Chapter 5456

“Damn, a grown man, why are you crying so hard? I’m not completely gone yet, I’m almost gone. With my limited soul power, even if I reach the Ninth Heaven, it will be difficult to restore my body.”

At this time, the voice of the Red Cloud Demon Lord rang out.

Upon hearing that the Red Cloud Demon Lord was not dead, David hurriedly wiped away his tears and said, “Senior, even if you can’t restore your body, you can stay in my sea of consciousness for the rest of your life.”

“Forget it, I don’t want to stay in your sea of consciousness forever. You play with women every day, and I can’t stand watching you every day...”

said the Red Cloud Demon Lord!

Upon hearing this, David blushed, his face filled with embarrassment. He quickly changed the subject, “Senior, why have you been quiet for so long? I thought something bad had happened to you.”

“It’s because of the Evil Path Hall. These guys are extremely sensitive to souls. If I show up, they’ll hunt you down every day. I might even use my soul to refine pills.”

“Don’t underestimate the Evil Path Hall. No one knows where their headquarters is. Ten thousand years ago, it felt like the Evil Path Hall was present in every world in this celestial realm,”

the Scarlet Cloud Demon Lord warned David.

“Damn, is the Evil Path Hall that powerful?” David frowned slightly.

“Alright, I need to rest. If I say a few more words, this wisp of my soul will truly disappear.”

With that, the Scarlet Cloud Demon Lord fell silent.

David gathered his attention and began searching for Lingxi and the others.

Meanwhile, in Divine Capital City, the Soul Devourer stood at the highest point of the palace, overlooking the entire city.

His body had completely solidified, and his strength had returned to 80% of its peak. It wouldn't be long before he was fully recovered.

By then, not only would he be able to conquer the Sixth Heaven, but even the Ninth Heaven.

"The Sixth Heaven will soon be mine..."

Soul Devourer sneered, a glint of greed and cruelty in his eyes. "And that brat, and those escaped cultivators, I won't let any of them go!"

With that, Soul Devourer turned and headed deeper into the palace.

He needed to quickly recover to peak strength, then unify the entire Sixth Heaven and even challenge the higher worlds.

After escaping, David rested briefly in the wilderness before searching for Ling Xi and the others. He knew the situation was critical and needed to find them quickly. After a lengthy search, David finally located Ling Xi and the others in a secluded valley.

"David!" Upon seeing David safely return, Zi Yuan was the first to rush over, tears of joy

welling

in

her

eyes.

"I'm so glad you're okay!"

Wu Hao, Ling Yue, Hu Mazi, and the others gathered around, their faces beaming with joy.

"I'm fine. I'm sorry to have worried you all,"

David said with a smile. "Senior Chi Yun helped me stop the Soul Devourer, which allowed me to escape."

"Senior Chi Yun..." Hu Mazi asked worriedly.

"He... he paid a heavy price to save me,"

David's voice was a little deep. "But he's not completely gone. It just takes a long time to recover."

Everyone felt a sense of heaviness at this.

They all knew that if it weren't for the Scarlet Cloud Demon Lord's risking his life to help them, they would have likely died in Divine Capital City today.

"By the way, how are everyone's injuries?" David asked with concern.

At the mention of injuries, everyone's faces darkened.

"We've all suffered serious injuries and will need a long time to recover,"

Wu Hao said with a wry smile. "Especially the Fourth Palace Master. She was seriously injured while covering our retreat."

David looked at Ling Xi, only to see that she was pale and her breathing was a little unstable, clearly seriously injured.

"Fourth Palace Master, are you okay?" David asked worriedly.

Chapter 5457

Lingxi shook her head. "I'm fine. I'll be fine after some rest."

"But now Divine Capital City has been occupied by the Soul Devourer. It's too dangerous for us to stay here,"

Lingyue said worriedly. "The Soul Devourer will soon send people to hunt us down."

Everyone's faces grew even more solemn upon hearing this. They knew Lingyue was right. Given the Soul Devourer's character, he would never let them go.

"I have a suggestion,"

Lingxi suddenly said. "I can take everyone to the Eighth Heaven. That's the territory of the Divine King Palace. Even if the Soul Devourer was so powerful, he wouldn't dare act recklessly there."

A glimmer of hope flashed in everyone's eyes.

The Eighth Heaven was where everyone was looking to go out, and everyone hoped to ascend to a higher realm.

Furthermore, the Divine King Palace of the Eighth Heaven was powerful. Even if the Soul Devourer had regained his peak strength, he might not dare to act recklessly there.

“But Fourth Palace Master, your injuries...” Wu Hao said worriedly.

Ling Xi shook her head. “Although my injuries are serious, I can still force open the spatial channel. However...”

Ling Xi paused, a look of embarrassment on her face. “But with my current strength, I can only open a small spatial channel at best, and I can only teleport a few people at a time. It would take a long time to send everyone to the Eighth Heaven.”

The hope on everyone’s faces dimmed at this.

They now had hundreds of people. If only a few could be teleported at a time, it would take many times.

During this time, the Soul Devourer would likely have sent people to hunt them down.

“What should we do?”

Zi Yuan asked worriedly. “We can’t just stay here and wait for the Soul Devourer to kill us, can we?”

Everyone fell silent. For a moment, an atmosphere of despair filled the valley.

Just then, David suddenly had an idea.

“I have a plan!”

David suddenly said.

Everyone looked at David, their eyes filled with confusion.

David smiled faintly and pulled out a small, black, tower-shaped magical weapon from his storage ring. “

This is...” Ling Xi stared at the small black tower, a flicker of surprise in her eyes. “Could this be the legendary Demon-Suppressing Tower?”

“Yes, this is the Demon-Suppressing Tower,” David said with a smile. “This tower is not only used to suppress demons, but it also has a special function.”

“What function?” everyone asked curiously.

“The flow of time inside this tower is different from outside,”

David explained. “One day outside is equal to one hundred days inside. Everyone can enter the tower to practice and quickly recover from their injuries.”

Everyone’s eyes flickered with shock.

One day outside is equal to one hundred days inside—this is simply incredible! If they practiced in the tower, they would recover from their injuries in just a few days and even increase their strength.

“This...is this true?” Ling Xi asked in disbelief.

David nodded. “Of course it’s true. The flow of time inside this tower is indeed different from outside.”

“Great!”

Ling Yue said excitedly. “This way, we won’t have to fear the Soul Devourer! Once we’ve recovered from our injuries, even if the Soul Devourer comes, we won’t be afraid of him!”

Upon hearing this, everyone’s faces lit up with excited smiles. They finally saw hope.

“Everyone, hurry into the tower,”

David said with a smile. “I’ll protect you from outside.”

Everyone nodded, and, led by Ling Xi, they entered the Demon Suppression Tower one by one.

Seeing everyone enter the tower, David breathed a sigh of relief.

He knew that now all he needed to do was protect everyone from outside and wait for them to recover.

Time passed day by day, and in the blink of an eye, three days had passed.

Chapter 5458

For three days, David remained stationed at the Demon Suppression Tower, daring not to slack off.

He knew the Soul Devourer could send his men after them at any moment.

Finally, on the evening of the third day, the Demon Suppression Tower suddenly emanated a dazzling light. [The following appears to be unrelated text fragments and should likely be omitted.]

Immediately afterwards, Lingxi, Wu Hao, Lingyue, Ziyuan, and the others emerged from the tower one after another.

Each of them exuded a powerful aura and was in high spirits, clearly having fully recovered from their injuries and even increased their strength.

“We’ve recovered!”

Ziyuan exclaimed excitedly, “and my strength has increased significantly!”

Wu Hao also smiled and said, “That’s right, I’m now a third-grade Human Immortal!”

Upon hearing this, everyone excitedly discussed their gains.

After three hundred days of cultivation in the Demon Suppression Tower, their strength had greatly increased.

Lingxi also checked her own injuries, a satisfied smile on her face. “My injuries have fully recovered, and my strength has returned to 90% of my peak.”

Just as everyone was buzzing with excitement, a loud roar suddenly erupted from the sky.

Then, a powerful aura reached from afar, causing the entire valley to tremble violently.

Everyone’s expressions changed, and they all looked up at the sky.

Dark clouds covered the sky, and countless black demonic spirits and cultivators emerged from the clouds, densely packed like locusts, encircling the entire valley.

At the forefront of these demonic spirits and cultivators, a figure in a black robe hovered in mid-air. It was none other than the Soul Devourer, who had fully recovered to his peak strength!

“Hahaha... You think I can’t find you hiding here?”

The Soul Devourer laughed wildly, his voice filled with disdain. "Today, I see where you can escape!"

Everyone looked at the dense swarm of demonic spirits and cultivators in the sky, despair on their faces.

Although they had recovered from their injuries and their strength had increased, they stood no chance against the Soul Devourer and hundreds of thousands of demonic soul cultivators. "

It seems we're really going to die here today," Wu Hao said with a wry smile.

Ling Yue nodded, a calm expression on her face. "I have no regrets about fighting with you all until the very end."

Zi Yuan gripped her sword tightly, her eyes filled with determination. "Even if it means death, I will fight them!"

Ling Xi gazed at the Soul Devourer in the sky, a solemn expression on her face. "Don't give up, everyone! We still have hope!"

However, everyone knew this was just Ling Xi's reassurance.

Facing such a powerful enemy, they had no hope at all.

They stood back to back, weapons tightly gripped, ready to fight to the bitter end.

The atmosphere in the valley was extremely tense.

"We're all going to die anyway, so let's fight him..."

Taoist Wuji prepared to fight to the death with the Soul Devourer.

But he suddenly found that he could not move, suppressed by an invisible force.

Everyone felt that a terrifying aura suppressed them, and they could not move at all, let alone fight with the Soul Devourer.

The Soul Devourer was suspended in the air, his black robe fluttering without wind, and a suffocating and terrifying aura emanated from his body.

He looked at the people who could not move below, and a cruel smile appeared on the corner of his mouth: "Ants are ants after all. Even if you are given the opportunity to practice, you are not my opponent at all."

Everyone struggled hard, but it seemed as if they were locked tightly by invisible shackles. Not to mention fighting, they couldn't even move a finger.

The spiritual power in the body seemed to be frozen, unable to be mobilized at all.

"Hahaha... Do you feel despair?"

The Soul Devourer laughed wildly, "This is the difference in absolute strength! In front of me, you don't even have the qualifications to resist!"

Chapter 5459

He slowly landed in front of the crowd, his eyes swept over everyone, and finally stopped at David: "Boy, I see that you have good talent and dragon blood. Why don't you submit to me? Follow me, I guarantee that you can get better resources than in the Palace of the God King, and you may even have the opportunity to impact the ninth heaven in the future!"

David glared at the Soul Devourer, his eyes full of disdain: "Submit to you? You deserve it! Evil demons like you will be struck by lightning sooner or later! Even if I, David, die, I will never go along with you!"

"How dare you!"

Soul Devourer's face sank, and a hint of murderous intent flashed in his eyes, "If you don't accept my toast, you will be punished! Since you want to die so much, then I will grant your wish!"

After speaking, Soul Devourer raised his hand and condensed a ball of black magic light, ready to completely destroy David and others.

At this critical moment, a strange shift occurred in the sky.

The previously dim sky was instantly enveloped in a fiery crimson, as if the entire world were ablaze.

An indescribable heat wave swept from the horizon; even the demonic energy released by Soul Devourer began to fluctuate violently.

"Hmm?"

Soul Devourer frowned, paused his movements, and looked up.

Everyone looked up as well, only to see a brilliant flame streaking from the horizon. Like a meteor, it streaked across the sky, carrying devastating power, and instantly reached the valley.

A faint figure could be seen within the flames.

As the flames gradually dissipated, a white-haired elder in a fiery crimson robe slowly emerged.

The elder had white hair and a youthful face, a simple expression. His eyes were like two flaming balls, emitting a majestic and kind light.

A faint flame surrounded him, and beneath his feet rested a lotus flower formed from the flames. He exuded an indescribable sacred aura. Everyone was

stunned by the sudden appearance of this white-haired elder.

They had never seen such a strange figure, and they had no idea of this old man's origins.

But judging by the aura emanating from the old man, he was definitely an extremely powerful being.

man, David's eyes widened in shock.

He recognized him as the Fire Spirit Star Lord who had taught him the Fire Control Step, the same old man who had turned and left after a disagreement.

David hadn't expected the Fire Spirit Star Lord to even reach the Sixth Heaven.

Soul Devourer's expression darkened. He sensed that the white-haired elder's strength was no less than his own, perhaps even greater!

"Who are you?"

Soul Devourer asked gravely, his demonic energy churning furiously, ready for battle.

The white-haired elder slowly opened his eyes, his gaze sweeping across the room like two streaks of fire, finally resting on Soul Devourer.

"I am the Fire Spirit Star Lord," the

old man's voice resounded like a bell, carrying an undeniable authority. "Youngster, you have wreaked havoc here, killing lives. Do you acknowledge your guilt?"

Fire Spirit Star Lord?

Everyone was puzzled; they had never heard of the title.

But judging from the aura of fire emanating from the old man, he was clearly a powerful being related to fire.

Soul Devourer's expression changed, as if he had thought of something, his eyes narrowed slightly: "Fire Spirit Star Lord? Could it be that you are... the one from the Flame Mountain of the Ninth Heaven?"

"Didn't you disappear tens of thousands of years ago and go to a higher heaven?"

Fire Spirit Star Lord smiled faintly: "I didn't expect a junior like you to have heard of my name. Now that you know, why don't you surrender?"

"Hahaha... So what if you are the Fire Spirit Star Lord of the Ninth Heaven?" Soul Devourer suddenly laughed wildly, "This is the Sixth Heaven, not the Ninth Heaven, not your place!"

"Even if it's the Ninth Heaven, you're just a legend from before the Ninth Heaven. When I return to the Ninth Heaven, what will you be?"

"And you still dare to call me a junior? Do you really think I'm afraid of you?"

Chapter 5460

"You seem quite confident, indeed. It's true that when there's no tiger in the mountain, the monkey becomes king. I've also heard that you were once very powerful in the Ninth Heaven, capable of covering the sky with a single hand. But that doesn't mean you're truly powerful; it simply means the cultivators of the Ninth Heaven are becoming increasingly inferior." Fire Spirit Star Lord said with a smirk!

"Since you know me, prepare to die!" Soul Devourer said and attacked

Fire Spirit Star Lord. He formed seals with his hands, and demonic energy surged around him. In an instant, a massive black claw condensed, clutching at Fire Spirit Star Lord with the power to rend the heavens and earth.

Wherever the claw passed, the air ripped apart, emitting a series of piercing, piercing sounds.

David and the others paled at the sight. They could sense the terrifying power of this attack; had it been their turn, they wouldn't have even been able to retaliate.

Yet, facing such a terrifying attack, the Fire Spirit Star Lord remained smiling, as if the attack before him were merely child's play.

"A trifle," the Fire Spirit Star Lord said calmly.

He gently raised his right hand, and a golden flame condensed at his fingertips.

Though seemingly feeble, the flame held an indescribable, terrifying power.

"Boom!"

The golden flame collided with the black devil's claws, emitting a resounding, earth-shattering sound.

Shockingly, the seemingly terrifying black devil's claws melted away like ice before the golden flames.

"What?"

Soul Devourer's face darkened, his eyes filled with disbelief.

He hadn't expected his all-out attack to be so easily neutralized!

"Impossible! This is impossible!"

Soul Devourer cried frantically.

Unconvinced, he gathered even greater strength, forming even more complex hand seals with his hands.

"Raging demonic flames!"

Soul Devourer roared, and the demonic energy surrounding him erupted like a volcano, transforming into a sea of black fire that swept towards the Fire Spirit Star Lord.

The sea of fire was horribly corrosive; even space began to warp wherever it passed.

David and the others watched in astonishment; they had never witnessed such a terrifying attack. However, the

Fire Spirit Star Lord remained unmoved.

He sighed softly, "Alas, you truly do not know your place."

With a gentle wave of his right hand, the golden flames surrounding him instantly surged, transforming into a massive wall of fire that completely blocked the sea of black fire.

Even more shocking, the terrifying black sea of fire began to rapidly evaporate before the golden wall, as if it had met its nemesis.

“This... How is this possible?”

Soul Devourer was completely stunned.

His raging demonic flames were one of his signature skills, immensely powerful, yet he hadn't expected them to be so easily neutralized.

“Your demonic flames are child's play before this Lord,”

the Fire Spirit Star Lord said calmly.

“Impossible! I don't believe it!”

Soul Devourer cried frantically. “I am Soul Devourer! I am a Ninth Heaven powerhouse! I cannot possibly lose to you!”

With that, Soul Devourer launched another attack.

He formed seals with his hands and chanted a few words. The demonic energy surrounding him began to gather frantically, transforming into a massive black demonic sword.

“Soul Devourer Demonic Sword!”

Soul Devourer roared, wielding the demonic sword and slashing at Fire Spirit Star Lord.

This sword contained all his might, countless shrill soul threads entwined in its blade, emitting a terrifying, heart-wrenching aura.

David and the others watched in terror. They could sense the sword's terrifying power; if struck, even their very souls would be completely devoured.

Yet, facing such a terrifying blow, Fire Spirit Star Lord remained composed.

He calmly extended his right hand and lightly tapped his index finger.

“Puff!”

With a soft sound, the seemingly terrifying Soul Devourer Demonic Sword was rendered inert by Fire Spirit Star Lord's fingertips.
