Chapter 5236

You Wuji sighed: "All this is because of those bigwigs in the Fifth Heaven.

They took a fancy to a treasure of the Hu family and wanted to take it for themselves. The

Hu family was unwilling to hand over the treasure, so they united with us, the forces of the Fourth Heaven, and launched a war of genocide against the Hu family."

"Treasure? What treasure?" David asked.

You Wuji shook his head: "I don't know what the treasure is specifically. We are just following orders. The real leaders are the forces of the Fifth Heaven."

"Which forces in the Fifth Heaven?" David continued to ask.

You Wuji hesitated for a moment, then said, "The most important of these is the Evil Path Hall. The war of genocide was orchestrated by Ouyang Tian, the master of the Evil Path Hall's branch in the Fifth Heaven."

"Evil Path Hall?" A cold glint flashed in David's eyes!

He recalled how he had defeated You Wuxie of the Evil Path Hall in the Third Heaven, and how his spirit had escaped.

He had never expected the Evil Path Hall to have a branch in the Fifth Heaven, and to be the culprit in the Hu clan's demise.

"Besides the Evil Path Hall, were there other forces involved?" David asked.

You Wuji nodded. "There were also several major sects in the Fifth Heaven, such as the Ten Thousand Poison Valley and the Holy Light Sect. They all participated in the war of genocide."

David's expression darkened. He hadn't expected so many forces to participate in the war of genocide.

It seemed that there was still a long way to go before he could avenge the Hu clan.

“That’s not right. Wouldn’t it be easy for a sect in the Fifth Heaven to annihilate the Hu family in the Fourth Heaven? Why would so many sects need to unite?”

David suddenly realized that the Hu family shouldn’t be very powerful in the Fourth Heaven. How could so many sects unite to deal with them?

“Back then, many cultivators of the Hu family greatly increased their strength and traveled to the Fifth and Sixth Heavens. If they were to exterminate the Hu family, they would definitely recall these disciples, which is why we united.”

“In the entire Fourth Heaven, the Hu family’s disciples have the fastest realm advancement. This may be the reason. I suspect the Hu family possesses a treasure that can quickly improve their cultivation, which has brought about this fatal disaster.”

You Wuji analyzed!

He did this only to save his life. If he didn’t share some useful information, he might be doomed!

Upon hearing this, David looked at Hu Mazi and said, “Master Hu, did you use any treasure to improve your cultivation?”

“No, I practiced on my own. How could I have any treasure? Maybe I got it later?”

“I have been reincarnated many times. I don’t know what changes have taken place in the clan!”

Hu Mazi shook his head and said!

“I have another question.” David looked at You Wuji and asked word by word: “Why didn’t the members of the Hu clan leave even a soul? Didn’t anyone escape?”

But just after asking, David suddenly remembered that the Evil Dao Hall specializes in collecting things like souls. It must have been taken away!

“Was the Hu clan’s remains taken away by the Evil Dao Hall? I also encountered the Evil Dao Hall in the Three Heavens. They specialize in collecting dead souls and souls.”

“The head of the Evil Dao Hall at that time was a guy named You Wuxie. I killed him, but his soul escaped!”

David asked You Wuji!

You Wuxie? You Wuji?

David suddenly seemed to have discovered something and asked again: "Who is You Wuxie to you?"

You Wuji's face was a little ugly and he said: "That's my younger brother. He joined the Evil Dao Temple, but I haven't seen him for a long time!"

"No wonder your two names are so similar!" David suddenly realized.

A complicated look flashed in You Wuji's eyes: "Mr. Chen, although the Evil Dao Temple took away the souls of the Hu family, they may not have refined them all. They may have been imprisoned."

Chapter 5237

"What?" Hu Mazi became excited when he heard this, "What did you say? Does this mean that the spirits of my people are still there?"

You Wuji nodded: "It should be. The cultivation method of the Evil Dao Palace is quite special, and it can refine the spirits of others for one's own use."

"He took away so many spirits of the Hu family. I'm afraid he can't refine them all at once. Some of the spirits may be still imprisoned."

Hu Mazi's eyes were filled with excited tears: "That's great... That's great... As long as the spirits are still there, my people still have hope of resurrection!"

David also breathed a sigh of relief. He patted Hu Mazi on the shoulder: "Master Hu, don't worry, we will definitely rescue the spirits of our people and let them rest in peace."

"I can also help. I can find a chance to ask my brother and find out the whereabouts of the spirits of the Hu family."

"You know, the Evil Dao Temple has branches everywhere, collecting things like souls and spirits. If you don't have anyone to help you find them, it's hard to find them,"

You Wuji said hurriedly!

He said this purely to save his own life. Only if he could be useful could he save his life!

David glanced at You Wuji, who looked like a lost dog, and said coldly: "I will spare your life for now, but if you dare to play tricks, I promise to destroy your soul and spirit, and you will never be reborn."

You Wuji kowtowed hurriedly: "I dare not, I dare not! Mr. Chen, don't worry, I will do my best to find out the information, and I dare not dare to lie!"

He had already been frightened by Nan Batian. At this moment, he was lucky to be alive. How could he dare to think of anything else? He breathed a long sigh of relief, his back soaked with cold sweat.

Hu Mazi listened to this, his teeth itching, the blood feud of his clansmen welling up in his heart. Looking at the trembling Youyue Witch beside him, a fierce glint in his eyes.

He walked towards Youyue step by step. The latter was so scared that her face turned pale and she shrank and hid behind You Wuji.

"Father, save me!" Youyue cried, her voice full of fear.

You Wuji's eyelids were twitching, but

he kept his head down, not daring to look at Hu Mazi. Even his own life was in the hands of others, so how could he dare to care about his daughter's life or death? He could only pretend not to hear, digging his nails deep into his palms to hide his inner humiliation. Sorry ,

Hu Mazi pulled Youyue out from behind You Wuji and dragged her into the side hall next to him like a dead dog.

Youyue's cries soon turned into suppressed sobs, and then into moans of pleasure.

Outside the side hall, You Wuji's body trembled slightly, but he never dared to say a word.

David watched coldly and did not stop him. Some debts must be repaid.

But he admired Hu Mazi very much. He was very good in bed!

Half an hour later, Hu Mazi walked out of the side hall with a satisfied look on his face. Youyue followed behind him. She looked at Hu Mazi without any anger or hatred, but with a bit of satisfaction on the contrary.

This was obviously a pleasure and a taste of sweetness.

"David, let's go." Hu Mazi said.

David nodded and looked at You Wuji: "I'll give you three days. I need to know the exact whereabouts of the Hu clan's spirit. I'll come back to you in three days."

"Yes, yes!" You Wuji replied quickly. As

the three of them left the Black Evil Palace. Nan Batian said in a deep voice: "Most of these forces in Jiupan Mountain are in cahoots with the Black Evil Palace. Many of them were even involved in the Hu clan's annihilation. Why not seize this opportunity to wipe them out?"

A cold glint flashed in David's eyes: "That's exactly what I meant! Since we're going to take action, let's eliminate them to avoid future trouble."

Hu Mazi rubbed his hands in anticipation: "It's time to deal with them!"

The three of them immediately set about taking down the forces in Jiupan Mountain. With Nan Batian around, even smaller factions were easily wiped out with a wave of his hand.

In less than a day, the majority of the dozens of forces, large and small, on Jiupan Mountain were annihilated, leaving rivers of blood and wailing everywhere.

Those forces that once relied on the Black Demon Palace to bully others were destroyed without even the chance to beg for mercy.
