Chapter 5321

David observed him with a trace of pity.

When Qin Feng had used the aphrodisiac to frame Ling Xue, had he ever considered mercy?

“You have committed countless evil deeds. You cannot be spared.”

David swung his sword, ending Qin Feng’s life.

With the execution of Qin Lie and his son, the once-prosperous Divine Sword Villa was shattered.

As the dust settled, the Sword Sect’s headquarters lay in ruins, yet a sense of relief filled the air of survival.

Taoist Wuji stepped forward and handed David a jade bottle. “This is the ‘Nine-Turn Resurrection Pill,’ a sacred healing elixir from our Leiyin Temple. It will have miraculous effects on the damaged meridians in your body.”

“Thank you, Taoist.” David accepted it solemnly, bowing deeply.

If they hadn’t arrived today, the consequences would have been disastrous.

Taoist Wuwei smiled and said, “There’s no need to thank me between you and me. But now that you’ve exposed the dragon bloodline and the Fire Kirin, I’m afraid things won’t be peaceful in the future.”

“I understand.” David nodded, having already made preparations.

“We two have important matters to attend to, so we’ll take our leave now.”

Taoist Wuji glanced at Ling Xue, a hint of a smile in his eyes. “Miss Ling, David is a man worthy of your trust, but... you’ll probably have more sisters in the future.”

Ling Xue’s cheeks flushed, and she lowered her head in silence.

Taoist Wuji and Taoist Wuwei exchanged a smile, then transformed into two streaks of golden light and departed with the disciples of Leiyin Temple.

Nan Batian stepped forward and patted David on the shoulder. "Brother, take good care of your injuries. Come to me if you need anything." With that, he also left with the people from the Information Building.

David watched the group leave, a warm feeling welling in his heart.

He turned to Mo Chen and said, "Master, please take the disciples to heal their injuries and reinforce the base."

"Okay." Mo Chen nodded, his eyes filled with relief.

Li Chunfeng walked up to David and said in a serious tone, "Although the Divine Sword Villa is destroyed, the Divine Temple and the Evil Dao Temple will never give up. You must be careful."

"I understand." David paused, "City Lord Li, the matter of the Sword Saint City..."

"Leave it to me,"

Li Chunfeng's eyes flashed with a fierce look. "It's time to clean up Zhang and those corrupt officials who colluded with the foreign enemy." With

that, Li Chunfeng turned and left, his figure clad in white, yet radiating a murderous aura.

Over the next few days, Sword Saint City was in turmoil.

Li Chunfeng launched a drastic purge, wiping out Zhang and his cronies. All the high-ranking officials who had colluded with Qin Lie were also dismissed.

The entire Sword Saint City experienced a period of considerable turmoil, but ultimately returned to Li Chunfeng's control, with order restored. Meanwhile

, David rested and recuperated at the Sword Sect's headquarters.

The Nine-Turn Resurrection Pill lived up to its reputation. His ruptured meridians healed at a visible rate, and his divine dragon power and the power of the three clans gradually stabilized.

Ling Xue brought him medicinal decoctions daily. Their relationship, having endured life-or-death trials, had grown even closer. However, the occasional mention of that night still brought a flush of embarrassment to Ling Xue's face.

One day, David was finally able to get out of bed and walk. He walked into the courtyard, watching the Sword Sect disciples practicing, a glint of determination in his eyes.

The destruction of Divine Sword Villa was only the beginning; greater challenges awaited him.

The Divine Temple, the Evil Path Hall, and even enemies lurking in the shadows... He must rapidly improve his strength to protect those around him.

“Brother David,”

Ling Xue approached, holding a bowl of medicinal soup with a gentle smile.

David took the medicine, drank it in one gulp, and then took her hand. “Ling Xue, when I’m healed, we’ll go to the Black Wind Mountains and completely eliminate the Evil Path Hall branch.”

Ling Xue nodded vigorously. “Okay, I’ll go with you.”

“To go to the Evil Path Hall, I’m not strong enough yet. I need to improve my cultivation quickly.”

“I’ll take you to the Demon Suppression Tower for dual cultivation. We’ll both improve together!”

David led Ling Xue into the Demon Suppression Tower.

Ling Xue blushed at this, knowing she wouldn’t have time to stand again for the next few days!
