Chapter 5349

Hu Mazi came over and glanced at the transaction amount on the file, and took a breath of cold air: "Wow, that's a full 100,000 high-grade immortal stones! What on earth does this bas*** want to do?"

"He wants to use 100,000 demon souls to disrupt the Sixth Heaven."

Ping closed the file, a cold look flashed in his eyes, "The Sixth Hall of the Divine Temple wants to use the demon souls to weaken the strength of Leiyin Temple and the Divine Kingdom, so as to take the opportunity to expand the territory;

there are traitors in the Divine Kingdom who want to use the demon souls to create chaos and overthrow the current king. After all, the fact that the Divine Princess ran away from her marriage shows that there are disagreements within the Divine Kingdom;

as for the Evil Dao Hall, they have always wanted to capture powerful souls and refine them into "Soul Killing Pills". 100,000 demon souls are a threat to them. It's the perfect raw material."

The woman in light gauze nodded. "Mr. Chen's analysis is correct. But I have another piece of news that might be useful to you.

Last night, the Divine Kingdom's divine guards suddenly sealed the west gate of the Divine Kingdom's capital, claiming they were tracking down the thieves who stole the Divine Kingdom's sacred artifacts. However, according to our spies, the Divine Guards were actually looking for a cultivator who could control demonic energy. This person seems to be connected to the Evil Dao Hall."

David and Hu Mazi exchanged a glance, their minds already forming a clue.

The Divine Guards' sudden sealing of the Divine Capital's gate must be related to the Thunder Sound Bell. Perhaps the cultivator who controlled the demonic energy was the Evil Dao Hall member responsible for transporting the Thunder Sound Bell.

"Master Hu, I want to go to the Kingdom of Gods. This time, all three forces are suddenly involved with the Thunder Sound Bell. I always feel something is wrong."

“The people of the God Clan have always been extremely arrogant and should not practice evil magic. However, the Sixth Palace Master of the Temple is not necessarily the same. Many people of the God Clan in the Temple have no backbone.”

“So I want to understand this Kingdom of Gods and see what the situation is. If this Kingdom of Gods, the Temple of Gods and the Evil Dao Temple are really connected, it will not be easy to get the Thunder Sound Bell back!”

After leaving the Information Building, David said to Hu Mazi!

“It’s too dangerous for you to go to the Kingdom of Gods alone, and the Kingdom of Gods is full of God Clan cultivators, each of them is extremely arrogant. If you go there, you will be exposed directly.”

“Besides, if you go like this, I’m afraid you won’t even be able to enter the God City, and people will look down on you at all...”

Hu Mazi said!

“Don’t worry, I have another way. Aren’t they trying to capture the princess? I can help the Kingdom of God capture the princess, so that we can enter.”

David said!

Hu Mazi was a little worried when he heard it: “Do you really want to capture the princess of the Kingdom of God? Not to mention that there may be hidden guards around her. Even if you catch her, the Kingdom of God is heavily guarded. Can you get in with a princess who is full of resistance?”

“And we don’t know where the princess has gone now. Where can you catch her?”

“The News Tower should know. I can get news from the News Tower.”

After David finished speaking, he rubbed the token given by Xiao Cui with his fingertips, and soon the specific location of the Princess of the Kingdom of God appeared in his sea of consciousness.

David smiled faintly: “The News Tower just sent a message that the princess is hiding in Luoxia Valley south of Qingfeng Town. She is the only one in the valley, without any divine guards following her.

As for entering the Kingdom of God, as long as she is in my hands, the Kingdom of God will not easily act against me. They want a complete princess for marriage and will never let anything happen to her.”

Hu Mazi still felt uncertain, but he also knew that there was no better way at the moment, so he could only take out a few invisibility talismans from his storage bag: “Take it, Luoxia Valley has a natural spiritual barrier, and this talisman can help you conceal your breath.

If it really doesn’t work, don’t force it, let’s think of other ways.”

David took the talisman and stuck it on his body. His figure instantly blended into the surrounding light and shadow: “You stay in Qingfeng Town and keep an eye on the movements of the News Tower. Once there is any news about the whereabouts of the Lei Yin Bell, send a message to me immediately. I

will send a message back from the Kingdom of God in ten days at the latest.”

As soon as he finished speaking, he took off into the air and flew towards the direction of Luoxia Valley.

Chapter 5350

Luoxia Valley lived up to its name. It was dusk, and a radiant glow bathed the valley, illuminating the pink blossoms that covered the hillsides with an even more vibrant hue.

By the stream in the valley’s center, a divine princess in a white dress sat on a bluestone. Her fingertips gently touched the water, sending ripples of golden divine patterns across the surface. It was the woman David and Hu Mazi had saved earlier.

Hidden behind a tree, David observed the sorrow in her brow, but hesitated to appear. [The following appears unrelated to the It wasn’t

until the sun completely sank below the horizon, dusk enveloping the valley, and the princess rose to leave, that he suddenly attacked.

A golden spiritual force instantly entangled the princess’s wrist, firmly restraining her magical powers.

The princess turned back in shock and anger, seeing David appear out of nowhere. Her eyes were filled with alarm. “It’s you! What do you want?”

“I’ll take you back to the Divine Kingdom,”

David said flatly, his spiritual energy tightening at his fingertips. "The Divine Kingdom is searching for you. Rather than being captured and punished by the Divine Guards, why not come with me? At least I won't do anything to you like they did?"

The princess struggled to break free, but David's spiritual energy was as firm as an iron clamp. She summoned her divine power, and golden divine patterns illuminated around her, but they were instantly suppressed by the evil-breaking talisman cast by David's other hand. "Don't waste your energy! Your cultivation is inferior to mine. Any further struggle will only bring you pain."

"Impossible! You're only a first-rank cultivator in the Earthly Immortal Realm. How could you possibly trap me..." The princess continued to struggle in disbelief.

But no matter how hard she struggled, she couldn't break free.

"Even if I'm a first-rank cultivator in the Earthly Immortal Realm, you're no match for me. Just follow me!"

David said with a faint smile.

"I'd rather die than return to the Divine Kingdom!"

A flicker of determination flashed in the princess's eyes, and she even considered using her divine power to injure herself.

Seeing this, David's eyes turned cold. He took a step forward, stretched out his hand to grab the hem of her skirt, and pretended to pull it down: "If you dare to die, I will destroy your chastity now."

Do you think that the Kingdom of God will still use you as a princess of the Gods who has lost her virginity for marriage?

By then, not only will you not be able to save yourself, but even the people you want to protect will be implicated by you. "

The princess froze, and the determination on her face was instantly replaced by fear.

As a princess of the Gods, she had been taught since childhood that chastity was more important than life. If her reputation was really ruined by David, a human cultivator, she would not only become a laughing stock in the Kingdom of God, but her father might really attack the people around her to save face.

"You... you dare!"

The princess' voice trembled, but she did not dare to struggle anymore. She could only glare at David hatefully: "What do you want? I will go with you, but if you dare to disrespect me, I will drag you down with me even if it costs me my life! "

David loosened his hands, retracted his spiritual power, took out a rope from the storage bag, and gently tied her hands. It seemed like a restraint, but in fact it left room for her to move and would not hurt her.

"Don't worry, as long as you take me into the palace of the Kingdom of God, I will let you go. Before that, you'd better be obedient, otherwise I will take off my pants and fu** you. "

David said to the princess like a rough man.

When the princess heard this, her face immediately turned red and her legs clamped together involuntarily. She didn't expect David to say such vulgar words.

The princess bit her lip and looked at the immortal rope on her wrist. Her eyes were full of humiliation, but she didn't say anything else.

David said no more and took her into the air and flew towards the direction of the capital of the kingdom of gods.

After flying for about eight hours, the world in front of them suddenly changed.

The originally sparse clouds became dense like cotton, with a faint golden light. The immortal energy in the air was so rich that it almost condensed into dew. After taking a breath, she felt her meridians were slightly hot.

Below was no longer the rugged rocks of an ordinary mountain range, but a vast plain.
