Chapter 5247

This strike was unremarkable, yet it held a unique charm, like flowing clouds and water, naturally formed. It was a move from the Flowing Cloud Sword Technique he had learned from the Sword Sect ruins.

The old man's previously cloudy eyes instantly brightened, and he stared intently at David's movements, a look of surprise on his face.

"Excellent! Excellent Flowing Cloud Sword Technique!"

the old man couldn't help but exclaim in admiration. "Even though you only used the basics, you captured the essence perfectly. Far superior to even that girl Ling Xue."

Ling Xue curled her lips in dissatisfaction, but didn't object, clearly agreeing with the old man's assessment.

The old man put down his hoe, walked up to David, and looked him over carefully. "Young man, where did you learn your swordsmanship? Tell me honestly."

David, knowing he couldn't hide it, told the truth, "I learned it in a ruin in the Third Heaven. I didn't know it was the Sword Sect."

A look of dejection crossed the old man's face. "Alas, that's indeed the main gate of our Sword Sect. Back then, our Sword Sect was one of the most powerful sects in the Third Heaven. I never imagined it would end up like this."

He sighed and said to David and Hu Mazi, "Let's talk inside."

They entered the room, which was simply furnished with only a table and a few chairs.

The old man poured them a cup of tea and said, "My name is Mo Chen, and I was once the leader of the Sword Sect.

When our sect suffered a great disaster, I fled the Third Heaven with a group of disciples, preserving a trace of our bloodline."

David and Hu Mazi were both somewhat surprised. They had never expected this seemingly ordinary old man to be the former leader of the Sword Sect.

“Senior Mo Chen, do you know the Evil Path Hall?” David asked directly.

Mo Chen’s face changed slightly when he heard this: “Evil Path Hall? Why are you asking about them?”

“I have a grudge against them and want revenge.” David said in a deep

voice, “They participated in the annihilation of my friend Hu’s clan and took away the souls of the clan members.”

Hu Mazi also said excitedly: “Senior Mo Chen, you must help us. We must rescue the souls of our clan members and avenge them!”

Mo Chen was silent for a moment, then said: “The Evil Path Hall is very powerful in the Fifth Heaven and acts ruthlessly. They specialize in collecting souls and practicing evil skills. Many forces are reluctant to provoke them.

If you want to seek revenge on them, I’m afraid it won’t be that easy.”

“No matter how difficult it is, we have to give it a try!”

David’s eyes were firm, “As long as we can find their branch temple, I will rescue the souls of the Hu family even if it costs my life.”

Mo Chen looked at David’s determined eyes and nodded, “Good boy, you have backbone! However, the branch temple of the Evil Dao Temple is hidden very deeply and is heavily guarded. It is impossible for the two of you to get in.”

“Then do you know where their branch temple is?” David asked.

Mo Chen shook his head: “I don’t know the exact location either. The Evil Path Hall operates in secrecy, and few people know about their branch halls. Only some high-ranking officials are aware of the situation.”

David was a little disappointed, but he didn’t give up: “Then do you know anyone who might know the location of the Evil Path Hall branch?”

Mo Chen thought for a moment and said, “There’s a place called ‘News Building’ in Sword Saint City. They specialize in selling all kinds of information there. As long as you can afford it,

you may be able to buy information about the Evil Path Hall branch hall there. However, the forces behind the News Building are very mysterious, and it isn't easy to distinguish the authenticity of the information. You must be careful."

"Thank you for the information, senior." David stood up and said, "Let's go to the News Building and take a look."

"Wait."

Mo Chen stopped him, "Young man, you have a high talent for swordsmanship. Why don't you join our Sword Sect? Although we are currently a small team, we can still offer you some valuable training resources.

Besides, with us here, at least in Sword Saint City, no one will dare to bully you easily."
