### Chapter 5231

The Black Bear Taoist screamed and fell heavily to the ground, spitting blood, clearly severely injured.

He stared at Nan Batian, his eyes filled with fear, and scrambled to escape.

“Trying to run?”

Nan Batian sneered. His form flashed again, and he stomped on the Black Bear Taoist’s chest, pinning him to the ground.

“Nan... Nan Batian, spare me!” The Black Bear Taoist, finally frightened, begged bitterly, “I didn’t recognize this young man as your benefactor. Please, spare me this time!”

Nan Batian snorted disdainfully, “Spare you? When you attacked Mr. Chen just now, why didn’t you think of sparing him?”

He applied a slight force, and with a crack, the Black Bear Taoist’s sternum was crushed.

Nan Batian kicked him away, and he hit a huge rock and died.

After dealing with the Taoist Black Bear, Nan Batian turned to look at David, a gentle smile appearing on his face again: “Mr. Chen, I’m sorry to have scared you.”

David said gratefully, “Nan Batian, it’s really thanks to you this time. If you hadn’t shown up in time, Master Hu and I would probably...”

Nan Batian waved his hand: “You are my benefactor, and I promised you that I would be your servant. Why bother to say these polite words? If you hadn’t saved me on the ladder to heaven, I would still be trapped in there. This little thing is not worth mentioning.”

He looked at Hu Mazi and asked in confusion: “Who is this?”

David hurriedly introduced: "This is Master Hu Mazi, my friend."

Hu Mazi hurriedly bowed and said, "I am Hu Mazi, thank you for your help, fellow Taoist."

Nan Batian laughed and said: "Master Hu is polite. Since you are Mr. Chen's friend, you are my friend, Nan Batian."

"Mr. Chen, why did you come to the fifth heaven? With your current strength, it will be difficult for you to survive in the fifth heaven."

Nan Batian asked in confusion! Sorry, there was an error loading the chapter content. We were

David told Nan Batian everything about his experiences in the Fourth Heaven and the demise of the Hu family.

Nan Batian grew increasingly enraged as he listened. Upon hearing about the actions of the Black Evil Palace and the Scarlet Snake Fairy, he slammed his thigh and said, "Outrageous! How dare these bas\*\*\*s be so arrogant! Mr. Chen, don't worry. I, Nan Batian, am here to seek justice for you!" Upon

hearing this, Hu Mazi said gratefully, "Thank you, fellow Daoist! I was planning to seek revenge on the Black Evil Palace and the Scarlet Snake Fairy. With you here, we don't have to worry!"

With Nan Batian, a cultivator at the peak of the seventh rank of the Earthly Immortal Realm, by his side, the Black Evil Palace and the Scarlet Snake Fairy were nothing to him!

"The Black Demon Palace and the Red Snake Sect—what's so special about them?" Nan Batian said disdainfully. "Mr. Chen, when do you want to settle your score with them? I'll go with you!"

A gleam flashed in David's eyes. "No time to lose, let's go now!"

Nan Batian laughed heartily. "Alright! I like straightforward people! Let's set off now to confront the Black Demon Palace and the Red Snake Sect's wretch in the Fourth Heaven!"

With a gentle wave of his hand, Nan Batian ripped through the void, and the three of them entered the Fourth Heaven.

With Nan Batian's strength, he could reach the Fourth, Fifth, and Sixth Heavens without even needing a portal.

His strength was there; nothing could stop him!

After entering the Fourth Heaven, the three of them didn't linger, but headed straight for the Black Demon Palace in Jiupan Mountain. Hu Mazi, in particular, was already furious!

Now with help, he was determined to vent his frustrations.

He wanted to see who dared to attack them, who dared to chase them around.

Even if the entire Jiupan Mountain force was combined, it would be wiped out in a matter of minutes!

Thinking of Youyue's shocked expression when she saw Nan Batian, Hu Mazi wanted to laugh.

He wanted to tease Youyue so much that she would cry for her parents, and only then would he be able to relieve his hatred.

## Chapter 5232

At this moment, inside the main hall of the Black Demon Palace, the Phantom Moon Witch anxiously awaited news.

She had already dispatched numerous forces to search for David, but to no avail.

"Waste! All of you waste!"

The Phantom Moon Witch slammed the table, shattering the teacups on it. "With so many of us, you can't even find two people. What's the point of keeping you around?"

After Phantom Moon and her companions entered the Fifth Heaven, they realized they couldn't survive there with their strength, especially since Phantom Moon was nearly murdered. So they hurried back to the Fourth Heaven!

They assumed David and Hu Mazi couldn't survive in the Fifth Heaven with their strength, and would definitely use the spatial rift to return to the Fourth Heaven!

So they sent people everywhere to search for David and Hu Mazi, but there was still no news.

The cultivators below trembled with fear, and no one dared to speak.

At that moment, a guard rushed in in a panic. "Witch, David and Hu Mazi are here with a group!"

"What?" The Phantom Moon Witch was stunned. "I was looking for them, and I didn't expect them to show up?"

"They're already outside the palace gates!" the guard said.

The Phantom Moon Witch sneered. "Pass my order, all disciples, assemble immediately and follow me to meet the enemy!"

Soon, the disciples of the Black Evil Palace gathered outside the palace gates.

Just then, three figures descended from the sky and landed before them.

They were David, Nan Batian, and Hu Mazi.

"Phantom Moon Witch, how are you?" David looked at her coldly, his eyes gleaming with murderous intent.

The Phantom Moon Witch sneered at David. "David, you're so bold! You even dared to come to us on your own initiative? Do you think you can defeat our Black Demon Palace just by finding a tall man as a helper?"

Hu Mazi sneered, "Phantom Moon Witch, stop talking nonsense. We're here today to seek justice. If you know what's good for you, surrender yourself and let me have you for a few nights. Once you've satisfied me, I'll spare your life!" "You're looking for death!" The Phantom

Moon Witch roared, "Go! Kill them and you'll be rewarded handsomely!" The disciples of the Black Demon Palace rushed towards David and the others like a tide.

Nan Batian laughed heartily and rushed forward, his aura erupting instantly! The overwhelming pressure instantly pinned all the disciples of the Black Demon Palace to the ground, rendering them unable to move!

Even Phantom Moon slumped down, as if pressed down by a mountain, unable to even stand straight! Youyue stared at Nan Batian in shock. She couldn't even fathom his true realm or strength. "Nan Batian, leave Youyue to me.

You don't have to worry about her!" David declared, unsheathing his Dragon Slaying Sword and charging at the Youyue Witch. Unleashing the full force of a seventh-grade Sanxian realm cultivator, his golden sword energy crisscrossed, overwhelming all who stood in his way.

Hu Mazi watched leisurely, ready to intervene at any moment. He couldn't let David kill Youyue; he would have to do it himself. The Youyue Witch looked at the Black Evil Palace disciples lying prone on the ground, her anxiety growing.

She knew she was going to be defeated today. But facing David's attack, Youyue gritted her teeth and met his attack! "David, let me see your skills today!"

The Youyue Witch cried out, her long whip lashing out at David like a spirited snake. David snorted coldly, and the Dragon Slaying Sword slashed towards the whip. Golden and red light clashed, creating a sharp sound. The two fought back and forth, the battle difficult to decide.

The Moon Witch was indeed very powerful, having reached the fourth level of the Earthly Immortal Realm, a further improvement from before. But with the help of the Pure World Green Lotus, David not only broke through to the seventh level of the Scattered Immortal Realm, but also gained more combat experience. For a moment, the two fought evenly matched.

## Chapter 5233

"Let you, the devil girl, taste the power of my whip!" David said, put away the Dragon Slaying Sword, and directly took out the whip!

The whip cracked in the air, and Youyue felt as if her consciousness was being forcibly stripped away! Witch

Youyue was filled with fear. The whip was too shocking to her.

She knew that the Black Demon Palace might be doomed today.

So she gritted her teeth and suddenly ran towards the depths of the Black Demon Palace: "Father, help!"

David frowned and immediately chased after him.

"It's no use calling your ancestors today!"

Nan Batian also caught up.

Hu Mazi followed closely behind.

Deep in the Black Demon Palace, in a gloomy palace, an old man in a black robe slowly opened his eyes.

He was You Wuji, the father of the Youyue Witch and the Palace Master of the Black Evil Palace. He had already reached the fifth rank of the Earthly Immortal Realm.

In the Fourth Heaven, a fifth rank Earthly Immortal was considered a master among masters, well qualified to ascend to the Fifth Heaven!

However, You Wuji worried that his daughter would be unable to manage the Black Evil Palace, and that the elders would be dissatisfied, so he remained in the Black Evil Palace to cultivate.

“Who dares to act so presumptuously in my Black Evil Palace?”

You Wuji’s voice boomed like a bell, carrying a powerful pressure.

The Youyue Witch ran to You Wuji, tearfully crying, “Father, you must take action for me! David and his men have invaded, and our disciples have suffered heavy casualties!”

You Wuji’s face darkened instantly. “David? How dare you cause trouble in my Black Evil Palace? Who are you? Do you have a master behind you?”

You Wuji believed that if David dared to cause trouble in the Black Evil Palace, he must have a master or a powerful force behind him; otherwise, he wouldn’t dare!

Just then, David, Nan Batian, and Hu Mazi rushed in. Seeing You Wuji, David sneered. This fellow was only a fifth-grade Earth Immortal Realm, a far cry from Nan Batian’s peak seventh-grade Earth Immortal Realm.

There was no need to fear him! David looked at the black-robed elder before him, his lips curling in a sneer. The magic whip in his hand still trembled slightly, carrying with it a lingering demonic aura.

“Fifth-grade Earth Immortal Realm?” He scoffed, his eyes filled with undisguised contempt. “I thought the Black Demon Palace was hiding some earth-shattering figure, but it turns out you’re just an old idiot hiding behind your daughter. Why didn’t you come out when your daughter cried for help?”

Could it be that you’re too old to even move?” You Wuji’s face instantly turned pale, his fingers clenched tightly beneath his black robe. He had lived for thousands of years and was a formidable figure in the Fourth Heaven.

When had he ever suffered such humiliation? Especially considering the opponent was a mere seventh-rank Loose Immortal Realm junior. This was a utter humiliation! “You

little brat, stop your rhetoric!" You Wuji roared, his body instantly enveloped by a thick black mist.

"Today, I'll show you the insurmountable chasm between Earthly Immortals and Loose Immortals!" "An insurmountable chasm?" David raised an eyebrow, deliberately puffing out his chest. "You can't even protect your own daughter, cowering in your den like a coward.

How dare you talk about an insurmountable chasm? I think elixirs, right, probably fuel your fifth-rank Earthly Immortal Realm status?" "You're looking for death!" You Wuji was completely enraged. His black robe suddenly bulged, expanding several times like an inflated balloon.

Five inky black claws tore through the air, clutching at David's face with a corrosive, malevolent aura. This "Netherworld Ghost Claw" was his signature move, difficult for even a third-rank Earthly Immortal Realm cultivator to withstand. Nan Batian, upon seeing this, was about to advance, but David raised a hand to stop him.

"Don't worry about it!" David's eyes lit up, his fighting spirit burning, "This guy is just right for me to practice with. I've been improving too fast recently, and there's no one to practice with."

## Chapter 5234

Nan Batian was stunned for a moment, then understood. He laughed heartily, "Alright! Since Mr. Chen is so interested, I'll just watch! But if this old man dares to cheat, I'll crush his head!"

Upon hearing this, You Wuji trembled with rage.

A junior from the Sanxian Realm used him as a practice target?

What a humiliation! He roared, and the claw shadow increased its speed by another three points, striking David with a sharp sound of breaking through the air.

David remained calm, his feet executing a mysterious footwork, his figure moving like a ghost between the claw shadows.

He didn't rush to attack, but instead dodged continuously, carefully observing You Wuji's force and the flow of his aura.

“The aura of a fifth-grade Earthly Immortal is indeed potent, but its operation is subject to numerous flaws...”

David muttered to himself. Suddenly, he dodged a clawed shadow with a swift movement. Simultaneously, with a flick of his wrist, the Devil Whip, like a spirit snake emerging from its lair, lashed out at You Wuji’s wrist with a crackling arc of golden electricity.

“Snap!”

The Devil Whip struck with pinpoint accuracy. You Wuji felt a surge of pure, righteous energy flow through his arm, instantly shattering the concentrated dark evil energy within him. A burning pain shot through his wrist.

Simultaneously, his consciousness faltered. Though not noticeable, he still felt it!

“This whip...”

You Wuji was shocked and furious. He hadn’t expected the other party to possess such a powerful weapon capable of suppressing demonic cultivators.

“Old man, does it taste good?”

David sneered, his pace quickening, sometimes like a gentle breeze rustling willows, sometimes like a sudden thunderclap. It was the Fire Control Step.

Combining the Devil Whip’s ranged attacks, he harassed You Wuji like a nimble hunter.

Despite possessing the cultivation of the fifth rank of the Earthly Immortal Realm, You Wuji was unable to truly strike David. Instead, he was struck repeatedly by the Devil Whip, his black robe ripped and ripped, revealing the parched skin beneath.

“Little bas\*\*\*, don’t hide if you dare. If I don’t kill you today, I, You Wuji, will be ridiculed by everyone!”

You Wuji roared, forming hand seals. The black mist surrounding him condensed into a massive black spear. “Taste the power of my Black Demonic Spear!”

The black spear, carrying a devastating aura, pierced David.

This strike amassed 70% of his total strength, striking with such speed that David had no time to dodge. “Well-timed!” A fierce look flashed in David’s eyes. Instead of retreating, he charged forward, facing the spear.

The dragon power within him circulated furiously, its golden light forming a shield of golden scales across his body. “Indestructible Golden Body!” “Bang!” The black spear collided with the golden shield with a deafening roar.

The golden shield trembled violently, cracking countless times, but it ultimately blocked the blow. David was thrown back by the immense force, blood oozing from the corner of his mouth again, but his eyes were sharper.

“You took my Black Evil Demon Spear?” You Wuji was completely shocked. He simply couldn’t understand how a cultivator of the seventh rank in the Loose Immortal Realm could withstand his full-strength attack.

“Old man, the warm-up is over!” David wiped the blood from his mouth, a maniacal grin on his face. “Next, I’ll show you my combo!” Before he finished speaking, he suddenly vanished from the spot. “Nine Shadow Sword Technique!” Several figures identical to David appeared in the hall, wielding Dragon Slaying Swords, and slashed at You Wuji.

You Wuji’s pupils shrank, and he subconsciously brandished his Black Evil Demonic Qi to defend himself. But it was difficult to distinguish the real from the fake clones. The demonic energy dispersed some, while others struck him. “Puff!” One of the clones’ dragon-slaying swords slashed through You Wuji’s arm, sending up a trail of black blood. “A mere trifle!” You Wuji roared, a sudden burst of energy shattering all the clones.

## Chapter 5235

But at this moment, the real David had appeared behind him, and the Devil Whip was wrapped around his neck!

“Get down!” David shouted, pulling down hard.

You Wuji was caught off guard and staggered. A sharp pain and numbness came from his neck.

He quickly circulated his power, trying to shake off the Devil Whip, but found that the righteous energy on the whip was like a maggot on the tarsal bone, constantly eroding his meridians.

“Now!”

David’s eyes flashed, and he clenched his left fist, gathering all his strength at the peak of his fist, and punched You Wuji’s back fiercely!

“Bang!”

The punch hit hard, and You Wuji groaned, his body trembled violently, and he spit out a mouthful of black blood.

“Good boy, that’s quite interesting!”

Nan Batian, watching from the side, nodded repeatedly, a smile of approval on his face.

He could see that David’s combat skills and command of power far surpassed those of cultivators of the same rank, even surpassing some cultivators in the early stages of the Earth Immortal Realm.

You Wuji, beat, was completely enraged.

He abandoned defense, and the dark, demonic energy surrounding him surged wildly, shrouding him in a thick black mist, revealing only a pair of scarlet eyes.

“Little bas\*\*\*, I’ll destroy your soul!”

Countless black ghost claws emerged from the black mist, clawing at David like a tide.

This was You Wuji’s ultimate move—Ten Thousand Ghosts Devouring Souls. Once caught by these claws, not only would the body be shredded, but even the soul would be devoured.

David’s face darkened. He could sense the terrifying power contained in these claws and knew he couldn’t withstand them.

“Attack!”

David decisively retreated, no longer fighting, and shouted aloud.

He knew he was just exchanging blows; if you Wuji truly injured him, the loss would be greater than the gain!

After all, with Nan Batian around, David only needed to warm up! [Pinshu.com

“I’ve been waiting for you to say that!”

Nan Batian laughed, his figure appearing before David like a ghost.

He didn’t even use any magic weapon, simply raising his right hand and striking the black mist.

It seemed an ordinary strike, but it carried an irresistible pressure.

The wind from his palm melted the black ghost claws like ice and snow in the sun, and the thick black mist was blown away.

“Puff!”

You Wuji’s figure was revealed. He looked at Nan Batian’s palm, his eyes filled with fear and despair. He tried to dodge, but found himself locked in place by an invisible force, unable to move.

“Bang!”

Nan Batian’s palm landed firmly on You Wuji’s chest.

There was no earth-shattering roar, only a dull crash.

You Wuji’s body flew backward like a kite with a broken string, slamming heavily into the hall’s pillars before sliding to the ground.

A clear palm print appeared on his chest, and the bones beneath his black robe were shattered. Black blood continued to flow from his mouth, and his eyes quickly became dull.

You Wuji, a fifth-grade Earthly Immortal, couldn’t even withstand a single blow from Nan Batian!

Nan Batian clapped his hands and said disdainfully, “Fifth-grade Earthly Immortal? You dare to be so presumptuous in front of me? You’re truly courting death.”

A trace of despair flashed in You Wuji’s eyes; he knew he had already been defeated.

The opponent’s strength was clearly far superior to his, and he had no chance of victory!

At this moment, David stepped forward, looking coldly at You Wuji and Youyue Witch: “Now, it’s our turn to settle the score.”

“You Wuji, let me ask you, was it your Black Evil Demon Palace that caused the annihilation of the Hu clan?” David asked coldly. You

Wuji was silent for a moment, then smiled bitterly and said, “At this point, there’s no need for me to hide anything. Yes, the Hu family was annihilated, and our Black Demon Palace was indeed involved.”

Upon hearing this, Hu Mazi became excited: “Why? We, the Hu family, have no grudges against you, why are you doing this?”
