing that you two are unfamiliar, you must be the cubs who just came from the Fourth Heaven. It just so happens that I am short of two servants recently, so I chose you.”

“And you, a cultivator from the Scattered Immortal Realm, must have something extraordinary to be able to reach the Fifth Heaven. Be my servant, and no one will dare to bully you.”

Taoist Black Bear said in a boastful manner.

Hu Mazi shouted angrily: “You are dreaming! We are not soft persimmons that others can manipulate!”

## Chapter 5230

“Be your servant?” David snorted coldly. “Even if you become my servant, I’ll still despise your lack of strength. A mere Fifth-Rank Earthly Immortal Realm is nothing!”

David wasn’t bragging. On that ladder to heaven, the people he rescued, Nan Batian, Li Chunfeng, Shen Zhiyan, Musha, and others, were all far more powerful than this Black Bear Taoist!

They’d all promised to serve him for centuries.

“Oh? Such a boast?” A sinister grin crossed Black Bear Taoist’s face. “Then don’t blame me for being rude!”

He flashed, and his massive fist slammed down on David with a whistling sound that tore through the air.

The aura of a Fifth-Rank Earthly Immortal Realm descended upon David like a mountain, making it difficult for him to breathe.

David didn’t dare to be careless. He held the Dragon Slaying Sword across his chest and blocked with all his might.

“Dang!” The fist and

sword clashed with a deafening roar.

David felt a surge of force, his arms numb, and he was thrown back repeatedly, blood oozing from the corners of his mouth.

“Seventh-rank Sanxian Realm? You can withstand my punch and survive. You’re quite capable, boy.”

The Black Bear Taoist was surprised, but then his expression changed to disdain. “But you’re still too weak against me.”

He advanced again, his fists raining down on David like a torrential rain.

David could only barely resist and was soon at a disadvantage, with new wounds appearing all over his body.

Hu Mazi tried to help, but was locked in by the Black Bear Taoist’s aura, preventing him from getting close.

He was frantic, but helpless.

Just as David was about to collapse, a resounding voice suddenly rang out: “Black Bear cub, bullying my Nan Batian’s benefactor, have you asked me?”

Before he could finish his words, a burly figure descended from the sky like a meteor, blocking David’s path. Nearly three meters tall, his muscles wielding a defiant smile, it was none other than Nan Batian!

“Nan Batian?” Taoist

Black Bear’s expression instantly darkened upon seeing the newcomer. “Why are you here?”

Nan Batian scoffed. “The Fifth Heaven is so vast, I can go wherever I please. Do I even need to report to you?”

He turned to look at David, a gentle smile on his face. “Mr. Chen, long time no see. How are you?”

David stared at Nan Batian, a mixture of shock and gratitude filling his heart. “Nan Batian? You... How are you here? And your strength...”

He could sense that Nan Batian had now reached the peak of the Seventh Stage of the Earthly Immortal Realm, far more powerful than when he had ascended the Heavenly Ladder in the Celestial Realm.

After all, when Nan Batian ascended the Heavenly Ladder, his strength was suppressed, and he lacked the resources to cultivate.

Nan Batian laughed heartily and said, "It's a long story. After leaving the Celestial Realm, I reached the Fifth Heaven and have been cultivating ever since. I didn't expect to meet Mr. Chen so soon."

"Mr. Chen's strength is growing rapidly, too. He's still fighting above his level, as always. He's so impressive, reaching the Fifth Heaven from the Scattered Immortal Realm."

"Shame on you, shame on you. I almost got beaten to death just now!" David said shamefacedly.

Nan Batian turned to look at the Black Bear Taoist, his face instantly turning icy. "Black Bear cub, what did you intend to do to Mr. Chen just now?"

The Black Bear Taoist looked at Nan Batian, then at David, stunned.

Nan Batian, a seventh-rank Earthly Immortal, actually addressed David as "Mr. Chen," and the two seemed to be old acquaintances.

Now, thinking back to David's words, the Black Bear Taoist no longer felt boastful.

"Nan Batian, don't mess around! I'm the Lord of Black Wind Ridge, and I have someone behind me..." The Black Bear Taoist retreated, his eyes filled with fear.

"Even with your mother behind you, it's no use!" Nan Batian interrupted him, and with a flash of his body, he appeared in front of Taoist Black Bear and knocked him out with a punch.
