Chapter 5310

Zhang, the head of Sword Saint City, was also among them. He stood beside Qin Lie, a subtle smugness on his face.

“David! Get out here!”

Qin Lie roared, his voice booming like thunder. “If anything happens to my son, I will destroy every last one of you, your entire Sword Sect!”

David slowly walked out of the gate, followed by Mo Chen, Hu Mazi, Ling Xue, and all the other Sword Sect disciples.

Though vastly outnumbered, each of their faces wore a determined, unwavering determination.

“Where’s Qin Feng?”

Qin Lie stared at David, the murderous intent in his eyes practically solidifying.

“His cultivation was destroyed, and he was abandoned outside the city,”

David said flatly, as if addressing a trivial matter.

“You are looking for death!”

Qin Lie was so angry that he was shaking all over. The pressure of the eighth level of the Earth Immortal Realm erupted like a tsunami, “My son’s arms were cut off, and his cultivation was completely destroyed, and you still dare to be so arrogant!”

“He brought it upon himself.”

David met his gaze without fear, “If it weren’t for Master speaking, he would have been a corpse long ago.”

“And remember, this is Sword Saint City, Li Chunfeng’s territory, not your Divine Sword Villa’s territory!”

David knew that Li Chunfeng was behind him, so he was not afraid of Qin Lie, even if Qin Lie summoned so many sects, David was not afraid.

Qin Lie's expression changed slightly at the mention of Li Chunfeng, but it was quickly replaced by anger. "Don't think you can frighten me by mentioning City Lord Li! Even if the City Lord were here, he wouldn't be able to protect you after what happened today!" He turned to look at Zhang, the person in charge. "Brother Zhang, this David has resorted to violence

and injured people within Sword Saint City, taking human life with a disregard for human life. Shouldn't he be dealt with according to the rules?" Zhang, the person in charge, cleared his throat and stepped forward.

"David, you have repeatedly provoked conflicts within Sword Saint City and severely injured the young master of Divine Sword Villa, violating the city regulations . "

"Considering this is your first offense, if you are willing to abandon your cultivation and surrender the Sword Sect's headquarters, I might be able to plead for your life." These words seemed fair, but in reality, they were clearly biased. David stared at Zhang, puzzled. He hadn't expected such a sudden change!

During the competition, Zhang had used his status and position to pressure Qin Lie not to use force. But now, he was siding with Qin Lie! Needless to say, this guy must have received a favor from Qin Lie, an offer he couldn't refuse. "Hahaha!" Hu Mazi couldn't help but laugh. "Zhang, you must have accepted a favor from the Qin family, right?"

Qin Feng brought his men to provoke us, and used aphrodisiacs to frame Miss Ling Xue, but how come you're saying it's David's fault?" Manager Zhang's face darkened. "Don't talk nonsense! I've always been fair!"

"Fair?" David scoffed. "I think Divine Sword Villa gave you a treasure." His eyes swept over Manager Zhang, as if to see through him. Manager Zhang's face changed slightly, a hint of embarrassment.

He had indeed received a sword from Divine Sword Villa, and it was the villa's most precious treasure. Otherwise, as the leader of Sword Saint City, he wouldn't have sided with Qin Lie so openly.

And the leaders of these sects had also benefited from Divine Sword Villa, which was why they joined Qin Lie in the crusade against David and the Sword Sect.

After all, in this society where the strong prey on the weak, nothing works without profit. They followed David with no ties of kinship, and since the Divine Sword Villa was willing to offer benefits, they were all very happy to accept it!

"What nonsense!" Zhang, the person in charge, shouted in a timid tone, "Catch this arrogant man!" With his order, the surrounding monks immediately surrounded him, and all kinds of magic weapons flashed with spiritual light, and murderous intent was boiling.

Mo Chen protected David behind him and drew his long sword: "If you want to touch my disciples, you must step over my corpse first!"
