### Chapter 5238

In the main hall of the Black Demon Palace, the smell of blood had not yet dissipated.

You Wuji looked at the corpses scattered on the ground, and then glanced in the direction of the side hall. The submissiveness in his eyes had long been replaced by sinisterness.

He slowly stood up, his fingers under the black robe turned white due to the force, and the servile look he had just shown to David disappeared.

“Dad...” You Yue walked over timidly, with stains still on the hem of her skirt.

She lowered her head, not daring to look You Wuji in the eye.

You Wuji turned his head abruptly, and his scarlet eyes pierced You Yue’s body, making her tremble.

He took a few steps forward, grabbed his daughter’s wrist, his voice full of suppressed anger: “Humiliation! This is the greatest humiliation that has happened to our Black Demon Palace in a hundred years! I am an incompetent father, and I allowed you to be treated like that dirty old ghost...”

“Dad, don’t be like this.”

Youyue calmed down instead. She raised her head, and there was a strange blush on her face. “Although Hu Mazi is old, he is much better than your disciples. Besides... he really made me taste something I have never tasted before.”

“You!” You

Wuji was so angry that he was shaking all over, but he was choked by the wanton light in his daughter’s eyes and couldn’t speak.

He shook off Youyue’s hand, turned his back, and stared at the dark clouds swirling outside the hall. He squeezed out a few words from between his teeth: “David... Hu Mazi... This feud is irreconcilable!”

Youyue straightened her messy clothes and walked to her father's side. Her voice turned cold: "Dad, this is not the time for us to argue. David has the support of that Nan Batian. There is no place for us in the Fourth Heaven."

"I know."

You Wuji took a deep breath, a fierce gleam in his eyes. "David thinks that by sparing my life he can control everything? He underestimates me, You Wuji! Since he has a grudge against the Evil Dao Hall, then we will go to the Evil Dao Hall!"

"You mean to go find Second Uncle?" Youyue's eyes lit up.

"Indeed," You Wuji nodded. "

Your uncle, You Wuxie, holds a high position within the Evil Dao Palace. Although David claims he only has a wisp of soul left, given the Evil Dao Palace's strength, your uncle could easily rebuild his body. If we combine our forces, we'll surely destroy David!"

He walked to a corner, groped under a loose tile, and pulled out a black storage bag. "This is the treasure accumulated by our Black Evil Palace over the generations. It's enough for us to open up the Fifth Heaven. Pack up, we're leaving now!" You

Yue responded, turning to gather her belongings.

You Wuji gazed at the empty hall, a sinister grin curling his lips. "David, do you think I'll help you uncover the Hu family's souls? Just wait. It won't be long before I'll let you witness your own soul being refined by the Evil Dao Palace!" Taking advantage

of the night, the father and daughter quietly left the Black Evil Palace, avoiding the patrolling monks. Before leaving, You Wuji deliberately erased all traces, as if no one had ever stayed here.

At the same time, David, Nan Batian, and Hu Mazi were standing outside the mountain gate of Chi Lianmen.

Chi Lianmen was built on the mountain, and huge snake totems were carved on both sides of the mountain gate, exuding a gloomy atmosphere.

At this moment, the guards in front of the mountain gate had noticed the movement, and they all drew their weapons and looked at the three people in front of them vigilantly.

"Who are you? How dare you break into my Chi Lianmen!" The leading guard shouted sternly.

Hu Mazi stepped forward with a ferocious smile on his face: “Tell your master that Grandpa Hu is here to seek revenge on her! Let that Chi Lian Fairy roll out and die!”

The guards’ faces changed, of course they recognized Hu Mazi.

During this period, the names of David and Hu Mazi were well-known in Jiupan Mountain.

“So it’s you, the remnant!”

A guard sneered, “Just the three of you, you want to challenge our Chi Lianmen? You are simply overestimating yourself!”

## Chapter 5239

“Stop talking nonsense!” A fierce look flashed in David’s eyes. “If you don’t want to die, get out of the way!”

“How arrogant! Charge!” The leading guard roared, charging forward.

Nan Batian laughed heartily and rushed forward. With a

flicker of his body, he weaved through the guards like a ghost, his fists raining down like meteors.

“Bang, bang, bang!”

Screams echoed. The guards were no match for Nan Batian’s blows, one after another falling to their deaths.

“Unworthy!” Nan Batian curled his lips in disdain and kicked open the Chi Lian Sect’s gate. “Mr. Chen, Master Hu, let’s go in!”

The three of them entered the Chi Lian Sect side by side. Disciples they encountered along the way tried to stop them, but were all cut down by David’s Dragon Slaying Sword.

While the disciples of the Chi Lian Sect excelled at using poison and manipulating snakes, these tactics pale in comparison to sheer strength.

Soon, the three arrived at the Chi Lian Sect’s main hall.

The Chi Lian Fairy sat on a throne in the center, gazing at them grimly.

Beside her stood dozens of Earthly Immortal Realm masters, clearly well prepared.

“David, Hu Mazi, how dare you trespass upon the Chi Lian Sect!”

The Chi Lian Fairy said coldly. “It seems I was too careless when I let you escape last time at Shepan Mountain.”

“Chi Lian Fairy, stop talking nonsense.”

Hu Mazi’s eyes gleamed with vengeance. “You participated in the extermination of my Hu clan back then, and today I will make you pay with blood!”

“You?”

The Chi Lian Fairy scoffed. “Don’t forget, I’m now a fourth-rank Earthly Immortal Realm master, and I still have so many subordinates. None of you will escape alive today!”

“Really?”

Nan Batian

stepped forward, his aura suddenly erupting. “Then I want to see just how powerful you, a Fourth-Rank Earth Immortal!”

The aura of the peak Seventh-Rank Earth Immortal Realm descended upon them like a mountain, causing the faces of the Red Snake Fairy and the masters around her to suddenly change, their breathing becoming labored.

“Earth... Seventh-Rank Earth Immortal Realm?”

Fear filled the Red Snake Fairy’s eyes. She had never imagined that David and Hu Mazi would find such powerful allies.

“Attack!” Nan Batian commanded, charging forward.

With incredible speed, he instantly reached a Third-Rank Earth Immortal Realm master and sent him flying with a single punch.

Seeing this, the other masters rushed forward to attack, but were easily repelled by Nan Batian.

David then confronted the Red Snake Fairy. Knowing she was no match for her, she attempted to flee, but was stopped by David’s Dragon Slaying Sword.

“Where are you running to!” David snorted coldly, and the Dragon Slaying Sword, brimming with golden energy, slashed towards the Red Snake Fairy.

The Red Snake Fairy could only barely hold out, and soon fell into a disadvantage.

Wounds continued to appear on her body, and blood stained her red robes.

Hu Mazi was on the side, gathering up the remaining disciples. His talisman was like the Grim Reaper’s scythe, each swing taking a life. He would make those who had participated in the war of genocide pay a heavy price.

The battle was over quickly.

Nan Batian single-handedly slew all the Earthly Immortal Realm masters of the Red Snake Sect.

The Red Snake Fairy, severely wounded by David, collapsed to the ground, barely breathing.

Hu Mazi walked up to Fairy Chi Lian with a cruel smile on his face: “Fairy Chi Lian, you didn’t expect that you would have this day, did you? When you wiped out my Hu family, did you ever think that there would be retribution?”

Fairy Chi Lian raised her head with difficulty, her eyes full of unwillingness and fear: “Hu Mazi, you... You can’t kill me! I am an outer disciple of the Fifth Heaven Ten Thousand Poison Valley. If you kill me, Ten Thousand Poison Valley will not let you go!”

“Ten Thousand Poison Valley?”

Hu Mazi sneered, “When I have taken revenge, I will naturally go to settle accounts with them! You should worry about yourself first!”

## Chapter 5240

You Wuji had mentioned that when dealing with the Hu clan, the Fifth Heaven’s Ten Thousand Poison Valley was also involved. He hadn’t expected this Red Snake Fairy to be a disciple of that valley.

He grabbed the Red Snake Fairy and dragged her like a dead dog into a side hall.

For the next few hours, the Red Snake Fairy's screams and pleas for mercy continued to echo from the side hall, their voices growing fainter and fainter until they vanished completely.

When Hu Mazi emerged from the side hall, a satisfied smile on his face, his body stained with blood.

"It's done,"

Hu Mazi said. "This female demon has finally paid for the lives of my people."

David nodded. "Alright, the Red Snake Sect has been annihilated. Now, we await news from You Wuji."

The three of them left the Red Snake Sect, found a secluded valley, and then entered the Demon Suppression Tower to rest.

The battles of the past few days had drained a significant amount of their spiritual energy, requiring recovery.

Hu Mazi, excited at the thought of revenge, was unable to sleep and dragged Nan Batian into a drink.

David, meanwhile, meditated nearby, consolidating his cultivation.

He knew that reaching the Fifth Heaven would present even greater challenges, and he needed to rapidly improve his strength.

Three days passed quickly.

David, Hu Mazi, and Nan Batian returned to the Black Demon Palace.

However, when they arrived at the palace gates, they found it unusually quiet, devoid of a single guard.

"Something's wrong," David frowned. "Why is it so quiet?"

Hu Mazi, sensing something was amiss, stepped forward, kicked the gate open, and shouted, "You Wuji! Get out! Your Grandpa Hu is here!"

The hall was deserted, a single soul in sight.

The blood on the ground had dried, and the corners were covered in cobwebs, as if no one had lived there for ages.

“Where’s the person?” Hu Mazi asked doubtfully. “Did he run away?”  
.David walked into the hall

and carefully observed his surroundings.

He discovered that all the treasures and files in the hall had disappeared, clearly taken away deliberately.

“We’ve been tricked!”

David’s face turned extremely grim. “You Wuji didn’t even help us gather information. He ran away a long time ago!”

“What?”

Hu Mazi was immediately furious. “This old man! How dare he trick us! I’m going to find him and skin him alive!”

He howled in the hall, shaking with anger.

Nan Batian’s expression darkened. “I didn’t expect You Wuji to be so cunning, to actually play tricks on us.”

David took a deep breath and forced himself to calm down. “Don’t be angry. There’s no point getting angry now. You Wuji’s gone. We can only go to the Fifth Heaven to gather information ourselves.”

“That’s right!”

Hu Mazi gritted his teeth. “We’ll go to the Fifth Heaven now, find the branch of the Evil Dao Temple, and rescue the souls of our people!”

Nan Batian nodded. “That’s good! The Fifth Heaven is more prosperous than the Fourth Heaven, and the cultivation resources are more abundant. It’s a good opportunity to improve our strength.”

The three of them immediately decided to head for the Fifth Heaven.

Nan Batian tore through the void and flew towards the Fifth Heaven.

Passing through the spatial rift, the three of them arrived in the Fifth Heaven.

The spiritual energy of the Fifth Heaven was several times richer than that of the Fourth Heaven, leaving them feeling instantly refreshed.

The mountains here were even more majestic, the sky was a faint purple, and the air was filled with rich spiritual energy.

David nodded. "Let's find a place to stay first, and then inquire about the Evil Path Palace branch."

Just as David and his companions were searching for a place to stay in the Fifth Heaven, the Fourth Palace Master stood by a window in an elegant palace deep within the Divine King Palace.

She wore a plain white dress, her long black hair cascading down, her face clear and beautiful, yet a calmness between her brows belied her age.
